CURING DYSPEPSIA

Is Simplicity Itself When Dodd's Dyspepsia Tablets are Used.

Dodd's Dyspepsia Tablets don't cause feverish over-stimulation of the digestive organs They effect is to strengthen and re invigorate the stomach, while they are digesting the food

In effect, Dodd's Dyspepsia Tablets say to the worn out exhausted stomach "You take a day off let me do your work for a while you just take it easy and rest" Then they go to work, and the effect is marvellous

The food is digested, dyspepsia disappears, indigestion, heartburn, sour stomach, etc, vanish The stomach grows strong, health, vigorous, able to digest any food supplied to it The blood becomes pure, the nerves that were shattered by indigestion or dyspepsia become steady and healthy, and the irritable, fault finding man or woman becomes pleasant agreeable and sunny natured All because he or she used Dodd's Dyspepsia Tablets and the similar tablets that are in every box

The manner in which these changes are made is simplicity itself Dodd's Dyspepsia Tablets act in place of the stomach till the stomach regains its strength At the same time they tone it up and nourish it

Try the treatment yourself Give your stomach a holiday Give Dodd's Dyspepsia Tablets a chance They'll positively do the work

Dodd's Dyspepsia Tablets each box containing a full double treatment for stomach and bowels, are for sale by all druggists, or will be sent on receipt of price, 50 cents a box, by The Dodds Medicine Co, Limited Toronto.
