## VARSITY PUT TIGERS OUT OF SENIOR RACE

Hamilton, Feb. 9.—Varsity put Tigers out of the running tonight, winning 5—2.

Only in the first period did Tigers look to have a chance with the students, but they were badly outplayed, and Carson and company scored three times. In the second and third periods there was no argument as to which was the better team. The students combined well and beat the Tiger defence repeatedly, but appeared to be miles off in their shooting. Time after time, Carson got inside with only Reaume to beat, but his shots were off or right on Reaume's pads.

Tigers appeared to be away below form, Cooper and Reise being the only members of the squad who lived up to expectations. Reid, at centre ice, was away off in his checking. The diminutive centre man was cut down in the early stages of the game, receiving a bad gash on the chin and this slowed him up. Reaume, in the nets, was also off color. He was slow in clearing, and three of the five shots that beat him were from rebounds. Reaume went about his work in careless style, especially in the last two periods, while Tigers found Langtry a stonewall. Varsity scored twice in the second period, while Tigers tallied but once, and in the final period the score made by Reise after 18 minutes' of play, was the only one in the final frame.

The lineup:

Varsity—Goal, Langtry; defence, Ramsay and Brown; centre, Sullivan; wings, Carson and Westman; subs., Olson and Wright.

Tigrs—Goal, Reaume; defence, Reise and A. Smith; centre, Reid; wings, Cooper and Max Smith; subs., Rivard and Morgan.

Referee—Percy Lesueur.

## London Lays Ingersoll Away On Two Overtime Tallies

### Score 1--1 When Game Went Overtime — Strenuous Battle Brings Forth Donnybrook Fair and Spectators Flood Ice.

WOODSTOCK, Feb. 9.—The London Alerts tonight defeated Ingersoll by 3 to 1, in which ten minutes overtime was necessary to decide a winner. The game was played to break the tie existing in the O. H. A. intermediate series, in which London had already eliminated Tillsonburg. The game was undecided when the full time was ended, each team having a goal to its credit. In the overtime period London scored twice. McKay and Arthurs combined, and following a shot which glanced off Holland's skate, notched the first counter five minutes after play resumed. To make victory certain for the Londoners Gillies slammed one by Holland following a scrimmage in front of the goal four minutes later.

It was one of the most strenuous battles witnessed in the local arena. The first period was interspersed with several mix-ups between the players, and twice the spectators started on the ice and participated in the fisticuffs. Three times the police had to make an appearance to clear the ice. Mason and Arthurs, old-time rivals, first took a trip for mixing it. About the middle of the period the "big doings" took place. Arthurs made a nice rush and was within a few feet of the Ingersoll goal and when about to shoot he was tripped. The Londoner, while still on the ice, swung his stick and landed on Richardson, the Ingersoll man who had made the trip.

**Donnybrook Fair.**

Both men were on their feet and a general fight was on, and for five minutes Donnybrook Fair had nothing on the engagement staged. When order was restored Arthurs was banished for four minutes for his part, and Richardson given two minutes for the trip. The next set-to took place just as the bell rang, when following a mix-up as the players were leaving the ice, the crowd again surged on and the police again had their hands full. In this period a dozen penalties were handed out. Before the second period started Referee Jacobi called the players to the centre of the ice and warned them what the penalty would mean for continued rough play. This had the desired effect and the balance of the game was fairly clean. The ice was in anything but good shape for fast hockey, and barring the first few minutes of each period very little combination was attempted. Individual rushes followed close after one another and the 3,000 fans had plenty to cheer for. Holland in goal for Ingersoll was the great noise of the night, turning them away when the London marksmen bored the rubber right to him. The entire first period was marked by end to end rushing with first Holland saving then Hynd. Burgess on one occasion went right through and was on top of Holland, but the Ingersoll guardian turned him aside. The bell rang with the score board a blank. London opened fast in the second period, and for the first ten minutes had the better of the play.

**Ingersoll Scored First.**

However, Ingersoll scored the first goal of the game, when Petrie slammed the puck behind Hynd following a face-off in the corner. McKay and Lougheed had beautiful chances to score, but wild shooting turned fine rushes to naught. However, Gillies, who had been playing a fine rushing game all night, evened the count five minutes following the Ingersoll goal. It was a shot from centre ice and Holland had no chance with it. The period ended one all. The third period was a see-saw affair from start to finish with no scoring. Loughead, Gillies and Kelly looked the best for London, although in fairness it must be said there was very little to choose. Holland once more proved the big noise for Ingersoll, and to him goes the credit for holding off the defeat of his team until the overtime period. The lineup:

London—Goal, Hynd; defence, Gillies and Lougheed; centre, McKay; right wing, Burgess; left wing, Arthurs; subs, Kelly, Mays.

Ingersoll—Goal, Holland; defence, Mason and Cline; centre, Henderson; right wing, Petrie; felt wing, Richardson; subs, Waite and Daniels.

Referee—Jacobi, Toronto.

## May Be Upsets in Mfrs. League

### Perrins Meet Tail Enders and Bell Meet Electricians.

Terrys Garage team have a real obstacle in breaking out of the winless class tonight in the Manufacturers' League in Standard Drug, now occupying the second rung in the standing. Bell Telephone team, which jumped into fifth place, have to meet Taylor-Campbell six, which gave the champion Perrins such a hard battle Tuesday, and they may slip back as a result, as the Electricians gave every evidence that evening of being one of the contestants in the league right up to the last minute.

The Manufacturers' will play still faster hockey than they have been doing with the new rules going into effect allowing more outside players. The race has been pretty even throughout, with any team having more than an even chance of winning when they appear, no matter what they stacked up against.

**SHOE TRADES HOCKEYISTS WIN.**

Boston, Feb. 10.—The Boston shoe trades hockey team defeated the Boston Athletic Association 4—3 here last night in the second game of the Winsor cup series.

**FOREST WINS.**

FOREST, Feb. 9.—In an exhibition game here tonight the local Blue and Whites beat the Petrolea Hard Oils, 6 to 1.

## Off the Boards

A Tillsonburg writer who declared London was the weakest town in the group, kind of proved himself weak on predictions last night.

Art Gillies, "Bud" Kelly and Alf Lougheed formed a trio of fast skaters, and each one was always "Johnny on the spot" when the rubber was passed to him.

MacKay played a good game, considering that a small bone in the instep of his left foot was broken. Considerable amount of doctoring was done to it on Wednesday afternoon in order that he might play. Roy was "game," but when an Ingersoll played decided that he would like to rest himself on Roy's foot, the pain became so bad that Mac was forced to retire.

Had Dempsey and Carpentier attended the game they would undoubtedly have been able to secure some good sparring partners. The first period was all that was necessary to show that supporters of both teams had come down to win the game. When only three Ingersoll players were left on the ice, and the locals had five, Arthurs on a lone rush was tripped in front of Ingersoll's goal. Immediately both players locked horns and a crowd from each side of the arena poured forth. The leader of the Ingersoll gang led the way by sliding along the wet ice surface. In one minute a free-for-all was in progress. Police were on hand and the crowd was soon dispersed. After this both sides kept their seats.

Lougheed played hard to win. At the commencement of the second period he brought forth some loud cheers by his wicked shooting. Holland was kept busy turning what looked like sure counters into gloom.

Whenever Art Gillies wants to score a goal he goes to his club bag and procures No. "13." Art is not superstitious, but just wants to show the fans that No. "13" is no hoodoo. He had not worn this any more than thirteen minutes when he succeeded in getting London's first counter.

Kelly's ribs still bothered him, but he went down to win the game. He showed the onlookers some clever stick-handling and fast skating in the overtime period.

Cline, left defence for Ingersoll, was responsible for the second London goal to a certain extent. Arthurs took a fast shot at Holland, but Cline, in an effort to stop it, skated in front of the goal and the puck glanced off him into the net.

The Blue and White nearly tied the score after this goal. Cline and Robertson carried the rubber to within ten feet of the local net. Cline shot, but the puck hit the iron post and lodged there. A rush was made by both teams, but when the players were cleared away Arthurs had planted his foot on it and had drawn it about four inches from the goal.

Holland proved that he was a real heart-breaker last night. The general opinion is that he is due for higher company before very long.

Three hundred of the rooters were from London. The Alerts certainly have received good support from the citizens, and will get more from now on.

Harry Mays was not given an opportunity to get into the game, but in the workout before it commenced he appeared to be in splendid form.

## 92 DAYS OF RACING ON FOR MARYLAND TRACKS

BALTIMORE, Md., Feb. 9. — There will be ninety-two days of racing in Maryland this year, or eight below the maximum permitted by the law. The state racing commission, in making this announcement, also allotted the dates as follows:

Bowie—April 2 to 15 and November 15 to 26.

Havre de Grace—April 16 to 30 and September 21 to October 1.

Pimlico—May 3 to 16 and November 1 to 12.

Laurel—October 4 to 29.

## Garrison Five Double Score 68--34 On West End Y Team

### London Has Growing Pains Symptoms As Basketball City—Hussars Beat R. C. R.'s.

The Garrison team looked better than ever in their exhibition against Toronto West End Y. five at the armories last night, a score of 68 to 34 in cold figures testifying to the fact.

London as a basketball city showed symptoms of growing pains, and some attendance records for basketball games in this city are sure to be smashed in the next two appearances of the local basketeers, which will be with a fast Detroit team and Toronto Central Y.

The Garrison crew were away early on their first-half lead, though halfway through the first period the Queen City team got working better and speeded up the pastime. The individual work of the locals was better right from the opening whistle, and they came through with passing that had the visitors groggy. Halden for Toronto scored several nice long sots during this period, the score ending 30 to 10.

**Toronto Better**

Toronto evened it up a little for the first ten minutes of the last half, but after that it was all Garrison. Gillies, McLean and Brock pulled off the nearly impossible in the way of shooting this session, and the whole team worked like clockwork. Williamson and Halden were best for the visitors at all stages.

The line-up:

Toronto—Williamson, Halden, Campbell, Leigh, McClary, Cook and Greenburg.

Garrison—Gillies, McLean, Douglass, Brock, Reid and McGeogh.

Referee—A. T. Taylor.

**The Preliminaries.**

Machine Gunners failed to put in an appearance, and R. C. R's and 1st Hussars furnished the only preliminary game of the evening, the former taking a 50 to 15 beating. R. C. R's were taking a lesson in basketball last night, but showed promise, and with some more games should be contenders in the Military League.

The line-up:

R. C. R.—Southenson, Holmes, Haggerty, Strudwick, Wright, Booth, Turner and Walker.

1st Hussars—Tanton, Clinger, Lightfoot, J. Lightfoot and Crouch.

Referee—Mace.

## 20 Schools Now Entered in Western U's Indoor Meet

### 12 Races Will Be Necessary To Run Off Three Events—Two Basketball Games Fills Up Evening.

The Western University Athletic Association will certainly have their hands full Friday night, when they stage their combined intercollegiate and interscholastic competitions at the armories, for, in addition to the two championship basketball games, there will be no less than twelve races, in order that the team which represents Western Ontario at Baltimore may be the best procurable. The Athletic Association is more than pleased with the reception that their efforts to encourage athletics in the various secondary schools are receiving.

**Twenty Schools.**

No fewer than 20 schools from Western Ontario have sent in entries for the trials, and when one considers that this interest is shown in three events it is not only very gratifying, but it shows in a small measure, not only what can be done, but what is essentially needed in order that the students of the various secondary schools should receive a thorough, all-round education. A complete program, showing the number of heats and time they will be run off, will be published later. The reserve seat sale opened this morning at Brisco's, and judging from the demand already made a bumper house will greet these athletes when they take the floor Friday night.

**SARNIA HAS GOOD ONES.**

SARNIA, Feb. 9.—Ed. Hanna, reckoned one of the best middle-distance runners in the Sarnia Collegiate, and at the same time the most unfortunate, will be one of the team to represent the local school at the indoor athletic meet at London Friday. Fred Simpson, the lightweight-end wing on the rugby team, will be the other representative of the blue and white in the mile event. Johnny Lebel and W. Miller, the pick of the sprint talent in the school will enter the shorter events, one of the teachers and a trainer or two will go along with the team.

## FRANKLIN B AND KING ZIP WIN LAST CARD

### Good Crowd See Closing Races On Ottawa River.

OTTAWA, Feb. 9.—King Zip won the classified pace, and Franklin B. the classified trot, the final events here today at the ice races. There was another large attendance for the last day, the track fairly fast and the finishes close.

## OTTAWAS TWIST TIGER TAILS AGAIN

### St. Pats Tire Out Frenchmen Before Habitant Crowd.

N. H. A. STANDING.

| | W. | L. | For. | Agst. |
|---|---|---|---|---|
| Ottawa | 4 | 1 | 23 | 16 |
| St. Pats | 3 | 2 | 30 | 19 |
| Canadiens | 2 | 3 | 23 | 25 |
| Hamilton | 1 | 4 | 16 | 31 |

OTTAWA, Feb. 9.—The champion Ottawas completely outclassed "Goldie" Prodger and his Hamilton Tigers here tonight in a National Hockey League fixture, when they defeated the visitors by a score of 7 to 4. From the outset the Senators assumed the offensive, and save in the second period, when Manager Green threw all his available substitutes into the fray were masters of the situation at all times. Again in the final period the breaks were in favor of the visitors, when Boucher was given a five-minute major for slashing. They seemed unable to take advantage of their best opportunities, however, and Ottawa were again at full strength before the Bengals could score.

The game, although fast, was draggy at times, and found the visitors on the defensive for the greater part of the time. Interest was kept alive by the dazzling rushes of the Ottawa forwards and defence men, and the excellent work of Malone and Prodger on the Hamilton line. Frank Nighbor, star centre of the champions, was the outstanding figure of the game. He was a dangerous man with the puck, and his poke-check and wonderful speed and stamina proved effective in stemming many of the Tigers' most dangerous rushes.

**ST. PATS' COME-BACK.**

MONTREAL, Feb. 9.—Outplayed in the opening period of the game here tonight, St. Patricks came back strong in the second period. They outplayed the Canadiens by scoring the only goal, and won the game in the final session by completely outskating the local team. Canadiens shot their bolt early in the third stanza, and were beaten by 5 to 2. Sprague Cleghorn was the outstanding player on the ice. His rushes were the backbone of the visitors' attack. Just as the gong sounded Wilson scored for Canadiens.
