EARL DUNRAVEN IS HOPEFUL.

WILL HIS VALKYRIE BEAT THE VIGILANT?

The Distinguished Englishman Talks in New York—Germany Ignored—Valkyrie Superior to Britannia—The Unfortunate Navahoe—Local Sailing and Rowing—Teemer Wins From Stevenson.

NEW YORK, Sept. 23.—Lord Dunraven and his party arrived on the steamer Campania this morning. The Campania made the voyage in 5d. 18h. 9m. The steamer Paris brought over two men of the crew of the Valkyrie and they were put on board the yacht by a tug.

At the Campania's pier, foot of West Tenth-street, the Earl was met by Mr. Watson, the Valkyrie's designer, Sailmaker Ratsey and Agent Brown of the Cunard Line. Through Mr. Watson, who is an old newspaper man, the Earl gave an interview to the reporters who were waiting at the pier to see him. The Earl received the reporters on the promenade deck. He is a man of medium height, florid complexion and with a mustache and hair sprinkled with gray. Seated with him were his brother-in-law, the Hon. Charles Kerr, and the Hon. Hercules Languish, also a kinsman. The Countess of Dunraven and her two daughters, Lady Rachel Quinn and Lady Angeline Quinn, were also of the party. They were attired in blue serge Eton toilets.

"Really, I don't know what to say," said the Earl, as the reporters gathered around him. "We don't have much of this sort of thing in England, you know. In fact, the daily papers there do not make much of yachting, and leave it entirely to the yachting papers. It is quite a revelation to me to see the papers here take so much interest in the race, and it makes me feel as though I were a person of some importance," laughed the Earl, "for at home the reporters won't notice me, and this reception by you gentlemen of the press is quite unexpected."

Continuing, the Earl said he of course thought his yacht had a chance to win, or she would not be here. "We may be beaten, but we shall have had some sport at any rate. I had the yacht built to race in a friendly spirit. Mr. Kerr will represent me on board the Vigilant. I will personally be on the Valkyrie, and perhaps take the tiller."

In reply to a question as to what he thought of the Britannia as compared with the Valkyrie, he replied that he considered the latter superior. He said he was not surprised that the Valkyrie had not arrived here until yesterday, as orders had been given to come easily and sure.

The representative of a German newspaper asked the Earl what he thought of the Emperor of Germany as a yachtsman, but the Earl, instead of replying, looked at the reporter sharply and continued speaking about the Valkyrie. Then he added that he regretted exceedingly that the Navahoe was so unfortunate, as he would have liked to have seen Carroll win a few cups, he being such a plucky fellow and having done so much to establish the friendly feeling between the yachtsmen of the two countries.

In conclusion the Earl said: "While I am not sanguine of winning, yet I entertain hopes. I know the Vigilant is fast and a worthy competitor, indeed, and the result will be close unless the Vigilant is very fast, but it is useless to attempt to forecast the result."

Regarding the pronunciation of his yacht's name the Earl said, "I call her Val-ky-rie, the 'y' long, pronounced just as her name is spelled, with the accent on the middle syllable. I am not an authority on Scandinavian nouns and may be wrong, but that is how I call her."

The Earl and his family will occupy the same apartments at the Hotel Waldorf as those occupied by the Duke and Duchess of Veragua. Soon after the Earl and his friends went to Bay Ridge on a special train to see the Valkyrie.

Teemer Defeats Stevenson.

ST. LOUIS Sept. 23.—At Creve Coeur Lake to-day, John Teemer, ex-champion sculler of America, defeated Charles Stevenson, champion of New Zealand, over a three mile and return course in 19.55.

Argonaut R. C. Fall Races.

The fall races of the Argonaut Rowing Club, which took place on Saturday, were in every sense a success. The turnout was large, the weather exceedingly fine and the races were well contested.

In the senior single scull E. A. Thompson won the Lord Dufferin medal and F. H. Thompson took second place.

The final fours was very closely contested, there being not more than a boat's length between the three leading boats.

First crew—A. P. Burritt stroke, H. A. Baldwin 3, C. Cambie 2, H. W. Dixon bow. Took the club medal.

Second crew—L. T. Pemberton stroke, A. Bedford-Jones 3, T. P. Long 2, J. L. Buchan bow. Took the club cup.

Third crew—F. W. Thompson stroke, A. Smith 3, G. VanKoughnet 2, E. C. Wragge bow.

In the single handicap canoe race there were 16 entries. L. F. Pemberton took first place and J. L. Buchan second.

The tandem canoe race was closely contested, so closely, in fact, that the spectators on the wharf could not distinguish which were the winners, though they were but a few feet from them when the race was concluded. R. G. Muntz and Buchan won first place and C. C. Smith and Paterson second.

The winners of the novice single scull were W. W. Dixon 1, E. C. Senkler 2, and A. Langmuir 3.

Toronto Sailing Skiff Club Races.

The most successful regatta in the history of the club was that of the Toronto Sailing Skiff Club Saturday afternoon. There were a large number of entries and, despite the light wind, the finishes were close.

Nineteen boats started in the 17-foot class. The finish was in the following order: Flora 1, Gracie 2, Nina 3, Active 4.

Twelve boats started in the 19-foot class. The results were: Ethel 1, Tam O'Shanter 2, Rambler 3.

In their race the Volante finished first Woos second.

REYNARD ROLLED OVER.

The Toronto Hunt's Capital Run—Mr. Beardmore Secured the Brush.

There was a large turnout of the Toronto Hunt on Saturday, the meet being at Woodbine Park. The hounds were taken east along Queen-street, where they were cast off to the north of Victoria Park. They ran east several miles to Wharf's farm, where the pack turned north across the Kingston-road, thence west about a mile, where a turn to the right was made. Then the pack went to the north, through a thickly-wooded country, and on to the Wexford hills and across the old Newmarket race course.

A fox was viewed in the open just west of the old race track, with the hounds close upon him. Reynard was finally rolled over just north of the Dutch Farm property. Mr. George Beardmore was first up and secured the brush, which was presented to Mr. Bratton of Philadelphia, who, mounted on Dr. Campbell's high jumper, Glenora, had rode well throughout, crossing some big fences. Mr. Fred Doane captured the pate. Among those at the death were Mr. Andrew Darling mounted on a big, good looking bay, the Master, Dr. Smith, on Baffle, Mr. Fred Beardmore on a clever mount, Mr. E. Sheppard on Minnie, Mr. Bristol on Laddie, Dr. Campbell on a handsome black mare, and Mr. Phelan on McKenzie.

It was a capital run throughout, the jumping good and plentiful. Several saddles were emptied, but without serious results.

The Hunt Club to Incorporate.

A meeting of the Toronto Hunt Club was held at the Ontario Veterinary College on Saturday night for the purpose of reorganizing the club. The master, Dr. Smith, was in the chair. It was proposed to form a stock company and secure a site for a club house and kennels and each member to purchase one or more shares. The old Glen Grove club house was thought to be the most suitable and if the new club is organized may be secured. The members are to canvass for subscribers who will purchase shares and report at the next meeting to be held next week.

RUGBY FOOTBALL.

Re-Arrangement of the Intermediate Ontario Ties.

The Ontario Rugby Union Executive met on Saturday for the purpose of re-arranging the intermediate Rugby ties, as Peterboro's entry in that series, though sent in in time for last Saturday's meeting, was received too late. Toronto Rugby Club.

A meeting of the Toronto Rugby Football committee was held Saturday afternoon in President Massey's office, Temple McMurrich was elected to the vacancy on the committee and F. C. Stevenson chosen captain of the Intermediate team. This team will be selected by a special committee of five. A committee consisting of Messrs. Dick, Bayly and Wood will choose the first team. The club will practice every afternoon this week except Saturday. Vans will leave Yonge-Wellington-streets at 4.30 and 4.45 p. m.

For the Hough Cup.

SEAFORTH, Sept. 23.—Teams of the Ingersoll and Seaforth Collegiate Institutes played here to-day for the Hough Cup. The home players, the present holders of the cup, proved too much for the visitors. Seaforth scored within one minute of kick-off, adding another in about 15 minutes. The next point went to Ingersoll, and at half-time the score stood 2 to 1 in favor of the home boys. In the second half Seaforth added two more and the visitors failed to score. The cup therefore remains with the home team.

Football At Pickering.

PICKERING, Sept. 23.—Greenwood and Gordon, MacKay & Co.'s team played Association football here to-day. Special mention might be made of Ewing and McTaggart for the house and Bowes and Law brothers for Greenwood. The score stood 1 to 0 in favor of Greenwood. M. Gleason and Fred Freeman officiated as umpires and W. J. Marquis as referee.

Prints Beat Drygoods Men.

An interesting game of Association football was played at Centre Island Park Saturday afternoon between teams representing Samson, Kennedy & Co. and The Empire newspaper composing room. The "prints" scored two goals in the first half-time, Till and Grant making the successful shots. In the second-half neither scored, the drygoods men playing an almost entire defence game. For the winners Till, Roberts, Grant and Love put up a good game. The same teams will play again on Saturday next, and the result may be different as the S., K. & Co. team will be strengthened by the addition of several new stars. The Empire team was as follows: Gibson, goal; Malloy and Steep, backs; O'Loughlin and Love, half-backs; Grant, captain; Roberts, Till, Cleghorn and Scott, forwards.

THE ALERTS AGAIN.

Dundas Defeated by 5 to 4—A Splendid Exhibition of Baseball.

DUNDAS, Sept. 23.—A better exhibition of the science of baseball has very seldom been given, even by the International Clubs, than the game played here to-day between the Alerts of London and the Stars of Dundas, being the second game in the championship series.

The features of the game were the playing of Johnson, second-base, Delaney, short-stop, and both outfields, two-baggers by Hiscott and Jones, Davis' home-run and that Dundas made four runs in the ninth innings after two men were out and two strikes were called on the man at bat, and last but not least the entire absence of any kicking or ill-natured remarks. Score:

	R.	H.	E.
Alerts 0 0 0 2 0 0 2 0 1	5	7	7
Dundas 0 0 0 0 0 0 0 0 4	4	5	6

Hiscott, Quinn. Umpire, Dyson.

Thus Dundas is out of the competition and the final games for the Canadian championship will be played as determined to-morrow by the council between Cobourg and the Alerts unless that body approves of Galt's protest against Dundas, and of this there is little probability.

IVES WINS THE MATCH.

Roberts Nearly 700 Points Behind in the Six Nights' Play.

CHICAGO, Sept. 24.—The final game in the six nights' match between Ives of Chicago and Roberts of London was played last night before 2000 spectators, the American being declared the winner of the game and the week's contest amid much enthusiasm. Ives began play with the balls as they were left last night, but scored only 17, Roberts following with 20. In the sixth the latter left a set-up and Ives ran 170, the score being Ives 200, Roberts 42. Then the Englishman responded with 78 buttons. In the seventeenth he reached 72 with a total of 228 to Ives' 286. Play was slow. In the twenty-eighth inning Ives ran 81 and Roberts scored 48, leaving the balls on the rail for Ives. The score was: Ives 434, Roberts 358. Then Ives took the balls and made the biggest run of the match, scoring until he reached 432, the best previous run being 308. The score then stood: Ives 866, Roberts 370. In the thirty-second it was Ives 945, Roberts 372, yet the Englishman played great billiards in the last inning and passed his own best score with 166. This left the score: Ives 963, Roberts 538. Ives then ran out with 35. The grand total was Ives 6000, Roberts 5303.

Games will be played afternoons and evenings. 1000 points each day, except Saturday, when 2000 points will be played. The conditions will be the same as in the present match, except that the pockets will be 3 5-8 inches. The match will be for $1000 a side and the gate receipts.

MITCHELL WILL FIGHT.

He Signed the Agreement to Fight at the Coney Island Club for $40,000.

NEW YORK, Sept. 24.—At the Hoffman House yesterday afternoon Charley Mitchell signed articles of agreement with the Coney Island A. C. to box James J. Corbett for the championship of the world and a purse of $40,000 on or about Dec. 18 next. The articles do not differ in any essential respect from those signed by William A. Brady representing Corbett in the Coleman House July 12.

One thing that Mitchell objected to was the presence of the referee in the ring. He could not see the necessity of it, he said.

Brady was at the Hoffman House just before the negotiations were concluded. He took no active part, although he had a brief private conversation with Judge Newton.

The necessity for new articles lay in the fact that the principles are now doing business; or in other words making a contract with the Coney Island A.A.C. Heretofore when both their signatures were attached, it was an affair between themselves, with the club still to be heard from.

Jim Hall was an interested spectator of the proceedings. He had just arrived on the Paris. Mitchell and he appeared friendly, although there was talk that they had a row in England before Mitchell sailed.

Fighting at Coney Island may be suppressed. The preliminary talk over the proposed contest for Coney Island has aroused indignation among a certain element in Brooklyn and the county authorities may step in and prevent the heavyweight contest from taking place. It is hinted that the churches will unite in the matter and appeal to Governor Flower for aid.

Matchmaker Newton of the Coney Island club evidently has no doubt that his organization can safely conduct the fight.

Yesterday morning Mitchell, in company with his trainer, Harry Darrin, took several spins around the reservoir in Central Park. Mitchell wore a white sweater and spiked running shoes. After a thorough rub down he found that he was several pounds lighter. He intends to keep this mode of training up until he begins vigorous work.

Mitchell received word yesterday that his 6-months old baby was dead. The little one died from blood poisoning, as a result of being vaccinated. The news affected Mitchell deeply and caused him to be dispirited and downcast all day. Mitchell expects to leave for Chicago next week. He wants to see the World's Fair.

Abbott and Bowen to Fight.

NEW ORLEANS, LA., Sept. 23.—The match between Stanton Abbott of England and Andy Bowen of New Orleans, which fell through because of the inability of the Crescent City Club to carry out its contracts, has been arranged to take place before the Olympic Club for $2500, with $300 to Abbott for expenses. The contest will take place the latter part of October.

Mitchell Will Fight Dec. 18.

NEW YORK, Sept. 22.—Charlie Mitchell, England's boxing champion, has decided to fight James J. Corbett, champion of the world, before the Coney Island Athletic Club on or about Monday, Dec. 18, for a purse of $40,000.

A POPULAR CRICKETER.

Rev. Mr. Terry's Double Presentation—A Bat and a Bag.

A very pleasing incident occurred on Saturday afternoon after the Parkdale-Norway match.

As soon as the game had been won the Parkdale president invited both teams to partake of his hospitality, and after full justice had been done to the loving cup Capt. Chambers informed those present of the pleasant duty he had to perform, which was the presentation to Mr. Terry of a handsome leather cricket bag by the members of the Parkdale eleven as a small token of the esteem in which they held that gentleman. Mr. Chambers made a very happy speech, and Mr. Terry's reply showed that he felt very deeply the kind feelings shown by the western eleven.

After the presentation Mr. Hall, on behalf of the Canadian Association, presented Mr. Terry with a bat suitably inscribed, for his grand performance against the United States eleven, and also the ball which he had knocked to all parts of the Rosedale ground on that memorable occasion.

Mr. Terry again replied in most feeling terms and informed those present that he sincerely hoped very soon to have the pleasure of once more wielding the willow on the green fields of Ontario. He leaves shortly for his parish in Alberta, N.W.T.

Oldfield Took All Parkdale's Wickets.

Parkdale and Norway met on Exhibition lawn Saturday, the western club scoring their 21st success during the now ending season. Both Clark and Oldfield bowled well, and Hall and Parker made the only stand for their respective teams. Scores:

Pickering Defeats Scarboro.

PICKERING, Sept. 23.—A game of cricket was played here to-day between Scarboro Village and the home team, resulting in a victory for Pickering by 14 runs, 69 to 55. T. Ormerod and Thompson made 19 and 11 for Scarboro and Margach, Willis and Richardson 20, 16 and 12 respectively for Pickering.

WINDLE BEATS SANGER.

But Only By Six Inches—Zimmerman Not in Shape and Only Starts Once.

PHILADELPHIA, Sept. 23.—The most successful bicycle meet, both from a financial and racing standpoint, that has ever been held in Philadelphia was the international tournament on the Tioga track this afternoon. It was under the auspices of the Associated Cycle Clubs, and the attendance is estimated at 8000. Zimmerman had not fully recovered from the effects of his recent accident at Baltimore and he only started in one event, the two-mile handicap. He won easily. The prettiest race of the day was the one mile international championship. G. A. Banker gained a lead of 75 yards on the field and looked like a sure winner, but by great spurts Windle, Sanger and Dirnberger caught him and a terrific pace was set for the finish. Windle and Sanger came down the course abreast and crossed the line so closely that the judges hesitated before announcing their decision. Finally it was given out that Windle had won by six inches. The time, 2.18 2-5, is the fastest by five seconds that has ever been made in competition on the track. In a preliminary heat of the one mile 2.50 class J. Lindley, Mercer County Wheelmen, Trenton, N.J., was thrown to the ground by the wheel breaking and received a concussion of the brain. Summary:

One Third Mile, Championship—H C Tyler, Springfield B C, 1; M F Dirnberger, P C C, Buffalo, 2; E O Bald, P C C, 3. Time 43.2-5.

One Mile, 2.50 Class—George M. Coates, 1; C H Measure, 2; L J Wyckoff, 3. Time 2.57.

One Mile International Championship—W W Windle, 1; W C Sanger, 2; M F Dirnberger, 3. Time 2.18 2-5.

Wheeler Beats Schofield.

NEW YORK, Sept. 23.—The feature of to-day's meeting of the cash prize league was the improved form shown by Schofield, the English record holder. Having really tested Wheeler's ability for the first time, the Englishman seems to have no great faith in the Jerseyman's alleged invincibility, and at once announced himself ready to ride a match race for $1000 a side. Wheeler accepted the challenge, and it is probable the N.C.A. cracks will meet at Manhattan Field, Oct. 7, in a best three out of five series. The finals resulted as follows:

One mile open—H C Wheeler, 1; J W Schofield, 2; O W Frian, 3. Time 2.59 4-5.

Two mile handicap—J E Starbuck, 1; H E Bartholomew, 2; J A Newhouse, 3. Time 5.17.

Five mile handicap—H C Wheeler, scratch, 1; C W Sumerage, 80 yards, 2; A B Rich, 50 yards, 3. Time 12.38.

Consolation race, one mile—H Kanaska, 1; C W Ashinger 2; B C Betner, 3. Time, 2.44 3-5.

Giving the Capitals a victory over the Shamrocks on Saturday and the season in the Senior Lacrosse League is ended as far as the championship is concerned with the standing as follows:

Shamrocks Protest the Match.

MONTREAL, Sept. 24.—The Shamrocks intend protesting yesterday's big match with the Capitals on the ground that the two hours' time fixed by the constitution of the league were not played out. When the Capitals had scored three games to the Shamrocks' two there remained eight and a half minutes to play out. By this time it was nearly dark and it was almost impossible to distinguish the rubber on the field. Referee William Aird, however, decided that the teams had to play out the remaining eight and a half minutes, and the teams were again called upon the field. By this time the moon had risen. The players did their best under the circumstances and the time had almost expired when a foul was claimed. After the scrap there still remained 2½ minutes to complete the two hours' time, and on this ground the Shamrocks intend to protest the match. The referee has not given the match to the Capitals, and the decision will be left to the council of the league, which will have to decide whether the Capitals are entitled to the match or whether the failure to play out the time required by the constitution invalidates the match. In the latter event the two and a half minutes will have to be played out, or another match may be agreed upon. In the meantime all bets are in abeyance and the pool rooms refuse to pay any bets.

Their Excellencies Saw the Vics Win.

QUEBEC, Sept. 23.—The lacrosse match between Quebec and the Victorias, which was played before Lord and Lady Aberdeen this afternoon, was a most interesting one. At 2.30 His Lordship, accompanied by his aide-de-camp, walked to the teams, which had lined up, and addressed them. He spoke feelingly, reminding them of their respective duties, then, taking hold of the ball, he placed it on the line, giving at the same time the command "play," and the game began very hotly. Lady Aberdeen took a keen interest in the game. The Victorias won, 6 to 3.

Lacrosse Points.

The Lornes defaulted to the Elms on Saturday afternoon at Rosedale. This leaves the Orioles and Elms to play off for the championship.

The Hawthornes and Victors played a lacrosse match on the Victors' grounds on Saturday afternoon, the Hawthornes winning by 3 games to none. They now claim the juvenile championship of the city and will stand ready to defend it at any time.

The Wellingtons defaulted to the Orioles in the Junior League series Saturday afternoon.

No Bets Paid.

The World's correspondent at Montreal wires: After the disgraceful row yesterday at the lacrosse match there were two minutes to play, but the referee having blown his whistle, it was supposed the game was over. Mr. Aird, the referee, disappeared without giving a decision, but it is learned to-day that he refers the decision as to who won the match to the committee of management. A meeting will have to be held to settle the matter and in the meantime holders are not paying bets.

Dukes Defeat St. Michael's.

St. Michael's students opened their fall season on the diamond Saturday in a game with the Dukes on the college grounds. The collegians showed up well against the Central League champions, although not having previously practised together, but were beaten by 1 to 6. Blake's two-bagger for the Dukes was the only big hit of the game. Score:

Directum and Flying Jib Both Fail.

ST. JOSEPH, Mo., Sept. 23.—Twenty-five thousand people assembled at the St. Joseph track to-day to see Directum attempt to lower the world's record of 2.06¼. The track was heavy and a strong wind interfered. The flyer covered the distance with remarkable rapidity, and shot under the wire in 2.05¾. Flying Jib made another effort against the world's pacing record of 2.04, but owing to the heavy track 2.08 was the best he could do.

The first racing event was the unfinished 2.23 trot, which was won by Bethel, Brazil 2, Chimes Boy 3. Best time 2.20.

2.25 class, trotting, 4-year-olds, stake $3000—Aunt Delilah 1, Alamito, 2, Grace Simmons 3. Best time 3.31¾.

Third race, 2.30 class, pacing; stake $2000—May Marshall 1, Zelpha Burns 2, Ed. Easton 3. Best time 2.15¾.

In the three heats of the 2.28 trot, stake $2000, Lady Robert, Charlie C, and Courier each won a heat, when the race was postponed until Monday on account of darkness. Best time 2.17¾.

Darkness also stopped the yearling trot after Ataline and Pansy McGregor had each won a heat. Best time 2.38.
