KNOCKED OUT OF THE BOX

HAMILTON'S UNKIND TREATMENT OF STAR SWEENEY.

A Good Game Between Buffalo and Binghamton—Other Games Prevented by Rain—Jake Gaudaur and Beach, the Australian.

ST. LOUIS, July 15.—The latest news from England with reference to the world's championship race between Beach and Gaudaur will necessitate an entirely new course to be pursued by Gaudaur's backer, Mr. J. A. St. John, in the matter of challenging the champion. The following was published in the London Sporting Life, July 2:

"Until Beach saw the notice in Saturday's Sporting Life he had no knowledge of Jacob Gaudaur's challenge and had received no cablegram from him or any one else with reference to it. Neither Beach nor any of his backers has any knowledge of it. He would only be too glad to row Gaudaur for any amount a week or two after the decision of the large sweepstakes. The stakes must be deposited with the editor of a sporting journal in London, or Beach will not take any notice of any further challenge. He has already been two months in the metropolis and must leave for the Continent about the middle of September."

Speaking of this piece of news Mr. St. John said to-day that on June 15 he wrote a letter to the editor of Bell's Life at London in which was incorporated a formal challenge to Beach and a draft on the branch house in England of the Central Type Foundry for $500 as a forfeit. Shortly after the letter was written Bell's Life went to pieces, and to the request of Mr. St. John to cable an answer no attention was paid, and up to date he had heard nothing from across the water, and as to his action in the case as it stands, St. John says he will cable for information immediately, and make arrangements in a day or two looking to a definite understanding between Beach and the American champion. The race will not be rowed until after the English sweepstakes has been decided. This event occurs on Aug. 30, and two Americans only are entered in it, namely, Teemer and Ross. Gaudaur, probably for the most of reasons, will not row in the sweepstakes, his friends and backers in America preferring a match race. About $50,000, Mr. St. John says, have been posted by parties in St. Louis, of which Mr. Dick Roche has contributed $10,000, and this "boodle" will be taken over to England and staked on Jake's abilities. The names of the other contributors are withheld from publication, but they are the backbone of the business community of St. Louis.

Knocked Out of the Box.

SYRACUSE, N.Y., July 15.—Sweeney, late of the St. Louis League Club, was put in the box to-day for the Stars. He lacked command of the ball and at his own request Harbridge took his place in the fifth innings. The Stars played wretchedly all around and lost by this score:

The Summons Was Informal.

BUFFALO, N.Y., July 15.—When the representatives of Toronto, Hamilton, Syracuse, Utica, Buffalo and Rochester ball clubs met here to-day they were notified that owing to an informality the meeting could not be held. The call for the meeting had been signed by but three clubs, while the constitution requires that four shall be necessary. An informal discussion took place, but as nothing could be done the delegates adjourned to meet in Syracuse, July 21.

Fair Balls.

Peter Wood has been suspended by Buffalo for the balance of the season for indifferent play.

Bully for you Hamilton. You will get there yet with patience and perseverance—if Toronto continues to *strengthen* her team.

The question around town is, why was Jonathan Morrison laid off for that game at Buffalo on Wednesday and McGuckin, the released of Binghamton and Hamilton put on?

Crothers, the pitcher for the Stars, in a recent game against Binghamton is credited with exclaiming when John E. Clapp, the reinstated, called a ball on him, "Thank you, dub."

The Stars have released Alcott, their third-baseman. Devine, the pitcher, has been laid off without pay. Householder will henceforth catch, and Harbridge will be the captain.

Pitchers of the peach-blow order come expensive. Fancy, the great and only Sweeney, fresh from the National league, being knocked out of the box the first essay by the fourth club in the International league!

"The Meriden stock" engaged by Buffalo, doesn't scare anybody a bit. Players of Steve Dunn's calibre can't beat Hamilton, though they may be good enough to win against Toronto.—Hamilton Times.

Manager Bancroft of the Rochesters is charged with endeavoring to induce Buffalo and Star players to desert their allegiance by offers of increased salaries. It was to consider this matter that the league meeting was called for yesterday.

Manager Bancroft has secured in Toronto a new catcher named Jones, who has made an excellent reputation as an amateur.—Rochester Herald. Jones is a good one and would have been an acquisition to the Torontos. He has been playing this year for the Metropolitans. Last year he played for Kingston, N. Y.

Betting on Baseball.

Editor World: A flips B for choice of teams on yesterday's matches. B wins both flips and takes Toronto and Rochester. Should not A win Buffalo bet and Rochester bet be cancelled, or should it hold good for the next match? Separate flips on both matches were made. SUBSCRIBER.

[A wins first, and the other is either a draw or can go forward until the postponed match is played, both consenting to the last arrangement.]

Canadian Oarsmen for Albany.

The following oarsmen will leave this afternoon by the 3.55 train to take part in the National regatta at Albany next Tuesday and Wednesday: Toronto, junior four—James E. Knox, bow; Harry Pierce, No. 2; F. H. Thompson, No. 3; Jos. Wright, stroke; Jno. Wilson, captain. Don singles—S. Scholes for the senior, M. Shea for the junior. Bayside—J. J. Ryan for the senior. Argonaut, senior four—R. McKay, bow; O. Murphy No. 2; A. G. Thompson, No. 3; J. W. Hogg, stroke. They go by special car accompanied by about twenty-five friends.

To-morrow's Lacrosse Match.

The lacrosse match at Rosedale to-morrow between the Torontos and Ontarios promises to be a good one. The Torontos claim to be in fine trim and intend to win. The Ontarios are by no means disheartened by last week's defeat at Cornwall. In fact it has done them good by showing them their weak points. They do not stop at saying they will give the Toronto[illegible] a shake. They say they will win, [illegible]ng on the field in that mind. A [illegible] cheer of both teams. Play lacrosse. Don't indulge in any of the slugging that has marred the pleasure of your former meetings and has done such a deal of harm to lacrosse. Here are the teams: Torontos—Martin, Bonnell, Garvin, Drynan, Coulson, Sewell, Dixon, McDonald, Irving, McHenry and Stowe. Ontarios—Clews, Clark, McGovern, Small, Hull, Cheyne, Crown, Wilson, Gerry, McPherson, Adamson and O'Neill.

Toronto Bicycle Club Annual Tournament.

The Toronto Bicycle Club has held its annual club races each year since its organization in 1881. It is doubtful if any other bicycle club in Canada can say the same. For four years the club lost hundreds of dollars on each occasion. Last year was the first at which the public gave the club sufficient encouragement to make the tournament a financial success. A special meeting will be held on Monday evening at the residence of Mr. Webster, 368 Huron-street, to make the necessary arrangements, etc., for this year's races. Every member should attend.

Steam Yacht Racing.

NEW YORK, July 15.—The annual regatta of the American Steam Yacht Club takes place to-day. A start was made from Larchmont this morning. The first point to be touched is New London. It is expected there would have been an interesting race between Jay Gould's Atalanta and Mr. Herreschoff's Stiletto, but the latter is to be inspected to-day by the Government officer and cannot participate in the race.

NEW LONDON, Conn., July 15.—The Nereid arrived here at 5.16.30, The Henrietta at 4.19, Edith 4.28, Atalanta 4.33, Viola 4.37, Lagonda 4.55.

Racing in the States.

Second race, ¾ mile—The Tyro stakes for 2-year-olds of $100 each with $1500 added. Dwyer Bros.' Tremont won, with Reveller second, Queen of Elizabeth third; time 1.19¼. Third race, the Barnegat stakes for 3-year-olds, 1½ miles—Mr. Kelso's The Bard won, Quito second, Winfred third; time 2.40¼. Fourth race, 1 3-16 miles—Favor won, Elizabeth second, Heartsease third; time 2.13. Fifth race, 1 1-16 miles—Letritia won, Phil Lewis second, Whizgig third; time 1.57¼. Sixth race, short course, steeplechase—Col. Watson won, Joe Shelby second, Charley Epps third; time 3.23.

CHICAGO, July 15.—Washington Park races: First race, 1 mile—Bob Fisher won, Lafitte second, Solid Silver third; time 1.44. Second race, ⅞ mile—Ben Bowman won, Jacobin second, Withrow third; time 1.03¾. Third race, 2½ miles—Volante and Lucky B walked over. Last Hurdle Race, No time. Fourth race, 1½ miles—Ailee won, Buchanan second, Modesty third; time 1.56¾. Fifth race, 1 mile—Warrenton won, Handy Andy second, Biddy Bowling third; time 1.43¾. Sixth race, 1½ miles, over hurdles—George McCullough won, Will Davis second, Guy third; time 2.52.

The Southern District Championship.

The fourth lacrosse match for the Southern District Championship took place at St. Catharines yesterday between the Athletics of St. Catharines and the Brants of Paris. The Brants won the first game in forty minutes and the second in six minutes. The Athletics won the third in ten minutes and the Brants the fourth in about an hour and a half. There was some very rough playing and during the last game several stops had to be made on account of the players being injured. The Athletics especially seemed to suffer, and one of their players, Arthur Collins, was so severely hurt that he had to be carried off the field and taken to the hospital where he lies in a critical condition. This is the first time the Athletics have been beaten this season.

General Notes.

Joe Laing left Montreal yesterday for Valleyfield to practice for his race with Hosmer on July 31.

Owing to the continued inclemency of the weather the International Quoiting tournament has been postponed until next Thursday.

Articles have been signed between Frank Hudson and John Onlott of Eglinton, whereby the latter agrees to walk 12 miles inside of three hours for $25 a side, on Monday next, starting at 4 p.m.

The following are the names of the Montreal Lacrosse team who will play with the Cornwalls at Montreal to-morrow: W. D. Aird, W. J. Cleghorn, R. A. Elliott, E. Shepherd, A. Cameron, N. J. Fraser, D. Patterson, T. Cardinal, A. E. McNaughton, T. L. Paton, W. J. Hodgson and J. Grant.

The Jersey City Police Commissioners have officially declared sparring matches to be prize fights within the meaning of the law, and have prohibited them in future. Not only are prearranged fights to be stopped, but all exhibitions of the kind either with or without gloves within the city limits. This decision will prevent the proposed benefit to Frank Herald on Saturday and the Ashton-Kilrain fight on Monday.

Saturday Closing.

Editor World: Seeing in to-day's issue a letter signed Workingman, who prefaces his remarks by saying that he has never written to the papers before, I think he has not made a bad attempt, being a novice, but at the same time I think his argument is weak, except it be that he is a bachelor. What does he want in the dry goods line every week? If he has no wife, or rather cannot trust her, to do the purchasing, he surely has some female friend who would be only too glad to buy the very little he stands in want of, but the idea of a man wanting to make regular purchases of dry goods every week is absurd. Then he seems to forget that the store would be closed only for eight Saturdays (six now) and in order that he may make his purchases they should be kept open on Saturday till 10 or 11 o'clock. I am afraid by his expression giving honor to those men who continue this Saturday night slavery that Workingman is not as entirely disinterested as he would have us believe. SALESMAN.

Dividing Charities.

Editor World: Of all the astonishing accusations which party bigotry has made the latest is the most remarkable. Some wiseacre has discovered and stated that the charitable grants given by the Province of Ontario, are almost equal in amount to Protestant and Catholic institutions, although the Catholics are throughout the province, largely in the minority, and it is implied that in so apportioning these moneys, grave injustice is committed.

It is a sample of the class of accusations which on a surface view, appear to have some color of reason. But let us examine it by the light of charity, or even by that of ordinary common sense and a very difficult view appears.

In the ranks of our Catholic friends are, unfortunately for themselves, the poorest of the land. The Protestants have pro rata fewer objects of charity, and should be grateful that they are so blessed. But are we on that account to say that the poorest are not to be assisted? That would be a strange perversion of Christian doctrine. It is written, "When thou makest a feast call the poor, the lame, and the blind, and thou shall be blessed." It is not added, "if thine own sect." Had it been, how the living color had faded from the glowing text. Think of this, and of what a spirit is the doctrine which would say, "Give not to these; give not so much to these; true, it is but a little each receives; true, its deprival would wrest from a life sufficiently wretched its only solace; but nevertheless tear it away; he is not of thy creed; and thou shouldst not give more to those of other creeds than to thine own." "But mine own has no such numbers of poor." "Then keep it, friend, in thine own pocket; better it is that the Catholic poor should be miserable, than that they should get relief in more than due pro rata share!" And this is humanity. This is religion. This is unblushingly promulgated in one of our leading streets!

Our plain course in the matter there is no doubt about. While Ireland is kept in poverty by laws which she can neither make nor control, her poor will migrate to other lands and will, till they can improve their circumstances, form its poorest classes. Besides, from that class many of our sturdy laborers and our domestic servants are drawn. They do the roughest work of the community, and are liable to accidents and sickness more than others. Then, when so deprived of power to work, they are less able than richer people to maintain themselves, and must be aided by the public hand. It cannot be helped. But Canada has good reason to demand that Ireland be allowed to try to help herself, and give employment to her own poor and to her own destitute at home. JUSTICE.

A Wife Don't Know Her Husband.

A most remarkable case of identification is to hand in Toronto. A gentleman returning home from business was refused admittance by his wife to his home. A simple explanation will show the reason. He had just donned a new summer suit, and it improved his general appearance so much that even his "own wife" didn't know him. A Novelty in To-day's Procession.

The greatest curiosity on the continent is going to follow the Pythian parade to-day through the streets of Toronto, consisting of a horse standing the highest in height of any in America. It is perfectly quiet, and may be put in any position, and will remain gentle. It is the only horse ever known who never showed vice of any kind. It will stand without a *weight*—and never move. It eats little, always has a shiny coat, and never shows fear at music or a big crowd, and it will appear tomorrow in a handsome new set of harness made by the Canadian Harness Company, 104 Front-street east, Toronto. 246

It is now quite well understood that the People's Company sell organs, pianos and sewing machines so low that they are within the reach of all. Retail at wholesale prices is their motto.

See! her brush is gently gliding o'er that can vas on its rest,
And her thoughts are of a lover, whose hand she's often held and pressed,
She thinks how soon the moments 'll fly, when a home she'll try to make,
And many a fancy will flit through her to furnish it nicely for his sake.
First, a stove and kitchen utensils, a parlor suite so pretty and neat,
A bedroom set with curtains and blinds to keep away the sun's fierce heat.
She knows his dollars are hard earned, and 'twould take some years to wait
Until he could a home prepare sufficiently pleasant for his sweet mate.
Walker's system is a boon, she murmurs, as her fingers deftly form
Certain words upon her easel, 'tis through him only we can have a home,
And so think many who toil in life, and drag an existence through
Various stages of boarding, rooming and changing very often too,
How a great many, from the rich to the poor, at the time can't always pay
The cash right down to furnish a home, I care not who says nay,
At 10½ Queen-st. west, the widow, spinster, landlady, merchant and lover
All find what they want at spot cash prices, we guarantee no other.
