"THE BLOOD IS THE LIFE,"
IN THE LANGUAGE OF SCRIPTURE.

DR. HALSEY'S FOREST WINE,

FROM its own merits and great works, this Wine is fast becoming the favorite medicine among every class of people. Known to be the most efficient remedy for general Debility, Nervous Affections, Consumptive Decline, Complaints of the Kidneys, Heart, Lungs, and, above all, for diseases arising from impure Blood and habit of the System, eminent members of the Medical Faculty have sanctioned and adopted the use of it.

Dr. L. A. STANCY, a celebrated Physician, in a letter from Princeton, New Jersey, dated November 16, 1849, declares that in all his experience he had never seen anything to compare with the Forest Wine and Pills, at the same time relating several cases of constitutional Debility and Scrofulous affections which it cured in an incredible short time. Among the members of the Medical Faculty of New York, who have witnessed the great results of the Forest Wine, and recommended it in numerous complaints, will be found the names of the celebrated Dr. M. Y. Goodman, Dr. S. L. Mott, Dr. E. Cheesemen, Dr. Colton, Dr. William Bond, Dr. Marsh, Dr. J. M. M'Lean, and others.

TESTIMONY of Johnson Burke, a highly respectable old age of Waverly Place, New York:—

Dr. G. W. HALSEY:—DEAR SIR,—I esteem the Forest Wine as the King of Medicines. It has done for me in five weeks what three Physicians failed to do in as many years. In 1845, I became a victim of the Heart Disease and Nervous Affections, which have been growing on me ever since, until I procured your Forest Wine and Pills, although I had wasted several hundred dollars for medical attendance. During the last two years I was obliged to keep my house nearly all the time, and gave up business in consequence of my ill health. I had nearly lost all hope of recovery, my complaint was of that class under which "nature sinks and life becomes a burthen." Seeing your Forest Wine advertised I concluded to give it a trial, and before finishing the third bottle I felt like a different man, and was able to resume business again, entirely cured, by taking five bottles. For the benefit of those afflicted with similar complaints you are at liberty to publish this. Yours, &c.,

JOHNSON BURKE, Waverly Place, N. Y.

HEMPSTEAD, Dec. 1, 1847.

Dr. HALSEY:—A bottle of your Forest Wine and a box of Pills, which I procured of Mr. James Carr, (your Agent for this place,) has done wonders for me. I had been in a state of decline for more than a year, filled with an adhesive cough, pain in the breast, general debility, and loss of appetite. I became almost a skeleton, and had been unable to leave my room for more than two months; my friends thought I had the Consumption, and despaired of my recovery. I could not obtain any permanent relief from any medicine I had taken, or my physician, until your Wine and Pills were procured. The first dose of the Pills brought up from my stomach much phlegm and greenish matter, and my stools were perfectly black. I then commenced taking the Forest Wine three times a day, my appetite began to return immediately, my cough left me, and in less than two weeks I was almost well. I now enjoy better health than I ever did before, having increased twenty five pounds in seven weeks. Your Forest Wine and Pills are highly valued in this vicinity, and I owe my recovery entirely to their virtues. Yours, respectfully,

MARTIN CALDWELL.

The following Certificate, voluntarily given by Mr. E. G. Hussey, a respectable and well-known citizen of Cohoes, New York, is an evidence which must recommend the Forest Wine as an efficacious remedy for NERVOUS DEBILITY, NEURALGIA, AFFECTIONS OF THE SPINE AND KIDNEYS:—

This is to certify, that I have used Dr. Halsey's Forest Wine in my family with the most entire success. My wife was badly afflicted with Nervous Affection of the Spine and Kidneys, and general Debility. She found speedy relief, and regained her health by the use of the Forest Wine.

From my own knowledge of this excellent medicine, I confidently recommend it to the good citizens who may be suffering with similar complaints. It is the best medicine with which I am acquainted, and those who are afflicted with the above, or any similar diseases, may safely rely on its virtues.

Cohoes, March 6, 1850. E. G. HUSSEY.

More Testimony from Cohoes.

Dr. G. W. HALSEY:—DEAR SIR,—My wife last autumn was reduced to a low state of Debility. My family Physician advised her to take your Forest Wine. Accordingly I went to Mr. Perry's, your Agent for this town, and procured a bottle, which restored her in a very short time to perfect health.

HENRY DONALDSON.

Cohoes, Apl 13, 1850.

The testimony of upwards of three hundred individuals, some of whom were afflicted with troublesome diseases, and were held incurable, may be seen at our office, and be read by inquiring at the Principal Office. The following are some of them residing in this city:—

Mr. Asa S. Smith, 167, Prince Street, Office in Wall Street, was long severely afflicted with a disease of the kidneys and bladder. The best medical skill answered no purpose. He tried the Forest Wine, and it met his case, and he was completely cured by the use of four bottles and a box of the Forest Pills.

M. Jas. Bell, Merchant, in Pearl Street, was for four years a martyr to severe Rheumatic Pains, and could find no relief until he used the Forest Wine and Pills, and recovered by taking six bottles and less than a box of the Pills.

The remarkable efficacy of the Forest Wine is very striking in the case of Dr. R. S. T. Etson, of Virginia, who was cured in a few hours time of a severe attack of Bilious Dysentery and prostration of bodily energy. On the arrival of this gentleman in New York in March, he was so weak and worn, from the effects of his illness, that he could not write, and required assistance to enable him to walk to his apartments. The Wine was sent for, and he recovered by the use of less than a bottle of the Wine and a single dose of the Pills.

The Forest Wine and Pills are recommended as an efficient and certain cure in all the following complaints:—

Dyspepsia, Habitual Costiveness, Liver Complaint, Sick Headache, Piles, Obstinate Headache, Bilious Disorders, Fever, Blotches and unhealthy Color of the Skin, Jaundice, Ague and Fever, Salt Rheum, Erysipelas, Complaints incident only to Females, Languishing Weakness, Night Sweats, Nervous Disorders, General ill Health and impaired state of the Constitution.

JOY TO THE BED-RIDDEN.
A VALUABLE DISCOVERY FOR
THE INSTANT CURE OF PAIN.
RADWAY'S READY-RELIEF
Cures the worst Diseases in Minutes and Hours, and stops the most cruel pangs of pain in Seconds.

SO quick and efficient is RADWAY'S READY RELIEF, in stopping pain and curing disease, that it has frequently raised the diseased and helpless invalid from a bed of sickness in a few hours. It has frequently cured the worst pains of—

Rheumatism	In four hours.
Neuralgia	In twenty minutes.
The Toothache	In ten minutes.
Toothache	In three seconds.
Nervous Headache	In fifteen minutes.
Sour Stomach	In five minutes.
Heart-Burn	In five minutes.
Bowel Complaints	In thirty-five minutes.
Cramps and Spasms	In twenty-five minutes.
Diarrhœa	In one hour.
Inflammation of the Bowels	In forty minutes.
Local Inflammation	In ten minutes.
Influenza	In twelve hours.
Diarrhœa	In ten hours.

Spinal Complaints, Swellings, Bruises, Sores, Wounds, &c., it will remove in three quarters than any other remedy in use.

LET THOSE WHO SUFFER TRY IT!

It will prove itself in a few minutes. As soon as it is taken internally, or applied externally, its beneficial effects are seen. It is better than all other remedies.

HERE IS THE PROOF.

There is no other remedy that claims to subdue the cruel pangs of pain in seconds, minutes, or even hours. They require the patient to use doses above, before a favorable change is promised. Not so with Radway's Ready Relief. Its effects are instantaneous; the first dose that is taken, or the first external application, commences its great work of relief from pain.

BEAR IN MIND,

That Radway's Ready Relief will cure either of the above-mentioned Diseases in one-tenth the time it takes any other remedy to give even Partial Relief.

TAKING COLD.

This sentence is constantly in the mouth of every person, in order to explain certain complaints. Those who use it often, we think, have but a faint idea of its precise meaning. We will offer an explanation, which we believe to be the opinion of a majority of the most learned physicians. A period, for instance, has been over exerting any particular set of muscles—of the throat, from violent speaking—of the loins, by too much stooping or bending, or those or any other part of the body; those parts or muscles are, consequently, weakened and relaxed, and become a fair prey for any disease. The person who has been thus acting, accidentally or otherwise, exposes himself to a current of air, the perspiration immediately ceases, and the blood, which had been just now circulating rapidly throughout the surface of the body, is repelled inwardly, and is sure to settle in those parts which have been previously weakened and relaxed. Here, then, we have an accumulation of blood, a congestion, which gives rise to all the pain and stiffness attendant upon such complaint. When this takes place in the throat, we have what is called Sore Throat, Quinsy, Hoarseness, Croup, or Stiff Neck; when in the chest, Pleurisy. We also have it in the shoulder-blade, side, and other parts.

RADWAY'S READY RELIEF,

Takes Internally and applied Externally.

Its first action, when freely applied, is to blunt the acute sensibilities of the nerves, and almost instantly relieves the pain; its secondary action is to excite perspiration, and redden the surface over which it is applied almost as glow, thereby determining the blood from the injured parts to the surface. In these cases, the READY RELIEF should be applied freely, at the same time rubbing the parts with a piece of flannel, and it will be found in every case to give immediate and permanent relief.

N.B.—If convenient, a piece of flannel saturated with the RELIEF, and tied or pinned around the parts, does good service.

A BAD COUGH CURED IN TEN MINUTES.

Mr. Rigdon, of Brooklyn, the celebrated Church Singer and Organ-Player, on the night of the 10th of December was attacked with a severe fit of coughing—so that he coughed from 9 o'clock until 11 o'clock P. M., without three minutes intermission. One of the Clerks of Radway & Co., who sleeps in the next room, got up and gave him a teaspoonful of the Relief internally, and bathed his throat, breast, and shoulders with about a pint of flannel with the Relief, and laid it over his chest. In a few seconds the coughing ceased, he could expectorate freely, and raised with perfect ease a great quantity of phlegm. The Relief instantly stopped the irritation of the throat, and removed the inflammation from the lungs, and gave free action to them, produced a free and copious perspiration of the throat and chest; and in ten minutes he was entirely free from pain, and sank into a sound and pleasant sleep. In the morning he was free from hoarseness and cough, and has not been troubled since. Let every individual who is troubled with a cough, sore throat, influenza, or hoarseness, pursue the same plan, and we will warrant them a speedy cure.

LAMENESS

If you have a stiff joint, a wrenched limb, a swelled leg, or bunion, or any thing short of a broken bone, Radway's Ready Relief will cure you. The lame have been restored to the free use of their limbs by a few applications of the Relief. The cripple, who has limped from spot to spot upon his crutch, has been relieved of his pains, of affections, and enabled to stand erect, or cast aside that Man should stand, by a few times using the Relief.

THE RHEUMATIC,

Who has been bedridden for years, shut out from the busy world, and lingered with pain upon a couch of sickness, deprived of the society of friends, and of the pleasures of life, has been *raised from a lingering death* by the soothing, healing, and pain-relieving influence of Radway's Ready Relief. In all cases of Rheumatism—even the worst cases—one trial of Radway's Ready Relief will prove its superiority over all other remedies in use.

BLEEDING AND BLIND PILES.

Are instantly eased, taking the Ready Relief internally—say a teaspoonful—for the Relief is a teaspoonful of Medicine, and applied to the Cream of the Piles, it is a Sweet Oil, and sinks into the parts affected. If the sores are very bad, take a leaf of tobacco, dip it in warm water, then wet it with the Relief, and lay it on the sores, you will have immediate relief and a speedy cure.

AGE VERSUS YOUTH.

Radway's Ready Relief restores the vigor of youth in old age. The vital energies of youth are invigorated by its strengthening and exhilarating effects; it renovates the vital energies in the aged, heavy and languid motion of the functions of the body is quickened by its healthy action—the blood flows more freely, the pulse becomes active and vigorous in old age, and life be prolonged to the full number of its days.

FOR ALL PAINS,

Whether internal or external, take Radway's Relief, or apply it externally, it will relieve pain and inflammation quicker than any remedy in use.

RHEUMATISM CURED IN TWO HOURS.

Mr. Jones, of Clifton, Va., writes:—A lady in this place has been confined to her room for four months with Rheumatism; she purchased a bottle of Radway's Ready Relief. At bed time she was able to leave the room, and in the evening she walked out.

DR. SHERWOOD'S GALVANIC EMBROCATION. NEW YORK.

THIS GALVANIC EMBROCATION is an unparalleled remedy for the Cure of Rheumatism, Acute or Chronic, seated in the Head, Joints or Limbs, Tic Doloureux and Gout, in its worst forms, Piles, Fistula or King's Evil, Spinal and Hip Complaints, Stiffness of the Joints, Lameness, Retracted Children, Fever Sores, Salt Rheum, Ring Worm, White Swellings, Diseases of the Skin, Erysipelas, Goitre or Thick Neck. It is likewise highly recommended in the most confirmed cases of Scrofula and Scrofulous Affections of the Bones, Joints and Glands of the Neck, Ulcerations of the Throat and Nostrils.

It is now generally admitted, by the learned and scientific, that the mysterious power called *Galvanism or Magnetism* is in fact the principle of Vitality or Life, and that disease in many of its most painful forms is entirely owing to the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can really supply this wonderful power, when it is thus deficient, we can unquestionably obviate a vast mass of human misery and perfectly eradicate disease from the system. Recently, a discovery, of combining Magnetism or Galvanism with a Fluid which has long been in the hands of the medical faculty, has been made by the most eminent Physicians of New York, who have constantly prescribed this Combination in their practice, and from many of them has received the fullest testimonials of approval and commendation.

SELF-PRESERVATION:

A MEDICAL TREATISE ON THE PHYSIOLOGY of MARRIAGE, and THE ERRORS OF YOUTH and MATURITY, mostly acquired at an early period of life, which enervate the physical and mental powers, diminish and enfeeble the natural feelings, and exhaust the energies of Manhood—with practical observations on the Treatment of Nervous Debility and Indigestion, whether arising from these causes, close study, or the influence of Tropical Climates; Local and Constitutional Weakness, Syphilis, and all Diseases and Derangements resulting from Indiscretion—with Early Colonial Impurities, illustrating the Anatomy, Physiology, and Diseases of the Reproductive Organs, explaining their structures, uses and functions, and the various injuries that are produced in them.

BY SAMUEL LA'MERT, M.D.,

No. 37, Bedford Square, London,

Doctor of Medicine, Matriculated Member of the University of Edinburgh, Licentiate of Apothecaries' Hall, London, Honorary Member of the London Hospital, Medical Society, &c.

This Work contains so accurate and complete account of the Anatomy and Physiology of the Reproductive Organs, and of their relative conditions in health and disease. Nor are these the sole contents of the Work; the means of escape, as well as the nature of the danger, are pointed out in clear and intelligible language. It generally requires the closest attention and study, for what subject can be of more importance than the preservation of health, and of the physical capabilities of which every man should be possessed. It unfortunately happens that the unhappy victim of excessive indulgence and vicious habits, which is acquired in early life, *frequently* does not have an accumulation of blood, a congestion, which gives rise to all the pain and stiffness attendant upon such complaint. When this takes place in the throat, we have what is called Sore Throat, Quinsy, Hoarseness, Croup, or Stiff Neck; when in the chest, Pleurisy. We also have it in the shoulder-blade, side, and other parts.

RADWAY'S READY RELIEF,

CRAMP AND PAIN KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN For the cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Stiffness in the Back, Side or Limbs—Cramp in the Limbs or Stomach—Darting Pains, Bilious Cholic, Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many truly surprising cures in cases of the foregoing complaints. And we say no more than hundreds and thousands who have used it will assert, when we say there is no Medicine we offer for sale, capable of overpowering so many pains, proceeding more than a little to the power to relieve and cure in this.

We solicit particular attention to the fact that it has not caused a parcel of *splash* in any form. Neither does it contain *Camphor*.

It is free from any deleterious article, and cannot, in any supposable case, injure the patient.

It does not deaden the *Life Fountain*, nor produce the burning, drying, parching sensations, so much complained of in the use of other "Pain Killers."

It does not weaken the peristaltic motion of the bowels, producing Costiveness, and perpetual colds, but is a positive order of digestion, and of proper and healthy action in the stomach and intestine canal.

IN ALL RHEUMATIC AFFECTIONS

Local Pains, &c., it has proved *surprisingly* successful, rarely failing to cure, even in the most desperate and long standing cases, as the Certificates, for these cases, the parts affected should be freely bathed, and then ribbed briefly, but briskly, not hard enough to hurt the patient, but so as to induce a reaction on the surface, and in severe cases the patient should take half a teaspoonful of Sugar or molasses.

CRAMP IN THE STOMACH OR BILIOUS CHOLIC.

We believe it will never fail to *speedily cure*. It should be a teaspoonful at a time, of sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in violent cases twenty minutes the patient does not find relief, repeat the dose.

DYSENTERY OR DIARRHŒA

Are speedily and easily *cured* by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA,

Which during the past season has swept of such fearful numbers, has been cured by it, we believe in every case, where it has been early and properly applied. In Bangor, where it proved singularly fatal, it was found to yield to this remedy, and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the first Physicians, and by the Press, as the first, the surest remedy to be used.

As a dressing for *Cuts, Wounds, Bruises, &c.*, it is without a rival. As a dressing for *Burns, Scalds, Freezes, &c.*—relieving the pain and *leaving* without scar.

FOR CHOLERA.

It is, nine times out of ten, a *CURE*. We believe it will *never fail*, unless the bowels are ulcerated. It is both a hollow, saturate a little lint and put it in the cavity, and some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it is *generally a cure* for the *Headache*.

We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, and in pamphlets, which may be obtained of any of our agents.

P. S.—It is the best *HORSE AND OX LINIMENT* in the world.

Please read the following statement from John Buckman, Esq., of Dermont, Me.:—

LAXMONT, July 11, 1848.

Messrs. Curtis & Perkins,—For two years past I have been entirely prostrated with the Rheumatism; my limbs and my knees swelled to twice their original size—a large bunch came out on my forehead, appearing like a part of the bone threatened. Another bone was thrown out of my wrist. In short, I endured the most excruciating pains for nearly three years. I obtained the best medical assistance the country afforded, and tried a great number of medicines and prescriptions, without the least benefit or alleviation, when I had the good fortune to procure a bottle of Camp and Pain Killer, prepared by Messrs. Curtis & Perkins, of Bangor. Soon after taking it I found I could get some rest nights, and the pain became less violent. I have continued to take it and apply it externally, and I have used eight bottles. I took much larger quantities than was recommended. The swelling has all gone down, both in my limbs and breast, and I am entirely relieved from pain. I have been able to do a good day's work at any time for the last three months, and I am a man of my age. No description of my case can convey the vast amount of benefit I have received from this article. I believe it is the best article in the world for Rheumatism. I have also used it for cholic and pain in the stomach, and always found immediate relief.

PLANTAGENET WATER.

Among the objects of attraction at the late Industrial Fair, the celebrated Plantagenet Water held a conspicuous position, and its exhibitors were amply rewarded with the most favorable results. So great was the demand at the Depot for the health-restoring beverage, that it was with great difficulty strangers and visitors to the city could be supplied. Prospectuses of these Mineral Springs can be had on the application and satisfactorily established that testimony of the most distinguished medical men, and the most eminent Chemists, is daily accumulating. This highly respectable certificate given in our paper of to-day will, if possible, increase their reputation, and add to the wide spread demand for the Plantagenet Water. The testimony of the medical gentlemen is certainly highly favorable to the character and quality of these Springs.—Dr. Nelson and others placing them above all other Mineral waters on the Continent.

☞ Believed I was one of the first Practitioners of this city who recommended the use of the Plantagenet Spring Water, and since that time I have prescribed it to a very large number of my patients with invariable advantage.

Two members of my family, of feeble and consumptive constitutions, have derived much benefit from the use of the Water. One had nearly lost all power to the right arm, the result of a severe and protracted attack of Rheumatism; the other was excessively debilitated from derangement of the digestive and alimentary organs.

☞ The Mineralization of the Water is attended with the happiest result in constitutions, arising from sedentary habits, and in aged persons.

In scrofulous, burning sickness, and the other numerous painful complaints which women are subject under certain circumstances, it is a most sure, safe, and efficacious, but in these cleansing agents, as well as where there is over action of the kidneys and bowels, it should be taken in smaller quantities at a time, but more frequently.

From an extensive experience I am well satisfied with the operation of the Water; in weak persons it is quite palatable; and I deem it preferable to any other of the Mineral Waters I have compared with. I look upon many of the Mineral Waters as a great boon conferred by Providence on mankind.

JOHN STROUD, M. D., F. R. C. S. E.,
Phy. & Sur. Canada East."

"Many months experience in the use of the Plantagenet Water in my practice has fully justified me in a favorable opinion of its value as a remedial agent, and I have not had reason on any single occasion to regret that use; I find that they seldom disagree with the stomach, and always act as a gentle aperient and alterative, and from their combination, they possess, in addition, decidedly tonic properties.

Certainly, too much has not been said in their favor, for they are, probably, the most valuable Waters of this Continent.

"Sir,—During the last year, I used the Plantagenet Water as well known and highly recommended by public fame, by some of our most eminent Medical Practitioners, from a conscientious belief in their superiority over other Mineral Waters, and I feel it my duty to bear testimony to its superior efficacy in contributing to strength and vigour to the constitution of those who have freely used it. The name of the water has been generally acknowledged by the community, and my own experience of its excellent qualities fully entitles me to give my testimony to its beneficial effects.

ST. LEON AND CAXTON SPRINGS.

Martinet, June 8, 1848.

For the past twelve months I have frequently recommended the Waters of the St. Leon and Caxton Springs, and have found a favorable result of their efficacy in patients in various complications of disease. I have found both Waters well adapted, by the quantity of salts they contain, for accomplishing all the purposes of the ordinary saline aperient drastic, over which their tonic and alterative ingredients give them, for common use, a superiority.

BEAUTY AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,

FOR RESTORING, PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate from Mr. Winslow Lewis, one of the most eminent Importers of Boston, will show the estimation in which it is held by the scientific and learned, being currently of many thousands.

BOSTON, Feb. 18, 1847.

Mr. Wm. Bogle.—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It imparts a rich glossy appearance to the hair, and keeps it free from all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place gracefully, and the skin or parting of the hair free from dandruff and scurf. For Children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE.

A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base is extracted from the *Amole*, or "soap plant," of California, an article used by the Indians of that country for washing; and thus the use of strong alkali, so injurious to the skin, is avoided. Its vegetable and detergent properties have the effect of softening the beard, and leaving the skin in a healthy condition, and have the effect of softening the beard, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, executed either for the dressing case, or the travelling use, ready "traveller, or the pocket of the most fastidious connoisseur.

BALDNESS CURED.

The following Certificate from Mr. William Harrett, Saratoga Springs, East Indian:

EAST INDIAN, Feb. 8, 1847.

Mr. William Bogle,—Dear Sir: For several years past, my wife has been troubled with baldness on the Crown of the head, some six or seven inches in extent.—After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion as a wash, for the purpose of removing her bald spot and I am happy to say that its object has been to cause the hair to grow all over the part affected. She has used only two bottles, and that very irregularly; had she used it oftener and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours, respectfully, FENMER F. BARRETT.

BOGLE'S HELIADONA,

FOR REFRESHING AND BEAUTIFYING THE COMPLEXION,

Eradicating Tans, Pimples, and other eruptions of the skin, and rendering it fair, delicate, and blooming. It is equally efficacious in protecting the skin from the hot sun of summer, and freezing blasts of winter, and is the most fragrant and delicious article to be found at the toilet of fashion.

All the above articles have stood the test of the strictest investigation, and are WARRANTED superior to anything yet invented.
