WHERE IS STOUFFVILLE'S CASH?

Sporting Editor World: Your issue of to-day contains a report from Stouffville stating that a supporter of the Stouffville Lacrosse Club has issued a challenge to the Markham Lacrosse Club to play a game for a $50 cup and a side bet of $200 to $500.

I wish to state that this is the only intimation we have had of it, and that we are prepared to talk business just as soon as the cash is deposited in the hands of any recognized sporting authority in Toronto.

We are not looking for newspaper notoriety or cheap advertising, and would not have noticed the above, but for the fact that it conveys a false impression that a challenge had been issued.

THE FOOTBALL SEASON ON

Many Ontario Rugby Union Games Scheduled for To-Day.

Royal Military College Play at Trinity, Varsity II. and Toronto A. C. II. Meet at Rosedale, and the Lornes and Varsity Juniors Mix Up on the Lawn—Toronto Seniors Tackle the Tigers at Hamilton.

The Ontario Rugby Union's annual championship contests in three series begin to-day. Toronto will have plenty of matches, senior, intermediate and junior teams being scheduled to meet in local fields.

The Royal Military College fifteen of Kingston play at Trinity University, 'Varsity II. and Toronto A. C. II. meet at Rosedale and 'Varsity III. and Lornes II. mix up on the lawn. The only Toronto club to play an out-of-town game is the T.A.C. team. They go to Hamilton to open up with the Tigers, and although they were quite sanguine of victory a few days ago the best they hope for now is to keep the score down and pull out a week later, when the teams meet again at Rosedale.

It should be remembered that the first round consists of home-and-home matches, the team scoring a majority of points in both to go into the next round. In the intermediate series, Hamilton II. and Queen's II. have already withdrawn, placing St. Catharines and Kingston in the next round. Trinity had the junior bye, but also withdrew. Thus, the games left to be played to-day are as follows:

Senior series—Royal Military College v. Trinity, on the Trinity campus; Kingston v. Queen's, at Kingston; Toronto Athletic Club v. Hamilton, at Hamilton; Varsity a bye.

Intermediate series—'Varsity II. v. Toronto A.C. II., at Rosedale; Cornwall v. Brockville, at Cornwall; Petrolea v. London, at London; Lornes, a bye.

Junior series—Varsity III. v. Lornes II., on the University Lawn; Hamilton III. v. Y.M.C.A., at Hamilton; Petrolea II. v. London II., at London; Brockville II. v. Granites, at Brockville.

TORONTO OR THE TIGERS.

The T.A.C. team leave at noon for Hamilton. The teams that will start the game are:

Hamilton—Barger, back; G. Ryckman, Southam and Wylie, halves; Fox, quarter; R. Ryckman, Irvine and Young, scrimmage; McIlroy, Dewar, Hamilton, Lightbourne, Maxwell, Marshall and Martin, wings; spares, Harvey and Billings.

Toronto Athletics—Male, back; Whitehead, Gilmour and Boyd, halves; Cartwright, quarter; Lamothe, Wright, Love, scrimmage; Kingston, Osler, Moss, left wing; Flood, Vankoughnet, Glassco, Macdonald, right wing; spare, Carruthers.

THE OTTAWA STRUGGLE.

Ottawa, Oct. 9.—The Ottawa City team that will meet the 'Varsity fifteen on the college grounds to-morrow afternoon will include McGiverin of last year's Hamilton Tigers, who has taken up his residence in the Capital. McGiverin practiced with the Ottawa kickers yesterday. He is not in the best of shape, but his work showed that he will be an acquisition to the team.

The college men are in the best possible shape for the struggle, which they expect will be the greatest in the history of the city. They have not yet decided as to whether they will play Lafleur, who was a member of the Hull professional baseball club last season. If Lafleur is on the college team it is pretty certain that he will be protested.

VARSITY AND THE LORNES.

This afternoon on the Bloor-street grounds, starting at 3.30, the Lornes and Varsity Seniors will play an exhibition match. The Lornes will play the same team that so cleverly held the T.A.C. team down to the small score of 5—0 on Thanksgiving last, while Varsity will play their best team, and as both fifteens are in good condition, the match is sure to be an interesting one. The teams will be:

Lornes—Cosby, Gale, Eby, Argles, McMurrich, Linton, Mullen, Duggan, McMurrich, Jellett, Passmore, Brown, Woodbridge, Ponton, Winnes.

Varsity—Back, Gibson; halves, Kingston, Counsell, Boyd; quarter, Hobbs; scrimmage, Mallock, Dodds, Sanderson; wings, McKenzie, Sellery, Elliott, McDougall, White, Burnside, Barr (captain).

INTERMEDIATES AT ROSEDALE.

Varsity II. and T.A.C. II. play at Rosedale, the game to start at 3.30. The teams will be:

Toronto A.C.—Back, Stevenson; halves, Montgomery, Merritt, Francis; quarter, Holmstead; scrimmage, King, Loosemore, Stacey; wings, Hedley, McLean, Pemberton, Jones, McKay, Denison, P. Boyd, Tucker.

Varsity II.—Back, Sanderson; halves, Barron, Morrison, Jackson; quarter, Woodworth; scrimmage, Douglass, Parry, Smith; wings, Sellery, Tanner, Anderson, Ansley, Scott, Montizambert, Andrus; spare, Hind, Gzowski. The van leaves the gymnasium at 2 o'clock.

LORNE AND VARSITY JUNIORS.

A lively struggle will likely ensue between the juniors in the first round for the championship, to start at 3 o'clock. The teams:

Varsity Juniors—Back, McMordie; halves, Benson, McDougall, McWilliams; quarter, Harcourt; scrimmage, Henry, Armour (captain), Smith; wings, Gillespie, Mullin, Harris, Ross, Greer, Macdougall, Henderson.

Lorne Juniors—Back, Sims; halves, Anderson, Moore, Jackes; quarter, Palmer (captain); scrimmage, Helliwell, McGaw, Kent; wings, Stowe, McGregor, Lash, Sprague, Labatt, Young, Wright; spare, Leach, Jones.

TRINITY AND THE SOLDIERS.

The Union selected Ed Bayly to referee the senior match between Trinity and the Royal Military College, which takes place on the Trinity campus this afternoon. He refused, and A. F. R. Martin was chosen. Trinity has a well-assorted team, and, although totally without practice, as far as matches are concerned, the red and black hope to pull out victorious. Trinity's team will consist of the following players:

Bushell, Campbell, J W Cooper, W H Cooper, Parmenter, Dean, Southam, Curran, Senkler, Goldsmith, H H Jones, White, Chadwick, Bedford-Jones, N C Jones.

RUGBY NOTES.

Some club members are reminded that they can secure membership tickets from the treasurer at the grounds.

Capt. Barr of Varsity wrenched his leg in practice yesterday, and may not be able to play in to-day's game.

Queen's and the Kingston intermediate team have a practice match to-day on Queen's campus at 3 o'clock.

The Athletic Juniors play the Parkdale Juniors on the latters' grounds this afternoon at 4 o'clock.

A match 24-hour race has been arranged between Louis Grimm of Chicago and Frank Waller the Flying Dutchman, for $1000 a side, to be held at New Orleans during November.

THE DAY AT LEXINGTON.

Senator A. Required One Heat to Wind Up the Transylvania Stake—China Silk's Futurity.

Lexington, Oct. 9.—The Kentucky Futurity, for 2-year-olds, was the attraction today. The weather was warm and the sport first-class. There were several starters in the Futurity, of which China Silk was an odds-on favorite. She was the entry of Marcus Daly, and as she had never lost a heat the talent were certain she would win. She led in both heats all the way round and won in grand style, the second heat in 2.16¼, which is next to the best 2-year-old race of the season. The only thing that could keep within reach of her was the Tennessee colt Preston, he making a very pretty contest, but the filly could move away from him at any point.

The unfinished Transylvania Stake was won in the first heat to-day by Senator A in 2.17.

The favorite, Louis Victor, won the unfinished 2.19 trot in the first heat to-day in 2.16. The 2.15 class trotting was easy for the favorite, Rose Turner. The 2.20 class pacing was unfinished, owing to darkness, after Stella and Eleanor had taken two heats each and Lucy H one heat. Summaries:

CLOSING GAME OF CRICKET

The Australian Tourists are a Big Attraction at Chicago.

They Rolled Up a Total of 235 for Their First Innings, Giffen Carrying Out His Bat for 69—Chicago Went in Again and Made 53 for 8, so They Need 77 to Save an Innings Defeat.

Chicago, Oct. 9.—Play in the Australian—All-Chicago cricket game was resumed this morning in beautiful weather. The attendance was the largest ever seen at a cricket game in Chicago.

Gregory and Darling, the not-outs, resumed their innings at 11.30 o'clock, Henderson and Wilmot having charge of the attack. Darling made a three and completed his half-century, but was bowled by Wilmot in his second over. Gregory returned an easy catch to Henderson, and half the wickets were down for 74. Kelly, after being missed from a hot drive to Wilmot, was well caught at long by Capt. Anson.

Trott and Giffen remained together until the luncheon interval, and on resuming the former sent a hit to Pfeffer, who effected a splendid catch. Graham and Giffen stole a number of short runs. The former jumped out to drive Howell and was bowled. McKibbin stayed for a time, and finally the side was out with a total of 235.

Giffen carried out his bat for a fine innings of 69. The other scores were: Kelly 9, Gregory 4, Trott 36, Eady 9, Graham 27, McKibbin 9, with seven extras. Thus the visitors have a lead of 130 runs.

Chicago went in again, and lost eight wickets for 53 runs, so that they need 77 runs to save a single innings defeat. Eady and McKibbin were destructive, the former getting four wickets for 24 and the latter four for 21. The game will be finished to-morrow, the Australians leaving in the evening for San Francisco.

THE ASSOCIATION GAME.

A football match will take place this afternoon on the Exhibition Grounds between the Invincibles and the Studdies, otherwise known as the married and single men, respectively, of the British America Football Club. Though the boys play a good game, betting is about even.

The third round of the Toronto Association Football League schedule will be played this afternoon on the Old Upper Canada grounds, corner John and Kingstreets. The first game between the Parkdales and Gore Vales will be called at 2.30. As these teams are very evenly matched a hot contest is expected. The second game between the Scots and Riversides commences at 4.30. Admission 15 cents, children free.

The Riversides will be picked from the following players for their match with the Hurons on the old Rosedale grounds to-day at 3.30: Harman, Logan, Booth, Johnson, Smith, Cole, Hoyes, Wellington, Hoyes, Plaxton, Booth, Yeomans, Walker. All players are requested to be on time.

PALMER AND MURPHY.

New York, Oct. 9.—A letter has been received from Johnny Murphy, who is matched to fight Pedlar Palmer for a purse of $300 in the National Sporting Club, London, next Monday. Murphy does not claim he is going to win. He says Palmer is a clever boxer, but is confident he can counter any blow he delivers, and believes the Englishman will know he has been fighting even should he win. "If the fight was to be to a finish," he continues, "I think my chances of winning would be certain, for I could stay in the ring as long as Palmer, but the contest is to be 20 rounds, which makes quite a difference." Murphy says he don't want to return to New York a loser, and if Palmer defeats him he will fight some one of the many featherweights before he returns, but should he win he will try to get on a match with George Corfield and will go to Sheffield to meet him. Many of the American sports in London are backing Murphy, although Palmer is a big favorite.

SPORTING NOTES.

The meeting of the L.S.S.A. will be held one week from to-day and not this Saturday, as originally intended.

The pigeons contesting in the match race from Kingston to Toronto were duly shipped to the liberator last night. The birds are Mr. Gairdner's George II. and Mr. Ayres' Lucy Ayres. The result will be made known at Ayres Hotel, Morse-street, to-day about 3 o'clock.

The Givens-street P.S. senior lacrosse team defeated the senior Wellesleys in a league match on the new Rosedale grounds yesterday by 4 to 0. The game lasted 40 minutes and was closely contested.

A meeting was held in the Y.W.C. Guild Hall last evening for the purpose of organizing a branch of the St. John's Ambulance Association. Dr. Ryerson, M.L.A., addressed the meeting. John S. Johnson on Thursday at Chicago lowered the world's two-mile paced record by five seconds, riding the distance in 3.38.

Jack Everhart, who is training at College Point for his contest with Kid Lavigne, to be decided before the Bohemian Sporting Club on Oct. 27, looks as fit as the once much-talked-of fiddle.

The Transylvania Stakes was the heaviest betting race seen in Lexington for several years, and it is estimated that nearly $100,000 has gone into the pool box on the result. This was consequently tied up over night, owing to the race being postponed.

MUST SPRINT FROM THE START.

According to a poster of the Australian Wheel Club, a race on the program was a "secret distance race." The distance of the race is known to the officials only, and is decided upon after it is started. The men race around the track, and when the starter's gun is fired the race is ended. The man in the lead at that point is the winner and the other men are given the prizes according to their positions. In a race of this kind the men are bound to keep sprinting from the start, each man striving to maintain the lead, as he can never tell when the race will end. The racing is, therefore, bound to be interesting to the crowd, as it does away with all pacing or time limits.

BICYCLE BRIEFS.

The second annual handicap ten-mile track race of the warehouse employees of the Copp, Clark Co., Ltd., takes place Saturday next, the 17th, on the Woodbine track.

Nat Butler, the speedy Stearns rider, is to race Michael, the Welsh wonder, in an hour race at Chicago. If there is a rider in America capable of riding 30 miles or more with Michael it is Nat Butler on his easy-running Stearns wheel.

The World-Globe road race, announced to take place the Port Credit-Humber course, will, owing to the bad condition of the road, be run over the Don and Danforth road, 15 miles, starting and finishing at Heber's Hotel.

The annual bicycle road race of the employes of John Taylor & Co. will take place this afternoon on the Danforth-road, Little York, at 4 o'clock. Judging from the number of entries, this should eclipse all previous records, if the weather is fine.

DIAMOND DUST.

It is said that Arthur Irwin is desirous of again taking hold of the Philadelphia team, but it is not likely that he will be re-engaged.

Brooklyn was beaten out by a nose when the Philadelphia Club drafted Tom Johnson of Scranton. Brooklyn's telegram to Nick Young came the day after Philadelphia's. Johnson is considered by many to be one of the best of the crop of 1896 pitchers.

While the Pittsburg barnstormers were in Zanesville some of the players made quite a show of themselves. Stenzel, Lyons and Horton started out to have a time in company with some of the Zanesville sporting fraternity and the three players became so gay that they were locked up.

The Orioles play two games this afternoon on the ball grounds, the first at 2 p.m. with St. Michael's College, and the second at 4 p.m. with the Dukes, for $100 a side and the city championship. The Orioles' team will be: Hardy or Lee, p.; O'Dea or O'Brien, c.; Muir, 1b.; Poulter, 2b.; Culross, s.s.; C. Maddock, 3b.; Drohan, l.f.; Burns, c.f.; Downs, r.f. Dukes—Armstrong, p.; Reid, c.; Shepherd, 1b.; Benson, 2b.; Rodden, s.s.; Syngo, 3b.; Maxwell, l.f.; Chambers, c.f.; Donovan, r.f. Lyndon will umpire both games.

The steamer Chicora of the Niagara River Line will make the last trip of the season of 1896 Saturday, October 10, leaving Yonge-street wharf (east side) at 2 p.m. To use the expression of a passenger that came over on the Chicora yesterday afternoon, at no time during the season has the river looked so grand. With the changing foliage the different colored leaves present one grand scene of magnificent splendor not equaled any place in the world.
