AFTER SUFFERING YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

Fox Creek, N.B.—"I have always had pains in the loins and a weakness there, and often after my meals my food would distress me and cause soreness. Lydia E. Pinkham's Vegetable Compound has done me much good. I am stronger, digestion is better, and I can walk with ambition. I have encouraged many mothers of families to take it, as it is the best remedy in the world. You can publish this in the papers."—MRS. WILLIAM BOURQUE, Fox Creek, N.B., Canada.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

SUFFERED THREE YEARS

Till Dr. Morse's Indian Root Pills cured his Kidney Trouble

There are few diseases that cause more acute suffering than Kidney Trouble, and Mr. F. A. Thomas, of Sudbury Ont., is one of those who know it. He writes: "For ever three years I suffered from kidney disease. First I thought I had sprained my back, for suddenly the pain would catch the small of my back and it would be impossible for me to straighten myself up for several minutes. A dull ache across the kidneys was always present, my urine was thick and cloudy, and passing it caused a burning, scalding pain. Tried medicines, but they failed. I was advised to try Dr. Morse's Indian Root Pills, as they had cured my wife years before. A few boxes affected a complete cure. I now enjoy the blessings of good health, which is due to this remedy."

Don't neglect kidney trouble—it's too dangerous as well as too painful. That old, reliable family remedy, Dr. Morse's Indian Root Pills, has cured thousands and will cure you. It is equally effective in curing constipation and its attendant evils, biliousness, indigestion and sick headaches, and in purifing the blood. 25c a box at your druggist's. 10

Happenings of the Week

The grand event of the week was the Sheffield Choir concert last Saturday evening. Great was the disappointment when the afternoon performance had to be cancelled owing to travelling connections. The Opera House presented a gala appearance. Society was out in full force and every seat in the house was taken. Standing room was even at a premium. There was a long wait, but everyone thought it worth while. When the curtain went up never was greater enthusiasm shown by a St. John audience. Every member of the choir wore a red rose, the gift of the Mayor on behalf of St. George's Society. Of the musical part little need be said as the papers have been full of this wondrous choir and their musical merits. "The Demons Chorus" and "The Bells of St. Michael's Tower" deserve special mention, however. Before the concert a number of young ladies sold copies of the special programme. It was under the direction of Mrs. Wilford Campbell and the profit was given to the Seamen's Mission. The boxes were all filled. Those occupying them on the right were Mr. F. E. Sayre and Mr. A. O. Skinner, and on the left Mayor Frink and party and the Lieut. Governor. Evening dress prevailed. There were a large number of out of town guests.

The Mirror Shows Plainer Than Words What a Wonderful Improvement May Be Realized By A Gain of Even 10 or 12 Pounds.

Lean, lank, skinny, scrawny men and women should take advantage of this ten-day Free offer before is expires.

Nothing is more embarrassing than extreme thinness.

It is the plump, well-developed man who "cuts the melons" and has the fun socially.

Scrawny, skinney women are seldom popular. We all admire fine figures. No dressmaker can hide a bony, skinny form.

Here is a chance to test free the one guaranteed reliable treatment which has "made good" for years in this country, which has taken England by storm and which has just been awarded a gold medal and diploma of honor at Brussels, Belgium.

Nothing in history has ever approached the marvelous success of this new treatment, which has made more thin folks plump than all the "tonics" and ineffective medicines for fifty years.

There is a reason. Plump, well-formed men and women assimilate what they eat. Thin, scrawny ones do not. This new discovery supplies the one thing which thin folks lack; that is the power to assimilate food.

It renews the vigor, re-establishes the normal, all in nature's own way.

It is not a lash to jaded nerves, but a generous upbuilder.

This new discovery puts on firm, solid flesh at the rate of ten to thirty pounds a month in many cases.

Best of all—the flesh "stays put."

The treatment is furnished in concentrated tablet form. A week's supply can be carried in the vest pocket.

No one need know what you are doing until your gain in weight causes complimentary comment.

Here is the special offer for the purpose of convincing thin people in this community that these tablets will do just exactly what is claimed for them. It has been arranged to distribute for the next ten days for the coupon below, a free 50 cent package of Sargol.

This large 50-cent free package will be sent you in a private and perfectly plain wrapper, so that no one but yourself will know the contents. Accompanying this package will be full and complete data and directions, letters of testimony and a special letter of expert advice that in itself is well worth your time reading.

If you want to add ten, twenty or even thirty pounds of good, solid flesh to your bones, do not delay, send at once for a free 50c package of Sargol.

All that you have to do is to cut out the coupon below and send it with your name, address and ten cents to pay for distribution expenses to the Sargol Co., 481-D, Herald Bldg., Binghamton, N. Y.
