HAVANA STEWARDS DISCOURAGING ROUGH RIDING AT CUBAN TRACK

Several Jockeys Set Down and Good Healthy Fines Tacked On — Confer With Horsemen on the Rules of the Track—How They Stand.

Havana, Cuba, Feb. 15.—The stewards have been very active during the past few days, and several riders guilty of rough riding have been severely dealt with. A fine of $100 was imposed on Jockey Eddie Taplin, while Cruise, under contract to A. F. Dayton, was suspended for the remainder of the meeting and also fined $100. Taplin was held responsible for the interference which Wizard suffered in his race, while Cruise, who had the mount on Kazan, was responsible for the jam which occurred at the first turn, in which Hiker stumbled and unseated his rider, Kleeger. Form here has been much in evidence, considering the calibre of the horses and the number of times that they run. The absence of long-distance horses makes it a hard matter to fill any but sprint races, and so much depends upon luck in affairs of this kind that it is no wonder that disappointments occur so often.

Manager H. D. Brown has invited the horsemen to meet and discuss the advisability of changing some of the rules. He is of the opinion that the selling race rule as it is interpreted here is not the proper thing, but he wishes to hear the voice of the horsemen in regard to the matter before making any changes. The rule here prohibits anyone but an owner who may have a starter in the race from bidding on the winner. While at first this may appear like a good thing, still when one considers that it works a hardship in some cases where a horse may be claimed from a man and then started back at a much lower figure, the former owner, if he does not happen to have a horse in that particular race, is prevented from bidding on him. Again, the claiming rule fines claims to owners who have a starter in a race, and likewise outside owners are prevented from entering a claim. In some instances one-horse owners have had their racers claimed from them and have not been in a position to retaliate. It has been proposed by some that in the event of an owner losing a horse in a selling race, he shall have equal rights with other owners who have a starter in a race, so far as bidding on the winner or putting in a claim on the beaten horses. This looks only reasonable, and it is quite likely that the horsemen may request Mr. Brown to have this rule adopted by the association. Brown has always been for the horsemen. He has had a lot of practical experience as an owner himself, and knows what they are up against in many instances, so it was to get their views on many little things that he requested that they meet. Another thing that is contemplated is a change in regard to the handicap system. Manager Brown thinks that a board of three men should do the handicapping, and, in the event of it being necessary to split these races, that these three men should do it, and not one man. The horsemen are heartily in accord with Mr. Brown in this matter, and they will undoubtedly sanction these changes. The matter of longer races will also be discussed and something will be done to encourage horsemen to enter more liberally in races over a distance of ground.

The rains that fell during the week helped the track wonderfully. While it made the going a bit slower, still it improved the footing, and there is now a nice, soft cushion. The change in the going will give the "sore" horses a chance, and it is in order to find some of them running in improved form.

Ending Thursday, Feb. 8, one hundred and seventy-one horses have been returned winners at the meeting. Of this number, ninety-eight have won one race, forty-three two races, eighteen three races, six, four races; five, five races, and one, six races. King Tuscan was the six-time winner, while the five-time winners were Liberator, Malabar, Refugee, Shooting Star and Silver Bill. The horses winning four races were Eddie T., Jerry, Louise Stone, Murphy, Thesieres and Two Royals. The three-time winners were Athena, Droll, Edmund Adams, Enver Bey, J. B. Harrell, Laura, March Court, Mac, Owana, Olyn G., Pierrot, Quin, Regular, Runway, Sir Welions, Scorpil, Wizard and Wenonah. WOULD SEND SINGLE G AGAINST HARNESS WORLD

Washington, Pa., Feb. 15.—Fred Jamison, the well-known Washington reinsman, today issued a sweeping challenge to match Single G., 2.00, the great free-for-all pacer, now in his stable, against one or all of the following fast pacers: Ben Earl, 2.00½; Peter Stevens, 2.01¼; Roan Hal, 2.00¾; Judge Ormonde, 2.00½, and Earl, jr., 2.01½.

The provisions laid down by Jamison are that the race is to be one of mile heats, best 2 in 3 over a half-mile track for a side bet of any amount from $500 to $1500. He also stipulates that the track at Youngstown, O., one of the best in the country be selected for the race at the time of the big meeting there during the week of July 2. This is the week preceding the Grand Circuit meeting at Cleveland, during the week commencing July 9.

Jamison said today that he was prompted in issuing the challenge thru the talk of a match for $1000 a side between Ben Earl and Peter Stevens. Jamison says Single G. can beat either one of this pair or any of the five named, and in a race among the six, which is his desire in issuing the defi, he says he is certain that his pacer can win in straight heats.
