Montreal Transfers a Game.

The clubs may be said to have entered the home stretch in the Eastern League championship race, as but six weeks more remains of the playing season. Every game counts for much in the contest for the pennant, and the Torontos are determined to land the flag, if good playing will do it. The management have offered the players a handsome cash bonus as an incentive towards that end. The players will share alike and they can be depended upon to exert their best efforts to capture the plum. The locals will be home on Monday and will commence a four-game series at the Point, Thursday's game having been transferred from Montreal to Toronto. Visitors to the great military tattoo will, therefore, have a splendid opportunity of seeing two crack teams at play. The seats for the Washington-Toronto game of Aug. 2 are much in demand at the ball club's town office, 10 West King-street.

Woodstock Club Disbands.

Woodstock, July 21.—The Bain Baseball Club disbanded this morning for want of patronage, and with their disbanding puts an end to the Canadian League. If they could have gone on with the men they entered the league with, it would have been all right, as none of them was getting anything like big salaries; but when it was found that new and high-priced men were necessary for the team to make any showing, the life of the club became a continual struggle for existence. There was some talk this morning of a number of business men taking over the team, but it is only talk.

AMATEUR GAMES TO-DAY.

Toronto League's Important Double-Header—Every Diamond Will Be Occupied.

Two fast amateur ball games are scheduled for this afternoon on the old U.C.C. grounds. The Saunders, Lorie & Co. ball team will play the North Torontos on O'Hallern's diamond at 3 p.m.

Saturday, Aug. 19, is Dunlop Day.

Every possible effort will be made by the trust of the Dunlop Trophy, who have fixed upon Saturday, Aug. 19, for their great annual 20-mile road race to be the sporting event of the season. Assurances have been received from several outside bicycle clubs to compete for the handsome trophy, as contestants for the first time in its history.

The program, otherwise than the road race, will be of such an attractive nature as to eclipse all former efforts in this line, comprising some 10 additional events, such as automobile races, puncture races, multi-cycle races, two-mile handicap, tilting tournament, one-mile novice, tug-of-war, high-wheel handicap.

The race will be held at the Woodbine track. All particulars can be obtained from the secretary Dunlop Trophy Trust, Lombard-street.

A DELICIOUS FOOD.

No one realizes what a delicious dish has been missed until that novelty in foods, Grape-Nuts, has been tried. They are pre-digested, charming in flavor and light in the stomach.

Food experts who have experimented with it say that one pound of Grape Nuts is equal in nutritive value to ten pounds of beef.

LEAGUE LACROSSE TO-DAY.

Torontos, With Two Changes on the Defence, Go to Montreal to Meet Sherbrooke.

CORNWALL PLAYS AT OTTAWA

Shamrocks Should Have an Easy Time of it at Quebec—The Record.

The Toronto team went down to Montreal last night by the 9.40 train to play Sherbrooke. The team was somewhat changed from last week, being two men shy on the defence, Wheeler and Tozer being off. Tobin and Lambe will play in their places.

The team will be: Goal, Allan; point, Yorke; cover, Tobin; defence, Iler, Stuart, Lamue; centre, F. Moran; home, Moran, Snell, McLean; outside, Lillie; inside, Peaker. Only one or two members of the club accompanied the boys down.

The result of the Executive's decision in the Capital-National game does not alter the positions in the least. Toronto and Cornwall are tie for first and Shamrocks are a close third. All the teams play today, and it looks as if Cornwall had the hardest nut to crack, as they play at Ottawa, while the boys in blue seem to have the best of it. Should Toronto win and Cornwall lose it would be a clinch for the championship.

The results of all the Senior League games will be called off this afternoon from the ticker at Mosedale. Record:

	Won.	Lost.	To play.
Toronto	4	1	7
Cornwall	4	1	7
Shamrocks	4	2	6
Nationals	2	2	8
Capitals	1	3	8
Sherbrooke	2	4	6
Quebec	1	6	6

Games to-day: Toronto v Sherbrooke at Montreal, Cornwalls at Capitals, Shamrocks at Quebec.

The Queen City Yacht Club's postponed race of the 22-foot, knockabout class, will be sailed over the club course to-day. The following boats have entered: Petrel, Winona and Enid. The 20-foot class, for the Dodd Cup, will be sailed over the regular Q.C.Y.C. bay course. This race promises to be very interesting, as there are six entries, consisting of Haney Bros.' Unknown, L. J. Kenney's Widgeon, W. McIntyre's Tramp, J. Keller's Arab, F. Louden's Fanita, and J. Greig's Nereid. The start for this class will be at 2.45.

Genesee Earned $500.

Rochester, July 21.—The Rochester Yacht Club yesterday received from the Chicago Yacht Club the cheque for $500 which was offered as a prize to the winner of the trial races off Chicago. There is now little doubt that the Genesee will be selected to represent the challengers, as it is not believed that the new boat, Briar, will beat the Prairie bad enough to make it necessary for the Genesee to try conclusions with her.

Toronto's Defenders Race To-Day.

The R.C.Y.C. will hold a special race for the 35-footers (the Canada Cup defenders), to-day. As the three boats are now in commission, a close and exciting race will be looked for. They start at 3 o'clock, over the bay triangle, and then round the Island. There will also be races for the 25-foot and skiff classes around the usual bay course.

Association Football To-Day.

The Gore Vales and Riversides play football at Rosedale to-day. These teams are the two best in Toronto, and as rivalry is keen, there should be a hot time from start to finish. The game will be fast, scientific and exciting as lacrosse. Admission is 15 cents, ladies free. No extra charge for grand stand. Members of the Rosedale club will be admitted free on showing their badges. The game will start sharp at 3 o'clock, and Mr. T. Rodgers of the Y.M.C.A. will referee.

The Riversides' team for to-day's match with the Gore Vales will be: Hatt, Brooks, Henderson, Vick, Secker, Brown, Lewis, Gentle, Small, Murray and Heys. The team will leave Dingman's Hall at 2 and drive to the grounds.

The Goodyear Solid Rubber Carriage Tires.

Our new wing tire is the only up-to-date tire on the market. The stiff rubber wing causes them to constantly bear against the flange, absolutely preventing dirt from entering the channel, also prevents rubbers from cutting on edge of channel, and allows a much tighter fit than is possible with any other tire, rendering creeping impossible.

Mr. W. J. Hunter, 29 Agnes-street, sole agent for Toronto, has just received from Goodyear Co. the latest improved wire wilder tire machine, during Mr. Hunter's four years' experience with rubber tires and tire plants, etc.; now in position to furnish the only up-to-date goods on the market; also can give better discount than can be procured elsewhere. All goods guaranteed by the Goodyear Tire Co. to contain the finest rubber and to outwear any tire made.
