CRAMP AND PAIN KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN For the cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Stitches in the Back, Side or Limbs—Cramp in the Limbs or Stomach—Darting Pains, Bilious Cholic, Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many truly surprising cures in cases of the foregoing complaints, [illegible]

We submit particular [illegible] in the form. Neither does it contain Camphor.

It is free from any deleterious article, and cannot, in any [illegible] injure the patient.

It [illegible] deaden the Life Faculties, nor produce the burning, drying, parching sensations, so much complained of in the use of other "Pain Killers."

It does not weaken the peristaltic motion of the bowels, producing Costiveness and its attendant evils, but is promoter of digestion, and of proper and healthy action in the stomach and intestine canal.

IN ALL RHEUMATIC AFFECTIONS.

Local Pains, &c., it has proved surprisingly successful, rarely failing to cure, even in the most desperate and long standing cases. (See Certificate.) In these cases, the parts affected should be freely bathed, and then rubbed lightly, but briskly—not hard enough to hurt the patient, till an irritation is produced on the surface; and in severe cases the patient should take half a teaspoonful on sugar [illegible].

CRAMP IN THE STOMACH, OR BILIOUS CHOLIC.

We believe it will never fail to speedily cure. It should be a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not find relief, repeat the dose.

DYSENTERY OR DIARRHŒA

Are speedily and easily cured by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA,

Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case, where it has been early and faithfully applied. In Bangor, where it proved singularly fatal, it was found to yield to this remedy, and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the first Physicians, and by the Press, as the first, the surest remedy to be used.

As a dressing for *Cuts, Wounds, Bruises, &c.*, it is without a rival. As also in cases of *Burns, Scalds, Frozen, &c.*—relieving the pain and healing without scar.

FOR TOOTHACHE

It is, nine times out of ten, a *CURE*. We believe it will never fail, unless the tooth is ulcerated. If the tooth is hollow, saturate a little lint and put it in the cavity. Hold some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it is generally a cure for the *Headache.*

We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, and in pamphlets, which may be obtained of any of our agents.

P. S.—It is the best *HORSE AND OX LINIMENT* in the world.

Please read the following statement from John Bucknam, Esq., of Dixmont, Me.:—

DIXMONT, July 11, 1849.

Messrs. Curtis & Perkins,—For two years past I have been entirely prostrated with the Rheumatism; both of my knees were swelled to twice their original size—a large bunch came out on my breast bone, appearing like a part of the bone thrown out. Another bone was thrown out of my wrist. In short, I endured the most excruciating pains for nearly three years. I obtained the best medical attendance the country afforded, and tried a great number of medicines and prescriptions, without the least benefit or alleviation, when I had the good fortune to procure a bottle of Cramp and Pain Killer, prepared by Messrs. Curtis & Perkins, of Bangor. Soon after taking it I found I could get some rest nights, and the pain became less violent. I have continued to take it and apply it externally, until I have used eight bottles. I took much larger quantities than was recommended.—The swelling has all gone down, both in my limbs and breast, and I am entirely relieved from pain. I have been able to do a good day's work at any time for the last three months, for a man of my age. No description of my case can convey the vast amount of benefit I have received from this article. I believe it is the best article in the world for Rheumatism. I have also used it for cholic and pain in the stomach, and always found immediate relief.

SILKY AND GLOSSY HAIR.

From the New York Mirror.

Of all preparations, oily or spirituous, for the hair, give us *Bogle's Hyperion Fluid.* It is properly named Hyperion, for as that shining old Titan, who, ladies and gentlemen, was nobody but the Sun, threw, at his rising, his radiant locks over the summits of the earth, so Bogle's magical fluid produces a crop of silky and glossy hair upon the most obdurate human head. For dandruff, and all similar affections of the head, it is a sovereign remedy. With all this, it is an agreeable perfume, and otherwise a most useful article for the purpose of the toilet. Buy it and try it. 225

OVERWHELMING TESTIMONIES

OVER HALF A MILLION OF TESTIMONIES have been received by the proprietors of M'ALLISTER'S ALL-HEALING OINTMENT, From Physicians the most skillful and celebrated, from Counsellors learned in the Law, from Judges of celebrity on the Bench, from Ministers of the Gospel, whose [illegible] Merchants, and from those of every station, name and degree among mankind—all of which, without one dissenting objection, pronounce this Ointment to be INFALLIBLE in the cure of Tumors, Ulcers, Sores, Burns, Tetter, Piles, Scrofula, Erysipelas, Chilblains, Scald Head, Sore Eyes, Quinsy, Croup, Rheumatism, Broken Breast, Ague in the Face, Corns, &c. It completely restores the INSENSIBLE PERSPIRATION, and by this means opens those avenues by which nature intended to expel the morbid matter of the body—thus is the system cleansed, the blood purified, and the health restored.

It has power to cause all external Sores, Scrofulous Humors, Skin Diseases, and Poisonous Wounds, to discharge their putrid matter, and then heal them, and will certainly be found to be efficient and certain.

JOY TO THE BED-RIDDEN.

A VALUABLE DISCOVERY FOR *THE INSTANT CURE OF PAIN.*

RADWAY'S READY RELIEF

Cures the worst diseases in Minutes and Hours, and stops the most cruel pangs of pain in Seconds.

SO quick and efficient is RADWAY'S READY RELIEF, in stopping pain and curing disease, that it has frequently raised the diseased and helpless invalid from a bed of sickness in a few hours. It has frequently cured the worst pains of—

Rheumatism	In four hours.
Neuralgia	In twenty minutes.
Tic Doloreux	In ten minutes.
Toothache	In three seconds.
Nervous Headache	In fifteen minutes.
Sore Stomach	In five minutes.
Bowel Complaints	In thirty-five minutes.
Cramps and Spasms	In twenty-five minutes.
Cholera	In one hour.
Inflammation of the Bowels	In thirty minutes.
Local Inflammations	In ten minutes.
Influenza	In twelve hours.
Headaches	In ten hours.

Spinal Complaints, Swellings, Bruises, Sores, Wounds, &c. it will remove ten times quicker than any other remedy in use.

LET THOSE WHO SUFFER TRY IT!

It will prove itself in a few minutes. As soon as it is taken internally, or applied externally, its beneficial effects are seen. It is better than all other remedies.

HERE IS THE PROOF.

There is no other remedy that claims to subdue the cruel pangs of pain in seconds, minutes, or even hours. They require the patient to use dose after dose before a favorable change is promised. Not so with Radway's Ready Relief. Its effects are instantaneous; the first dose that is taken, or the first external application commences its great work of relief from pain.

BEAR IN MIND,

That Radway's Ready Relief will cure either of the above-mentioned Diseases in one-tenth the time it takes any other Remedy to give even Partial Relief.

TAKING COLD.

This sentence is constantly in the mouth of every person, in order to explain certain complaints. Those who use it often, we think, have but a faint idea of its precise meaning. We will offer an explanation, which we believe to be the opinion of a majority of the most learned physicians. A person, for instance, has been over exerting any particular set of muscles—of the throat, from violent speaking—of the loins, by too much stooping or bending, or these or any other part of the body; these parts or muscles are, consequently, weakened and relaxed, and become a fair prey for any disease. The person who has been thus acting, accidentally or otherwise, exposes himself to the cold air, the perspiration immediately ceases, and the blood, which had been but just now circulating rapidly throughout the surface of the body, is repelled inwardly, and is sure to settle in those parts which have been previously wearied and relaxed. Here, then, we have an accumulation of blood, a congestion, which gives rise to all the pain and stiffness attendant upon such complaint. When this takes place in the throat, we have what is called Sore Throat; when in the loins, Lumbago or Stiff Back; when in the chest, Pleurisy. We also have it in the shoulder-blade, side, and other parts.

RADWAY'S READY RELIEF,

Taken Internally and applied Externally.

Its first action, when freely applied, is to blunt the acute sensibilities of the nerves, and almost instantly relieves the pain; its secondary action is to excite perspiration, and redden the parts over which it is applied almost to a glow, thereby determining the blood from the injured parts to the surface. In these cases, the READY RELIEF should be applied freely, at the same time rubbing the parts with a piece of flannel, and it will be found in every case to give immediate and permanent relief.

N.B.—If convenient, a piece of flannel saturated with the RELIEF, and tied or pinned around the parts, does good service.

A BAD COUGH CURED IN TEN MINUTES.

Mr. Rigdon, of Brooklyn, the celebrated Church Singer and Organ-Player, on the night of the 10th of December was attacked with a severe fit of coughing—so that he coughed from 9 o'clock until 12 o'clock, P. M., without three minutes intermission. One of the Clerks of Radway & Co., who sleeps in the next room, got up and gave him a tea-spoonful of the Relief internally, and bathed his throat, neck, and chest; he also saturated a piece of flannel with the Relief, and laid it over his chest. In a few seconds the coughing ceased, he could expectorate freely, and raised with perfect ease a great quantity of phlegm. The Relief instantly soothed the irritation of the throat, and removed the inflammation from the lungs, and gave free action to them, produced a free and copious perspiration of the throat and chest; and in ten minutes he was entirely free from pain, and sunk into a sound and pleasant sleep. In the morning he was free from hoarseness and cough, and has not been troubled since. Let every individual who is troubled with a cough, sore throat, influenza, or hoarseness, pursue the same plan, and we will warrant them a speedy cure.

LAMENESS.

If you have a stiff joint, a wrenched limb, a swelled leg, a bruise, or any thing short of a broken bone, Radway's Ready Relief will cure you. The lame have been restored to the free use of their limbs by a few applications of the Relief. The cripple, who has limped from spot to spot upon his crutch, has been relieved of his painful afflictions, and enabled to stand erect, as God designed that Man should stand, by a few times using the Relief.

THE RHEUMATIC.

Who has been bed-ridden for years, shut out from the busy world, and lingered with pain upon a couch of sickness, deprived of the society of friends, and of the pleasures of life, has been *raised from a lingering death* by the soothing, healing, and pain-relieving influence of Radway's Ready Relief. In all cases of Rheumatism—even the worst cases—one trial of Radway's Ready Relief will prove its superiority over all other remedies in use.

BLEEDING AND BLIND PILES.

Are instantly [illegible] by taking the Ready Relief internally—say a tea-spoonful of [illegible] Relief in a table-spoonful of Molasses, and make a Cream [illegible] Relief, by adding to it Sweet Oil, and anoint the parts affected. If the sores are very bad, take a leaf of tobacco, dip it in warm water, then wet it with the Relief, and lay it on the sores. [illegible] will have immediate relief and a speedy cure.

[illegible] YOUTH.

Radway's Ready Relief renews the vigor of youth in old age. The old man of seventy is invigorated by its strengthening and exhilarating effects; it arouses the vital energies to life—the heavy and languid motion of the functions of the body is quickened to a healthy action—and the hitherto dull and mopish old man becomes active and vigorous in old age, and his life prolonged to the full number of his days.

FOR ALL PAINS.

Whether internal or external, take Radway's Relief, or apply it externally, it will relieve pain and cure disease quicker than any remedy in use.

RHEUMATISM CURED IN TWO HOURS.

Mr. Jones, of Clifton, Va., writes:—A lady in this place has been confined to her room for four months with Rheumatism; she purchased a bottle of Radway's Ready Relief—in two hours she was able to leave the room, and in the evening she walked out.

MINERAL WATERS

OF POINT DU JOUR, PARISH OF L'ASSOMPTION.

THESE truly valuable WATERS are distinguished for the large quantity of Bromine and Iodine they contain, and are acknowledged superior to all other Medicinal Waters. They are the most agreeable refreshment of the description that have yet appeared. They can be used cold to the greatest degree in the most oppressive heat of Summer, and that without altering or affecting injuriously the health of the person using them; upon the contrary, they are found to improve and strengthen. The large number of cures effected by the use of the above Waters, enable us to recommend them to the public as an excellent remedy in a very great number of cases. The names of a few only of the persons of celebrity, who have given their written recommendation of the Waters, are here given. These, however, show the happy results arising from their application:—

R. Evq de Kingston,	A. Nelson, M. D.,
Jos. M. Belanger, Ptr.,	J. B. Meilleur, M. D.,
P. C. A. Munro, M. D.,	A. E. Regnier, M. D.,
Amable Simard, M. D.,	A. Rollin, M. D.,
L. G. Cazeneuve, M. D.,	C. Sabourin, M. D.,
E. H. Trudel, M. D.,	F. L. Genand, M. D.,
W. Nelson, M. D.,	F. H. Latour, M. D.,
R. L. Macdonnell, M. D.,	T. Ed'Orsonnens, MD.
G. B. Bibaud, M. D.,	Dr. Dorion.

Persons who have not received the little volume containing these certificates at length, can obtain it at the Depots, where the Waters are Sold; by reading it, they will feel convinced that they have effected wonderful cures in various cases, and that they have been found superior to all others.

RIVIERE DES PRAIRIES, March 1, 1850.

SIR,—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I must inform you, that I have used them medicinally at their Source, and have found them highly salubrious. I was at the time so affected by consequences of a severe disease of the Digestive Organs, that my Physician judged it right to suspend for a time all active remedies, even for the repression of Dyspepsia and an absolute Retention of the Bowels, under both of which I was suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, as being the nearest. I was at the time so weak, that it was with difficulty I kept my feet. However, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, and agreeable in the taste—taken in a large dose they are strongly laxative, but their purgative properties are unattended with gripings,—those even who have been using them have not been weakened or enervated in their constitution in consequence; upon the contrary, by using them they find their appetite increased, and their digestion rendered more regular. After a dose of 3 or 4 four glasses, I found that they had the effect of increasing the urinary secretions at first, and that these decreased in the same proportion that the alvine secretions increased. The action of the nervous and sanguinary systems were thereby moderately augmented, and, instead of finding myself morose and sad as I had been during some days before then, I perceived myself involuntarily disposed to pleasure and gaiety. Many who, in the same circumstances, made use of the Waters by the recommendation of Dr. Cazeneuve, experienced the same effects. To conclude, I am of opinion, in conformity with the Analysis made by T. S. Hunt, Esq., that Physicians might employ it successfully in the same diseases for which the Plantagenet Waters are so judiciously recommended.

Yours, respectfully, AMABLE SIMARD, M. D.

SIR,—I observe with pleasure that the Mineral Waters at their source at Point du Jour, Parish of the Assomption, (L'Assomption,) are acquiring the celebrity they deserve. For myself, who am, perhaps, one of the first that alluded to them in the newspapers, in the year 1836, I can testify, that since then I have had occasion to try various Mineral Waters, nevertheless I have never doubted that the preference must be given to those of Point du Jour—having myself had much experience.

Prices, 7½d. per gallon, and 2s. the dozen, (in bottles.) [illegible] unable to pay for it, can have some gratis, by producing a certificate from their Physician, since [illegible] are unwilling that any should be deprived of these healing and wonderful Waters, prepared by Providence for his creatures, which are apparently designed for the [illegible] of many protracted and dangerous diseases.

TO THE LADIES.

THE GENUINE BALM OF COLUMBIA FOR RESTORING THE HAIR.

"Long hair is a glory to woman," says Paul,
And all feel the truth of the pious quotation;
Preserve it then, ladies—your glory may fall,
Unless you protect it with this preparation.

If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness, it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of this balm. Age, state, or condition appears to be no obstacle whatever; it also causes the fluid to flow with which the delicate hair tube is filled, by which means thousands (whose hair was gray as the Asiatic eagle) have had their hair restored to its natural color by this invaluable remedy. In all cases of fever it will be found the most pleasant wash that can be used.—A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a rich glossy appearance, and as a perfume for the toilet it is unequalled. It holds three times as much as other miscalled hair restoratives, and is more effectual.

CAUTION.—Never buy it unless you find the name of Comstock & Co., Proprietors, on the wrapper of each bottle, or you are cheated with a counterfeit article.

This remarkable curative possesses many virtues never found in any other article. It has the most perfect power over all pains by fire, positively allaying the suffering almost immediately upon its application. If any disbelieve the statements, we would earnestly invite them to call and examine the numerous unsolicited certificates of remarkable cures wrought by this salve. It has for months past been sold upon the following liberal terms, to wit:—If the user was not perfectly satisfied, and even delighted with its effects, and furthermore, if it did not fully answer our recommendations, their money was returned immediately at their request. On these terms this absolute heal-all is now sold; and we simply ask if the public can demand anything more reasonable? Kind parent, keep it constantly on hand; in cases of accident by fire, life may be lost without it; but by its use, all burns are subject to its control, unless the vitals are destroyed. [illegible] unless you find the signature of Comstock & Co. on the wrapper of each box. Beware of the counterfeit.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING.

NEW YORK [illegible]

Dr. Halsey—Dear Sir:—[illegible] Forest Wine and Pills to remove a disease of the Liver, from which I have suffered [illegible] upwards of ten years; and, having adhered to the directions which accompany the Medicines, I have recovered my health, [illegible] who knew me thought my case incurable. Previous to taking the Wine and Pills, I [illegible] to the best medical treatment, but [illegible] grow worse to an alarming degree [illegible] friends spoke despairingly of my case and [illegible] to persuade me from making use of any [illegible] remedies; and, I doubt not, but [illegible] humbug's who are dissuaded from taking your excellent Medicines, in consequence of the [illegible] and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is that the deception used by others should be the means of [illegible] many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them I was in a wretched condition, but began to experience their good effects in less than three days; and, in six weeks from the time I purchased the Medicine, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies!

Yours, &c., JAMES W[illegible].

Dr. David Marvin, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of Sarsaparilla. Messrs. S. S. Lampman & Co., the largest and most respectable druggists in Syracuse, in a letter, say:—"From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good Medicine, and will, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

Seven hundred Certificates from Physicians, Clergymen, and individuals of known respectability, have been given, testifying to the great curative properties of *Dr. Halsey's Forest Wine and Pills.* Among them is the cure of Mr. John Syme, of 525 Pearl Street, New York, cured of Affection of the Liver and bad Cough, after having been given over by his Physicians, who pronounced his disease seated Consumption. A child of Mr. William Bowers, Broadway, New York, who had been dreadfully afflicted with Scrofula, of four years standing, cured in less than six weeks time. Mary J. Brown, daughter of the Rev. James R. Brown, of Disease of the Heart and Incipient Consumption. Others of Jaundice, others of Piles, others of General Debility, others of Gravel, Female Complaints, &c., &c.
