NOT MUCH IN APPLE SHIPPING.

When Mr. W. Lindsay, near Porter's Hill, was packing some exceptionally fine Kings this fall, he inserted a note in one barrel, asking the purchaser to correspond with him, and let him know the prices at which the apples were bought. The other day a letter was received from W. Wallace, a Liverpool dealer, who stated that the fruit had been bought at 8 shillings the barrel. As the fruit originally cost 75 cents, it will be seen that there was in reality no margin left.—Clinton New Era.

LIFE SAVED.—Mr. James Bryson Cameron writes: "I was confined to my bed with inflammation of the lungs, and was given up by physicians. A neighbor advised me to try Dr. Thomas' Eclectric Oil, stating that his wife had used it for a throat trouble with the best results. Acting on this advice, I procured the medicine, and less than half a bottle cured me; I certainly believe it saved my life. It was with reluctance that I consented to a trial, as I was reduced to such a state that I doubted the power of any remedy to do me any good."

AT HURON COLLEGE.

The Literary Society Chooses Officers—A Pleasant Evening Spent.

The last regular meeting of the Literary Society in connection with Huron College was held last night, and a pleasant time was spent. The election of officers resulted as follows:

George A. Seaborne, musical director.

Musical and Literary Committee—T. A. McDougall, David Arnott and Bart Howard.

It was decided to spend the proceeds of the recent conversazione upon books for the library. It was also decided to take steps to establish a reading room in connection with the university.

After the business had been transacted the following programme was rendered: Instrumental selection, Miss Morphy; solo, David Arnott; solo, Miss Baldwin. An interesting debate was entered upon, the subject being, "Resolved, that the higher education of women is undesirable." The affirmative was argued by Miss Blackburn and Miss Williams; the negative side of the question was championed by Miss Burns and Miss Guest. Both sides presented very able arguments. The debate was decided in favor of the negative. The judges were Profs. James and Burgess.

HAS A KEENER REALIZATION.

"If she were a young girl," said the plump juryman with the metropolitan air, "I would be in favor of assessing the damages you wish. But it seems to me that a widow is not entitled to quite so much for the damage to her feeling by breach of promise."

"I don't look at it that way, at all," said the long juryman with the red clay on his boots. "I take it that a widder's feelins 'ud be hurt the wust, 'cause she realizes what she is loosin'."
