MONDAY EVENING, JUNE 10, 1872

Church of Scotland Synod.

Kingston June 6.

The Synod resumed its session at noon to-day the Moderator in the chair; and after devotional exercises, conducted by Rev. J. B. Mullan, of Fergus, proceeded to business.

Applications for license to preach were received from Robert Laing, B. A., Quebec Presbytery, Mr. John Francis Fraser, B. A., Queen's College; and Mr. Joseph Gaudier, Queen's College. They were referred to the Examining Committee.

An application for ordination was read from Mr. Albert Whiting, late licentiate of the Presbytery of New Brunswick, New Jersey, and referred to the Examining Committee.

Rev. John Bennett and Rev. C. A. Tanner were appointed Governors of Morin College.

Mr. Croil presented the report of the managers of the Temporalities Fund. The revenue last year was $30,071. Seventy-nine non-privilleged Ministers had been paid. The committee expected to be able to pay forty-three in turn next, leaving forty-one to be provided for.

The report of the general Sustentation Board showed receipts for the year of $8,909, though apportionments had been $15,000; $165 was paid on the previous year; $8,550 in advance; $80 special donations, and the deficiency was $1,406.

Rev. R. Campbell read the report of the managers of the Widows' and Orphans' Fund. That fund now amounted to $67,500, yielding a yearly revenue of upwards of $4,888; but 53 congregations are defaulters, many for several years, and it behoved the Synod to consider the alarming state of affairs thus exhibited.

The Union question was then taken up. Principal Snodgrass read the report of the committee, which narrated what steps had been taken since last meeting of the Synod, and concluded with the following recommendation:—

"It will no doubt appear to the Synod, as it does to your Committee, to be particularly desirable that the terms of Union, which may be sent down to inferior judicaries by the supreme courts of the negotiating Churches, shall be in all respects the same; and in order that this may be the case, another joint meeting of committees seems to your Committee to be indispensable, and your Committee feel themselves called upon to inform the Synod that, with respect to the disposal of the temporalities fund, and the settlement of the college portion, no scheme has yet been devised which will secure that degree of unanimity on either of these subjects which is essential to the consummation of Union; and your Committee are not prepared to offer for the acceptance of the Synod any proposals by which all the difficulties attending the consideration of them can be obviated.

"Taking these things into account and having regard to all the circumstances now connected with the negotiations for Union, your Committee after careful and anxious deliberation have resolved to, and do hereby, recommend the Synod to receive this report and re-appoint the Committee with such instructions as may be considered advisable for the interests of Union."

Principal Snodgrass explained the present state of negotiations, and pointed out the chief difficulties in the way of Union, reserving his opinion on the question for a future stage.

Dr. Cooke thought the Church of Scotland should adhere to the basis of Union accepted last year, and that basis must be adopted by all the Churches before it went to the lower Courts.

At the evening session Rev. Dr. Mulligan and Rev. J. Lang, the deputation from Scotland, and Rev. Mr. Wilson and Rev. Mr. Duncan, the deputation from the Maritime Provinces, were introduced, and addressed the Synod in eloquent speeches.

Congregational Union of Ontario and Quebec.

Montreal, June 5.

The above body met at Zion Church this evening, when the annual sermon, by Rev. W. M. Peacock, was preached.

The Union then organized, Rev. Prof. Cornish presiding.

June 6.

On Thursday the Union met at nine o'clock.

Rev. Geo. Cornish L. L. D., delivered the annual address from the chair, dwelling on the rate of progress of the denomination, and suggesting means of making greater progress and overcoming hindrances.

Rev. Kenneth M. Fenwick, of Kingston, was unanimously elected Chairman for the year, and immediately assumed the chair.

Applications for membership from Revs James Hay, Malcolm Sutherland and James Shipperley, and the Church at Forest, were received and referred.

Rev. F. H. Marling was elected in behalf of the delegates to the Congregational Council at Oberlin.

The annual meeting of the Missionary Society was held, Mr. Hodgins, Q.C. presiding.

Rev. Dr. Wilkes read the report from which it appears that 28 missionaries were aided during the year. The expenditure has been $7,500. Rev. Dr. Wilkes was re-elected Secretary and Treasurer, and the Rev. John Wood then Secretary.

The annual missionary meeting in the churches will hereafter be held in October and November.

The annual meeting of the Indian Missionary Society was then held. Dr. Wilkes presiding.

Rev. Samuel N. Jackson read the report, which mentioned that several Indian teachers and Evangelists are employed. Miss Baylis is teaching at Spanish River. The income is about $800.

Rev. F. H. Marling was elected President, and Rev. S. N. Jackson Secretary.

In the evening the public meeting of the Missionary Society was held in Zion Church, at 8 o'clock, Mr. Lyman in the chair.

June 7.

In the morning the Union met at nine for devotion and for business.

The College meeting organized, Hon. Jos. Robertson in the chair.

Rev. Prof. Cornish read the report, which showed that there were thirteen students, four of them for the first year.

The expenditure during the year was $3,600. The Lillie Memorial Endowment Fund had now reached over $5,000, the interest of which would be devoted to the widow of the late Dr. Lillie, during her lifetime, and afterwards form a partial endowment for the Chair of Church History.

The *Canadian Independent* magazine was discussed. The circulation had slightly increased, but it was not paying expenses. Mr. Marling continues editor.

GRAND GIFT CONCERT

IN AID OF THE

Public Library of Kentucky,

At Louisville, Kentucky.

BY authority of the act of the Legislature incorporating the PUBLIC LIBRARY OF KENTUCKY, the Trustees will give their SECOND GRAND GIFT CONCERT in the great hall of the Public Library Building in Louisville, Ky., on

SATURDAY, SEPTEMBER 28, 1872.

This magnificent hall, known as Weisiger Hall, is the largest, most centrally located, and best arranged for large and fashionable audiences of any in Louisville, and is fitted up in superb style. The building has a front of 136 feet on Fourth street by a depth of 200 feet, four stories in height, and was recently purchased for the Public Library at a cost of $210,000. Three large rooms are now fitted up for a library, and contain about 20,000 volumes and a museum of 100,000 specimens, now open and free to the gratuitous use and enjoyment of all citizens of every State in the Union. It is the purpose of the Trustees by the GRAND GIFT CONCERT now announced to raise the money with which to pay the balance of the purchase money due upon the Public Library building, to enlarge the library, and to so endow the institution as to make it self-sustaining and forever beyond the necessity of calling upon any individual who uses the books for the contribution of a single cent toward its support.

100,000 TICKETS OF ADMISSION

will be issued at $10; half tickets, $5; quarter tickets, $2.50; 11 whole tickets for $100; 28 for $255; 56 for $500; 113 for $1,000; 285 for $2,500; 575 for $5,000. No discount on less than $100 worth of tickets at a time.

Tickets will be sent, when requested, by registered letter. The money for them may be sent by Adams Express Co. and its connections, P. O. money order, registered letter or bank draft.

The holder of each ticket, or fraction of a ticket (a half or a quarter), is entitled to admission to the concert and to the gift awarded to it. During the concert the sum of

$500,000 IN CURRENCY

will be given to the holders of tickets by distribution by lot of ONE THOUSAND GIFTS as follows:

The Farmers' and Drovers' Bank is Treasurer, and the corporators and supervisors are all representative men, and are among the most respectable and distinguished citizens of the State. Should any tickets be left unsold at the day of the drawing, they will be destroyed, and the one thousand gifts offered will all be drawn and paid, but diminished in value in proportion to the per centage of unsold tickets. For instance, if only three fourths of the tickets are sold, the capital gift will be reduced to $75,000, and all the others in proportion.

The Hon. Thos. E. Bramlette, late Governor of Kentucky, has consented to represent the Trustees in the management of this Second Grand Gift Concert, and he will personally see that the money from the sale of tickets is deposited with the Treasurer, that the drawing is fairly conducted, and the gifts justly awarded, and promptly paid.
