BUTCHERS,
Provision Dealers
And other requiring a Cooling Room or Refrigerator read the following from competent judges:
Messrs. WITHROW & HILLOCK, Manufacturers of Refrigerators.
We, the undersigned, thoroughly inspected the Butchers' Refrigerator or Cooling Room you had in operation in the Carriage Buildings at the last Industrial Exhibition, and have no hesitation in pronouncing it to be the best box we have ever seen. The box was in operation for the full time (two weeks), having large quantities of meat in it most of the time, and no sign of condensation. The provision chamber was perfectly dry and of extremely low temperature, and more surprising still, above the ice or upper ceiling it was as dry as below.
