ADMITS SLAYING CHILD

Father of Nathan Schwartz Thinks Son Ended Life.

NEW YORK, July 16.—(Can. Press.)—Samuel Schwartz, father of Nathan Schwartz, the young man wanted by the police in connection with the murder of the child, Julia Connors, in the Bronx last week, acknowledged today, in a statement to Assistant District Attorney Nott, that his son had confessed to him that he had killed the child, and that he had told his son to go out and commit suicide. The father, in his statement, said he believed the boy did as he was told.

The latest information of the police was that the younger Schwartz was out of the States.

LE CANADA RAPS ORANGEMEN.

MONTREAL, July 16.—Le Canada, in an editorial article this morning, quotes The Toronto Telegram's report of the Orange celebrations in Ontario, and makes it an excuse for a very severe criticism of the Ontario members of the Orange Order.

"It is easy to perceive the sentiments which animate this fanatical society, with which some French-Canadians, misled and deceived, allied themselves last September to overthrow Sir Wilfrid Laurier. The Telegram shows the true spirit of the society, which counts among its members Col. Sam Hughes, minister of militia, and Dr. Sproule, M.P., who was for a long time its grand master."

CHEQUE FOR FIREMEN.

Promptness and efficiency on the part of the Toronto fire department was nicely recognized when yesterday Chief Thompson received a cheque from Bats, Limited, of Pacific-avenue, for $25, which amount has been placed in the benefit fund of the Firemen's Association. A nice letter of appreciation accompanied the cheque.

Pelletier's Father Recovers.

QUEBEC, July 16.—The family of Hon. L. P. Pelletier denies the rumor to the effect that the postmaster-general, who is now in England, was to sail for Canada immediately owing to the serious condition of his father's health.

On the contrary a message has just been cabled to Hon. Mr. Pelletier informing him that his father had completely recovered.

KEEP A RECORD OF FOOD PRICES

Housewives' League of New York Will Supply Figures to Members Every Day.

The Housewives' League of America is shortly to open a central office in New York City, thru which it hopes to exercise a direct influence on the price of food. The wholesale prices of food products and the state of the markets will be daily notified to the office, and women experts will figure out fair selling prices, paying due attention to freight charges and the percentage of profits claimed by the retailers. These figures will be telephoned to the league's various branches, and members must decline to purchase goods when the prices are higher than those estimated by the league.

The hotel chambermaids of New York City, of whom there are several thousands, are being urged to form themselves into a union, so that their grievances, which include, among other things, long hours and unhealthy sleeping accommodation, may be effectively dealt with. Mrs. Rose Pastor Stokes of New York, who is endeavoring to organize the chambermaids, is confident of success, altho an effort made some time ago to get ordinary domestic servants to combine proved too difficult a task. This, however, was chiefly due to the fact that the majority of domestics in the United States are drawn from the foreign element, and combination in such circumstances is almost impossible.

DRUNK IN "DRY" BELT

Two Chatham Men May Spend Fifteen Days in Jail.

CHATHAM, July 16.—(Special.—Unless they pay fines of $20 imposed upon them by Magistrate O'Neil of Merlin, William Bellaire and Joseph Phillips, both of Chatham, must remain in the county jail for 15 days. They were arrested while intoxicated in the local option Town of Merlin and professed to be unable to pay the penalties.

Bellaire was arrested in his bed by High Constable Peters, and Phillips tried to make his escape in a livery rig, but he was overtaken by Constable Hall, who went after him in his automobile.

There was much drinking in Merlin and vicinity, and the authorities are trying to put a stop to it, tho they seem to be in the dark as to the location of "blind tigers."
