NICKEL FAVORITES IN NEW SELECTIONS

On the remaining three days of this week at the Nickel Holmes and Buchanan will sing a new number daily, commencing this afternoon with the delightful selection, Carissima. Their great success in the old-fashioned songs during the earlier part of the week has aroused more than ordinary interest in the versatile vocalists and their contributions for the next three days will be listened to with pleasure. On Friday the selection is to be 'Then You'll Remember Me, from Balfe's Bohemian Girl, and on Saturday a comedy number, Experience. Mr. Courtnais will today sing the ballad hit of the hour in New York—a song being featured in vaudeville—entitled Under the Maples With Molly O. Pictorially the Nickel has a strong comedy bill and a magnificent tour of the city of Brussels, Belgium.

THE ISLE OF SPICE AT THE OPERA HOUSE

Begining tonight and for the remainder of the week an elaborate presentation of the musical operetta, The Isle of Spice, will be given in the Opera House. The cast of seventeen people will include Carter Cust, of the Jere McAuliffe Company, and A. McCluskey, a local amateur. This comedy sketch will occupy more than thirty minutes of the regular matinee picture programme, which will take one hour in all. A feature of the evening will be the appearance of Mr. Kilkoyne singing a bass solo entitled Asleep in the Deep.

STAR'S OCEAN MYSTERY SCORES A GREAT HIT

Over in the new North End Theatre, The Star, last evening the crowds were regaled with a lovely line of new motion pictures, of which "Found Drifting" was the leading feature. Besides this film there were five others, a happy commingling of pure comedy and unsensational drama. It was a show entirely different from any seen elsewhere, a point which not only the north end and Carleton and Fairville people are finding out, but city folks as well. The matinees at the Star are getting bigger each day.

MYRKLE-HARLER CO. COMING ON MONDAY

The management of the St. John Opera House takes pleasure in announcing the engagement of the Myrkle-Harder Stock Company, which will play here a week's engagement, beginning on Monday next. This attraction is regarded as being among the strongest and most thoroughly equipped popular priced organizations on the road today. There is not a detail that has been overlooked, either as to plays or players. Its repertoire consists of some of the latest and most high priced reproductions, while special scenery and all other accessories that go to make a stock company a success are also carried.

This company is headed by Miss Emma Myrkle, a pretty and successful actress, of charming personality, excellent voice and stunning stage presence. Miss Myrkle's wardrobe of exquisite gowns are said to be the finest and most costly ever worn by an actress with a traveling stock company. She has been very successful in surrounding herself with a most competent company, and the engagement of this organization is awaited with much interest by the local patrons.

MILLIONS OF CELLS

The human body is composed of countless millions of cells. These cells are constantly dying and new ones are being created. Dead cells are removed from the blood by the bowels, kidneys and skin. These great eliminating organs filter this waste matter from the blood, and thus purify the blood.

If there is Constipation, or non-action of the bowels—if the kidneys are strained or weakened—if there is defective skin action—then the dead cells are not removed from the body. The blood thus becomes loaded with impurities, and we suffer for it.

The only way to purify the blood is to cure the skin, bowels and kidneys. When these organs are healthy and doing their work as nature intended them to do it, waste matter is promptly removed and the blood is kept pure and rich. "Fruit-a-tives"—the famous fruit liver tablets—act directly on the skin, the bowels and the kidneys. "Fruit-a-tives" purify the blood because they keep the whole body strong, vigorous and healthy. 50c. a box, 6 for $2.50, or trial box, 25c. At dealers or from Fruit-a-tives Limited, Ottawa.
