Nationals Leading Half Time 3 to 0 Over Torontos

NATIONAL GROUNDS, Montreal, July 23.—Before the largest crowd that has ever witnessed a lacrosse match in this vicinity, the Torontos and Nationals met to-day at Maisonneuve. There were fully eight thousand inside the grounds, and hundreds had to be refused admission because they could not be accommodated. The weather was ideal—bright sunshine, with a high breeze—and was favorable for a fine exhibition of the national game. Jimmy Murphy announced that Carter and Fitzgerald would line up with the Torontos in the opening quarter, and if they could not last they would be replaced by Anderson and Wright. Decarie was off the Nationals, and his place on the defence was filled by Duckett. There were lacrosse men present from all over the country. The most notable of the outsiders were Charlie Querrie and Joe Lally. The betting was 2 to 1 on Nationals, with little money in sight, and even money they would double the score. The teams lined up on each side as follows:

Nationals—Goal, L'Heureux; point, Cattaranich; cover, Gregnon; defence, Duckett, Clement, Lachapelle; centre, Secours; home, Dulude, Gauthier, Lalonde; outside, Lamoureux; inside, Dussault.

Torontos—Goal, Atton; point, Menary; cover, Harshaw; defence, Powers, Stagg, Braden; centre, Warwick; home, Dandeno, Fitzgerald, Barnett; outside, Carter; inside, Kalls.

Referee—P. Murphy, Montreal. Judge of play—W. McIntyre, Ottawa.

Nationals decided at the last moment to play Decarie instead of Duckett. Torontos appeared on the field wearing white guernseys over their jerseys, distinguishing them from the Frenchmen.

Nationals got the ball at face, and Gauthier had a shot that Menary blocked and relieved. Decarie sent it back, and Menary got five minutes for crosschecking Lamoureux as he shot. Barnett had a shot, that L'Heureux blocked. National home peppered Atton for a couple of minutes, but could not score. Harshaw relieved, but Toronto field and home could not hold the ball. Stagg and Dandeno got it down. Kalls had a try, but Decarie cleared. Toronto home having a little more of the ball, and forcing Nationals back. Lalonde went down field and brought the ball back to the Toronto net.

Nationals 1, Toronto 0.

Lamoureux scored the first goal for Nationals on a pass from Dulude in 10½ minutes.

Torontos got the ball at the face-off in the second game, and Kalls shot, but it was wide. Both teams were playing slow and carefully. Fitzgerald tried a rush, but was blocked by Decarie and Catteranich right in the net. Menary brought the ball down a minute later to within ten yards of the National net, where he lost it to Clement. Lalonde hit the crossbar of the net before the gong rang. Score: Nationals 1, Torontos 0.

Nationals 2, Torontos 0.

Second Quarter.—Harry Murton of Tecumsehs was umpire at one goal and Tom Carlind of Montreal at the other. When the teams came out after the first rest, President Lecours of Nationals said there were over 10,000 inside the grounds.

There was a delay of ten or fifteen minutes while the crowd that overflowed on the field were roped back.

When play started, Torontos got the ball, and Kalls put in a shot that was easy for L'Heureux. Dulude brought it down, passed to Gauthier, and a quick pass to Dussault resulted in the second goal for Nationals in 1.55.

Right after the face-off Lalonde almost got another, but Harshaw cleared and Dandeno brought it down. Fitz tried a back-hand shot, but it was wide. Braden was given five minutes for holding Dussault. Gauthier ran the length of the field with the ball, but made a bad pass to Lalonde, and Stagg sent it to the other end. National field were giving the home and defence fine support. Lamoureux off for giving Atton end of his stick. Gauthier made a dash to get thru the Toronto defence, but was blocked by Menary and Harshaw. Lalonde made a couple of attempts to get in on Toronto net with the ball, but he was held well by Stagg. Kalls tried a long shot, that L'Heureux blocked and threw over the net. Atton made a beautiful stop of a hot shot from Lalonde.

Carter could not continue and had to retire, and Secours went off to even up. With five minutes of the quarter left to play, Dussault dropped in a shot that Atton gathered up and sent it down field. Decarie saved a shot from Fitzgerald and the ball was sent to the Toronto end, where Lamoureux made it three straight for Nationals in 15.45. Fitzgerald's wrist was hurt right after the face by a crack from Decatie, but he remained in the game. The quarter ended: Nationals 3, Torontos 0.

Third Quarter—Wright came on in place of Carter, when the 15 minutes required by the rules to allow Carter to recover had expired. Kalls scored the first goal for Toronto in 1.25 on a pass from Dandeno. Lamoureux attempted to go in, but Menary and Harshaw held him out. Torontos were playing more heady now. Dulude rushed the ball down and passed to Gauthier, who beat Atton on a side shot in 2.10. He tried again a minute later, but Atton blocked the shot. Powers sent the ball down and Barnett had a shot, but missed. Gauthier lost the ball to Powers. A moment after Decarie was sent to the fence for crosschecking Kalls. Torontos tried back on defence and Fitzgerald and Barnett were working down near Torontos' net. Fitz got the ball and was knocked out by Secours, who went on with Wright, as he was dashing towards the nets, and had to be carried off the field. Dussault going off to even.

Nationals commenced to play rag, and Murphy allowed them to get away with it for a couple of minutes before he blew his whistle. Menary and Gauthier were sent to the fence for slashing at each other, and a moment later Gagnon was banished for giving Wright the crook as the little fellow went past him. Decarie blocked a shot with his body from Barnett's stick. Lalonde beat Stagg in a race half the length of the field, and when they hit the side of the grand stand Lalonde hurt his leg. Powers was sent off for holding Clement. Third quarter over. Nationals 4, Torontos 1.

A TRIO OF TORONTO BALL PLAYERS

First Baseman Meyers is seen on the left, Pitcher Dick Rudolph in the centre, and Catcher McAllister on the right. Dick Rudolph, according to a despatch from New York Saturday, is sold to the New York Americans, but President McCaffery of the Toronto Baseball Club denied this when shown the despatch.

CORNWALL VS. CAPITALS

Factory Town Boys Led at Half Time by 4 to 3.

CORNWALL, July 23.—(Special.)—The Capital and Cornwall teams met in a league match here this afternoon before a good sized crowd. Great interest was taken in the match from the fact that both teams were trying out a number of juniors. The change in the Cornwall team gave H. Dorlhee, a member of the International Club, a chance to show his metal. He replaced Francis Cummins, who was given the go-by by the executive on Thursday night when the team was selected. The Capitals were late in arriving on their special excursion train and as a result the crowd was somewhat impatient. The team failed to arrive on the morning train, as is usually the custom, and some criticism was thashed out as a result. It was whispered that the Caps had trouble in securing a team in Ottawa this morning and it was said that some of the youngsters "bucked" at being played in the way from home matches when they were not given a chance to show their color before an Ottawa audience. If this rumor is true the youngsters can scarcely be blamed, but it was trying to the audience to sit in the stand watching the blades of grass on Cornwall's excellent field grow while waiting for the Senators. There is a rule in the N.L.U. book which is supposed to compel the teams to be in readiness at a given hour, but to all appearances it is scarcely worth the time it required to set the type on the ink used in printing it.

The Caps arrived at the grounds at 3.45 accompanied by about 100 supporters. They were all ready to go on the field and at 3.50 the teams were off.

Cornwall: Goal, Mark Cummins; point, D. Cameron; cover-point, Sommerville; defence field, Fred Degan, Fid Cummins, C. Degan; centre, John White; home field, D. Pellen, V. Hessell, H. Donihee; outside home, Guy Smith; inside home, Ed. Nicholson.

Capitals: Goal, Leseur; point, Eastwood; coverpoint, Currie; defence field, Goodwin, Pritchard, Haggarty; centre, Dooley; home field, J. Gorman, Groulx; McGrath; outside home, T. Gorman; inside home, Bawlf.

Referee—Desse Brown, Montreal.

Judge of play—John Brennan, Montreal.

Umpires—Dr. Smith and J. Barrette.

Timers—Dr. Cavanagh and Wm. Foran.

Penalty timer—Dave Reynolds, Ottawa.

For a pack of youngsters the Caps showed remarkable form and after giving the Cornwall defence several good charges, Groulx found the net for the Senators in five minutes. Cornwall seemed to resent the impudence of the Ottawa youngsters, for in 1.50 Phelan got the ball by Leseur, and the figures were even. Tommy Gorman and Groulx were shining lights on the Capitals' home, but the young fellows filled in well. They passed and caught well and will make their mark before the season ends. The Cornwall veterans held their less experienced opponents safely at bay, and the game resolved itself into the end to end variety. Thrice the Cornwall home had the ball all but in, but Leseur and Shiner Eastwood staved them all out. The ball went to Cornwall's end and Bawlf tried a left underhand shot and scored for the Caps in 8.30. A hot trot between Tommy Gorman and John White resulted in the Indian getting the ball. He passed over to Phelan and he gave it to Guy Smith and Cornwall was again even as to the score. Time 2.30. Dooley lost a bad one to Charlie Degan and the ball was right in on the Caps' net at the end of the first quarter. The score, 2 goals each.

Cornwall 4, Caps 3.

Cornwall had the ball in close enough to score several times after the face-off in the second quarter, but Leseur looked like a veteran and cleared all kinds of shots. The siege ended after five minutes, when Phelan sent in a poser. John White stole the ball on Dooley at centre and it traveled in fast, but Donihee spoiled it by shooting before he had time to locate the exact position of the net. Fid Cummins brought the ball up and Phelan, Nicholson and Hessel each had shots, but none passed Leseur. Donihee was the first man retired for a rest, he having put the hickory on Currie a little too hard to suit Brown. Eastwood caught a beauty from Hessel and the ball traveled down and John White did a similar trick at the other end on a shot by McGrath. Pritchard carried the ball in well, but Cameron and Sommerville relieved the charge. Some field work followed with honors even. Then White carried the ball up and had a shot, but it was again cleared. Phelan tried to work in close and passed to Nicholson, but it never reached him and the ball went down and Groulx scored in ten minutes flat, making the score tied for the third time. Then Phelan forged Cornwall ahead in 2 minutes after receiving a pretty pass from Nicholson. Cameron tried to put Cornwall still farther in the lead by a long run and shot, but he made a poor fist of it, the ball going high over the net. Half time was called, the score being 4 to 3 for Cornwall.

Cornwall 5, Caps 3.

The third quarter was in progress a few minutes when Haggarty was ruled off for heavy checking. The Cornwalls were a little lucky in F. Degan blocking a shot just as it was entering the net, as Cummins was out at the side and had not got back as quick as the ball. Cameron stole a beauty on Thomas Gorman. The Caps went along as tho they were going somewhere and had all day to get there. They were waiting for Haggarty's return and followed the small-like pace on the advice of Bobby Pringle. Tommy Gorman had a fine chance close in, but White ran in just in time to save. Fred Degan made the play of the day by carrying the ball all the way down. Dooley bothered him and, after he got by him, Goodwin came along and Degan mounted his back a la Johnny Powers, and the net incident of a few years ago, and both went down. Degan was given a rest. Young Donihee, with his golden locks, came in for some applause for his work near the grand stand. He carried the ball in and passed to Smith, but Leseur was on his job, hands, feet and all. White, Cameron and Fid Cummins picked out a couple that J. Gorman and Bawlf tried to work in. The ball went down and Donihee celebrated his entry to senior ranks by scoring in 16.50. This made the score 5 to 3 for Cornwall.

Bawlf tried to work by Cameron for a score, but the veteran Donald was too alert, and Bawlf bit the grass. He went after Cameron and slashed him, but was not penalized. The quarter was called just as Leseur had cleared two hard ones. Score 5 to 3 in favor of Cornwall.

CENTRAL Y. M. C. A. ATHLETICS LUKEMAN WINS THE HUNDRED

Twenty-One Events on the Card Were Keenly Contested—The Summary.

SCARBORO ATHLETI CGROUNDS, Toronto, July 23.—With fine weather, a fast track, a great field of athletes and a competent staff of officials, the Central Y.M.C.A. meet at Scarboro Beach on Saturday afternoon could be nothing else but a great success, which it was. The athletes were of the highest calibre, and the twenty-one events on the program were all keenly contested. Altho the meet offered great inducements to the athletic enthusiasts, only a small crowd of spectators fill cmfwyp shrdlu cmfwyppuuu tators occupied the stand, and from a financial point of view the meet had little success, but this seems to be the general result of athletic meets, and the promoters haev come to a point where they are surprised when things do not find a small financial loss after the gate receipts have been counted and the expenses paid. Only one record was broken, that being in the seven-mile walk, when George Goulding broke his own Canadian record, and also succeeded in lowering the time of the English walker, Webb, who is coming to Toronto in the near future.

Seven-mile walk, handicap—Geo. Goulding, Central, scratch; 2, E. P. Macdonald, Central, 2 mins.; 3, E. Freeman, I.C.A.C., 5½ mins. Time 52 mins. 9 1-5 secs.

George Goulding wore the field down gradually and had things all his own way at the finish, winning handily by about one lap.

100 yards dash—First heat—1, F. Lukeman, Montreal; 2, F. Friedman, Genessee Y.M.C.A., Buffalo. Time 10.20.

Second heat—1, George Barber, Central; 2, Lou Sebert, West End. Time 10.4.

100 yards, final—1, F. Lukeman, Montreal; 2, Friedman, Buffalo; 3, Lou Sebert, West End. Time 9.4.

All off to a good start. Lukeman drew away at the 50-yard mark and won easily, having a 5-yard advantage at the tape. The time of 9 4-5 seconds for grass track is excellent and shows Lukeman to be a champion among champions.

Half mile race for men—1, A. Knox, Central; 2, Mel Brock, West End; 3, J. Driscoll, Buffalo. Time 1.51. Won easily by Knox, who had a 10-yard advantage on Brock. Driscoll was a close third.

High jump—1, Geo. Barber, 5 feet 10 inches; 2, F. Lukeman, Montreal, 5 feet 8 inches; 3, N. Column, Galt A.C., 5 feet 7 inches.

Boys' Half-mile Run—1, Jack Humphrey, Tecumsehs; 2, Vernon Knox, Central; 3, N. Studholme, I.C.A.C. Time 2.05.

Humphrey went away and led from the start, winning by a good margin.

12-lb. shot—1, J. Bowie, Police A.A., Toronto; 2, Ed. Archibald, West End; 3, John Blake, I.C.A.C. 49 feet 6 inches.

220 yards, 1st heat—1, C. Watson, unattached; 2, F. Freidman, Genesee, Buffalo. Time, 23.2.

2nd heat—1, F. Lukeman, Montreal; 2, J. Slonin, 65th Buffalo. Time 24 seconds.

One mile, bicycle lap race, first heat—1, W. Andrews, R.C.B.C.; 2, J. McMillan, Tecumsehs; 3, W. Foster, Tecumsehs. Time, 2.22.

Second heat—1, W. Morton, Q.C.B.C.; 2, W. Wilson, Tecumsehs; 3, J. Golden, T.B.C. Time 2.22 2-5.

220 yards, final—1, F. Lukeman of Montreal; 2, Charles Watson, unattached; 3, George Slonin, 6th Regt., Buffalo Time 22 3-5.

All the runners got away nicely and were bunched for the first 25 yards, when Lukeman gradually drew away. He soon eased up, and could easily have had a five-yard lead at the finish. Lukeman is, without exception, the prettiest performer in athletic Canada.

One mile run—1, Jack Tait, West End; 2, Roy Holden, West End; 3, G. A. Lister, Central. Time 4.31 1-5.

Jack Tait stayed back and coached Holden, who took second place. Tait won easily, and could have had a far greater lead, had he wanted to, but he was content to bring Holden home second and win by a small margin himself.

Running broad jump—1, G. H. Barber, Central Y. M. C. A., distance, 21 ft. 3 in.; 2, William Halfpenny, M. A. A. A., Montreal, distance, 21 ft.; 3, F. Lukeman, Montreal M. A. A. A., distance, 20 ft. 10 in.

One mile bicycle lap race—1, W. Andrews, R.C.B.C.; 2, W. Morton, Q.C.B.C.; 3, W. Smith, R.C.B.C.

W. Smith and G. McMillan, Tecumsehs were tied for third place and an extra lap was necessary to decide. Smith won by a small margin. Andrews won by a very small margin over Morton.

440 yards—1, Lou Sebert, West End Y.M.C.A.; 2, Mel Brock, West End Y.M.C.A.; 3, H. L. Smith, Central Y.M.C.A. Time 52 1-5.

This race had about 15 competitors, which caused a slight congestion at the start. The men got away to a fair start, however, and were bunched for the first hundred yards, when the winners drew away. Sebert won with a driving finish, about 15 inches in the lead of Brock.

Alf. Sellers Wins Steeplechase.

2 1-2 miles, steeplechase—1, Alf Sellers, West End; 2, F. C. Schofield, Central; 3, Cecil Howard, Central. Time 13.12 3-5.

This race was run over the grass track with regulation hurdles and a water jump, adjusted to add interest to the spectators. Most of the competitors fell at the water jump, which was placed there. Schofield went out from the start and led for about two miles, when Alf Sellers passed him and led by about 20 yards at the finish.

Eaton A.A. relay race, half-mile, was won by the store team in 1.39 4-5, which was composed of Elliott, Carroll, Fulger and Clark.

10-mile relay race—1, Near, Tressider, Central Y.M.C.A.; 2, Perkins, Corkery, I.C.A.C.; 3, Bowes, Bennion, West End Y.M.C.A. Time 48.1 3-5.

SAINTS DEFEAT PARK NINE

First Game in City Amateur League Took Two Extra Innings to Decide.

Two extra innings were required before the St. Marys won from the Park Nine in the first game of the City Amateur League Saturday. The score was 3 to 1, the Saints scoring the winning tallies on Isaac's bad throw. Baldwin's single, Clark's wide peg home, and an infield out. They scored their other run in the fourth on a charity, a sacrifice and Baldwin's hit. Park Nine's only run was scored in the fifth, on errors by Love and Taylor. In the last innings Park Nine had the bases full, with none out, on Pringle's hit, Murphy's fumble and a charity, when Taylor grabbed Scott's Texas leaguer with one hand and made a double-play. Both Clements and Scott pitched great ball and were given good support on the whole. Fine stops were made by Pringle and Taylor. Score:

Psychology of Dreams.

It is due to the genius of Professor Sigmund Freud of Vienna—to-day the most daring and original psychologist in the field of morbid psychic phenomena—that we owe the long-neglected recognition of the large place of symbolism in dreaming. Scherner had argued in favor of this aspect of dreams, but he was an undistinguished and unreliable psychologist and his arguments failed to be influential. Freud avows himself a partisan of Scherner's theory of dreaming and opponent of all other theories, but his treatment of the matter is incomparably more searching and profound. Freud, however, goes far beyond the fundamental—and, as I believe, undeniable—proposition that dream imagery is largely symbolic. He holds that behind the symbolism of dreams, there lies ultimately a wish; he believes, moreover, that this wish tends to be really of more or less sexual character, and, further, that it is tinged by elements that go back to the dreamer's infantile days. As Freud views the mechanism of dreams, it is far from exhibiting mere disordered mental activity, but is (much as he has also argued hysteria to be) the outcome of a desire which is driven back by a kind of inhibition or censure (i.e., that kind of moral check which is still more alert in the waking state), and is seeking new forms of expression.—Dr. Havelock Ellis in The Popular Science Monthly.

FACT AND FUN.

Paulhan, the French aviator, pronounces his name as if it were written "Pauyan," and not "Paulhan." The name of another magnate of the flying world, Archdeacon, offers still greater difficulties to the French tongue, and it is said to be rare to find two Frenchmen in a company pronouncing it the same way.

FORT JOHNSON WINS FEATURE AT WINDSOR

Spellbound Was Second and Plaudmore, the Favorite, Third—Closing Day Summary.

WINDSOR, July 23.—(Special.)—The best week's racing that has ever been known at the track at Windsor came to an end this afternoon with one of the best cards of the week. The events were all well filled, and the results were close and interesting. The feature of the card was the D., B. I. & W. Stake, which was worth a thousand dollars. In this a good field went to the starter. Fort Johnson and Don Antonio, who carried the colors of the Mackenzie Stable, were looked on as a good thing, and ran well to form. The two events for two-year-olds brought out the best at the track. This has been a great meeting for housecleaning on the part of the judges. Two boys have been already ruled off, and there are many more who have been warned to ride differently in future times. Besides the riders there are one or two of the big operators who are under surveillance, and their case is likely to come up in the near future. One of these gentlemen has already been in conversation with the stewards over the Caper Sauce race, as well as one of his employes. Judge Price is deserving of a great deal of credit, as well as his associate judge, Francis Nelson, as it did not take them long to see the angels when they got together. The attendance at the meeting, has been the largest ever known here, and has kept up all week.

The sale of horses in the paddock this afternoon saw the exit of Mr. George M. Hendrie, who always has been looked on as one of the best known horsemen in the country and has been noted for the pride he has taken in winning, more for the pleasure of the game than for any financial benefit that he reaped from it. He has supported a stable many times when the sport looked to be in the hardest spots and has spared no expense to keep it up from year to year. The string sold were nearly all jumpers and some of them have already won races this season. Besides the going out of business of Mr. Hendrie, H. H. Selby sold out his stable, which consisted of three horses only, two 2-year-olds and Tony Bonero. The latter is a first-class plater. There were many outsiders at the sale and the bidding was not only brisk, but good prices were brought by the majority of those sold. Captain Van Straubenzie came up from Toronto to look over the leppers to be sold and was one of the best bidders. Others from the Queen City also were on hand to take a hand in the bidding. The following are the horses sold: Nat B, $450, G. Smith; Be Thankful $325, Mrs. W. C. Wilson; Nick o'Time $375, Mrs. W. G. Wilson; Loyal Maid $150, A. Biler; Giddy Girl $250, S. Love; Tom Hayward $175, F. J. Pons; Jasione $125, Miss Hendrie; Glade $100, E. Stone; Cumberland $100, Mrs. Pierce; Tony Bonero $2200, F. J. Pons.

Children's Food.

Certain little suggestions are always to be followed when planning the diet of the little ones. To keep healthy little stomachs in the nursery never serve hot stewed fruits to the children. Plenty of stewed fruit and baked apples they should eat, but they must be invariably cooked the day before and dished up cold. The nursery potatoes ought
