IMPROVEMENT.—We are informed that H. B. Masters, Esq., of New York, has in contemplation at an early date several improvements on his property in Wolfville which he purchased from Rev. Dr Welton four years ago. He has added to it by purchase from C. R. H Starr, Esq., a lot adjoining the back part of what he at present owns for the purpose of moving his barn and out buildings thereon so as to get them as far as possible from the house as their close proximity thereto is very unpleasant in the summer as well as unsightly in appearance. These improvements will add materially to this very valuable property, now one of the handsomest and most beautifully situated residences in the county.

The Perkins' Virginia and Texas Jubilee Singers will give one of their pleasing Concerts at Witter's Hall next Wednesday evening, June 19th This company give an entertainment similar to the Nashville Students and are well spoken of by the press generally. The Milford (Mass.) Daily News says:—

"The Virginia and Texas Jubilee Singers, who appeared here last night, excel by far every troupe of the kind who have visited us. Their quartet singing is superb, while the pianist is far ahead of many so-called professionals. They appear at West Meadway to-night and should have a crowded house there."

The new entrance to Witter's Hall will be completed for use for this Concert and the public who may attend will find a great improvement. Tickets are now on sale at Witter's. Prices, children 15 cents. Admission 25 cents; reserved seats 35 cents.

Dr Geo. A Pickles, a very eminent doctor of Mahone Bay, N. S., says: "I knew a man on this Bay who has been sick for a long time. All the medicine we tried or could think of did not reach his case. He tried Canadian Bitters and other Patent Medicine, all failed and he was gradually growing worse. At last he tried a bottle of Dr Norton's Dock Blood Purifier. Imagine my surprise that in less than a week he was much improved in health, and by the time he had finished the second bottle he was a well man. I now have great call at my Drug Store for DOCK BLOOD PURIFIER which in the case mentioned proved itself far superior to any Bitters or Blood Purifier that I have ever known.

The Presbyterians are talking of building a church this summer. There is some difference of opinion as to where this structure should be built. Some of the Covenanters would like for them to build it on the old site, but the Free Church do not seem to grasp that idea with much enthusiasm.
