SURPRISES AT BASEBALL.

TORONTO GETS AWAY WITH LONDON IN GOOD SHAPE.

The Clippers Beat Both the Cass and the Primrose Clubs—The Maple Leafs Also Get Away With the Prims.

LONDON, Ont., July 1.—This morning a baseball match between the Olives of London and the Beavers of London East was played on the London club grounds, and resulted in an easy victory for the Olives. While umpiring for the match, Dunn, captain and second baseman of the London club team, was hit in the face by a foul ball and so seriously injured that he was unable to take his place in the Toronto-London match in the afternoon, Smith, a new arrival from Erie, Pa., filling his position. This, the second championship match with Toronto, commenced at 3 o'clock. Both teams played well, Thompson of the Londons catching in his usual good style. Pelouze made a very fine catch, having to run into the crowd to get under the ball. The pitching of Stemmeyer, for the Toronto team was, however, too much for the home team, and they were, comparatively speaking, unable to hit him. Smith of the Torontos proved himself to be a splendid catcher. McKinley made a fine catch at third base, the ball being a "red-hot liner." Stemmeyer made a three-base hit and home run, owing to the ball getting into the crowd. The visitors batted Knight's pitching all over the field, every man of the team scoring base hits and runs.

The Leafs Beat the Primroses.

GUELPH, Ont., July 1.—The game here today between the Maple Leafs and Primroses resulted in favor of the Leafs, much to the surprise of Guelphites. The Primroses were strengthened by new players, while the Maple Leafs had to put in the veteran Billy Smith to pitch. It was the first game he has pitched since the old professional Maple Leafs and Tecumsehs were rivals in the ball field. He received an ovation from the spectators as he stepped into the box. The Primroses presented Young and O'Neill as their battery. The Wood Bros., who played in the morning game against the Clippers, were not on the field this afternoon. Barnfather relieved O'Neill after the first innings and caught the remainder of the game. Both sides batted freely. The following is the score by innings:

Maple Leafs	0	3	1	0	0	1	1	0	2	—8
Primroses	1	0	0	0	1	0	1	0	0	—5

Umpire—Jeffers of Toronto.

The Clippers Down the Prims.

HAMILTON, July 1.—Three thousand spectators were attracted to Dundurn this morning to watch the match between the reinforced Clipper and Primrose teams. By reason of the strengthening of both teams the spectators anticipated a close-contested match, and they were not disappointed, as the score shows. Through out the game the enthusiasm and interest in the game never abated. Good playing on either side was greeted with cheer after cheer from the grand stand, and the refrain taken up by the spectators ranged around the diamond, every one of whom was anxious to get as near the players as the ropes would permit, and, notwithstanding the extreme heat, kept crowded together in solid rank throughout the entire game. A remarkable feature of the game was that the Prims could meet their old rivals without becoming rattled near the end of the game. Up to the last half of the seventh innings the score stood 1-0 in favor of the Clippers, but in the seventh Pete Wood really gave three runs to the Clippers, and though during the balance of the game he played a remarkably fine game still he was unable to make up for the loss his side had sustained through his carelessness. Both teams were remarkably strong on the field, but were decidedly off in their batting, and especially so were the Prims, who only succeeded in making two hits.

The Clippers Beat the Cass Club.

HAMILTON, July 1.—Street cars, hacks and omnibuses, all crowded, made their way to Dundurn this afternoon. The street car company put on all their extra cars as well as the regular James street cars on York street, and yet thousands of people had to walk to the grounds or preferred walking to being packed like sheep in closed cars or lumbering omnibuses. Six thousand people in holiday attire went through the Dundurn gates and at once took their positions around the diamond. There were numerous other sports going on in Dundurn, but it soon became evident that the American sport would eclipse any counter-attraction which might take place. Two changes in the Clipper team (who played in the morning) were made, Rooney taking Chamberlain's place in the box and Myers playing centre field. Rooney surprised everyone. The Cass men couldn't bat him at all, for during the game he succeeded in striking out eleven men. The Cass men couldn't possibly become familiar with his curves, nearly every one of them batting air, some so ferociously as to endanger their necks. Thomson, the slugger from Indianapolis, seemed to enjoy Rooney's pitching. He went four times to bat and made a record of a base hit, two two-baggers and a home run. So fiercely did he strike the ball which gave him the home run that he could have gone half round again ere the ball could be fielded to second. It was the biggest hit of the season, and if many more such players show up Dundurn will have to be deprived of some of its shade trees.

An agreement was made between the two teams before going on the field that if a batter should happen to strike the ball to the right of second base he shouldn't take more than two bases, as the fielders were delayed by the spectators. The Clippers good-naturedly allowed Thomson the home run, though they had the power to annul it as per agreement. This was nothing but right, since the hit was such a sweeping one a home run could easily be made on it if no obstacle were in the way.

Torontos v. Caughnawagas.

The crowd yesterday afternoon at the lacrosse match between the Caughnawaga Indians and a scratch team of the Torontos was as large as might have been expected, when the number of other Dominion day attractions are taken into account. Following are the names of the teams:

TORONTO.		INDIAN.
S. Martin	goal	Sagaree
G. Langley	point	F. Hamrock
W. Robinson	cover point	White Eagle
H. Hardy	defence field	A. Morris
R. Coulson	defence field	Lafevre
J. McDonald	defence field	Daillebout
A. Blight	centre field	Cross the River
H. Jarvis	home field	Jacques
J. Dixon	home field	J. Philips
C. A. E. McHenry	home field	R. Hamrock
J. Meharg	inside home	Dominique
A. Stowe	outside home	Beauvais
R. B. Hamilton	captain	A. Jacobs

Referee—Jno. Logan.
Umpires—Chas. Wilson and Jas. Pearson.

The match was for the highest number of games taken in a given time. The Torontos succeeded in winning five games in the following order: First game, put through by McDonald; time 40 minutes. Second game, by Dixon, 3 minutes. Third game, Dixon, 30 seconds. Fourth game, Stowe, 6 minutes. Fifth game, Stowe, 23 minutes.

The play on both sides was good. The Indian defence and field showed up well but their home was weak. The Torontos had on six first twelve players, the remainder being "chickens." Most of the old players were fully up to the mark, and for the younger ones Jim McDonald and Bob Coulson did some capital play. As at most Indian matches, the crowd was greatly amused by the loose and careless play of the boys and the aboriginal manner in which the noble red men handled the crosse.

Steeplechasing Versus Hurdleracing.

Editor World: In yours of this morning it is quoted the two are identical—not so. The latter is over a flight of hurdles generally or a race course; the former over a line of country (see Lever's earlier works).

The origin of one word is obvious, the other took its name from the riders being pointed out a steeple in some village at random, and they were required to ride straight for that point without deviating. Afterwards the courses got to be flagged out.

H. B. H.

June 30.

[Our correspondent is very much astray regarding our answer to the query. If he looks again he will see that we said there were two hurdleraces at Montreal, meaning to imply that there were no steeplechases, and that we also said "there is a difference" between the two styles of races. While we profess to be very particular regarding answers, we do not undertake to do any more than give a direct reply to a direct question.—ED.]

General Notes.

You talk about your batting game, Toronto's licking of London was bad enough, but what do you say of the Chicagos getting 24 and the Bostons 10?

Grimshaw is the coming professional cricketer in England. Against Cambridge university on June 17 he made 129. In the same match Ulyett made 84 and retired hurt.

Hutchins, the English sprinter, offers to run any man in the world from 75 to 200 yards for $2500 a side. This was before Hutchins fell and hurt himself in trying to beat the 220-yard record.

Al. Smith announces that he will match Courtney to row Wallace Ross three miles with a turn for $500 a side, all forfeit, the race to be rowed in August, and he will wager $500 that Courtney will start.

In Gloucestershire versus Sussex at Brighton June 15, 16 and 17 Sussex won by an innings and two runs. Score—Gloucestershire 227 and 172, Sussex first innings, 401. F. M. Lucas for Sussex made 215, not out.

At Newcastle and Gosforth park summer meeting yesterday the race for the Northumberland Plate of 1000 sovereigns was won by Craig's, formerly Keene's, Blue Grass, I. Anson's Hambledon 2d and Jardin's Greenbank 3d. There were seven starters.

It was fully expected that the Canadian bicycle records would be beaten at Woodstock yesterday, but instead of that the half-mile race was five seconds slow, the mile two seconds and the five miles 55 seconds. On the other hand the two-mile barred race, won by Foster of Toronto B.C., was 26½ seconds better than the record.

A game of lacrosse was played on Dominion day at Georgetown between the Ætnas of that place and the Dominions of Toronto. The first game was taken by the Dominion in eight minutes and the second by the Ætnas in twenty minutes. The third game had lasted over an hour when time was called and the match declared a draw. Owing to the rough and uneven state of the ground it was decided by the Ætnas to come to Toronto and play the Dominions on fair grounds. The boys were all treated in a liberal manner by the Georgetown club.

A Tremendous Mistake!

—A gentleman on going down to business in the morning was instructed by his wife to call at the Waterloo house for a "Vendome" fancy straw hat for their daughter Minnie. Coming up he called in the wrong store, got the correct hat, but paid $1.40, when he could have obtained it at the Waterloo house for 50c. Oh! What a glorious night he had. "He'll never forget that blunder." "The old lady went for him lively." 246

A Sham English Duke.

From Count Vasalt's Work.

One word about a strange personage who may be seen every day taking his solitary walk in St. James's park, London, and who believes himself to be the Duke of Gloucester. This old gentleman, who looks about eighty years of age, is wonderfully like George IV, and still wears the costume of that period. He says, with sincere conviction and the greatest calmness to anybody that will listen to him, that as Duke of Gloucester he ought to have succeeded William IV., but that out of deference and gallantry he has ceded his rights to Queen Victoria. Every year, on the Queen's birthday, he goes to Windsor, and some one belonging to the castle gives him a dinner in the best hotel of the place, when he drinks to the health of her majesty with a gravity that is at once comical and touching.

Chicago to Buffalo Through a Tunnel.

From the Buffalo Evening News.

It is reported in railroad circles that the Grand Trunk railway contemplates digging a tunnel under St. Clair river from Sarnia to Port Huron, thus giving it all rail from Chicago to Buffalo. If the tunnel is built the Grand Trunk will become a popular route from the east to the west. It may be said that the question of making the tunnel is not one of dollars and cents, for the stockholders of the Grand Trunk are owners of barrels, and do not know what to do with their money.

The Plague in Toronto.

—The people of Toronto are all complaining of being plagued by bad timekeepers, watches out of order, etc., and watchmakers are denounced as wholesale robbers. The end of all this is, that they are compelled to take their watches to Doherty's, 360 Queen street west. 136

Dominion Day.

A man with a bad hat is a tough sight at any time, but on the natal day of a nation it is unpardonable. To-morrow Canada celebrates her eighteenth birthday as a dominion. Get a new hat at Dineen's in honor of the event.

"A hat or no hat,
That is the question.
Whether is it better to wear an old one
And have your wife dub you a fool.
Or get a new one

And have harmony reign
