Mr. F. J. Painton, the well-known proprietor of Painton's Music Store, Vancouver, B. C., writes: "I have been a great sufferer from asthma in its worst form for over four years, very often having had to sit up nearly all night. I had consulted physicians both in England and Canada without obtaining any permanent relief and tried many remedies with the same result. A friend who had been cured by Dr. Clarke's Kola Compound advised me to try it. And three bottles have entirely cured me. It is now nearly two years since my recovery, and asthma has not troubled me since. I feel very grateful to Dr. Clarke for introducing this wonderful remedy, suffering as I was, as I do not know of a single case where the required number of bottles have been taken that it has failed to cure. See that you get Clarke's Free sample bottle sent to any person mention this paper. Address The Griffiths & Macpherson Co., 121 Church street, Toronto, or Vancouver, B. C., sole Canadian agents.

Since she is unable to give such guarantee Germany's action is equivalent to effective interference in administration and control within the German sphere of influence."

Apt Quotations.

Proverbs, axioms and wise sayings have been uttered by Confucius and other wise men from time immemorial, but few people realize how many there are of them. C I Hood & Co, of Sarsaparilla fame, have over two thousand and they have originated the ingenious plan of serving them up in delectable shape in thousands of newspapers, with each one neatly turning a point as to the merit of their well known medicine. The extensive use of these proverbs is original and creditable to Hood & Co.

Fire is a troublesome guest at any hotel, when it comes it wants everything, and when it departs it leaves nothing.—Toronto News.
