LISTOWEL STANDARD.

FRIDAY, OCTOBER 10, 1879.

TOWN AND COUNTRY.

DON'T forget that $1.50 in advance will pay for the STANDARD up to January 1881.

$12,000 worth of goods must be sold in the next six weeks at CLIMIE, HAY & Co's. 34.

THE thermometer was up taking a farewell of "the nineties" during the early part of this week.

REV. DR. TOPP, pastor of the Knox Church, Toronto, died on Monday afternoon, at the age of 65 years.

TO-NIGHT.—Fox & Ward's burlesque and minstrel troupe are announced to give an entertainment in Bricker's hall this evening.

BARGAINS! BARGAINS!—Climie, Hay & Co. will after Monday the 22nd inst. sell their teas, sugars and general groceries at cost for cash. 34

NEW STORE.—We understand that Mr. Moyer, of Berlin, is about to open a general store in the premises lately occupied by Climie, Hay & Co.

TO CHICAGO.—Next Wednesday, 15th inst., the G. W. R. will give an excursion to Chicago, tickets good for ten days. The fare for the round trip is $12.

MR. GALE, teacher of book-keeping and writing, having completed his courses of instruction in this town, has gone to Wingham, where he purposes forming classes.

NOTICE.—Parties indebted to me will please call and settle their accounts immediately, as I have liabilities to meet and must have the money.

37. JAS. ARMSTRONG.

KNOX CHURCH.—We have been requested to intimate that Rev. Dr. Gregg, of Knox College, Toronto, will preach in Knox Church, Listowel, on Sabbath next, both morning and evening.

INTERMEDIATE. — George Douglas, of Elma, has passed the late intermediate examination on appeal. This adds one more to the successful pupils of the Listowel High School.

STRATFORD was well represented by brethren of the press at the Listowel Exhibition, Messrs. Fahey of the *Herald*, Young of the *Beacon*, and Schmidt of the *Colonist*, being present in reportorial capacity.

LADIES! LADIES!—Be sure and see our Dry-goods, Mantles, Shawls, Furs, and all kinds of goods which we offer at cost for cash on and after Monday, the 22nd inst. The best bargains ever offered in Listowel. CLIMIE, HAY & Co. 34

DAILY PAPER.—The *Brantford Evening Telegram* is the latest journalistic visitor to our sanctum. It is published by the Jaffray brothers, who recently commenced the publication of a weekly paper in the city of Brantford. The *Evening Telegram* makes a very creditable *debut*.

SCHOOL REPORT.—Following is the monthly report of the Listowel Public School for September; 1st dept., No. on roll, 44; average, 42; 2nd dept., 57; average 49; 3rd dept., 71; average 52; 4th dept., 60; average 49; 5th dept., 61; average 51; 6th dept., 66; average, 48; 7th dept., 112; average, 75.

B. ROTHWELL, Principal.

HERR DOBLER, magician, etc., has been entertaining fair houses during the past three nights in Bricker's hall. He is a clever *prestidigitateur*, performing many of his tricks with a dexterity which would do no discredit to Anderson himself. Dobler understands the alluring influence of a few presents distributed among an audience.

GENTS! GENTS!—Now is the time to buy your clothing at Climie, Hay & Co's. on and after Monday the 22nd inst. we will sell our immense stock of English, Scotch and Canadian tweeds, overcoats, ready made clothing, hats and caps, and all gents' furnishings at cost for cash. Suits made to order, a perfect fit guaranteed. CLIMIE, HAY & Co. 34

NEW PAPER.—We have received the first number of *The Standard*, a new paper issued by Mortimer Bros. at Kincardine. The *Standard* is typographically neat; its politics are sound, and it gives proinise of becoming a creditable local journal. We wish our namesake a large subscription list, and "nary a delinquent among em."

FOR MANITOBA.—The emigration from this neighborhood to the Northwest does not appear to be diminishing. Yesterday (Thursday) Mr. Paterson, "from up the boundary," left there for the new Province; and we understand that on Wednesday next another large party from the neighborhood of Molesworth will follow the party who left last week in charge of Mr. J. Livingstone, jr.

AUCTION PRINTING.—Printing for auction sales executed at the STANDARD office with neatness and despatch, and at lowest rates. Orders received by mail will be promptly attended to. Arrangements can be made at this office for procuring the services of any auctioneer desired. A free notice of sale given in the STANDARD to parties having their printing done at this office.

IN NEW PREMISES.—Mr. James Lee and Mr. John Welch have removed their respective businesses into their new premises in the Mechanics' block. They each have commodious shops, which are well fitted up, and from the size of their stocks we opine that they are able to suit the public in anything that may be required in the harness and boot and shoe lines.

ABOUT three hundred people from points along the Kincardine branch of the G. W. R. visited Niagara Falls on Tuesday last. The greater part of the excursionists remained at the Falls until the following day, thus enabling them to do justice to the wondrous sights there to be seen, and also affording an escape from the fatigue of a night journey homewards.

UNION S. S. No. 1, ELMA & WALLACE.—The following are the names of the first three pupils in each class: Fourth class, 1 Lavina Deavitt, 2 Freddie Blythe, 3 Addie Lankerkin. Sen. third class, 1 Eliza Gordon, 2 Maggie Gordon, 3 George Dickson. Jr. third class, 1 Maggie Hall, 2 Charles Heron, 3 Hannah Haddow. Sen. second class, 1 Wm. Klapp, 2 Sarah Brown, 3 Freddie Kopes. Jr. second class, 1 Thomas Stewart, 2 Henry Follis, 3 Geo. H. Gordon.

THANKSGIVING SERVICES.—Sunday next having been appointed by the Bishop of Huron as a day of thanksgiving throughout the Diocese for the abundant harvest, special thanksgiving sermons will be preached in all Episcopal Churches. The services in Bricker's hall will be conducted by Rev. H. L. Yewens, of Elora, with whom Rev. Mr. Cooper will exchange pulpits upon that day. The collections will be in aid of the Missionary Diocese of Algoma.

A serious accident happened to Mr. Ed. Coppin of Mitchell on Wednesday of last week. While unhitching his horses after the day's work was over, he neglected to unfasten one of the traces on one horse, when the horse moving on towards the stable the pole of the wagon struck Mr. Coppin and knocked him over, and one wheel of the heavy dray passed over the small of his back. He was unconscious for several hours, and it is feared he is very severely injured.

The Government have adopted the Burrard Inlet route for the British Columbia portion of the Canada Pacific Railway, and tenders are now advertised for 127 miles of the road, divided as follows:—Emory's Bar to Boston Bar, 29 miles; Boston Bar to Lytton, 29 miles; Lytton to Junction Flat, 28¼ miles; Junction Flat to Savano's Ferry, 40¼ miles. Tenders will be received up to the 17th of November. British Columbia will not secede for the present.

AT THE WESTERN.—Messrs. Hess Bros. of this town have again been successful at one of Canada's great shows. The splendid bedroom set which they exhibited at the Western carried off first prize. We congraulate them upon the additional honors which have been accorded them. Were anything wanting to establish their reputation abroad, their late victory over the foremost furniture manufacturers in the Province furnishes undisputable evidence of the superior workmanship produced at Hess Bros. establishment.

CATTLE FAIR.—The fair on Friday last was the largest attended of the season. About three hundred head of cattle were on the ground; buyers were also plentiful, but the animals did not seem to suit them, as sales were few in comparison to the amount of stock brought forward. The cattle were for the most part small, and but a limited number being in marketable order. From 2½ to 3cts. was the average price paid where sales were effected. About 100 head changed hands. Among the buyers present were H Durrant, Berlin, Thos. Small, Hamilton, Wm. Wilkinson, Guelph, Clark Wilkinson, Galt, R. Jones and M. Murphy, Logan.

P. S. BOARD.—The regular monthly meeting of the Board of Public School Trustees was held on Tuesday evening, 7th inst., at which the following members were present: Messrs. Towner, Fennell, Terhune, Newman and Little. Accounts were passed and ordered to be paid, as follows: W. Lowe, $2.17 for flower pots; J & J Large, $2.68, for lumber for flower stands; R. Moore, $1.50 for half dozen brooms; Summerville & Bender, $9.73 for furnace grates; Phoenix Mutual Fire Ins. Co., assessment $1.60. The Secretary was instructed to have a deed of the old School ground prepared, and have the same executed and handed over to the town.

SOCIAL.—The social given at the residence of Mr. John Thompson on Tuesday evening last was a grand success. The weather being exceptionally fine for outdoor amusement, and the beautiful lawn which surrounds Mr. Thompson's residence being illuminated for the occasion with Chinese lanterns, the considerable gathering of ladies and gentlemen present spent the evening in a very pleasant manner. Refreshments, entertaining music, etc., also contributed to the general enjoyment. The social was a success financially as well as socially, the improvement fund of Knox Church having been thereby augmented by the handsome sum of $30.43.

A number of Local election trials have been set down for hearing. The South Norfolk case will be tried at Simcoe, before Chief Justice Moss and V C Blake, on October 30th; the West Hastings case at Belleville, before Chief Justice Moss and Mr. Justice Galt, on the 30th of November; The Stormont case at Cornwall, before C. J. Moss and V. C. Blake, on December 2nd; and the South Wentworth case at Hamilton, before C. J. Moss and Mr. Justice Galt, on December 9th. The time for the trial of the Dufferin Petition will be appointed after the motion now pending to strike the petition off the files is disposed of.

STREET OPENING.—The decision of the arbitrators appointed in reference to the opening of certain streets in this town has been arrived at, and is as follows:—For the portion of roadway owned by Dr. Nichol between Bay and Bismarck streets, and from Davidson to Gladstone streets, that gentleman has been awarded the sum of $470. Hess Bros. are allowed $240 for the portion of their property required in opening Bismarck street out to Wallace street. Mr. John Tremain receives $144 compensation for land required in opening Elma street to Lillico's survey. Jas. Livingston, M. P. P., of Gaden, acted as arbiter on behalf of the landowners, and R. Cleland Esq., of Elma, on behalf of the town. Robt. Smith, Esq., Barrister, of Stratford, was the referee.

ASSESSMENT APPEALS. — The Judge's decision regarding the appeal of Mr. Wm Damer against his assessment on personal property has been given in that gentleman's favor, Mr. Damer's personal property having been struck off the roll. The ground upon which Mr. Damer entered an appeal was that his stock had been previously assessed in Toronto, and that consequently it should not be assessed in Listowel. The dicision of the Court, which sustains the appeal, is a matter of some importance, and sets at rest the question whether personal property can be assessed in more than one municipality. In the appeal of the S. & H. R. Company, the judge's court has reduced the company's assessement from $3,000 to $2,500.

ACCIDENT.— Mrs. Forbes, wife of Mr. Thos. Forbes, who lives on the outskirts of the town, met with a painful accident on Saturday last. She was in company with her husband and son, as the latter was driving down mill street with a load of grain, and when near the skating rink the horses ran away. A team in front of them occupied the road, into which the horses ran with such a force that the front part of Mr. Forbes wagon was suddenly hoisted upwards, throwing all the occupants out. Mrs Forbes fell between the horses, and sustained severe injuries, though fortunately no bones were broken. The other occupants of the wagon escaped with slight bruises. Under the circumstances, it is exceedingly fortunate that a more serious accident had not taken place. We understand that Mrs Forbes is recovering.

AT WORK.—On Saturday last several gangs of men commenced grading on the Stratford & Huron Railway survey between this town and Palmerston. Mr. Carroll, contractor for the first 17 miles of the road, has about 200 men at work at the present time. One gang have commenced operations on the "cut" on Mr. Smith's farm, at the northern limits of the town. They have a formidable job ahead of them, as the "cut" required to be made here will be of considerable proportions. Work has also been commenced on some of the sections further north, as the following despatch dated at Hanover, Oct. 6, will indicate: "The first sod on Clarke's Section of the Stratford & Huron Railway was turned here to-day by Mrs. George Hollinger, assisted by E. A. Goodeve. There is great rejoicing over the event. All the other contractors have commenced on the different sections. Should the fine weather continue, it is expected that all the grading will be completed from Listowel to Wiarton this fall."

A FRAUD.—A late issue of the Parkhill *Gazette* states that a man in that neighborhood, upon receipt of a card purporting to be from L. Kindale & Co., Montreal, offering to send an "Illustrated Diamond Dictionary," worth $8, for 65 cents, remitted the stamps, but no dictionary ever came. A short time ago a citizen of this place received a card from the "Enterprise Publishing Co., 132 Myrtle st., Boston, Mass.," offering to send to the person addressed for the sum of 63 cents a copy of "The American Unabridged Illustrated Diamond Dictionary," the card adding, "if the person wished the book registered to send 10 cents extra." This tempting bait was, however, in this instance declined, as it is very evident that no honest company could for such a price send a book of 700 pages bound in cloth and gilt, without some other consideration. We quite agree with the *Gazette* that it is about time the general public were waking up to an understanding of these frauds which are at present being so successfully practiced on all classes of the community.

J. B. WATSON.—On Monday evening a select audience assembled at Bricker's hall to listen to Mr. J. B. Watson's lecture on "Society Tamasked." The chair was occupied by his worship the Mayor, who introduced the lecturer with a few complimentary remarks. Mr. Watson entertained his audience for upwards of two hours in "unmasking society." Such characters as the Grumbler and Backbiter were not spared in the lecturer's incisive delineations, while encomiastic tributes were paid many good and noble people who had been the champions of the principles upon which only true society can rest. The lecturer is an ardent advocate of healthy amusements as a means of morally influencing the young, and contended that were the association separated from such games as billiards and the amusement elevated to a position in moral organizations and in the family, that society would be benefitted thereby. The inordinate flow of humor which Mr. Watson has at command, and his wonderful power of mimicry, make his lectures exceedingly entertaining. He was accorded a hearty vote of thanks at the conclusion of his lecture on Monday evening. Mr. Watson will again lecture on Thursday evening of next week; the subject will be announced by programme.

HARVEST HOME FESTIVAL.—A harvest home festival will be held on Monday next in connection with Christ Church, in recognition of the merciful Providence who has blessed His creatuers with an abundant harvest. Services will be held in the church at two o'clock in the afternoon of that day. The ladies of the congregation are at present busily occupied in decorating the church for the occasion, and no doubt when their work is completed the edifice will present a very attractive appearance. The products of the field, forest, orchard and garden are being extensively gathered and skilfully fashioned for decorative purposes. Revds. H. L. Yewens of Elora, P. L. Spencer of Palmerston, E. Caswell of Millbank, W. J. Pigott of Moorefield, and F. Ryan of Brussels, are expected to be present. In the evening a dinner is to be served in Bricker's hall, to be followed by addresses from the visiting clergymen and others, vocal and instrumental music, *tableaux-vivant*, etc. An admission fee of twenty-five cents will be charged at the hall, the proceeds to be devoted to the church fund. The festival promises to be more than ordinarily entertaining, and on behalf of such an excellent cause we take the liberty to suggest to our friends in the country that they accept the cordial invitation extended to all and come in to the "harvest home."

TO THE PUBLIC!

THIS IS TO CERTIFY that the Canadian Sewing machines shown by me were not judged at the Fair in Listowel. I would not allow the judges to look at them, as I considered them incapable. I took my machine there to show the public the quality of work done by them, and on the second day of the exhibition did shew work performed by the Wilson A. and Osborne A. Machines. On the fine work on silk the Singer machine did not do as well, and the coarse work the Singer could not do at all, as many witnesses will bear testimony. Having the New York Singer in my show room, and having sold them for two years, I am well acquainted with that machine, and am prepared to put down from one to five hundred dollars that I can beat the New York Singer in all kinds of work with the Wilson A. or Osborne A.
