LONDON, Dec. 10.

The storm of yesterday was very disastrous to shipping. A dozen vessels are ashore at Whitely; one is reported sunk with all on board. Similar accounts have been received from ports all around the coast. The mails from France were several hours behind time. The storm was also very severe on the continent.

NAGASAKI, Japan, Dec. 10.

Observations of the transit of Venus here were completely successful.

HOBARTH TOWN, Tasmania, Dec. 10.

Although the weather was bad our observations at the time of transit were particularly successful. We succeeded in taking 113 photographs of Venus during her passage over the disc of the sun. Signed, William Harkness.

A Carlist despatch says Marshal Serrano has arrived at Logron. The Carlists deny the defection of Bishop of Urgel.

NEW YORK, Dec. 10.

Details of Vicksburg troubles show that a larger number of negroes were killed and wounded than first reported.

The Kingston, Ont., *News* says that Sir John A. Macdonald will again accept the nomination for Kingston.

Small-pox—The Case of a Murderess.

BATHURST, Dec. 10.

Nazarie Blanchard died of small-pox to-day. Louise Degrace, Father Pellitier's servant, is attacked.

A memorial for the commutation of Angel Poulin's death sentence is in progress of being signed.

Two Elections.

OTTAWA, Dec. 11.

McKenzie, in Montreal West yesterday, had a majority of six votes over Thos. White. Twenty-five votes have been protested against by White. It is probable that he may yet be the successful candidate.

Baby, Opposition, has been elected for Joliette by a majority of 150.

In the Von Arnim trial at Berlin, yesterday, the testimony of Prince Hohenlohe was taken. The accused was further examined, and the reading of documents in the case was proceeded with.

(*Special to Daily News.*)

OTTAWA, Dec. 10.

Captain Miles, of the North West Police Force, has written to the *Mail* regarding the demoralization existing in the ranks under his command. He says the horses were totally unfit for service; whilst the money that was to have been paid to his wife during his absence was not paid; and the dollar per diem subsistence money allowed to the men during their journey through the States was not paid until they arrived at Dufferin, some of the men having to actually bear starvation during a greater portion of the journey.

The Tanneries Land Swap is under discussion in the Local Legislature of Quebec. A telegram states that the Government will probably be sustained by a very narrow majority. This, however, is questionable; and a Coalition Government may be looked on as probable.

BATHURST, Dec. 10.

A man named Nazaire Blanchard, who was servant man of the Rev. Mr. Pelletier, and attended the latter during his illness, died to-day in the Caraquet Hospital of small-pox. The female servant of Mr. Pelletier and a man named Lanteign are also ill with the same disease.

Mr. Allan left quarantine in Caraquet and returned home to Grand Anse, where his wife is telegraph operator. She left her house and the office at his approach, apprehending disease from contagion.

To Advertisers.

The present is a good time to make contracts for yearly advertising. The Autumn trade is now coming on, and after it follows the Holiday season. During these two periods wholesale and retail dealers do more advertising, and probably receive more apparent return for expenditure in that way than in all the rest of the year.

The DAILY TRIBUNE is admittedly one of the best mediums for advertising. Making its daily visits to the counting-rooms, stores, workshops and homes of the people, it is eagerly looked for and read by citizens of every shade in politics and by all intelligent classes of society.

The WEEKLY TRIBUNE is to the agricultural districts what the DAILY is to the crowded city—a welcome visitor, making *weekly* appearances with regularity, always bringing to the homes of our country cousins the news of the city and outside world, fresh, crisp and entertaining. Its value as an advertiser is first-class, and is worth the patronage of judicious men of business.

Rates for advertising in the DAILY and WEEKLY editions of the TRIBUNE may be ascertained and contracts made at the Counting Room, No. 51 Prince William street.
