"CAMPBELL'S CLOTHING"

This five minute clothing sermon for men is to inform them that a reliable house like Campbell's guarantees to save them money on their spring and summer suits, and give them better fabrics, better fits and greater satisfaction than the average custom tailor can possibly do.

BEAUTIES—That is the assertion everyone makes after they have inspected our line of suits. You will say the same after you have seen them.

Cornells Lacrosse Champions.

New York, May 14.—Cornell scored an easy victory over Columbia at lacrosse by 8 goals to 0 on the Crescent Athletic Club grounds yesterday, at Bay Ridge, and won the pennant of the Intercollegiate Lacrosse League.

The honor was well earned, as the Cornell team outclassed its opponents from Harvard, Columbia and University of Pennsylvania.

The Cornellians are now sighing for a chance to play Johns Hopkins, the lacrosse champions of the Southern College League, and such a game would be hard fought and interesting, with the odds slightly in favor of the Cornell twelve.

ARGONAUTS CHANGING SEATS.

Wadsworth May Replace Mason as Stroke of Henley Eight.

Since the advent of fine weather and better conditions for rowing, the Argonaut eight are getting in some excellent work for the proposed trip to England. No satisfactory trials have as yet been made, owing to the unfavorable weather. Major Mason, the stroke of the crew, has been rowing very hard, as he did last year in the waist of the boat. His work has been too heavy and Wadsworth is being tried at stroke in the hope that he may feed the crew faster. Mason is too good a man to be left out of the boat, and the probabilities are that Kent will go from No. 3 to No. 5 and Mason will occupy No. 5 seat. Strange, for the present, dropping out. This week will practically decide the make-up of the crew, and if within two weeks the crew does not show increased speed the Henley trip will probably be abandoned.

At present the crew are rowing exceedingly well, but the weather has been against them and experiments are being made in the boat, so that it will be at least another week before a satisfactory trial can be attempted.

LEAGUE ASSOCIATION FOOTBALL.

Toronto Intermediates Beat McLean's at Exhibition Park.

The Torontos and R. G. McLean intermediate teams played a league game last evening at Exhibition Park, which was marked by very fast playing by both teams all thru the game, the Torontos winning out by 2 goals to 0. Fletcher, Smith, Marshall and Kyle showed to good advantage for Torontos, altho the whole team played well. For McLean, Hammond, Wilson, Leach and Secord in goal deserve the honors. The teams lined up as follows:

Torontos (2): Goal, McCarthy; backs, Dunsford, Marshall; half-backs, Fletcher, Long, Kyle; forwards, Smart, Smith, Grantham, Grant and Tedford.

R. G. McLean (0): Goal, Secord; backs, Currie, Leach; half-backs, Hammond, Hewitt, Ackland; forwards, Elliott, Lewis, Wilson, Hill, Thomkins.

A motion strongly condemning rough play was also passed and referees were instructed to strictly enforce this rule and report players to the league.

The scheduled game of May 2 between the Scots and Broadviews of the Intermediate Football League, which was not played, owing to the Broadviews' disputing the goal posts, was ordered by the league to be played off to-night on the Broadviews' grounds, Broadview-avenue. The Scots will have a stronger line-up to-night than they had against All Saints' at the Island on Saturday, and expect to drive the East Enders a good game. Players and supporters are requested to be on hand as soon after 6 as possible, as the game is called for 6.15. The Broadview-avenue car passes the grounds.
