ANNUAL MULOCK CUP RUGBY VICTORIA V. ARTS ON NOV. 1

Schedule Drawn Up—First Game on Tuesday and Final on Nov. 23.

It is probable that the Mulock Cup Rugby games will arouse more interest this season at the University of Toronto than ever. No series of games is more popular with the students, unless it be the senior association series. Some difficulty is experienced in drawing up the schedule and some preliminary skirmishing results. The proposed schedule was drawn up some time ago and is given below. Some few changes will probably be made. The opening game takes place next Tuesday on the Varsity athletic field, where all games will be played. Morning games start at 10.30 and afternoon games at 3.30. Already the teams are getting into shape. Victoria College are hard at work and '05 and '06 arts held their first meeting on the field on Thursday. The S. P. S. teams are pitted against the medical teams and the already high state of tension existing between these two closely adjoining schools will no doubt be accentuated 100 per cent. in the near future. The Ontario Agricultural College boys' team entered. The schedule:

—First Round—

A—Victoria v. Senior Arts, Tuesday, Nov. 1.
B—Senior Medicals v. Senior S. P. S., Thursday, Nov. 3.
C—Dentals v. Junior Arts, Wednesday, Nov. 9.
D—Junior Medicals v. Junior S. P. S., Thursday, Nov. 10.
E—St. Michael's College v. Ontario Agricultural College, Saturday forenoon, Nov. 12.

—Second Round—

G—Winners of A v. winners of C, Wednesday, Nov. 16.
H—Winners of B v. winners of G, Friday, Nov. 18.

New I.C.R.F.U. Schedule.

Arrangements were made Thursday night at the University gymnasium regarding the playing off of the tie between McMaster Trinity and Varsity II. in the intermediate rugby series. Varsity II. drew the bye. Trinity and McMaster will play Saturday morning at 10.30 on neutral grounds at the Varsity athletic field. H. H. Wilkinson represented Trinity, E. M. Henderson Varsity II. and J. B. McArthur, McMaster.

The winners of the Trinity-McMaster match will then play the final in group A, on Nov. 5 at the Varsity field.

On Oct. 29 R.M.C. winners of group B and McGill II. winners of group C will play on R. M. C.'s grounds at Kingston. On Nov. 5 the return game between these teams will be played at Montreal.

The I. C. R. F. U. executive held a meeting on Thursday and fixed the dates for the finals. But these dates are conditional only.

If McGill II. win from R.M.C. then a sudden death game on neutral grounds at Kingston, between McGill and the winner at Toronto, will decide the championship. But if R. M. C. win from McGill II., then home and home games will be played between the Toronto winner and R.M.C.

The first game will be at Kingston on Nov. 12 and the return game at Toronto on Nov. 19.

Bishops' College are scheduled to play McGill II. on Oct. 29, but have defaulted the whole series.

The intermediate college union will finish either on Nov. 12 or Nov. 19.

R.C.Y.C's Second Challenge.

Jimmy Worts, the well-known hockey player, member of the old Wellingtons, is turning his attention seriously to yachting. Last season he was in the syndicate that owned the yawl Naomi and now he announces to the R.C.Y.C. that he will have a Canada Cup boat in the trial races, having ordered a design from Albert Milne of Glasgow, formerly with George Watson, and Henderson Bell. At a recent meeting the R.C.Y.C. sailing committee that goes out of office next week, decided to hold a series of trial races for the purpose of selecting a challenger to meet the Rochester defender, announcing that there will be cash prizes amounting to $1500 offered for these races, that are open to all members of Canadian yacht clubs, and you are invited to build a yacht and take part in the contest.

Toronto Hunt Point to Point Races.

The annual point to point steeplechase races will be held on Saturday, Oct. 29, on the property about half a mile north of the Hunt Club grounds, Scarboro. The course is over a beautiful natural country, and will include a number of ditches and very sporty jumps. The committee have selected an elevated spot about ten minutes' walk north of the Kingston-road, where the country can be seen for miles around and the racing men followed most of the time.

A marquee will be on the grounds, and hot tea, coffee and refreshments will be served by the Hunt Club.

The conductors of the Kingston-road cars will know where to direct the public.

Mr. Ewart Osborne has presented a very handsome cup as first prize in the Minto Staff Cup race, and Mr. Proctor has also presented a very neat cup as second prize.

In the farmers' race the master presents a silver cup as first prize and Mr. Ambrose Woods gives a valuable watch for second prize.

The entries close to-day at noon.

Buys a Trotter.

Brockville, Oct. 27.—W. C. Fredenburg, Westport, has purchased from W. H. Comstock, ex-M.P., Brockville, the trotting mare Mary Hamilton, 2.19¼. A good price was paid for the animal.

Gossip of the Turf.

A few days ago U. Z. DeArman claimed Sais out of a selling race match to the surprise of James Blute, the owner of the colt, who had been a consistent winner for him. Blute tried to buy Sais back before the races on Wednesday and offered $2400 for him. De Arman wanted $2700, and the deal was declared off temporarily. When Sais won the third race, for which he was entered to be sold for $2000, Blute bid $2400, and De Arman let the colt go back to his former owner.

In the opinion of a large number of spectators at the Worth track on Wednesday the judges made a decided error in the placing of horses in the third race. Four horses finished heads apart, and Cutter, the favorite, won. The judges placed Flight second, and one of the owners of the horse declared after the race that his horse finished not better than sixth or seventh. Baltu Tree was placed third, and the opinion of the crowd was that either Pancreatis or Monie was entitled to the position. The jockeys on Pancreatis and Monte declared that they finished second and third, but the judges did not see it that way and their decision stood.

De Caunay, who was favorite for the Cambridgeshire Handicap, won by Hackler's Pride, was brought to the short odds of 3 to 1 ten days ago, largely bookmakers who laid against him in "double event" betting. Joseph Thompson, the well-known Australian layer, who has for some years been doing business in England, laid one lot of $50,000 against $175, Wargrave for the Trafavitch and Hackler's Pride for the Cambridgeshire, both of whom won their respective races.

Drop Kicks.

Craig, Ford, Dillon and Noble of the Peterboros are on the sick list and will be unable to play Saturday.

The referee and umpires for the Varsity-Queens game will be eastern men, probably Mr. Mason or Mr. Molson.

E. W. Hamber has returned from Winnipeg and will play with the Argonauts in their game with Peterboro on Nov. 5. Hamber has been playing Rugby out west this fall and is in good condition. Hamber may play on the wing line, as Trimmer is filling centre half to perfection.

The senior and junior U No A. C. Rugby teams practise to-night at Varsity lawn at 7.15. All players are requested to turn out, as a special meeting will be held after practice, and the teams will be picked for their games on Saturday at Stanley Park.

Gibson, who has been practising with Varsity the past week, turned out with the Torontos last night and will be on the team Saturday at Peterboro.

The Lakeviews management wish to announce that any players wishing to play against the 11 No's off Saturday must be out to practise this evening on the west side of the Don flats. The following are specially requested to be in uniform: Patterson, Cooper brothers, Doust, Seamster, Westman, Dudley, Blackford, Haight brothers, Gilbert, Reid, McBeth, Burke and Cruickshanks.

Stratford juniors, scheduled to play Petrolea at Petrolea on Oct. 29 a junior O. R. F. U. game, have defaulted.

Toronto II. will practice at Varsity to-night at 7.30. The following are requested to turn out, as a team will be picked from the Varsity III. to-morrow: Petman, W. Harvey, N. Harvey, Croker, G. Heal, Kearns, Bunting, Rogers, Scully, Ready, Strange, Murphy, Horton, Pardoe, F. Clark, Polson, Nasmith, Meredith, Hutchins.

The Y. M. C. A. Rugby Club will practise to-night at 9.30 o'clock sharp in the gymnasium and very member is requested to turn out, as there is a change in signals.

The Victorias had a fine turn out last night. Signal practice was indulged in and the players are in fine form for their game in London on Saturday. Cotton was on his on the half-kicked well. Cotton was on last year's team and his return will be of great assistance to the team, which will be picked from the following: Renton, Hodgson, Anglin, Sheppard, Yorke, Yeamans, Brown, Dilworth, McWhirter, Jones, Cotton, Robertson, Gowans, Tooze.

The Senior Association game scheduled for to-day between the S. P. S. and Medicals was called off and arrangements will be made later. This game aroused great interest, as the Medicals have a strong team, A. W. McPherson, an old Varsity Association player, will probably captain the Medicals and play centre half. Durnin and Richardson will be the other halves, Headley and McCormick will play back, and the forwards will be Fowler, centre; Bryans and Allison, right wings. It is uncertain who the left wings will be.

On the Links.

The Lambton monthly handicap will be played on Saturday.

Word was received from Buffalo this morning that they would send ten men over on Saturday to play over the Lambton Links against ten from that club.

Canadian professional golfers are invited to compete in a golf tournament to be held at Lakewood, N. J., 36 holes, medal play, on Nov. 12. There are five money prizes—$125, $75, $50, $30 and $20.

A men's tournament will be held at the Highlands Golf Club Saturday afternoon. There will be driving, approaching and putting competitions.

Varsity Freshmen Meet.

The Varsity freshmen hold their annual athletic meet to-day at the field. There is a large entry list.

4 TEAMS FOR BROADVIEWS HOCKEY MEETING TO-NIGHT

They Won Two Champions Last Winter and This Year May Be in O.H.A.—Some Notes.

The Broadview Institute is likely to make a record in Toronto hockey this season with four teams in the field. The annual meeting of the different teams will be held to-night in the rooms, Broadview Institute, when the officers will be elected and preliminary arrangements for the season made. Last winter the Broadviews won two championships, senior and junior, in the Lacrosse Hockey League, both of which were captured at one time or another by the Marlboros. The Broadviews also had a team in the Juvenile League. To-night it will be determined whether or not the Broadviews will place a septet in the Ontario Hockey Association. It will of course be either intermediate or junior and will in no way interfere with last season's team. All members and east enders interested in hockey are requested to attend to-night at 8 o'clock.

The London Y.M.C.A. Hockey Club was organized last night under very gratifying circumstances. The election of officers resulted as follows: Hon. president, Fred Daly; president, W. Abbott; vice-president, J. Clark; secretary-treasurer, P. Canfield; manager, Geo. McLaren; committee, L. Parker, W. McConechy and P. Canfield.

The Waverly Hockey Club will hold their annual meeting next Tuesday evening at Mutual-street Rink for general business and election of officers.

At a large and representative meeting of the rockville Hockey Club it was decided by a unanimous vote that the executive be instructed to apply for admission to the senior series of the Federal League. It is the intention to carry an intermediate team for competition in the O. H. A. Officers were elected as follows: President, A. Graham, jr.; vice-president, J. M. Dobbie; treasurer, E. W. Jones; secretary, G. A. Wright; manager, L. Fournier; executive, F. B. Steacy, L. Dargavel, H. Gilhooly, J. Grant, C. McCready, E. Moore. Brockville has the material for a championship team this year. Fred White, formerly of the Ottawas; Kenneth Mallon, formerly of the Wanderers; and George McKay, late captain of the Toronto Wellingtons, have taken up their residence there during the past few months, and these, with the old players, most of whom are available, ought to make up a pretty strong seven.

A Montreal paper asks: Can Montreal support eight senior hockey teams?

That is what will be expected of it if the Grand Trunks are admitted to the C. A. H. L. Saturday night. When the Grand Trunks are classed senior by the C. A. H. L., there will be eight local clubs who will, in name at least, be senior organizations. They will be as follows: C.A.H.L., Shamrocks, Montreal, Victorias, Nationals, Westmounts and Grand Trunks. F. A. H. L., Wanderers and Montagnards. The C. A. H. L. will have one outside club, Quebec, which will be required to make six trips to Montreal, a program to which it will probably make objection on the ground of the expense incurred. The F.A.H.L. will have three outside clubs, Cornwall, Ottawas and Co-

Boxing Notes.

Jack McClelland, the Pittsburg boxer, is to meet Benny Yanger next Thursday night at the West End Club, of St. Louis.

At Benton Harbor, Mich., on Wednesday, Tommy Ryan, middleweight champion of the world, knocked out Tommy Wallace of Philadelphia in the fifth round of a bout scheduled to go ten rounds.

At Indianapolis, Hugo Kelley of Chicago and Mike Schreck of Cincinnati fought ten listless rounds to a draw Wednesday night.

At Newcastle, England, on Monday night Young Peter Jackson met Jack Scales of London, in what was scheduled to be a 15-round bout. The fight went but four rounds, and Jackson was the victor by a knockout. From the sound of the gong until the finish there was no doubt as to the outcome.

Jack Bennett of McKeesport, Pa., and Fred Douglas of Savannah, Ga., met in a six-round bout at Reading, Pa., on Monday. The last round was the hottest of all. They mixed it up viciously all over the ring. Douglas seemed to have the better of the gruelling in this round, and thereby earned a good draw.

Matty Matthews of Brooklyn and Eddie Kennedy of Allegheny fought a ten-round draw in the Carnegie Athletic Club parent on Wednesday. The decision of Referee Bradburn was not disputed by any who saw the mill. Matthews appeared to have gone back somewhat. On two previous occasions when in Pittsburg he easily disposed of Kennedy. Wednesday night he seemed more of a match for the Allegheny boy, who was still slow on his feet. There were several clean knockdowns during the bout and both contestants showed the effects of the battle when the bell rang at the end.

Only 200 of 5000 Left.

Shenectady, N.Y., Oct. 27.—But 200 men are left at the plant of the American Locomotive Co. out of 5000, which were employed less than four months ago. Over 100 office employes were notified yesterday that their services were no longer needed.

NEW CLASS OF BASEBALL LEAGUES

Eastern Pacific Coast and American Association Belong—Board Officers

New York, Oct. 27.—The National Association of Professional Baseball Players to-day added what will be known as Class AA and the national board of the association was empowered to appear before the national commission in Cincinnati in January in favor of the proposition.

Heretofore the association has consisted of classes A B C and D, leagues. Class A was privileged to draft players from any of the lower classes on payment of an established fee, and the two major leagues, the National and American, were privileged to draft from all the association classes. In the past the fees for drafting players from the four classes were $750, $500 and $250. If the national commission approves the action taken to-day the fees for drafting from class AA down to class D will be $1500, $1000, $750, $500 and $400 respectively.

All the proposed class AA and class A leagues opposed the change on the ground that they have lost too many players under the four class rule and the addition would subject them to further drafting. The high fees were adopted as a sort of compromise. If approval is received by the national commission, class AA will be composed of the American Association, the Pacific Coast League and the Eastern League, and class A of the Southern and Western Leagues. All were formerly in class A, except the Southern League, which has advanced from class B.

The national board to-day elected George Tebeau of Louisville of the American Association, chairman and J. H. Farrell of Auburn, N.Y., of the New York State League, secretary. The other members of the board are: Eugene F. Bert, San Francisco, president of the Pacific Coast League; Howard C. Griffith of Jersey City, Eastern League; T. H. Murnane of Boston, president of the New England League, and M. H. Kavanaugh of Little Rock, Ark., president of the Southern League. P. T. Powers of the Eastern League was reelected president of the association.

The association voted to depart from its rule not to play exhibition games outside of national agreement clubs. Games will be played with semi-professional, professional and amateur clubs when such games do not conflict with the schedule, but not with the clubs which contain blacklisted players or players who are otherwise ineligible to play on national agreement clubs. The already stringent the rule concerning the employment of "contract jumpers" was more lightly drawn in that a player who hereafter jumps a contract will be forever disqualified.

It was also decided that a player farmed by an association club to another club must play with the latter club thru the season, and that he cannot be recalled by the club loaning him. It was voted to meet next year in San Francisco.

GEORGIANNA BISHOP IN FINAL

Bridgeport and Boston Experts Left in Open Golf Tournament.

New Haven, Conn., Oct. 27—Miss Georgiana Bishop of the Brooklawn Club, Bridgeport, and Mis Pauline Mackey of the Oakley Club, Boston, will meet here to-morrow for first honors in the open golf tournament for women. These two players worked their way to the finals thru consistent playing at all times to-day, tho the strong winds at times made it difficult for the golfers, especially in their long games, their drives and brassy shots being checked on many occasions.

Miss Bishop, the United States champion, met Mrs. T. Polthemus in the final match, which was one of the most interesting of the tournament. Mrs. Polthemus started off well, and at one time during the outward journey was two up on her opponent. Later in the match she met with hard luck, two of her drives going out of bounds. Miss Bishop's steadier game told in the long run, and she finished the match one up.

Miss Pauline Mackey of the Oakley Club defeated Mrs. Lefferts of Englewood 5 up and 4 to play.

This afternoon the golfers had a chance to show their skill in driving, approaching and putting, special prizes being awarded to the winners of each competition. Miss Van Ostrand of Watertown, N.Y., won the driving contest with a total of 430 yards on three balls. The approaching and putting contest was won by Mrs. J. H. Judd of Springfield. To-morrow morning the finals will be played.

Knox and Pharmacy Tie.

The intermediate series of the inter-college association was opened Thursday by a cease game between the Knox collegians and Pharmacy. At the end of time each had two goals. Pharmacy were anxious to play off, but Knox claimed that the rules give each team the point in case of a tie. The Knox contention was right and the game ended.

The first half was all Knox and the score at the half was 2—0 in favor of the Presbyterians. Fraser scored both of these goals by good shots. Pharmacy were in better condition than their opponents, and as a result had the best of the second half. Pharmacy scored twice in the latter part of the game. Boker and McLoy being responsible. Nichol and Thomson did good work for the Knox men. The line-up:

Knox College (2)—Goal, Ledingham; backs, Walker, Boker; halves, Reid, Thomson (captain), Duncanson; forwards, Fraser, Nichol, Bryden, Renwick, Andrews.

Pharmacy (2)—Goal, Henfield; backs, Peel, Collinson; halves, Saeger, Hunt, McCready; forwards, McLoy, Boker, Newton (captain), Kippen, Kelly. Referee—Ruddell, Victoria College.

Association Notes.

All players of the Parkdale Albions are specially requested to turn out for a practice match at Stanley Park to-morrow night (Friday) at 7 o'clock.

In a hotly contested game Grace-street defeated Palmerston-avenue in the intermediate Public School Football League by the score of 2—0. The feature of the game was the clever play of L. Rhodes, who pushed the Palmerston goalkeeper with the ball in his arm, under the goal line.

Grace-street school football team defeated Palmerston team yesterday by a score of 2 to 0. The following off:

Grace-street: Goal, Quance; backs, Rhodes, Alton and McDermott.

The Royal Canadians meet the Parkdale Albions in the senior series of the Toronto Football Association Saturday afternoon at 3.30 on Sunlight Park. This should prove to be a first-class game, as both clubs are playing good, fast football, and should attract a large crowd.

Foresight of Li Hung Chang.

The London Times publishes this summary of a letter written by the late Li Hung Chang in September, 1901, a few weeks before his death:

If we leave the Russians in possession of Manchuria no serious harm will ensue, for in that case friction will arise between Russia and Japan on the frontiers of Korea and a conflict is bound to break out.

In the event of war, should things take an unfavorable turn for the Japanese, it will be our business to join the Russians and help them crush the Japanese, thus establishing a claim on the gratitude of Russia, who, retaining Korea for herself, will give back Manchuria to China.

If, on the other hand, the Russians are unable to withstand the Japanese, we can join the latter and help them drive the Russians out of Manchuria.

Thus we shall get back Manchuria without running any grave risks, while in the present circumstances it might be difficult to recover possession of it.
