The Rothschilds of Paris have advanced 30,000,000 reals ($3,750,000) to Spain.

The London *Times* considers the political position in which President Grant is placed at this time, reduces the importance of his message to narrow limits. It says that no intervention in Cuban matters in Great Britain is probable.

The Bishop of Urgel, Spain, lately a hot adherent of Don Carlos, has written a letter announcing his abandonment of the Carlist cause and stating he had advised Don Alphonso to take the same course. He declares that he will remain in his diocese even if Republicans gain possession.

NEW YORK, Dec. 8, p. m.

Gold declined from 11¼ to 10¾. Exchange unchanged.

A later report states that the negroes lost 10 killed in the Vicksburg trouble. Reinforcements are flocking to each side and another assault is expected to-night.

The Mexican Congress is debating a bill restricting the powers of the Roman Catholic church, one clause of which provides for the complete separation of the Church and State.

Amendments to Mexican constitution making changes in Congress and creating a Senate having passed Congress were solemnly promulgated as the law of the land on Dec. 3.

Brydges on Railway Contractors.

OTTAWA, Dec. 9.

Brydges has submitted his report to the Government in reference to the Intercolonial railway, and finds that Messrs. Reynolds, Fraser & Co. have been charging the Government exorbitant prices for goods supplied the road. He claims that $28,000 has been improperly charged the Government over the market value of the goods, and after showing the exorbitant rates by an examination of Reynolds, Fraser & Co.'s accounts and comparing them with other prices, concludes his report as follows: "If these are samples of the prices which were paid for other articles supplied the Intercolonial Railway, it is certainly not surprising that the cost of working the Railway has been enormous."

THE ILLUSTRATED LIBRARY —OF— POETRY AND SONG!

Edited by

DR. J. G. HOLLAND,

Author of "Kathrina," "Bitter Sweet," etc.

FAVORITE SONG is a royal octavo volume of over 700 PAGES, printed in the best style of the art, on the finest tinted paper, and illustrated with 125 thoroughly dainty and delicate engravings, FROM ORIGINAL DESIGNS, by the most eminent artists, together with fac similes of the original autograph copies of (20) famous poems.

The illustrations are numerous and exquisitely wrought. What can be more beautiful than the one which reflects the enchanting spot where—

"Maud Muller, on a summer's day,
Raked the meadows sweet with hay;"

One of those lovely New England landscapes, which the engraver has represented in outlines as beautiful and artistic as the song it adorns.

Conspicuous, also, for its rare beauty, is the illustration accompanying the "Song of the Brook," where the streamlet, dashing beneath the rustic bridge, goes chattering

"Over stony ways,
In little sharps and trebles,"
* * * * * *
"Till last by Philip's farm it flows,
To join the brimming river."

Altogether, this is one of the most charming and elegant books ever issued by the American press—a fitting gift for lover or friend; an attractive ornament for the parlor table; a valuable addition to any family library.
