POTATOES ARE SELLING AT FIRM PRICES NOW

Price Is Now 80c a Bag on the Local Market.

Hay and oats were the only staples offered on the market square this morning. Some fifteen or more loads of hay sold at prices that varied from $9 50 to $11 50 per ton. Sales were not quite so active as yesterday, but there was a fair demand notwithstanding.

Oats were moderately plentiful, and brought from $1 11 to $1 14 per cwt. Prices are fairly active, and the demand is quite as large as the supply.

Potatoes are selling at firm prices, although a carload which was shipped yesterday was bought up at 70 cents per bag. Single bags bring as high as 80 cents, however.

There is an unusual scarcity of dressed poultry, butter and eggs. However, the demand for these staples is only fair else the prices would soar skyward again. As it is, there are no marked changes in the market valuations of these products.

LIVE STOCK.

TORONTO, June 8.—Trading was again brisk at the city cattle market yesterday, and prices for good butchers' steers and heifers leaned toward a higher level. Sheep and lambs held steady, and hogs made a substantial gain. Aggregating 1600 head of cattle, 588 sheep and lambs, 2000 hogs and 264 veal calves, the receipts fell far short of the required supply, and competition was keen, although largely confined to home buyers. The yards were cleared at an early hour. Freak prices were again in evidence, as, for instance, when $6 40 per cwt was paid for four steers weighing 1270 lbs. Several hundred choice steers and heifers sold at from $6 to $6 15 per cwt, which is a decisive gain in comparison with the records compiled some days ago. Medium to good butchers' cattle brought from $5 60 to $5 90. Butchers' cows were steadily absorbed at from $4 to $5 50 per cwt, while bulls went at from $4 50 to $5 25. Milch cows dragged, and, although the receipts were comparatively insignificant, many animals proved unattractive, an dtheir disposal was only possible at a concession. Some of the sales yielded less than $30 per head. Veal calves were fairly numerous, at $4 to $7 per cwt. Some improvement in the sheep and lamb trade halted the recession of Monday, and the market closed steady. Hogs advanced to $6 65 to $6 70 f. o. b., country points, and $7 per cwt fed and water at the market; the demand showed no signs of relaxing, and isolated transactions were asserted to have involved 10c higher.

Representative transactions were as follows: George Rowntree (Harris Abattoir) bought 290 cattle; medium to good steers and heifers at $5 60 to $6; 100 choice cattle at $6 15; butchers' cows at $4 to $5 40; bulls, $4 50 to $5 25. Alex. Levack bought 1 load of butchers' cattle, 1050 lbs, at $6. W. J. Neely (Park, Blackwell & Co.) bought during the week 350 cattle; steers and heifers at $5 60 to $6 12½; butchers' cows, $4 50 to $5 25; bulls, $4 75 to $5 25. Dave Rowntree (Harris Abattoir) bought 75 spring lambs at $5 to $6 25 each, 40 calves at $7 per cwt, and 45 sheep at $3 50 to $4 50. Dunn & Levack sold 10 loads of cattle; butchers' steers and heifers at $5 60 to $6; do, cows, $4 50 to $5 25. A. W. Macdonald (Dunns, Limited) bought 4 loads of steers and heifers at $5 90 to $6 10; 2 loads of cows at $5 to $5 50. Wesley Dunn bought 100 sheep, average $4 25; 100 spring lambs at $5, and 75 calves at $6 50. H. Hunnisett bought 2 loads of butchers' cattle at $5 50 to $5 85. Crawford & Co. bought 1 load butchers' steers, 1050 lbs, at $5 90; 1 load mixed butchers, $5 to $5 50. W. Crealock (D. B. Martin, Limited) bought 4 loads cattle; choice steers and heifers, $5 90 to $6 10; good steers and heifers, $5 70 to $5 85; choice cows, $5 to $5 40; good cows, $4 50 to $4 80; good bulls, $5 to $5 25. Maybee & Wilson sold 12 loads of cattle; exporters, $6 to $6 10; butchers, $5 70 to $6 10; bulls, $4 75 to $5 25; cows, $4 60 to $5 40; milch cows, $25 to $60. John O'Keefe sold 4 choice steers, 1270 lbs, at $6 40 per cwt.

FINANCIAL.

[From Charles Head & Co., by private wire to J. J. Tearney.]

NEW YORK, June 9.—(10 a.m.)—There is some talk heard of an advance in the Bank of England rate, but this doesn't mean much. Our favorable trade balance makes imports of gold a likelihood, though there is no real reason why local banking interests should facilitate this movement when money commands so low a rate. Sentiment is more optimistic because of the fine showing of the government crop report, which indicates the largest wheat harvest on record, allowing for the usual deterioration pending the final returns. Judge Gary in his testimony before the investigating committee in Washington, made a plea for government regulation of inter-state commerce so far as industrial prices go, suggesting that the trusts realize that they need the protection against legislation which this would afford. The increased consumption of copper shown in the producers' figures is favorably commented upon as indicating the turn in the copper situation. It is well to note that the bond business is good, and the investment demand in the high grade railroad dividends continues to absorb offerings explaining the higher prices. We feel that the market is a purchase for the pull, and would take advantage of all breaks to add to commitments.

There is nothing new in the molders strike. The men are still out, and have received no new offers from the bosses.

Non-Support Charge.

Charles Richardson, a north-end man, was charged in the police court this morning by his wife, Mabel Richardson, with non-support. Richardson is employed in a local glass factory, and has one child. Magistrate Judd postponed the hearing of the case until Monday morning.

New Street Lamps.

The water commissioners are hurrying the erection of the new lamps on Dundas and Richmond streets, and expect to have them ready for use in about ten days. The cable has been put into the conduits and the bases made fast. All that is necessary is to put on the upper portion, and that will be done in a short time.

A False Alarm.

Someone telephoned the house of Chief of Police Williams last night that a street fight was in progress in the north end. The chief called out the patrol, but on its arrival at the place of combat there was nothing doing. The police state that, contrary to report, they heard nothing whatever of a woman being assaulted in the north end last night.

June Bugs' Ravages.

London Township farmers say that the ravages of the June bug are not nearly so serious in that township as has been reported in the Government reports issued from Toronto. It is said that the pastures have not suffered any more than usual from the larvae of the insect, and that the fruit crop has been damaged less from its ravages this season than in previous years.

Blackwell—Parsons.

A quiet wedding took place on Thursday afternoon at 4 o'clock, at the home of Rev. C. A. and Mrs. Parson, 103 Pearl street, Brantford, when their daughter, Nora S., was united in marriage to Mr. Wellington Blackwell of London. The ceremony was performed by the bride's father, the bride and groom being unattended. After a dainty luncheon the happy couple left on the 6:30 train for points west. They will be at home to their friends after July 1, at 129 Langarth street, London.

Mr. Allison Promoted.

The many friends of Mr. W. H. Allison will be pleased to learn of his promotion with the C. P. R. to district freight agent at Saskatoon. Mr. Allison entered the C. P. R. at London, and until some four years ago was employed in the local freight offices here. He was transferred to Regina and from there to Winnipeg, where for two years he was chief clerk to Mr. N. B. Lanigan, who was then general freight agent. He was later made city freight agent at Regina, and has now been appointed district freight agent, with headquarters at Saskatoon.

SCHOOL CLOSES JUNE 30

Three Weeks More For the Pupils of London.

There are just three weeks more of school, and then swarms of youngsters will be turned loose for eight weeks or more of unadulterated joy. The official closing is set for June 30, but it is expected that many of the youngsters will get ahead of the schedule and have a few days' extra holidays.

The entrance examinations are set for June 26, 27 and 28. The promotion examinations will be held at the same time, so that it is not at all probable that much work will be done the last two days of school.

EAST LONDON NEWS

A PRESENTATION TO MISS SUSIE M'GILL

Popular Young Lady Given a Cabinet of Silver and a Linen Shower.

Miss Susie McGill, who has been a member of St. Mary's choir for some years, and who is to be married shortly, was very pleasantly surprised last evening when she was invited to St. Mary's Hall and there presented with a handsome cabinet of silver and given a linen shower.

Miss Mary Graham made the presentation on behalf of the choir, and Miss McGill was almost overwhelmed with kind words and appreciation of her services as a vocalist and a consistent and sincere church worker.

There was a large turnout, and a dainty lunch was served to all. Rev. Father McKeon was amongst those present, and he, too, paid a warm tribute to the many good qualities and endearing disposition of Miss McGill.

At the residence of the bride's father, Mr. Caleb Freeland, of Queen's avenue east, Miss Alberta Geraldine Freeland was united in marriage yesterday, at 1 o'clock, to Mr. Charles Gammage. The bride was attended by Miss Nellie Wilson and the groom's assistant was Mr. Leigh, of Toronto.

MUST HAVE NUMBER ON BOTH SIDES

Adolphus Bibbings, a teamster, who had his number on only one side of his wagon, contrary to law, paid $5 cents in the police court this morning for the little oversight on his part.

Fred Anderson, who was advised to leave town when he appeared in court on Wednesday, came back this morning, and not having the necessary $5 to pay the fine which was meted out to him this time, went down for fifteen days.

Donald McCuaig, charged with intoxication, explained that he was on his way from Toronto to Detroit, but not being well, dropped off the train to have a drink. He took more than one and missed the train. "I'll get right out of town if you let me go," he told the magistrate. "I'll walk right out now." He walked.

John Loughlin, who insisted on declaring that he belonged to London, and had been here once in a while for the last ten years, was discharged on a similar charge.

Frank Haskins, from Toronto, and Charles Manning, "who didn't know, but guessed he must have been drunk," were also allowed to go.

William Lowes rode on the sidewalk of Beaufort street at 6 a.m. the other morning, and paid one dollar for the diversion.

SWIMMING POOL FOR GIRLS OPEN JUNE 30

Arrangements Have Been Completed by the Playgrounds Association.

Arrangements have been completed by which the Playgrounds Association are able to announce that the swimming pond at the sulphur baths will be opened for the girls of the city on Friday, June 30, and for boys on the following Wednesday, July 5. The baths would have been opened for the boys earlier, but it was found that it would interfere too much with school arrangements.

Sheriff Cameron stated to The Advertiser this afternon that Mr. George S. Gibbons had donated $100 and the Woman's Canadian Club $20 towards the expenses, and that the baths will be engaged week by week. There is litle doubt, he thinks, that they will be available for the children through the season, as he has numerous promises of other subscriptions. In all, $250 will be needed to allow the children to have the use of the baths regularly.

Mr. Chris Butterworth has been secured as swimming instructor, and arrangements are being made for offering first, second and third prizes to the girls making the best progress as learners, for the best girl divers, and floaters; for the boys making the best progress as learners, the best divers, floaters, back swimmers, and for the winners of several special races.

The youngsters are greatly delighted over the prospect of the free baths, Last year the move took a great hold on the boys and girls, and large crowds of them availed themselves of the opportunities afforded them through the work of the association. This year it is expected that even more of them will learn to swim and enjoy the chance for the recreation.
