Address, DANIEL F. BEATTY, Washington, N. J

FREE! Any person who will make and forward me a list of the names of reliable persons of their acquaintance who wish to procure an instrument, either Piano or Organ, I will use my best endeavors to sell them one, and for every Piano I succeed in selling to their list within one year, I will credit them with $10, and for every Organ $5, to be applied on payment of either a Piano or Organ; and when it amounts to a sum sufficient to pay for any instrument, selected at the lowest wholesale price, I will immediately ship the instrument, free, or after any amount is credited the balance may be paid me in cash and I will then ship them the instrument. They need not be known in the matter, and will be doing their friends a real service, as I shall make special offers to them, selling a superior instrument for from one-half to two-thirds what is ordinarily asked by agents. Please send me a list at once, and after you have made inquiry, you can add to it. Address,

VEGETINE.

HER OWN WORDS.

BALTIMORE, MD., Feb. 13, 1877.

MR. H. R. STEVENS:—

Dear Sir,—Since several years I have got a sore and very painful foot. I had some physicians, but they couldn't cure me. Now I have heard of your VEGETINE from a lady who was sick for a long time, and became all well from your VEGETINE, and I went and bought me one bottle of VEGETINE; and after I had used one bottle, the pains left me, and it began to heal, and then I bought one other bottle, and so I take it yet. I thank God for this remedy and yourself; and wishing every sufferer may pay attention to it. It is a blessing for health.

MRS. C. KRABE, 638 West Baltimore Street.

VEGETINE

SAFE AND SURE.

MR. H. R. STEVENS:—

In 1872 your VEGETINE was recommended to me, and yielding to the persuasion of a friend, I consented to try it. At the time I was suffering from general debility and nervous prostration, superinduced by over work and irregular habits. Its wonderful strengthening and curative properties seemed to affect my debilitated system from the first dose; and under its persistent use I rapidly recovered, gaining more than usual health and good feeling. Since then I have not hesitated to give VEGETINE my most unqualified indorsement, as being a safe, sure, and powerful agent in promoting health and restoring the wasted system to new life and energy. VEGETINE is the only medicine I use; and as long as I live I never expect to find a better. Yours truly, W. H. CLARK,

120 Monterey Street, Allegany, Pen.

VEGETINE

THE BEST SPRING MEDICINE.

CHARLESTOWN.

H. R. STEVENS.

Dear Sir,—This is to certify that I have used your "Blood Preparation" in my family for several years, and think that for Scrofula or Cankerous Humors or Rheumatic affections it cannot be excelled; and as a blood purifier and spring medicine it is the best thing I have ever used, and I have used almost everything. I can cheerfully recommend it to any one in need of such a medicine.

Yours respectfully,

MRS. A. A. DINSMORE, 19, Russell Street

VEGETINE.

WHAT IS NEEDED.

BOSTON, Feb. 13, 1871.

H. R. STEVENS, Esq.

Dear Sir,—About one year since I found myself in a feeble condition from general debility. VEGETINE was strongly recommended to me by a friend who had been much benefited by its use. I procured the article, and after using several bottles, was restored to health, and discontinued its use. I feel quite confident that there is no medicine superior to it for those complaints for which it is especially prepared, and would cheerfully recommend it to those who feel that they need something to restore them to perfect health.

Respectfully yours, U. L. PETTENGILL,
Firm of S. M. Pettengill & Co.,
No. 10 State St., Boston.

VEGETINE.

ALL HAVE OBTAINED RELIEF.

SOUTH BERWICK, ME., Jan. 17, 1872.

H. R. STEVENS, Esq.

Dear Sir,—I have had dyspepsia in its worst form for the last ten years, and have taken hundreds of dollars, worth of medicines without obtaining any relief. In September last I commenced taking the VEGETINE, since which time my health has steadily improved. My food digests well, and I have gained fifteen pounds of flesh. There are several others in this place taking VEGETINE, and all have obtained relief.

Yours truly, THOMAS E. MOORE,
Overseer of Card Room, Portsmouth Co.'s Mills.

CHATHAM, - - - - - - - MAY 29, 1879.

Mr. Dutcher.

"The temperance cause has met with a sad blow in the backsliding of George M. Dutcher, a well-known temperance advocate, who has abandoned his wife and family, and is now said to be on a prolonged drunken carouse in Hartford, Connecticut, in company with a woman of, at least, doubtful reputation. He located himself at Wilmington, Deleware, two years ago during the height of the Murphy excitement, and the people of that city were so favourably impressed by his labors, in the course of which he made thousands of converts, that they presented a comfortable home which was deeded to his wife. His fame as a lecturer extended throughout the peninsula and last fall he was invited to Philadelphia, where he became a great favorite, making proselytes by the hundred. When Dutcher closed his labours in Philadelphia he was followed to Wilmington by a Mrs. Judge watson, who professed to have been converted by the apostle of temperance. She announced herself as a lecturer, and the relations between the two became a matter of gossip and remonstrance by his friends, who urged him to discontinue any intercourse with her. He stubbornly refused, and finally left the city with her, without the knowledge of many of his friends and against the remonstrance of others. He claimed that his relations with Mrs. Watson were of the purest character, and that they were going to New England on a tour in the interest of religion and temperance, lecturing jointly. After they had gone, many friends of Mrs. Dutcher wrote to her husband, begging him to return to his wife and children, but instead of doing so he wrote to Mrs. Dutcher, asking her to mortgage the house which the people of Wilmington had given them, and send him a thousand dollars for travelling expenses. The unhappy wife, instead of complying with this demand, pursued her husband and found him at Stanbury, Connecticut, in company with Mrs. Watson. They were to have lectured there, but the expose made by the deserted wife in appealing to him to return to his family broke up that part of their plans and Dutcher has since become a complete sot. Mrs. Dutcher has returned from her trip heart-broken. The good which such men as Dutcher do as temperance advocates and evangelists is often more than outweighed by the evil accomplished in their fall from the principles which they have advocated,"—*Baltimore American.*

We understand that Mr. Dutcher has written to friends here stating that he is the victim of the persecutions of a wealthy man who was spurned by Mrs. Judge Watson, that he is reduced to poverty in consequence of said persecutions, that he has been exonerated by the society at home which bears his name, and he calls upon the Chatham Dutchers to aid him. He does not admit that he has been indulging in drink, nor does he squarely deny the other charge made against him. Under all the circumstances it is probable that the Chatham Society will deal very cautiously with Mr. Dutcher. It has both honoured and paid him in return for any services he may have rendered to it, and it should allow no false sentiment to lead it into a compromise of its self-respect or to mar the effect of the undoubtedly good work it has done.

"The Farmers' Friend."

Messrs. McFarlane, Thompson and Anderson the enterprising Agricultural Machine Manufacturers of Fredericton have sent us a copy of a publication issued by them under the above name. In addressing the Farmers they say:—

For the last five years we have been engaged in the manufacture of agricultural implements; and to-day we can boast of having nearly one thousand Mowers to be found, giving entire satisfaction, on the homes of the farmers throughout the Maritime Provinces. In almost every section of New Brunswick and Nova Scotia have our machines been introduced; and so marked has been their universal success, that we can with confidence refer to every farmer who happily possesses our Mower, for a testimonial of their entire reliability and durability for all the requirements of the field. We manufacture the celebrated Walter A. Wood iron frame, brass bushed Mower, and the Richardson New Model, iron frame Buckeye, combining all the latest and most valuable mechanical improvements which secure simplicity of construction, lightness of draught, and perfect adaptability to all conditions of crops and surfaces.

We claim to have the Standard Mower of the Dominion. Success has certainly crowned our efforts; and with an establishment fully equipped with all the latest and most expensive machinery adapted to the enterprise, we are now in a position to give to the agricultural industry of the Maritime Provinces implements of which they can properly boast, and refer to with pride and satisfaction.

Special points of difference, to which manufacturers frequently refer as improvements, may sometimes be influential in deceiving parties—in inducing farmers to purchase their machines; but with our business reputation at stake, and the success of our enterprise dependent upon the merits of our machines, we do not hesitate to say that no Mowers are to be found with an improvement which is not fully incorporated in ours, that is worth noticing, and none have so many valuable ones. Paint and gold striping is not at all essential to the utility of machinery, (and on this point we would invite inspection and comparsion), but unquestionably good material and superior mechanical construction and workmanship are the more valuable characteristics; all of which we claim to have to a greater degree than any other Mower extant. We will willingly subject our Mowers to field tests with any other; and the instruction to our agents is to lose no opportunity of testing their superiority by competition with others. We fully warrant our Mowers to all purchasers.

This firm also manufactures Steel Ploughs, a Wheel Cultivator, the Horse Dumping Ithaca Rake, the Whitby Harvester and other machines which we can recommend to farmers. Parties intending to purchase any kind of Farm Machinery would do well to consult Messrs. McFarlane, Thompson and Anderson or their agent Mr. Stephen Y. Mitchell, of Newcastle.

An Undeniable Truth.

You deserve to suffer, and if you lead a miserable, unsatisfactory life in this beautiful world, it is entirely your own fault and there is only one excuse for you,—your unreasonable prejudice and skepticism, which has killed thousands. Personal knowledge and common sense reasoning will soon show you that GREEN'S August Flower will cure you of Liver complaint, or Dyspepsia, with all its miserable effects such as sick headache, palpitation of the heart, sour stomach, habitual costiveness, dizziness of the head, nervous prostration, low spirits, &c. Its sale now reaches every town on the Western Continent and not a Druggist but will tell you of its wonderful cures. You can buy a Sample Bottle for 10 cents. Three doses will relieve you.
