WHAT IS GOING ON NOW

TIGERS WON AT TORONTO.

Hamilton Hockey Team Victorious by Score of 10 to 4.

First Premium Won Race at New Orleans at 1 to 7—Stratford Defeated Galt—Last Night's Curling Matches at Thistle and Victoria Rinks.

Toronto, Jan. 28.—There was less real hockey in the hour of play in the O. H. A. intermediate game between Toronto Athletic Club second team and Hamilton last night than has been seen in a game at the Mutual Street rink this season. Hamilton got nearer the real article than did T. A. C., but their efforts were spasmodic. The final count was 10 to 4 in favor of the mountaineers. Half-time, Hamilton 4, T. A. C. 1.

Gordon Southam, who was sensationally fast as a senior last year, appeared to be not in condition, but at that he was perhaps the best man on the visiting team. Morin, the Hamilton cover-point, was strong, and shot a couple of goals from three-quarter way. Heron, in centre for the Athletic Club, and Douglas at point, bore the brunt of the work for the losers.

Peter Layden, of Paris, refereed impartially and well. The teams:

Hamilton—Goal, Morden; point, Murison; cover, Morin; rover, Southam; centre, Motherwell; left, McKeon; right, Harrison.

Toronto—Goal, McGiffin; point, Douglas; cover, McGillivray; rover, Mara; centre, Heron; left, Hamilton; right, Ross.

SIMCOE WON AT DUNNVILLE.

Dunnville, Jan. 28.—The intermediate O. H. A. game postponed from last Tuesday night was played here last evening against Simcoe, the visitors winning by 10 to 3, though the teams were more evenly matched than the score shows. It was a hard game, but there was very little roughness, and Referee Herb Clarke, of Toronto, had no trouble. The half-time csore was 5 to 1. The line-up:

Simcoe—Cotes, goal; Scrubb, point; Smith, cover; Cratt, centre; J. Andrews, Piett, G. Andrews, forwards.

Dunnville — Tremble, goal; Gillap, point; R. Smithers, cover; Dougher, centre; J. Green, Brown, W. G. Green, forwards.

WOODSTOCK 18, LISTOWEL 4.

Woodstock, Jan. 28.—Woodstock juniors played their second home game in the O. H. A. series last night, and won an easy verdict, scoring 18 goals to Listowel's 4. The half-time score was 7 to 1. Rocker, of Listowel, was one of the best men on the ice. The rest of the visitors were not particularly fast.

Woodstock tried out two new men from the City League, Dent at point, and Bryce at right wing, and the changes seemed to strengthen the team. Sutherland, Gustin and Pascoe did most of Woodstock's scoring. Although the locals won, they did not show first-class form until the second half, when their playing pleased the spectators greatly. The attendance was about five hundred. The line-up:

Woodstock—Goal, Childs; point, Dent; cover, Stone; rover, Sutherland; centre, Gustin; left, Pascoe; right, Bryce.

Listowel—Goal, Karston; point, Hamilton; cover, Rocker; rover, Bicker; centre, Morphy; left, Scott; right, Burt.

BY A NOSE AT 1 TO 7.

Fuller's First Premium Just Won at New Orleans.

New Orleans, Jan. 28.—The feature of the card yesterday at City Park was a handicap at seven furlongs, which suffered greatly from scratches, but to the surprise of the public it developed into a rousing finish between Fuller's First Premium, the 1 to 7 favorite, and Lucky Mose, the extreme outsider. First Premium waited in behind the pace of Jersey Lady the first half, and Notter carried Hanbridge wide enough at the top of the stretch to put him out of contention. Lucky Mose slipped through on the rail, and forced the Fuller sprinter to a hard drive in order to beat him a length.

Jockey Chandler, who had the mount on Captain Jaerel in the steeplechase, sustained a broken leg, when his mount bolted through the wing at the fifth jump.

SADDLE AND SULKY.

Bookmaker Benny Berk and Jockey Grand have been ordered away from the Los Angeles track on account of suspicious transactions.

At the sale of Geo. C. Bennett's horses at New Orleans on Saturday E. A. Brennan was the purchaser of Petulant and Terah at $900 each.

The flags at New Orleans were half-masted yesterday out of respect to the memory of Mr. Francis Trevelyan. The funeral took place yesterday at Charlottesville.

Lord Lovat's victory cost his owner $805, due to a boast by P. M. Civill after the little Knight of the Thistle horse won the sixth race at New Orleans on Saturday. Civill's Halbard finished second, and E. W. Heffner, in whose name Lord Lovat runs, retaliated by claiming Halbard out of the race for $1,100.

VICS. WON THREE.

Last Night's Curling Matches at the Local Rinks.

Last night four single rink matches for the Inter-Club medal between the Thistles and Victorias took place—two at each rink. The Victorias won both games on their own ice and one of the matches on Thistle ice. The scores of the matches at the east end rink were:

Victorias.		Thistles.	
G. B. Christie		H. Lazier	
Dr. Kapelle		W. A. Stewart	
Dr. Hilker		C. W. Scott	
J. Kilvington		C. S. Wilcox	
Skip	12	Skip	8
Victorias		Thistles.	
Roy R. Moodie		Dr. Yeters	
J. R. Jamieson		Dr. Lange	
H. Crosthwaite		Dr. Coleman	
Jas. Dixon		Dr. Woolverton	
Skip	15	Skip	10

At the Thistle Rink the skips and the scores were as follows:

Thistles.		Victorias.	
R. S. Morris	22	W. Anderson	8
J. Osborne	9	J. B. Turner	19

BY THE TEE.

Dr. Russell, referee in group 11 in the Ontario Curling Association, has postponed the draw for the Tankard games, till to-morrow morning at 9.30. The games will take place to-morrow and Thursday.

Beaverton, Jan. 28.—The first curling contest of the season was played here yesterday afternoon between Cannington and the home club, two rinks a side. The struggle was for the "Sam Sharpe Trophy," which Beaverton won last winter, and resulted in a victory for the home rinks by six shots.

GREAT RIFLE FEAT.

Rudolph Gute Made Perfect Score at Rochester Tourney.

Rochester, Jan. 28.—Rudolph Gute, of Jeffersonville, N. Y., accomplished what small-arms shots have always considered an impossible feature in yesterday's opening shoot of the Indoor 22-calibre Rifle League's tournament. Gute, in the bull's-eye event, registered a perfect centre. The shot was a remarkable one, for the mark was a four-inch black carbon, and the distance seventy-five feet.

Harry Harrison, of Rochester, who holds the world's championship for rapid-fire shooting, beat his own record of 469 by firing twenty more shots in one minute. In this event the contestants use automatic rifles, with a capacity of ten shells, but they must do their own loading.

DUNDAS WON BOTH.

Good Basketball Games at St. Jehn Gymnasium.

Two first-class games of basket ball were played last night in St. John's Church gymnasium, the contestants being the seniors and intermediates of Knox Church, Dundas, against the same respective teams of St. John. An interested crowd of spectators saw and enjoyed the games, which were fast and clean. In the first game, between the intermediates, the St. John boys were slow in getting started and the half time score was 9 to 2. Against them. In the second half St John outscored Dundas, but could not overcome the lead and the final score was 20 to 14. Bert Harper made an efficient referee. McCleary, of the St. John team, was hurt and had to retire, Johnston moving up to centre and Graham going on. The teams as they lined up, were:

Dundas.	St. Johns.
Centre.	
Laing	McCleary
Forwards.	
Burton	Shoots
Shaver	Johnston
Defence.	
Griffin	Small
McMurray	Mitchell

The feature of the second game, between the seniors, was the playing of Murray, the Dundas centre. The boys from the Valley Town had the best of the play and won handily. Half time score was 25 to 10, and full time 57 to 28. The teams:

Dundas.	St. John.
Centre.	
Murray	Callowhill
Defence.	
Grant	F. Warren
Souter	Collins
Forwards.	
Quackenbush	G. Warren
Chessum	Dornan

To-night the junior teams of St. Andrew's and St. John's will play at the same place.

TO PLAY AT ALEXANDRA.

The committee in charge o fthe Y. M. C. A. basketball team is making an advanced movement in securing the Alexandra Rink for the game with the Buffalo Y. M. C. A. here next Monday night, Feb. 3rd. The Y. M. C. A. will hold only a limited number of spectators who can see the game to advantage, but in the Alexandra Rink 1,500 people will be able to see it, and with a team like the Buffalos, a crowded house should greet the locals on their first adventure to make the game popular in Hamilton. Skating can be indulged in by those who wish to do so between 7.30 and 9 o'clock. The game will start at 9.15 sharp. General admission to the game will be 25 cents, and an additional 10 cents for those who wish to skate. This low rate will no doubt be appreciated by the general public. Mr. Robinson, manager of the Buffalo team, claims that the team is as strong as ever, and expects to win out again, as they did in their previous game. The Buffalo Central is one of the teams that have played Hamilton and broke even, each winning from the other away from home. The locals expect a hard game on the wide floor in the rink, which will give them plenty of room for clear cut passing and lots of fine shooting.

If the general public attend in large numbers, the committee will endeavor to bring the best teams in the United States here, and the public can look for a fine series of games during the next two months.

JONES WON FINAL.

Pittsburg, Jan. 28.—Leo Jones, of St. Louis, last night won the final in the two miles event in the tournament being held for the world's roller skating championship. The finish was sensational, Jones defeating Ollie Moore, of Michigan, the champion of the one-mile event, by a small margin. Time, 6.10 2-5

THE U. S. GOLF CHAMPIONSHIP.

Boston, Jan. 28.—For the third time in eight years the leading golfers of this country and Canada have been asked to compete for the open championship at the Myopia Hunt Club of Hamilton, Mass. It is, without doubt, an ideal championship course over which, other things being equal, the profesionals are glad to play. In 1901, when Willie Anderson won the open title from Alex. Smith in the play off of a tie, the professionals had but little fault to find. Four years ago Anderson again won, beating Alex. Smith by two strokes, the pair leading a thoroughly representative field of experts. So scant was the courtesy extended by the club officials to the profesionals that many of them asserted they would not play there again. The criticism by the men was so widespread it was a matter of some surprise to learn that Myopia had again applied and had been awarded the tournament. When this announcement was made there were many who predicted the next open tournament would be a fizzle, as the Scotchmen, who have done so much for the game in this country, would not again submit to the treatment given them three years ago. It is quite probable the exclusion of the professionals from the club house on that occasion was due to officials then in office and that the club members in general were not responsible. Since the matter has been brought up again it is satisfactory to note that an official of the U. S. G. A. has promised to secure for the experts the same broad-minded and liberal treatment they are accorded on other courses, especially those of the west. The professionals do not all behave themselves, neither do all the amateurs for that matter. Taken as a body, the professionals conduct themselves as gentlemen, and when a club offers its course for an open tournament it should do so with the intention of giving the players hospitable treatment.

BIG ATHLETIC MEET AT NEW YORK LAST NIGHT.

New York, Jan. 28.—Despite the fact that no records were broken, the athletic carnival of the Pastime Athletic Club, held at Madison Square Garden last night, was one of the best meets witnessed for some time. The management had the course well policed and the officials in charge of the arrangements handled the events promptly. The throng was disappointed by the absence of Melvin Sheppard from the special 1,000 yards race, Sheppard's suspension at Philadelphia on Friday night on the charge of having fouled Guy Haskins, prevented his participation in last night's games. Summary:

LOST AT BRANTFORD

Klondike Club Won Inter-City Euchre Championship.

The I. C. B. U. euchre team of this city journeyed to Brantford last night to play a return match with the Klondike Social Club, of that city, for the inter-city championship. The games were played at the cosy quarters of the Brantford boys, and resulted in Brantford winning by the score of 57 games to 42. As Hamilton won the first match by only two games, this gives the championship to the Telephone City by thirteen games.

After the game all repaired to the Woodbine Hotel, where Host Benwell had prepared a grand spread to supply the needs of the inner man.

During the evening a programme of some length was proceeded with. Mayor Bowlby was present, and expressed himself as very pleased to meet the visitors, and welcomed them to the city. He also was pleased his home team had won, and it was with much pleasure that he presented the silk banner to the Klondike Club, and hoped they would win many more in time to come.

Mr. T. I. MacFarlane, President of the club, received the banner, and in a few well chosen remarks welcomed the visitors and hoped the inter-city visits would continue.

During the evening Mr. G. Whittaker entertained with some good sleight-of-hand work, and speeches were made by several of the members of both clubs.

The Hamilton boys returned home at 1.45, after spending the most pleasant evening since the organization of the club.

VIOLATED FRUIT MARKS ACT.

George E. Alger, of Frankford, Fined at Trenton.

Trenton, Jan. 27.—Geo. E. Alger, of Frankford, was convicted before Police Magistrate O'Rourke, of Trenton, to-day of offering for sale 59 barrels of apples "packed contrary to the Government standard." Inspectors Carey, Rutherford and Brown, who examined the fruit, testified that the packages contained "a large percentage of small, defective and inferior specimens."

The Magistrate, in pronouncing sentence, said that had it not been the first offence on the defendant he would have imposed the maximum penalty. He nevertheless fixed the fine at 50 cents per package. Mr. Baker, of the fruit division, represented the department. Mr. F. E. O'Flynn, of Belleville, appeared as counsel.

Prominent labor editors of the daily press all over the country are receiving invitations to meet in Washington, D. C., February 22, for the purpose of organizing a labor editorial association. The purpose of the organization will be to bring the labor writers of the country in close personal touch, the discussion of policies to further the interests of the labor movement all over the country and for the dissemination of union labor news in a form that will be fair to organized labor. It will be suggested that the annual sessions of the association be held each year at the time and place of the meeting of the annual convention of the American Federation of Labor, so that its members may get in touch with the leaders of that great labor body.

SOME SNAPSHOTS AT SPORTS AND SPORTSMEN

For the first time in the history of trotting in Europe a race has been arranged there that is open to the world. Russia is to be the scene of the contest, and the event, which is known as the International Prize, has a total value of 32,000 roubles, which is equivalent to about $17,000 in Canadian money. The contest is to take place at St. Petersburg some time in February, 1909, under the management of the Imperial Society for the Promotion of Trotting.

"Chaucer" Elliott, the Kingston athletic impressario, has fallen into a soft thing through his connection with the Montreal Athletic Club. Last fall he received $1,000 for coaching the Rugby Club to victory, and now he has been signed as general athletic director at a salary of $2,160.

A rule that will probably be passed by the American Trotting Register Association next month is one that will refuse recognition, for registration purposes, of records made by pacers or trotters in hobbles. The passage of this rule will uprobably make breeders and trainers less inclined to put the hobbles on to colts until after every other method has been tried to make them go good gaited, either at the pace or trot. Many of the hobbled pacers would have raced free-legged had their trainers not been in too much of a hurry to get them going fast. With a rule in effect throwing out records made in hobbles for registration purposes, hobbles will not be so quickly resorted to by trainers in the future.

Jack Palmer, who is making splendid progress with his training at Harrogate, writes to The London Sporting Life to say that he is working hard to get himself into first rate condition, and makes the following comment upon current matters; "I see," he writes, "that Burns and Roche have got their match fixed up for Dublin. I wonder if Burns knows that he is matched to box me first, or does he really think that he is going to put me out as easily as he did Bill Squires in America; but now, since there is match-making with Moir, I would like everybody to know that I repeatedly challenged the Gunner for over twelve months, but never got a satisfactory reply. I also kept challenging Jem Roche for what he wanted, but it appears that he would only tackle Moir. Now, what I want to say is that, win or lose with Burns, either Moir or Roche can get fixed up with me at once by leaving a deposit at the 'Sporting Life' office. Such a deposit will be covered after my match with Burns. Gunner Moir keeps challenging men for £500 a side. Here is his chance with me, I am ready to box him for £500 a side and the best purse offered. I prefer to box Moir first."

St. Catharines, Jan. 27.—The executive of the Niagara Peninsula and Southern Ontario Fruit Growers' Association met in this city this afternoon, when the amalgamation of the societies was completed, with a view of making the united society the strongest body of fruit growers in the Province. The chair was occupied by Mr. W. M. Hendershott, Thorold. Messrs. Wm. Hendershott and C. E. Fisher were appointed president and secretary till the annual meeting.

Arrangements were made for a meeting to be held in this city on Tuesday, February 11th, for the election of officers, the completion of organization and general business.

Interest in glowing matches appears to be declining in Scotland. One or two societies recently decided to hold none, and in others the continuance of the annual tournament has only been carried by a majority.
