Buffalo, Aug. 14.—The two leaders of the Eastern League had it out to-day, and Buffalo won. It was a close game and a good game. The Bisons bunched their hits, and Gray pitched magnificent ball when the bases were full. That's how Buffalo came to lead the league again to-day. Score:

TORONTO WON ON SUNDAY.

Buffalo, N. Y., Aug. 15.—Toronto again leads the Eastern League, although during the early part of to-day's game it looked as if the Bisons were about to take another fall out of the Canadians. There were about 5000 people present at the game and when the locals started in to bat Staley all over the field there was much joy in the rooters' camp. Gaston was substituted by Manager Irwin in the fourth and the Buffalo batters could do nothing with him. The Canadians fell on McPartlin in the eighth, and, assisted by some costly errors, won the game right there. Score:

MONTREAL DOWNED THE STARS.

Syracuse, Aug. 14.—The Stars could not find Yerrick at any stage of to-day's game, while Lampe was hit hard. He was replaced by Mallarky in the fifth, after which Montreal made not a hit. Score:

MONTREAL SHUT OUT.

Syracuse, Aug. 15.—Willis and Becker fought out a pitchers' battle here to-day, keeping the few hits well scattered. Willis won his own game by a corking two-bagger, bringing in Ryan after two were out in the second. Three successive singles and an error in the fifth netted two more runs. Bannon and Dooley were the only visitors to reach second. Score:

At Wilkes-Barre—The game was interesting enough up to the eighth innings, when the visitors went to pieces. Five errors and Atherton's timely two-bagger netted the home team seven runs. The Miners could not overcome this. John L. Sullivan umpired, and gave satisfaction. Score:

At Providence—Mains was a puzzle to Providence batsmen and held them down to four hits and no runs to-day. Hodson pitched great ball for Providence. The Ponies were fast on the bases, and they made the most of what little hitting they did. It was a sarp fielding game on both sides.

BUFFALO TO-DAY.

There will be a great fight to-day at the Island at 4 p.m. for first place in the pennant race between Buffalo and Toronto. Both teams are playing great ball, and the game will be sizzling hot. Battery for Toronto, Williams and Casey, and Farmer Brown will do the twirling for Buffalo. Reserved seats are now on sale at Harold A. Wilson's, 35 King-street west.

CLEVELAND HERE TO-MORROW.

A great deal of interest is being taken in the meeting at the Island to-morrow of the Cleveland team of the National League and the Toronto team, as many think the Torontos are playing as fast ball as many teams in the National League. A great many are anxious to see the great Indian player, Soxalexis, who has created such a sensation in baseball circles by his wonderful play. They say Sox has already been making enquiries about that right-field fence. There are still a few reserved seats left at Harold A. Wilson's, 35 King-street west.

Cleveland's batting order will be: Burket, McKean, Childs, Wallace, Soxalexis, Pickering, Tebeau, Zimmer, Caffy.

NATIONAL LEAGUE.

At Philadelphia—Baltimore made it three straight to-day, but only after one of the most exciting contests seen on the local grounds this season. In the first five innings the Phillies made but two hits off Honer, but in the sixth they jumped upon him for five, including two doubles and a triple. This combination yielded six runs and tied the score. Baltimore took the lead on the seventh, only to be passed in the first half of the ninth, when the locals developed another batting streak and knocked four runs. The champions again evened up things in the second half of the ninth, scoring two runs, both earned. They won out in the tenth on two angles and a sacrifice hit. Score:

											R.	H.	E.
Philadelphia	0	0	0	0	0	6	0	4	0	—10	14	3	
Baltimore	0	0	1	0	0	2	0	2	1—11	20	4		

Batteries—Orth and McFarland; Hoffer and Clark.

At Washington—Brooklyn could not hit Mercer, while Dunn was an easy proposition for the Senators, who won out in the fifth by a batting rally, when they made four runs, four hits for eight bases. The game was well played and interesting. Attendance 900. Score:

										R.	H.	E.

Brooklyn	0	0	0	2	0	0	0	1	0—4	11	4	

Batteries—Mercer and Farrell; Dunn and A. Smith.

At New York—Rusie held the leaders down to one hit up to the eighth innings to-day, when four hits, assisted by errors, gave them two runs. The Giants managed to connect with the ball when hits meant runs, although errors helped them out somewhat in their run getting. Davis' playing at short and Van Haltren's throw from centre to the plate to catch Lewis, were the features. Score:

Boston	0	0	0	0	0	0	0	2	1—1	7	3		

Batteries—Rusie and Warner; Lewis and Bergen.

At Cincinnati—It took ten innings to decide the game between the Reds and Colts to-day. The visitors tied the score in the ninth, and won out in the tenth. This was McPhee day at the League Park. It was the occasion of presenting to the great second baseman the testimonial to which the citizens of Cincinnati generally contributed. The cheque amounted to $1789.50. Score:

Chicago	0	0	2	0	0	4	0	0	2	0	1 1—10	14

Batteries—Ehret, Daman and Peitz; Thornton and Donahue.

At Cleveland—Brown was very wild and was replaced by Young in the third to save the game, but without avail. The Browns batted Young for five earned runs in the fourth. Score:

St. Louis	0	4	0	5	0	0	0	1	0—10	14	1

Batteries—Brown, Young and Zimmer; Coleman, Donohue and Douglass.

At Pittsburg—The game was won in the eighth innings by the good batting of the home team. The feature was Donovan's fielding. Score:

HAMILTON DEFEATS LONDON.

The Hamiltons took the lead in the Canadian League to-day by defeating the Londons. The Hamiltons had things all their own way. McGinnis, as a joke, threw an onion instead of the ball in the first innings and Hickey struck it squarely. The vegetable went to pieces and filled the air with a common aroma. The score:

										R.	H.	E
Hamilton	4	1	2	0	0	6	2	0	x—15	17	0

Argonaut Doubles Fouled West Philadelphia and Their Boat Sank.

More Than Thirty-Five Thousand People Witnessed the Events at Philadelphia—Barring Accidents the Finishes Were Close and the Racing Was Good—Pair-Oared Shell Race to Be Rowed Over To-day—Toronto Rowing Club Fair Third in the Senior Doubles.

Philadelphia, Pa., Aug. 14.—At a meeting of the National Association Amateur Oarsmen this morning the following were elected: President, W. C. Jupp, Detroit; vice-president, Walter Stimpson, North Combridge, Mass.; treasurer, Robert H. Felton, Brooklyn; secretary, Fred. B. Fortmeyer, Newark, N. J.; George H. Root of Philadelphia was chosen a member of the Executive Committee, vice George W. Stazell, who resigned this morning. The place for holding the next regatta will be decided at the January meeting of the association.

THE JUBILEE REGATTA.

The featureless trial events of yesterday's Silver Jubilee regatta of the National Association of Amateur Oarsmen was more than compensated for to-day by the finals, nearly all of which were rowed in good style and the finishes close. The local rowing clubs won four out of the eight events finished.

Never within a good many years has the attendance at any national regatta approached the attendance of to-day. It is estimated that more than 35,000 people viewed the races from both sides of the course and in river craft of every imaginable description. As on the previous day the races were rowed over the national course, three-quarters of a mile and return, in an the events except the international four and senior eights, which were pulled one and one-half miles straightaway.

In the first race, the senior doubles, the Catlin Club of Chicago, the Toronto Rowing Club and the Pennsylvania Barge Club were the only starters, and all three rowed a good stroke. The local crew were first on the turn, and they came in pulling a steady stroke, crossing first by a length. The Toronto four the Institute Club took the lead and held it to the turn. The Ariel Club of Baltimore was first away on the turn, and came down rowing strong with a 32 stroke. Institute was close after the Baltimore crew and passed it half way down. Nearing the finish Ariel spurted and held close to the Institute, but the latter passed the judges' stand a winner by half a length.

Then came the battle royal, the senior singles, with at least three favorites—Whitehead, Juvenal and Maguire—and much was expected of the others. Maguire, after the start, forged ahead slightly and lead at the turn. Juvenal was right after, Van Damme, Thompson and Whitehead next. Maguire led all the way home, and won by three lengths. Whitehead, by good head work, pulled in for second place, with Juvenal close behind, third.

The pair oared shell was a chapter of accidents. Just after the start the Quaker City Club became an oar by rowing too close in shore.

putting up a good race and seemed a likely winner, when on rounding the turn the crew fouled West Philadelphia and almost immediately the Argonaut boat sank. The crew got together soon after, and it was decided to pull the race all over on Monday with all the entries.

The Nassau Boat Club was disqualified in the intermediate doubles at the finish. Fairmount rowed a splendid race throughout, with Vesper close behind, the former crossing ahead by half a length.

The Vesper Boat Club pulled in great style all through the intermediate four and won easily.

The international four was a close race. Ariel led for nearly half way, with Institute near by and Argonaut and Columbia following. At this point Columbia broke an oarlock and stopped. Argonaut began pulling up and dipped hard and strong, crossing a winner by half a length.

The eights were a disappointment in a measure.

THE SUMMARIES.

MOMO BEAT GLENCAIRN.

The First Race for the Seawanhaka Cup Was Taken by the American Yacht at Pointe Claire, Que.

Montreal, Aug. 14.—The day opened bright and fair for the first race for the Seawanhaka Cup, which is being sailed at Point Claire. Both the Glencairn II. and Momo were out early, and their owners were putting the finishing touches to them.

Shortly before 10 o'clock Mr. Barclay Stephen's steam yacht Dunn took the two yacts in tow, and slowly steamed out to the starting point. By this time there was a gentle breeze blowing, with promise of greater strength as the day grew older. The rivals which are to contest the supremacy of Canada and the United States in the half-rate class looked well as they passed over the bosom of the historic lake.

All the arrangements had been well made, and at 11.30 the yachts got away, in a brisk southeasterly wind, for the race to windward and return. The Momo quickly forged ahead, but at 11.54 when the boats crossed the starting point her lead was only a slight one. At 12.10 she was still ahead, and leading rapidly. Glencairn was doing splendidly.

Momo reached the first buoy at 12.12 and a minute and a half afterwards Glencairn turned. Glencairn set her spinnaker and gained on her opponent. Momo still retained a considerable lead as the yachts headed for the Beaconsfield shore. The boats turned the stake boat very close together, Momo leading slightly, the latter's time being 12.46. On the run down Momo increased her lead, and at the four-mile mark Glencairn was over half a mile astern. Momo was 3 mins. 10 secs. ahead of Glencairn II. at the stake boat. At the five-mile mark the relative positions remained unchanged. Momo gained five seconds on this run. At six miles Glencairn II. had improved her position slightly, and continued to hold the advantage to the stake boat again. At 1.44 the wind fell slightly, and the boats were heading out on the third round.

The crew of the Momo are working hard, sitting right over the gunwale.

2.04 p.m.—Momo has just turned the buoy on first half of last round.

2.08 p.m.—Glencairn turned the buoy 3 mins. 15 secs. behind Momo. Both are on the home stretch.

Momo wins the first race by about three minutes.

After gybing around the buoy, both boats set their spinnakers and started for the finishing line, the wind increasing every moment. The Momo, amid cheers and tooting of whistles, crossed the finish line at 2.26.25, followed by the Glencairn at 2.30.40.

The wonderful speed of the Momo was a great surprise to all local yachtsmen, who speak of her in the highest terms and the admirable way Skipper Crane and his crew handled her, although Mr. Duggan and his crew handling the Glencairn could not be criticised in any way. All seem to agree there were no mistakes made in to-day's race and the Momo won on her merits.

Next race will take place Monday, the 16th, over a triangular course of one and a third miles to each leg to be covered three times.

As the Glencairn appeared to hold her own on the free runs to-day, the local yachtsmen hope to see her reach better than the American racer in this race. The day's festivities were brought to a close by the Point Claire local regatta, which was viewed by the visitors to the international regatta.

THE CANOEISTS AT CLAYTON.

Clayton, N.Y., Aug. 14.—There are now about 150 persons on the register of the American Canoe Association camp. The first race to-day was won by Mr. Begg and Miss Pearsall of the Northern Division. It was the mixed tandem paddling quarter mile straight away, open canoes and single blades. Time 2 mins. and 38 secs.

TECUMSEHS WON IN A WALK

Beat Toronto Lacrosse Club at the Island.

SCORE WAS SEVEN TO TWO

And the Result Was a Surprise to a Good Many People.

Team Play of the Red Men Was Better Than That of Their Opponents—The Losing Team Played Without Moran—Fast and Rough Play Was Very Prevalent—Capitals Galloped Away From the Cornwalls—Other News of the National Game.

About 2500 spectators saw the Tecumsehs defeat the Torontos at the Island Saturday afternoon by 7 goals to 2. The Torontos appeared to be outclassed, and the Island Braves won as they pleased. The play was rough and fast and in nearly every game some of the players were sent to the fence to rest.

After the first two goals Toronto showed signs of nervousness from being checked so hard, and fumbled and muffed the ball badly. In the fifth, when Referee Macpherson gave a ruled Griffith off for fouling, Capt. McCullough raised a kick and said he would take his team off the field. He accused Macpherson of showing favor to the Indians.

The game was never in doubt, as the Tecumsehs outplayed the Torontos at every point. Moran was off and the game was on the winners' grounds, and the Torontos claimed that if Moran had been on the game would not have been so one-sided. Billy Gale and Archie Allan played a good game for the losers, the latter stopping shot after shot, and Gale did most of the work in the field. The Torontos changed their team several times, and in the fourth lead got his leg hurt and was replaced by Bennett, who showed up well.
