AT RIVER HEBERT.—Says the Amherst Sentinel: We regret to learn that a sad accident befell Mrs. Scott, mother of Mr. Scott, of the Sun, at River Hebert, one day last week, when by a fall her left arm was broken, besides her side being considerably bruised. Three years ago this lady was stricken with paralysis and had only sufficiently recovered to be able to walk unaided except by a crutch.

TWEEDLE DUM AND TWEEDLE DEE.—The newspapers published at Summerside are apt to belabor one another consumedly about matters that to an outsider seem to be of no more than trifling weight. If one gentleman chooses to spell Canada with a small k. and another persists in spelling journal with a large G.they have an inalienable right to do so, and any interference with such right is wholly unjustifiable.

CENTENARY'S JUBILEE.—During the coming week Centnary church will celebrate its jubilee. Tomorrow the Rev. Mr. Dobson will preach in the morning and Rev. Mr. Sprague in the evening. Special services will beheld every evening during the week at 8 o'clock. On Sunday evening Aug. 25 Rev. J. P. Newman, Bishop of the M. COUNTRY MARKET.—The market was supplied with an abundance of seasonable produce this morning. Cabbages at 50 to 70 cents doz.; and carrots, turnips, and beets, celery and cauliflower were plentiful at reasonable rates. A few raspberries were to be had at 35c per quarter pail and blueberries 40c per half pail. Lamb hung from almost every hook and appeared to be in active demand from 8 to 10 cents per pound. Beef sold from 4½ to 7 cents and the demand for it was quite limited. There were a few lots of fine chickens retailed at 60 to 75 cents per pair, 50 cents was asked for ducks. HUMANITY RECOGNIZED.—Yesterday afternoon T. E. Kenney, M. P. presented to Captain Martin Larsen a diploma and silver medal from the Spanish government for rescuing the crew of the Spanish brig Esperansa on the 23rd of Dec., 1888. At that time Larson was captain of the schr, Aubrey A. While on a voyage from Lunenburg to Porto Rico he fell in with the Esperansa betwee Porto Rico and San Domingo, she was bound to New York from Porto Rico, had sprung a leak in a hurricane and was sinking fast. The crew of eight were transferred to the Aubrey A. and shortly after the Esperansa sank like a stone before their eyes—Halifax Mail.

LUMBERMEN'S "BLACK LEG":—The Canadian Lumberman says that in some sections of Ontario and Quebec, trouble is experienced by lumbermen owing to a disease called "black leg" breaking out among the men. A number were lately in the hospital at Baie des Peres, Quebec, and several men engaged in rafting at the foot of the Quinze rapids had to quit work. The disease is said to be caused by a too long continued diet of salt pork, &c., without an adequate supply of vegetables; it is not at all dangerous and ceases on the return to vegetable diet.

EXCAVATING DELHI STREET.—The short street laid out between Waterloo street and City Road just below the Public Hospital Grounds called Delhi street is being excavated by Michael Corr. The street formerly ran to within about 100 yards of City Road. A high ridge of rock barred further traffic. This rock has now been mostly cut away, the cutting at the highest point being from ten to fifteen feet, and the street is being graded so as to be available for the traffic right through.

WANTS THE LAW ENFORCED.—A reporter is informed that one of the first results of the appointment of a Scott Act inspector was experienced by a well-known citizen on Thursday. He strolled into one of the saloons near the bridge, indulged slightly in the ardent, was relieved of thirty-six dollars and kicked out. He now wants the law enforced.—Courier.

AT THE Y. M. C. A. MONCTON.—Among the delegates to the Y. M. C. A. at Moncton is Mr. A. W. McLeod, of Charlotte S. C. Mr. McLeod is general secretary of the Y. M. C. A. in the latter place, and formerly travelling secretary of the Y. M. C. A. in Nova Scotia. Mr. McLeod was on Wednesday married at Acadia Mines to Miss Almira McDonald, who of course accompanies him on his visit here.—Moncton Transcript.

A COMMUNICATION signed 'Sim' is withheld because the writer did not see fit to forward his name in confidence. The correspondent should know that a communication unaccompanied by the writer's name is not exactly the per 'Sim' mons for a newspaper office.—St. Croix Courier.

Police Court.

Robert Henderson, a common vagrant, was a lodger last night. The magistrate ordered him to leave the town before this evening.

John McGinnis, and Michael Landers were fined $4 each for drunkenness.

Patrick Cotter, for the same offence got 30 days jail.

Joseph Goodwin, drunk on Sheffield street was fined $6.

For drunkenness and disorderly conduct John Carney was fined $8 or 30 day jail, and $16 or two months for resisting the police.

Joseph Whalen, against whom information has been made for wife-beating, was discharged, no prosecution being made.

The judgment, in the police assault case, against Sleight, Howard, Campbell and Burke, which has been so numerously postponed, will be delivered Monday at 10, a. m.

The case of Annie Stack against E. Miles Merritt for assault, was dismissed, the evidence being insufficient to show that an assault had been committed.

Brevities.

George Harris, a 15 year old Halifax lad, lost the sight of both eyes by an explosion of powder a day or two since.

A block of quartz less than one cubic foot in size was brought into Halifax yesterday from the Annand mine which is supposed to contain more than $3000 in gold.

The apple crop of Nova Scotia, although not so abundant is fair in some orchards, the finest being of a much finer quality than last year. Gravensteins especially, are very fine.

A threshing machine engine exploded near Nortonsville, Virginia, yesterday. Jefferson Mooney was blown 20 feet, his body fearfully torn and his head crushed. John Kennedy's skull was fractured and others were less seriously injured.

While fishing on Grand river, Restigouche, Colonel Walker, of Toronto, was striken with paralysis and died on Thursday. His body was sent to Toronto from Dalhousie yesterday.

At the Y. M. C. A. Convention in Moncton yesterday the executive committee reported thirty four associations in the maritime provinces, twenty two in Nova Scotia, ten in New Brunswick and two in P. E. Island. Reports were read from the various associations of a highly satisfactory nature. The next annual session will be held at New Glasgow, N. S. on the first week in August, 1890.

For the Moncton exhibition the $1000 agricultural grant for the Moncton and Coverdale societies has been secured. The government horses, cattle and sheep will be exhibited and the annual sale of stock will take place during the exhibition. Excursion rates will be granted from all stations between St. John, Campbellton and Truro, during the first two days of the show and on Sept. 19 special trains will run from St. John at $1.25.

Of Personal Interest.

Mr Chas. H. Lee of the Halifax Banking Co., on his return from his wedding trip last Thursday, found that orders had been received from Head Office, for him to proceed to Lunenburg at once to take charge of the agency there for two months.

Mr. and Mrs. Lee took the C. P. R., train this afternoon for Halijax en route for their new home, carrying the best wishes from their friends, in which THE GAZETTE heartily joins.

ST. JOHNS 7, AUGUSTAS 1.

The boys did it again yesterday in great shape. Not a very large crowd assembled to witness the third of the series of St. John-Augusta games, but it was a crowd that got its money's worth in good ball playing. Small twirled for the home team and again got in his deadly work, Roger sbackstopped, and neither had an error. King occupied the box for the visitors and his credit was excellent in that position. Bell, White and Holly were not there, but Mitchell, Abbey and Donovan were, Abbey retiring on the appearance of Kearns.

The score by innings was:

St. John..... 2 0 0 1 1 0 0 3 0—7
Augusta..... 0 0 1 0 0 0 0 0 0—1

THE AMATEUR LEAGUE.

The La Tours forfeited the game yesterday to the Franklins by failure to turn out. The LaTours had better go out of the league, this is the second time they have done the same thing.

OFF THE FIELD.

Small, Rogers, and Parsons left on a flying visit to Bangor this morning.

They will await the team in that place where they will play Monday and Tuesday.

The Augustas play in Bangor to-day. Sullivan will pitch for the visitors and Ruby for the home team.

The Shamrocks play at Moncton today, and at Halifax next Saturday and the Monday following.

Small and Rogers did great work yesterday, and both deserve the greatest credit for the able manner in which they are now filling their positions. Small is a great pitcher.

The Turf.

FAST MILES IN ROCHESTER.

The chief attraction at the Rochester, N. Y., races Thursday was the special purse for Johnston to pace against his record. About 6 o'clock the wonderful pacer was brought out, and with the runner to urge him, started against the watch. He made the first quarter in 31¾s., the half in 1:03¾, but slowed up a little in the last half, and finished in 2:07½, another great performance considering the unfavorable conditions.

TEEMER ISSUES A CHALLENGE.

PITTSBURG, Pa., Aug. 15, 1889.—John Teemer today challenges Jake Gaudaur or the winner of the Searle-O'Connor race to row him over the McKeesport course, four miles, for $1000 a side, or more in the case of the winner of the Searle-O'Connor race. The race, if arranged, must come off not later than Sept. 20. Teemer will allow Gaudaur $300 for expenses, but will not make such an allowance in the case of the others.

Athletic.

MCPHERSON BREAKS THE RECORD.

At the St. Andrew's Society sports at Ottawa Thursday, G. D. McPherson of Sault Ste Marie, Mich., won the first prize for putting the 27 pound shot. He threw it 38ft. 7in., beating the best previous record, that of George Davidson of Edinburgh, Scotland. McPherson challenges the world to a contest at putting the shot for any sum from $500 to $5000.

The Ring.

ASHTON AND GODFREY MATCHED.

Jack Ashton, now that he has for the present abandoned all hope of a match with Peter Jackson, has agreed to meet the Australian's conquered fellow black, George Godfrey. Yesterday articles were signed for a 20-round contest, to take place at Parnell Athletic Club Sept. 19. The club offers a $1200 purse for the battle. $1000 to the winner and $200 to the loser.

MURPHY'S ANSWER TO M'CARTHY.

"Little" Johnny Murphy, the featherweight, in answer to the criticism of Cal McCarthy on his actions recently, said last night: "Cal says I've dropped out of sight. If he'll only wait until my arm gets a little stronger I'll show him I'm all right and willing to give him battle. When I broke my arm I announced that I thought I'd be ready for another contest in October, and I still think so. Cal was ready to wait untill then, he said, and I think he,s somewhat premature in his talk now. Let him rest easy, when he's in the ring he'll find that I'm not out of sight."

Lacrosse.

Says the Montreal Sporting Life: Those of the Orients who visited St John N. B., speak in high terms of the capital play shown by St. John's lacrosse team. [The Orient] Captain. Mr. A. J. Houghton, states that two of the home and also two of the defence men of the St. John club were worthy of any club in the Dominion, and as he captained the combined team in both matches against the Indians he had good opportunities for judging. The Orients found St. John with three lacrosse clubs and left them with six. Let us hope the good seed thus sown will flourish and that St. John may be the pioneer of lacrosse in the Maritime Provinces.

The Toronto Empire says:—"The surest sign of the revival in lacrosse is that the youngsters are taking to the game once more."

OF WIDESPREAD INTEREST.

Says a Montreal paper:—The interest in the lacrosse match on Saturday is not confined to Montreal and Ottawa alone. In Toronto and Cornwall there are many who are anxiously awaiting the result, and a respectable delegation from either place will be down to witness the match. The Ottawa hunt for players is said to be completed, and they are now ready for the game with a big list to pick from, if they can only work them on their opponents. They will also bring a strong contingent of backers down with them, numbering, it is said, 1,000. It is hoped that out of respect for the auricular organs of an ordinary Montreal lacrosse crowd this contingent will not adopt those ear-splitting boots and unsportsmanlike conduct that characterized some of the Ottawa stands at matches played there this year. Perhaps the impartial conduct they will witness will be a good lesson to them in what sportsmanlike conduct is. That the match will be a "clinker" all admit, and the crush at the gate something awful.

MANCHESTER, ROBERTSON & ALLISON

The temple of the sun at "Tadmor" in the wilderness has fallen; but the traveller slakes his thirst at Jacob's well, a striking illustration of the survival of the fittest. Just here it can be said that our IDEAL SOAP still pursues the even tenor of its way, while other brands which have had a short run have fallen into ruins, and the survival of the fittest is sure to succeed.
