The second game was very one-sided after the fifth, the Park Nine slinging the ball to all parts of the lot, having 21 hits for a total of 31 bases. A sensational catch by Richardson and home run drives by McNichol, Winchester and Baldwin, the latter being the longest hit of the season, were the main features. Following are the scores:

PLAYERS LOST CONTEST GENTLEMEN FAST SCORERS

Second Day's Play Between International and Pros' Eleven at Rosedale.

The Gentlemen v. Players cricket match was concluded at Rosedale on Saturday, and resulted in a very decided victory for the Gentlemen. Altho the batting of the players was very disappointing, the game undoubtedly produced some of the finest cricket ever seen in this country, and it is to be hoped that this will be but the first of a long series of these games.

The match established the fact that Canada is to be represented in this year's international contest by a more than usually strong eleven, the batting, bowling and fielding of the Gentlemen thruout being of a high order. Some of those who should know say that the present eleven is the strongest put into the field in years. That the batsmen were able to get such large scores against the strong bowling of the professionals looks well for their chances to-day against the American bowlers. And that experienced professionals found their bowlers so difficult to get away for runs shows their attack to be more than commonly good. Wallace, Hill and Baber showed themselves to be bowlers up to the English first-class standard, their precision being quite remarkable.

In Beatty the team has a young trundler who should be tried very early against the Americans, for, tho he as yet lacks the accuracy of some of the older men, he occasionally gets in an almost unplayable ball, when the wicket helps him a little.

The players, with four down for 70, resumed their innings of the previous day, but a complete collapse took place, and they were all out before lunch for the poor total of 96. The wicket seemed to have become tricky, and Wallace secured the fine analysis of five for 12. However, after another rolling, the pitch appeared to recover, and batsmen again had a happy time of it when the Gentlemen went in for their second innings. At the lunch adjournment two wickets had gone for 40 runs up, and at a quarter to 4, when the innings was declared closed, only two more men were out, and the score had mounted to 152. In this total all the batsmen, with the exception of Livingstone, shared very equally, and each of them deserves praise for his cricket. Hill's 22 (not out) was put together in an astonishingly short time, as he hit hard at nearly everything.

The Players' second attempt began just before 4 o'clock, but with one or two exceptions they failed to make much resistance to the splendid bowling of their opponents, and the side was all out for the small total of 117, leaving the Gentlemen victors by a large margin.

International Cricket Match To-Day.

The international cricket match between picked teams representing the United States and Canada, will start this morning at 11 o'clock, when the important three days event will be commenced on Varsity lawn. This will be the first occasion on which this important fixture has been played on Varsity grounds, and in all probability the largest crowds that ever attended a cricket match in Toronto will be gathered together on this occasion. The grounds will be thrown open to the public without charge. Reserved seating accommodation will be provided for honorary members of the club, who must show their membership badge to the men in charge. Honorary members will also be provided with seating accommodation for as many ladies as they may bring with them. The west side of the lawn will be reserved for members, as well as the south side. The whole of the lawn will be roped off and spectators will not be allowed inside the ropes, which will serve as boundaries for the match.
