FRANK SCOTT IN GOOD FORM

Toronto Beat Montreal in a Close Contest By Three Runs to One at the Baseball Park.

JERSEY CITY TRIMMED BUFFALO

Providence Won From Worcester Twice and Rochester Beat Newark—The Records.

Torontos played the first game of the home series yesterday afternoon at the ball grounds with Montreal, winning a close game by three runs to one. Scott and Souders were the opposing pitchers, and finished the day with honors about even, but the locals played an errorless game, which, coupled with opportune batting and costly errors by Montreal, assisted materially in deciding the contest. As Buffalo, who have of late played many double-headers with the tailenders, lost a game to Jersey City, the locals come a little closer to the temporary Eastern League leaders. Providence took a double-header from Worcester, while Rochester beat Newark. The record:

Clubs	Won.	Lost.	Pct.
Buffalo	48	25	.657
Toronto	43	25	.632
Worcester	41	29	.585
Providence	37	34	.521
Jersey City	38	37	.506
Rochester	29	40	.420
Montreal	29	42	.408
Newark	20	53	.273

Games to-day: Montreal at Toronto, Buffalo at Jersey Clay, Rochester at Newark, Providence at Worcester.

Toronto 3, Montreal 1.

The large crowd of ball enthusiasts who journeyed out to the ball grounds were treated to one of the best games of the season when the locals defeated the Montrealers in a closely-contested game by 3 runs to 1. The article of ball served up by the two teams was of the excellent variety, and it is safe to say that, when the Buffalo team clash with either Canadian aggregation, they will not be able to pull off doubtful double-headers, as they have done in the past. Umpire Cox officiated, and gave entire satisfaction to both spectators and players, and, from the start of the game, made himself popular with the public when the words, "Ladies and Gentlemen," prefaced his announcement of the batteries of the opposing teams. Frank Scott, the Toronto boy, officiated in the box for the locals, and, supported by first-class fielding, won his game handily. Souders, also, pitched effectively, but his support at times was ragged. Louis Carr, at third, played superbly, accepting his ten chances without the semblance of a misplay. Jack White's catch of a line drive by Kelly to deep left field was of he sensational kind, and was one of the cleverest plays of the day. Massey, Miller, Downey and Toft batted in good style for the locals. O'Hara, the ex-Park Nine man, showed up well for Montreal at third, while Dooley's batting was very opportune.

Montreal scored their only run of the day in the sixth innings, when, after Shearon grounded out to Massey, and Carr threw out Stafford at the initial bag, O'Hara drove the ball to deep right for two sacks, scoring on Kelly's two-bagger.

Toronto started to score early, when, in the first innings, Miller bunted to third, and beat the throw, going to second, as O'Hara threw wide. Then Waite sent up a high fly to Stafford, and Bannon a grounder to Dooley, but Miller came home on Massey's clean single over second.

Another run was added in the third, when Miller reached the initial bag on Abe Johnson's fumble of an easy grounder, was advanced to second on White's out at first, and scored on Massey's opportune hit over third, which O'Hara nearly knocked down.

In the seventh, Miller beat out a bunt hit, going to second on White's sacrifice, and, after stealing third, came home on Bannon's out at first. This ended the scoring, as, in the eighth, with one man gone and two on bases, a double play spoiled Toronto's chances of scoring.

Worcester, Mass., July 22.—Providence won two games from Worcester this afternoon, the score being 3 to 2 in the visitors' favor in each. The second game was called on account of rain. Foster's home run gave Providence the winning run in the first game, and Worcester's two errors were responsible for all of the visitors' scores in the second. Wrigley led in fielding work for the home team, accepting 20 chances at second, without an error.

Double-Header To-Day.

The Torontos lopped a few points off Buffalo's lead yesterday, and they hope to further diminish it to-day by winning the double-header from Montreal. Gardner for Toronto and Langton for Montreal will be the pitchers in the first game, while in the second Bruce and Magee will be the opposing twirlers. Umpire Cox, the Tim Hurst of the Eastern League, will handle the indicator.

GRAND CIRCUIT RACES AT CLEVELAND

Dan R. Won $3000 Stake for 2.09 Pacers in an 8-Heat Contest.

Cleveland, O., July 22.—The Grand Circuit races opened here a day late because of the downpour of Monday. The $3000 stake for 2.09 pacers was the banner event, and it was decided only after an eight-heat contest, making it the longest race that has been held this season.

Fred S. Wedgewood was the opening favorite, and continued so until after the fourth heat had been paced. Here Dan R., who had always been well played, showed himself, but dropped the next two heats to others. At the beginning of the seventh heat the Wedgewood horse was back favorite, but Dan R. did the lasting, and led the way in the pair of succeeding trips around the track. All bets made on the race were small ones, no card amounting to over $400. Pronounced favorites won each of the other three races in straight heats, and at no time was there much danger of either of the three being beaten out.

In the first race betting Major Delmar opened as a 3 to 1 favorite over the entire field. Directum Spier, a 4-year-old, was always 5 to 2. Geer's Dandy Chimes was a 2 to 1 choice. He caused a mild sensation in the second heat by breaking in rounding the first turn and falling back five lengths behind the leaders. Then Geers pulled him down, and was ahead again before the turn was reached.

The track was spongy and at least two seconds slow all the afternoon, and no record-breaking time was hung out. Eight thousand spectators were on hand, a larger crowd than has ever gathered at a Cleveland opening day. Summary:

Prejudice.

Smokers who are under the impression that they cannot get a good cigar for five cents should try our famous "Collegian." M. M. Vardon, The Collegian Cigar Store, 73 Yonge street. 3

The evidence submitted to the public
