*That predisposition, which exposes the human frame to the infection and virulence of all diseases, proceeds directly or indirectly from a disordered state of the System, caused by Impure Blood, Bile as and Morbid condition of the Stomach and Bowels.*

DR. HALSEY'S
GUM-COATED
# FOREST PILLS.

*(A Sarsaparilla preparation of unexampled efficacy.)*

These Pills are prepared from the best Sarsaparilla, combined with other Vegetable properties of the highest Medicinal virtue. They are warranted not to contain any Mercury or Mineral whatever. They purge without griping, nauseating or weakening; can be taken at any time with a hindrance from business, change of diet, or danger of taking cold. They neither have the taste nor smell of medicine, and are five times more effectual in the cure of disease than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Invalids given over by their Physicians as incurable have found relief, and been restored to avoid and vigorous health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasions more sickness and deaths in families than all other causes combined at present. In the latter part of Summer and Autumn, when the atmosphere everywhere is poisoned from miasma, arising from stagnant pools and deeply-rooted vegetation, whole families are taken down by Malignant Fevers, Fever and Ague and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness—no parent would be guilty of causing the

*DEATH OF THEIR OWN CHILDREN!!!*

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superfluity of bile may always be known by some noticeable symptom which it produces, such as sick stomach, headache, Loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person at this season of the year is bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-coated Forest Pills are sufficient to keep a whole family from bilious attacks and sickness from six months to a year. A single dose, from 1 to 3, of these mild and excellent Pills for a child, from 3 to 4 for an adult, and from 5 to 6 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and carry all morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, and clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on these vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids of the body and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels they cleanse and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They neither cause griping nor any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted has induced thousands to commend them to their friends and the public. Individuals of worth and integrity in almost every part of the country have testified to the world in favor of their great effects in curing disease.

Testimonial after testimonial showing their great powers of curing in almost every class of disease have been tendered to us by individuals of undoubted character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1848.

DR. G. W. HALSEY,—Every fall, for several years back, I have had much sickness in my family, of Bilious Disorders, and Fever and Ague. In the fall of 1848 two of my sons were taken at the same time with Bilious Fever. In former seasons, when sickness occurred in my family, I had always employed a Physician. But at this time having two boxes of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following day they were not left them, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

NOTICE TO THE PUBLIC.

In 1845 Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good-will Dr. Halsey's Pills had gained by curing thousands of disease.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

*GUM ARABIC,*

an article which in every respect supersedes Sugar, on account of its healing virtues and its durability. The discovery of this improvement is the result of a succession of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful transparent glassy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to any indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all imposition and to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signature of G. W. HALSEY.

*Reader!!!* If you wish to be sure of a medicine which will not cripple in pain, Calomel or Mercury, purchase *HALSEY'S GUM-COATED FOREST PILLS*, and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates nor gives rise to griping, seek for HALSEY'S PILLS.

If you would have the most concentrated as well as the best, purchase Dr. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and be subjected to a Physician's bill of 20 or 50 dollars, take a dose of Dr. HALSEY'S PILLS as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but gives strength instead of weakening, procure HALSEY'S PILLS, and avoid Salts and Castor Oil and all common purgatives.

Parents, if you wish your families to continue in good health, keep a box of HALSEY'S PILLS in your house.

Ladies, Dr. HALSEY'S PILLS are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitutions. Procure them.

Travellers and Mariners, before undertaking long voyages, provide yourselves with Dr. HALSEY'S PILLS, as a safeguard against sickness.

of the Plantagenet Water, we have found it useful, as a *mild aperient*; a more extensive experience has convinced me of its utility in various diseases, as chronic and acute rheumatism, derangement of the stomach, liver, and bowels, particularly where mercury and strong purgatives had been frequently employed. In primary diseases and hemorrhoidal affections, the Water will be found extremely useful, and for the derangement of the stomach and bowels, which accompany pregnancy, I have found it preferable to all other remedies.

Having suspended my opinion until some years experience of the Water had satisfied me of its value, I have the less hesitation in strongly recommending it to the profession and the public, in the above affections, in which I have found it superior to all the other Mineral Waters of Canada; and, in the opinion of a lot weaker, I can recommend it as preferable to the drinks usually taken during the warm season.

I may add, in conclusion, that I recommend this Water to the members of my own family, and have always kept a supply in the house, since I became personally acquainted with its valuable qualities.

PLANTAGENET WATER.

Among the objects of attraction at the late Industrial Fair, the celebrated Plantagenet Water had a conspicuous position, and its exhibition was attended, we learn with the most favorable results. The demand at the Depot for this health-inspiring draught was so urgent that it was with great difficulty strangers and visitors to the city could be supplied. The celebrity of these Mineral Springs has been so thoroughly and satisfactorily established that testimony of the most valuable character seems daily accumulating. The highly respectable certificates given in our paper of to-day will, if possible, increase their reputation, and add to their value throughout the Province. The testimony of the medical gentlemen is certainly highly favorable to the character and quality of these Springs—Drs. Nelson and Gibb placing them above all other Mineral waters on this Continent:—

"I believe I was one of the first Practitioners of this city who recommended the use of the Plantagenet Spring Water, and since that time I have prescribed it to a very large number of my patients with invariable advantage.

"Two members of my family, of feeble and delicate constitutions, have derived marked benefit from the use of the Water. One had nearly lost all power in the right arm, the result of a severe and protracted attack of Rheumatism; the other was excessively debilitated from derangement of the digestive and alimentary organs.

"The administration of the Water is attended with the happiest result in constipation, arising from sedentary habits, and in aged persons.

"In hemorrhoids, morning sickness, and the other complaints to which women are subject, under certain circumstances, it acts most agreeably and effectually, but in these derangements, as well as where there is over action of the kidneys and bowels, it should be taken in smaller quantities at a time, but more frequently.

"From an extensive experience I am well satisfied with the operation of the Water; in weak persons it is quite palatable, and I deem it preferable to any other of the Mineral Waters I am acquainted with. I look upon the Mineral Waters as a great boon conferred by Providence on mankind.

"WM. NELSON, M. D., V. R. Col.,
"Phy. & Sur., Canada East."

"Many months experience in the use of the Plantagenet Water in my practice have fully convinced me of their value as a remedial agent, and I have not had reason on any single occasion to regret their use. I do not hesitate to affirm, they possess, in addition, decidedly tonic properties.

"Certainly, too much has not been said in their favor, for they are, probably, the most valuable Waters on this Continent.

"GEORGE D. GIBB, M. D.,
"Licentiate Royal College of Surgeons, Ireland,
"Physician to the Montreal Dispensary.

"Montreal, 5th August, 1850."

The following certificate is from the Hon. Peter McGill, a Member of the Legislative Council of the Province and President of the Bank of Montreal:—

"CHARLES LAROCQUE, Esq.

"Sir,—Having during the year past used the Plantagenet Water, so well known and so highly commended to public favor by many of our most eminent Medical Practitioners, I can bear testimony to its salutary effects on my own immediate health, and doubt not its efficacy in contributing to strengthen and invigorate the constitution of those who may freely use it. The value of this water has been generally acknowledged in this community, and my own experience of its excellent qualities fully warrants me in giving my testimony to its beneficial effects.

THE BRITISH PERIODICALS
AND THE
LEONARD SCOTT & Co.,
*No 54, Gold Street, New York.*

CONTINUE to publish the four leading British Quarterlies and Blackwood's Magazine; to which they have recently commenced the publication of a valuable Agricultural Work called

"THE FARMERS' GUIDE TO SCIENTIFIC AND PRACTICAL AGRICULTURE."

By HENRY STEPHENS, F. R. S., of Edinburgh, Author of the "Book of the Farm," &c., &c., assisted by JOHN P. NORTON, M. A., New Haven, Professor of Scientific Agriculture in Yale College, &c., &c.

This highly valuable Work will comprise two large royal octavo volumes, containing over 1400 pages, with 19 or 20 splendid Steel Engravings, and more than 600 Engravings on Wood, in the highest style of the Art, illustrating almost every implement or husbandry now in use by the best farmers, the best modes of ploughing, planting, haying, harvesting, &c. &c. the various domestic animals in their highest perfection; in short, the *perfect* texture of the book is unique, and will render it of incalculable value to the student of agriculture.

The Work is being published in Semi-Monthly Numbers, of 64 pages each, exclusive of the Steel Engravings, and is sold at 25 cents each, or $5 for the entire Work in Numbers, of which there will be at least 22.

*The Edinburgh Review.* (Whig.)
*The North British Review.* (Free Church.)
*The Westminster Review.* (Liberal.)

It is their literary character which gives them their chief value, and in that they stand confessedly far above all other periodicals of their class. *Blackwood*, still under the masterly guidance of *Christopher North*, maintains its ancient credit, and, at this time, unusually attractive, from the serial Works of Bulwer and other literary notables, written for that Magazine, and first appearing in its columns not in Great Britain and in the United States. Such works as "The Caxtons" and "My New Novel," (both by Bulwer,) "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have been reprinted by those publishers from the pages of Blackwood, *after it has been issued by Messrs. Scott & Co.* as their Subscribers to the Reprint of that Magazine may always rely on having the *earliest* reading of these last mentioned works.

R. R. R.
THE PROPHECY FULFILLED.

IN the world that we lived in August 1849, we promised to the industry stop the blood to every pange of pain and speedily remove the cause.

We proposed to Hospitals, and all other institutions for the recreation of the sick; to Physicians, Surgeons, and Medical Institutions and Bodies, to introduce our Ready Relief for their investigations, and to illustrate its merits and marvelous power over pain upon the patients.

We claimed that it would allay, in a few minutes, the most severe Cramps and Spasms—it would arrest the progress of that dread plague the Cholera—that in a few minutes (should change the hard, knotty, cold, and lurid body to warmth, vivacity, and vigor.

That in a few minutes it would relieve the most severe pains in the bowels, that in fifteen minutes it would stop all painful diarrhoea disorders, and impart a genial warmth to every organ and member of the body; that it would positively relieve the most severe and disagreeable pains of sick and nervous head-ache in fifteen minutes, and effectually cure this distressing complaint.

That it would in an instant mitigate the most pains in Neuralgia pains, and permanently cure this excruciating affection. That it would stop the most torturing tooth-ache in a few seconds.

That it would relieve all Rheumatic pains in fifteen minutes, and cure many Chronic cases of Rheumatism in a few hours.

That it possessed a miraculous soothing and relieving influence over all pains originating from Rheumatic, Neuralgic Nervous, and Bilious complaints, and that the patient suffering the most excruciating pains, would feel its soothing influence in a few minutes.

The world was startled at the publication of our discovery. The wise sayings of Medical Science shook their heads in doubt. The sick and afflicted hoped yet, feared that, like other remedies, it would cure quicker on paper than by practical experiments. Thousands who were suffering with the most excruciating pains, at once determined to try; the consequence was, that from almost every village, town, city, within 300 miles of New York, we were the daily recipients of cries for our extraordinary remedy. The people tried it and found it good; the most torturing pains were mitigated; weak and feeble victims of Rheumatism, who had been bedridden for years, were suddenly relieved from pain and restored to health. So with the sufferers of Neuralgia, Sick and Nervous Head-Aches, Chronic Diarrhoea, Cramps, Spasms, Colics, Mortals, and many painful and distressing Acute complaints, were suddenly relieved from their sufferings, and restored to health. Its fame spread from city to city, the people wondered at its wonderful virtues far and wide, and ere the earth had run its yearly course,

FIVE MILLION BOTTLES WERE SOLD!

In every town in Maine, New Hampshire, Vermont, Rhode Island, Massachusetts, Connecticut, New York and Ohio; in Michigan, Wisconsin, Illinois, Indiana, Missouri; the people have tested its merits and pronounced it a surprising and wonderful discovery. Not a quick, sudden cure for all pains, in New Jersey, Pennsylvania, Virginia, Maryland, Delaware, the Carolinas, Georgia, Alabama, and Louisiana—in every town in each State it has made its mark, and proved its efficacy.

TO THOSE WHO KNOW NOTHING OF IT

If you are unacquainted with the merits of Radway's Ready Relief, and if you reside in either of the States mentioned above, we refer you to the Druggists, Physicians, and the People. Take a bottle of it to any skilful Physician, let him test it, we will risk its reputation on his opinion.

One drop has frequently cured the most lancinating Tooth-Ache.

Forty drops, taken three times per day, will cure Sour Stomach.

Sixty drops, taken four times per day, will cure Weakness and Debility.

Ten drops taken every ten minutes, will cure Diarrhoea.

Twenty drops has, in fifteen minutes, stopped the Sick Head-Ache.

Sixty drops, taken every twenty minutes, has cured Cramps, Spasms &c.

Thirty drops has, in fifteen minutes, cured Colic.

Sixty drops has, in twenty minutes, stopped the pains of Neuralgia.

Twenty drops has in fifteen minutes, cured Wind on the Stomach.

One application has, in fifteen minutes, cured Cholera Morbus.

One application has, in fifteen minutes, cured Chronic Rheumatism, and cured Sprains, Scalds, and Spasms.

Three applications has cured the Salt Rheum.

Three applications has cured the Ring Worm.

Three applications has cured Pimples and Blotches.

Six applications has cured the Itch.

Three applications has cured the Piles.

Six applications, in twenty-four hours cured Cutted Spots.

One application, in 15 minutes cured the Chilblains.

SOLEMN TRUTH.

Reader, do not reject the statements on account of the above assertions, we state only what is credible, what we know it will do. Therefore, if you suffer pain, give it a trial, and our word for it, you will become a firm friend of Radway's Ready Relief.

Price of Radway's Ready Relief, 50 and 25 cents per bottle.

IMPORTANT TESTIMONIALS.

*Copy of a Letter from "Colonel Hawker," (the well-known Author on "Guns and Shooting.")*

LONGPARISH HOUSE, NEAR WHITCHURCH, Hants, October 21, 1846.

SIR,—I cannot resist informing you of the extraordinary effect I have experienced from taking a few of your LOZENGES. I had a cough for several weeks that defied all that had been prescribed for me; and yet I now completely rid of it by taking about half a small tin of your Lozenges, which I find are the only ones that relieve the cough without deranging the stomach or disagreeable organs.

I am, Sir, your humble servant,
P. HAWKER.

To Mr. Keating, 79, St. Paul's Church Yard.

WILLIAM STREET, EAST INDIA ROAD, Dundee, New Year's Morn, 1847.

SIR,—I conceive that I should be wanting in duty if I did not offer a proper sympathy for the afflicted, by informing you of the very decided and extraordinary relief which I have obtained from the use of your Cough Lozenges. I have for the last four years been afflicted with a distressing cough with difficulty of breathing. Accidentally hearing of your Cough Lozenges, I purchased a 2s. 9d. tin of your Agent, Mr. Kernot, Medical Institution, Christ Church, Dundee New Town, by which I am now perfectly cured, and beg to return many thanks, and am,

Sir, your obedient servant,
CHARLES WOOD.

To Mr. Keating.

SIR,—Having been troubled with a very bad cough for the last eight months, I applied to Mr. Hammond, Chemist of this town, for some relief; he recommended me your "COUGH LOZENGES," which, I am happy to say, cured me in a week. I beg most cordially to recommend them, and beg you will not hesitate to make this letter public; *such a valuable remedy cannot be too well recommended.* I have the honor to be,

Sir, your obedient humble servant,
JOHN HILL, Bart.

We shall, probably, require for the Winter a further supply of FORTY OR FIFTY DOZENS, which you can forward at first convenience by one of the Cunard Steamers, via Liverpool, for

CRAMP AND PAIN-KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN
For the Cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Stitches in the Back, Side or Limbs—Cramp in the Limbs or Stomach—Darting Pains, Bilious Cholic, Dysentry and Diarrhea, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many truly surprising cures in cases of the forgoing complaints, and we say no more than hundreds and thousands who have used it will assert, when we say, there is no Medicine designed for that class of complaints, possessing the same claim, or the power to relieve and cure of this.

We solicit particular attention to the fact that it does not contain a particle of *Opium* in any form. Neither does it contain *Camphor*.

It is free from any deleterious article and almost in any supposable case injure the patient.

It does not deaden the *Life Faculties*, nor produce the burning, drying, parching sensations, so much complained of in the use of other Pain Killers.

It does not weaken the powers of motion of the muscles, produce *Costiveness* and its attendant evils, nor is it a producer of dyspepsia and of proper and healthy action in the stomach and intestine canal.

IN ALL RHEUMATIC AFFECTIONS.

Local Pains, &c., it has proved *surprisingly successful*, rarely failing to cure, even in the most desperate and long standing cases. (See Certificate.) In these cases, the parts affected should be freely bathed, and then rubbed lightly, but briskly—not hard enough to hurt the patient, till an irritation is produced on the surface, and in severe cases the patient should take half a teaspoonful on sugar or molasses.

CRAMP IN THE STOMACH OR BILIOUS CHOLIC.

We believe it will never fail to *speedily cure*. It should be a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not find relief, repeat the dose.

DYSENTERY OR DIARRHŒA.

Are speedily and easily cured by it. Half a teaspoonful at a time, once an hour or two, is sufficient in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA.

When during the past season has sweept off such fearful numbers, has been cured by it wherever it was used, in every case, where it has been used in time, and in the early stage, where it proved singularly efficacious, and stood in high repute for the last twelve years, and has been used by millions yearly, three years. I obtained the best medical attendance the country afforded, and tried a great number of the most celebrated remedies, but the pain and agony continued, when I had the good fortune to procure a bottle of Campbell and Park's Celebrated Pain Killer, prepared by Messrs. Campbell & Parkes, of Bangor. Soon after taking it I felt I could get quiet, and in a few hours was able to leave my bed, and I have continued to take it and apply it externally, until I have used eight bottles. I took no other medicine than what was recommended. The cramp in my stomach, or down both my legs, thighs and breast, and I am entirely recovered
