WINTER IN THE KLONDIKE

Four Feet of Snow Blockade the Passes—Mining Operations Closed for the Season.

Port Townsend, Wash., Nov. 8.—The City of Topeka arrived last night from Alaska, bringing 114 passengers. She reports that heavy snowstorms have visited various sections of Alaska, and nearly all mining operations have been suspended, except in quartz mills located near tidal water.

On Nov. 2, four feet of snow fell on Chilkoot and White Passes, which completely put a stop to travel. Telephone messages from Lake Linderman to Skaguay announces that about 400 persons are snowbound there.

AT THE BALLOT BOX

Progress of the State Elections Across the Border—The New Voting Machines Work Well.

Rochester, N. Y., Nov. 8.—Voting started here with bright skies. The new Standard voting machines were used for the first time, and as far as heard from give entire satisfaction. Six votes were cast in one minute and six seconds on one machine, and similar rapid records are being made in other districts. There is every indication of a full vote.

New York, Nov. 8.—Weather conditions at the opening of the day were all that could be desired by voters, and the early morning vote was quite up to the best average. Nowhere had any trouble been reported during the first three hours of balloting. Almost all the manufacturing concerns shut down for the day, and the banks and brokers and insurance offices are closed.

Pittsburg, Pa., Nov. 8.—President McKinley passed through Pittsburg at 7:30 o'clock this morning, en route to his home in Canton, where he goes to vote.

BIG COMBINE

All Street Railway Lines in Chicago May Go Into a Single System.

Chicago, Nov. 8.—The Tribune says: "In New York, Philadelphia or Chicago within three days, representatives of all the Chicago south side street railway companies will meet for the purpose of completing an agreement of consolidation. One of the men interested deeply in the consolidation scheme said the union of the south side companies was another public step toward the absorption into a single system of every street railway line in Chicago."

ONLY ONE WAY

To Banish the Demon Dyspepsia.

The Sufferer Must Use Paine's Celery Compound.

Heaven help all miserable sufferers from dyspepsia and indigestion who are not making use of Paine's Celery Compound! Their position must prove hard and hazardous if they continue with medicine that in many cases is really aggravating suffering.

Today thousands of men and fair women are veritable slaves to the demon dyspepsia. They are firmly bound with the chains of a disease that tortures both body and mind. There digestive organism is almost destroyed, and many are reduced to skeletons. Such people do not live; they merely endure life.

The symptoms and troubles that precede and follow the course of dyspepsia are poor and variable appetite, nausea, gnawing at the pit of the stomach, heartburn, sallow skin, coated tongue, foul breath, constipation, failing sight, sleeplessness, headache, low spirits and tired feelings.

Advertised pills, mineral waters, pepsins and other medicines will never bring back digestive vigor and health. It is only by the use of Dr. Phelps' great discovery, Paine's Celery Compound, that the terrible disease can be banished. The wonderful medicine at once fortifies the nervous system; when this is done the digestive organs are toned and work like a perfectly regulated machine. Paine's Celery Compound opens up all the sewers of the body and removes the waste matters that have in the past interfered with the work of nutrition, the blood is made rich, and healthy muscle and tissue formed. Your path of duty is now made clear, poor sufferer; you must use Paine's Celery Compound as thousands in the past have done; then, only then, will your life be worth living.

LIFE SAVED.—Mr. James Bryson Cameron writes: "I was confined to my bed with inflammation of the lungs and was given up by physicians. A neighbor advised me to try Dr. Thomas' Eclectric Oil, stating that his wife had used it for a throat trouble with the best results. Acting on this advice, I procured the medicine, and less than half a bottle cured me; I certainly believe it saved my life. It was with reluctance that I consented to a trial, as I was reduced to such a state that I doubted the power of any remedy to do me good.

Every German soldier carries a four-ounce religious book with the rest of his personal equipments.

Give Holloway's Corn Cure a trial It removed ten corns from one pair of feet without any pain. What it has done once it will do again.

THEY BECAME BARBARIANS

White Women Stolen by Maoris Refuse to Return to Civilization.

Vancouver, Nov. 8.—A party of explorers in New Zealand say that while traveling in the wilds of the colony, where white men seldom penetrate, and where the natives know no law but that of their own making, they discovered two white women about 40 years old, clothed like savage Maoris, in extremely scanty attire. They spent a week in endeavoring to induce the women to return, but they had become so accustomed to life among the savages that they refused the aid of the explorers. They said they had been stolen when young women, had taken Maori husbands, and had grown to like their untrammeled existence, and were fond of their black husbands.

They were fairly worshiped by the natives, and said they would not exchange their lot for that of society belles in an Australian city. They were once English college girls of good families. They refused to give their maiden names, but were known among their adopted people as "The Chief's White Plume" and "Sunshine on Rippling Water."

PECULIARITY!

EVERY person has a peculiarity. No two persons are exactly alike. Each one of us have a manner of walk, talk and dress which are peculiar to ourselves. What may apply to persons can also be applied to commodities—things of everyday use.

Like Corsets, No two figures are alike, therefore the Corset has to be properly fitted to suit them. We have a fitting room where customers can retire and try on until they get just what suits them. We have in stock every size, length and style of Corsets, so that we haven't any trouble in fitting every figure.

CORSET STEELS

With dealers the buying of corsets is largely a matter of confidence, at least as far as the true quality of the boning is concerned.

In order that rusting may be guarded against each bone or steel should be covered before being placed and sewn in position in the corset. In ordinary corsets this is rarely done.

The best corsets are fully boned, the cheaper ones are only partly so.

Ordinary corsets are almost invariably boned with cheap, poor-quality steel, and its cheapness manifests itself in brittleness. In first-class corsets specially-tempered, high-quality spring steel is used, the better the steel the lighter the corset, for in quality is strength. Never buy a light weight corset unless you buy the famous French, tailor-cut, hand-sewed corset, the

P. D.

BACK ACHES

BEING BANISHED FROM OTTAWA.

Doan's Kidney Pills Doing It.

The kidneys cannot talk, and the only way they have of letting us know they are sick is by making our backs ache. If it is only a little ache, the kidneys are only a little sick. If it is a big, peace-destroying, nerve-racking ache, the kidneys are more than a little sick. In every case it must be attended to at once.

Doan's Kidney Pills act directly on the kidneys, make them strong and healthy, and stop aching backs in every case. Here is a sample case: Mr. B H. De Groat, 76 Alfred street, Brantford, Ont., says: "For more than a year I have had severe pains across my back and between my shoulders. The pain and soreness was so great that even the act of turning in bed caused me great agony.

"The urine was very dark-colored, I could not sleep well and had a disagreeable headache almost all the time. I felt weak, run-down and spiritless, and was daily getting worse. I have taken Doan's Kidney Pills, and am thankful to say that the result has been most surprising. The first two doses seemed to increase the pain in my back, but thereafter improvement was steady and rapid. Now I have no pain in the back or neuralgic trouble. The urine is clear and natural. I sleep well, am stronger, and the tired, worn-out feeling is all gone. Today I am a well man, thanks to taking this most effectual remedy. They did me so much good that I got a box of pills for a dear friend of mine who was troubled in the same manner that I was before taking Doan's Kidney Pills, and I have every faith they will do the same in this case as in mine—make a complete cure!

Doan's Kidney Pills are sold by all dealers at 50 cents a box, or three for $1 25, or sent by mail on receipt of price. The Doan Kidney Pill Company, Toronto, Ont.

Montague, of Dunville, Cured of Ulcerated Itching Piles.

Mr. Robert Montague, of Dunnville, Ont., writes: "Was troubled with Itching Piles for five years and was so badly ulcerated they were very painful, so much so, that I could not sleep. I tried almost every medicine known, when I was recommended to use Dr. Chase's Ointment. I purchased a box, and from the first application got relief. Have used two boxes and am now completely cured."
