Ayer's *Hair Vigor,*

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.

EAST STREET.
Goderich, Aug. 7th 1877,

This standard article is compounded with the greatest care.

Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its toxic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.

A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Price, One Dollar.

Buckingham's Dye
FOR THE WHISKERS.

This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color, which will neither rub nor wash off.

Medical.

HOLMAN'S LIVER PAD

Has Stood the Test for Years.

It has a national reputation unknown to any other medicine in the world, and is daily increasing in popularity. New Review—This commendably new method of using the well approved and highly esteemed remedies, is in principle and practice a great improvement on the old system of taking medicine into the stomach to be carried by the digestive organs into the blood, to be there acted upon by the vital forces of the system. Nature's Law—The principle of all medication. Nature's Law.

A Never-Failing Cure.

For Fever and Ague, Bowel Pain, Dysentery, Intermittent Fever, Jaundice, Costiveness, Liver and Side Pains, Pleurisy and Stitching Pains in the Chest, Rheumatism, Liver Complaint, often taken for Consumption, Heart Disease (not organic), Nervous Debility, Female Weaknesses, Kidney Complaint, Diarrhoea, Gold Dispensing and Nervous Prostration, it is also a sure Preventative of Fever, Fever and Ague, Cholera, Bowel-Fever, Scarlet Fever, Typhoid, all Malarial and Miasmatic Diseases the life over exposed to blood poisons.

Works by Absorption.

It is gentle, effective, harmless, is marvellous for its prompt cure of every species of Liver and Stomach disorder. It contains only Liver and Vegetable Compounds, and is very clearly shown needed over the vital parts, the Liver and Stomach. It removes torpor of the Liver and restores the Stomach from its diseased state, arresting fermentation, torpor and pain, by giving it the natural quantity of bile and gastric juice to digest the vitiated food, with nature's own tonic. It arrests all fermentation and putrescence in the stomach, and prevents the food from entering the system by way of the intestines. It expels from the body every particle of blood poison, whether Miasma, malarial or other poison, and the doctor is perfect health.

Sent by mail on receipt of $1.00 for the Regular Pad, and $1.50 for the Extra Large Pad. Pad is to be used in old chronic and obstinate cases.

HOLMAN'S PLASTERS.

We cannot too strongly urge the use of Holman's celebrated foot and chest plasters, as, in addition to the Pad in extreme cases of Torpor, Dullness of other Powers, Rheumatism, Neuralgia, Nervous headache, and such pains in any part of the body, especially in the small of the back and shoulders. The effect is magical. Also in cases of cold extremities and partial Paralysis. The Plaster expanded and equalizes the circulation producing the most satisfactory and even astonishing results. Combination the two, and following the directions, the patient can feel but little doubt of being absolute master in the severest chronic difficulties.

Plasters cost 50 cts.

UNION MUTUAL LIFE INSURANCE CO., 102 St. Francois Xavier street.

Holman Liver Pad Company:

GENTLEMEN—I feel it my duty to give you the result of the Holman Liver Pad which I bought of you about a month ago. I have been troubled with severe Dyspepsia and Indigestion, accompanied with sharp pain in the region of the Kidneys for about a year, and it finally became so troublesome that I could not eat anything without great suffering. I had tried much of the popular remedies of the day but with only temporary relief. I bought the Pad with little or no faith in it, but am happy to say it has, I believe, entirely cured me after wearing it twenty-eight days, so that I can once more eat anything without feeling any inconvenience and cannot be too strongly recommended.

Yours truly,
N. F. HARRINGTON.

Holman Liver Pad Company:

GENTLEMEN,—I, the undersigned, having been troubled with Dyspepsia for a number of years back, I have tried different prescriptions from several eminent Physicians, but without getting much perceptible relief. About one month ago I commenced the application of "Holman's Liver Pad," and am happy to say that since, then I do feel a great relief, and that I can now digest a few articles of food I did not dare touch before.

O. F. ROBERT.

BURLINGTON, ONT., July 20th, 1877.

Holman Liver Pad Co.:

DEAR SIRS,—With pleasure I communicate to you the benefit I have received in the use of your Fever and Ague Liver Pad. From the first day I put it on the pain left me, and I now feel comfortable; it also acted on my bowels like a charm, and I feel thankful to my Heavenly father that my attention was directed to it, and also to you. I have certainly become your missionary for your Pad and Plasters.

Please find enclosed $2, for Pad and Plasters and address them to Mrs. Haggarth, Ingersoll, Ont.
