St. Andrews, May 16, 1839, 20tf,

BOSTON NOTION,
THE LARGEST AND CHEAPEST NEWSPAPER IN THE WORLD,

The spirit of the age is utilitarian. Improvement is stamped upon the face of everything. All the useful arts are progressing with unparalleled rapidity, and the art of printing is coming in for its full share of the common improvement. Determined not to be outdone in any thing that pertains to his profession, which there is a sufficience of exertion and enterprize, the undersigned has determined upon issuing a sheet TWICE the size of the Boston Weekly Times, (not of course the price of that paper) and will contain eight columns more matter than the Brother Jonathan. This sheet will be called the *BOSTON NOTION*.—and it is determined that it shall fully sustain a cognomen so full of meaning, and so interwoven with the established character of our Yankee City. It will be the "*LARGEST NEWSPAPER IN THE WORLD*—with no exception—and will be printed on a sheet thirty-seven *by* fifty-two inches." It will be entirely filled with reading matter and will contain three thousand eight hundred and eighty-eight square inches, or twenty seven square feet of print in fine type! and as single number will contain more reading than an ordinary book of three hundred pages. These great dimensions will enable the publisher to draw largely upon the most popular periodicals and magazines of the day, both American and Foreign, and as the selections will be made with great care, it is believed this paper will be a welcome *NOTION* to every family. Besides a full synopsis of the current news of the day (as published in the Boston Daily Times) it will contain Poetry, Popular Tales, Theatrical Criticisms, Police and other Court Reports, Humourous articles, &c. &c.

The whole world of literature will be ransacked to fill it. From the study of the philosopher, down to the Police Court, through all the regions of reason, poetry, romance, wit, and the ample record of folly, we shall glean from the past and present, and from all nations, to present as pleasing and useful a combination of recorded thought and current history, as the world can produce. This is our "BOSTON NOTION."

This great amount of wisdom and fun—of wit and philosophy—of novelties and antiquities—we are enabled to offer weekly for *SIX CENTS* per copy—only six cents!—and we can do it, because of the facilities of our press and office, and the connection of daily and weekly publications. For *THREE DOLLARS* we can sell a year's volume, equal in quantity of matter, with every variety also to *FIFTY-TWO* volumes of Novels such as are issued from the press at this day. Fifty-two large volumes for *THREE DOLLARS*! Effected all by improved machinery, and by a determination that we will not be outdone in enterprise and usefulness.

TERMS—THREE DOLLARS a year, ALWAYS IN *ADVANCE*. No orders, no matter from what source, will be attended to, unless accompanied by the CASH. Single copies, six cents each.

Postmasters or others, remitting TWENTY DOLLARS, shall have EIGHT copies sent to each person and places as they may designate.

Mail subscribers will have their papers delivered in the Post Office in this city every Saturday evening.

GEORGE ROBERTS,
Publisher.

POSTCRIPT The *NOTION* will be published on a DOUBLE SHEET, every three months and sent as gratuity to all subscribers who have paid for one year.

Subscriptions for the above received at this OFFICE
