PHILADELPHIA EASILY WINS FROM ST. LOUIS

Athletics Have Little Difficulty in Taking game from Browns --Boston Wins from Cleveland 3-1--Other Games.

Philadelphia, Pa., Sept. 22.—Philadelphia had little difficulty in defeating St. Louis today, 6 to 2. Six of the home team's nine hits off Gilligan, were for extra bases and nearly all of them counted in the scoring. St. Louis hit Coombs' curves hard and he was taken out of the game in the fifth inning. Krause, who took Coombs' place, did not permit a batsman to reach first base, five of them striking out and only one ball being knocked out of the infield. Score:

Philadelphia .. ..03000120x—6
St. Louis .. ..001010000—2

Time—1.38. Umpires, Perrine and O'Loughlin.

Boston, Mass., Sept. 22.—With Mitchell, a new recruit, pitching for the visitors, Boston defeated Cleveland today, 3 to 1. In the fourth inning, the locals scored three times on three singles, an error, a hit batsman and a sacrifice. Wood was very effective and received brilliant support, especially from McConnell. Score:

Cleveland .. ..000000100—1 5 2
Boston .. ..00030000x—3 7 1

Batteries—Mitchell and Easterly; Wood and Donahue. Time—1.35. Umpires— Egan and Sheridan.

Washington, D. C., Sept. 22—The combination of puzzling pitching by Mullin and extraordinary hitting by Crawford, Cobb and Moriarity proved too much for Washington today and Detroit won easily, by the score of 8 to 3. Mullin allowed but three hits, scattered through as many innings and with perfect fielding back of him he should have scored an easy shutout. Crawford made two triples, a double and single, while Cobb hit three singles and a double. Two of Moriarity's three singles drove in runs.

The locals retired in order in seven of the nine innings. Sensational catches by Lelivelt and Gessler shared honors with Mullin's pitching. The score:

Detroit .. ..000200003—8 16 2
Washington .. .. ..300000000—3 3 3

Batteries—Walker and Street; Mullin and Schmidt. Time—1.45. Umpires—Evans and Dineen.

Pittsburg, Pa., Sept. 22.—Pittsburg hit the ball hard and often today and defeated the Bostons by a score of 12-7. Each side used three pitchers. Pittsburg made six two-baggers and a home run. "Bill" Cooney, late of the Haverhill team of the New England League, was on the mound for the first time for Boston. Score:

Pittsburg..... 20631000x—12
Boston..... 330100000—7

Time, 1.30. Umpires, Kane and Rigler.

At St. Louis—Score:

New York..... 003100000—4 12 2
St. Louis..... 300000000—3 3 3

Batteries—Mathewson and Myers; Laudermilk, Beebe and Phelps.

Time, 1.51. Umpires, Brennan and O'Day.

THE REAL PITCHING CLASS OF THE LEAGUES

Christy Mathewson, a name to conjure with, and George Mullin, almost as fearsome, lead the National and American league pitchers, respectively.

Howard Camnitz and Harry Krause are runners-up on the aforementioned leaders. They lead all mound performers in the National and American respectively, save the king pins upon whose heels they are treading.

Mullin's splendid work on the hill has done much to put and keep the Detroit team to the fore all season, while the grand performances of Christy Mathewson, "Big Six" as the Giants call him, has kept the New York team up there or thereabouts, when without him second division would be the share of the McGrawites.

Camnitz has been going along in brilliant style all year. He led the league for a long time, but was finally passed by "Mighty Matty," as the result of some hard luck games. Krause is the left-handed youngster who astonished the American league this spring by his wonderful work for the Athletics. For a busher, just breaking in, he probably deserves more credit than the others, who are veterans all.

CHAMPIONSHIP CHATTER BEATS POLE PONDER

Mr. Arthur Finnemore of Fredericton is Out With Scheme to Settle Question---Woodstock is Really Mad.

Sporting Editor The Standard:

Sir—

Seeing your item on baseball this morning, I wish to say that a claim to the Provincial championship by my team is impossible without the formation of and winning of a league.

As to the Woodstock team, the Tartars took two straight games in Woodstock from them 8 to 1 and 5 to 2. Now if these teams are out to find out which is the best team I can arrange for them to play on the Fredericton grounds, and also offer the same to Newcastle; otherwise it is impossible to find out which is the best team. We do not claim the championship because it is impossible without a league, but we have about as much right to it, if one were going, as any other team.

Our record is:

St. John—Marathons 9, Tartars 2; Marathons 1, Tartars 14.

Fredericton—Tartars 5, Marathons 4; Tartars 3, Marathons 4.

Woodstock—Woodstock 1, Tartars 8; Woodstock 2, Tartars 5.

Fredericton—Tartars 13, St. Joseph 6; Tartars 5, St. Joseph 4.

Fredericton—Houlton 7, Tartars 5; Houlton 8, Tartars 6.

The Marathon team that played here was practically an all St. John team.

Excuse hurry, but hope to see this in the morning paper.

Yours very truly,
ARTHUR FINNAMORE,
Manager Tartars of Fredericton.
Fredericton, N. B., Sept. 21

ALL THIS COMES FROM WOODSTOCK

Special to The Standard.

Woodstock, N. B., Sept. 22.—The ball team say that the controversy with the Marathons is unnecessary. Woodstock wins its games on the field, not on paper and will force the Marathons to play if it can be done.

The Marathons never played here in August. They did play here on June 12, with an amateur team with two regular teams playing and won by 9 to 5 and 7 to 5, which was a better score than they made in their games against St. Peters or the Tartars.

The Marathons promised but refused to give return games in St. John although they asked for dates when the locals were advertised to play here.

If Woodstock is easy, it cannot be understood why the Marathons refused to play. The fact is the locals have won from better teams than the Marathons.

If the Marathons with its high-priced players refuse to play this combination, the public will rightly estimate the value of such "undisputed" possession of the championship.

Silk Patchen Takes 2.14 Pace At Rochester in Great Race

Rochester, N. H., Sept. 22.—The second day of the Rochester Fair brought out some high class racing at Goldspring Park, the feature event being the victory of Silk Patchen in the 2.14 class pacing, after she had finished third in the first heat. Three unfinished races from yesterday's card were run off and in the 2.17 class trot, Alcynola, who finished third three times yesterday, won in straight heats today. In the 2.20 class pacing, Fleetwood also won in straight heats with Beverage second. The summaries:

Eel Only Able To Land Third Money At Grand Circuit Meet

Columbus, Ohio, Sept. 22.—Copa de Oro's pacing to a season's race record and the overthrow of two pronounced first choices made lively the third afternoon of Grand Circuit racing here. Copa de Oro lost the race, however, to Aileen Wilson after pacing the opening heat of the free-for-all in 2.02.

In the first heat, Aileen Wilson and Hedgwood Boy led to the half in 59 1-2. The three quarters was passed in 1.30. Hedgwood Boy drew away in the stretch, while Copa de Oro closed up and won the heat from Aileen Wilson.

The next two heats, both in slower time, went to Aileen Wilson. The Eel was favorite for this race, but could not do better than third.

Czarvena, first choice for the trotting division of the three-year-old Kentucky Stock Farm Futurity, was the second of the day's favorites to lose. The race went to Baroness Virginia, world's champion for fillies of her age on a half-mile track. She is owned by S. J. Fleming and Son of Terre Haute, Ind. Czarvena finished third.

Maggie Winder, world's champion pacing three-year-old filly, did not have to go near her record of 2.06 1-2 to win the pacing division of the Kentucky Stock Farm Futurity. She was always the leader. Sonoma Girl took the free-for-all trot just as easily. Summaries:

FINAL PLANS FOR FRIDAY'S BIG GAME

What is expected to be the biggest baseball event in years in St. John will be the visit of the Worcester team, champions of the New England league who will play the Marathons on Friday and Saturday. There will be two games Saturday and one Friday and the Greeks are hopeful of having at least one victory to their credit against the fast aggregation which has won the New England pennant this year. Manager Donald has a signed guarantee that the players on the visiting team are the veterans of the season, many of whom have been signed on the American and National league teams for next year. The local nine will have to go some to make a creditable showing against these crackerjacks. Nesbit, Bovaird and Perkins will each pitch a game, and as far as slab work goes, the Marathons should not prove far behind the American team. Take me out to the ball game, will be the slogan on Saturday.

TED COY.

Ted Coy, the Yale back and punter, whose work on the barred field last fall created such a sensation, is this season captain of Eli eleven, and the keystone around which the 1910 varsity team will be constructed.

Sporting Notes.

Baseball followers in the city were surprised and not a little bit disgusted when they learned yesterday that the All-St. Johns, who were to have gone to Eastport to play the Browns of that city, had evidently "backed down" from the undertaking. All arrangements had been made for the trip, but owing to some of the players not being present when the Governor Cobb sailed yesterday the team were unable to go. This will doubtless prove a disappointment to the 3 em.

Eastport nine, which had advertised and arranged for the game. Such little incidents are to be regretted, and do not reflect credit on the "amateur" players who were back of the undertaking.

The Marathon management are to be congratulated on their enterprise in bringing such a fast team to play here. It is understood the cost of bringing the team will be upwards of $300, but the Greeks are desirous of giving the public the worth of their money. Ever since their organization they have been foremost in every branch of sport, and deserve the support of every person who has the interest of amateur sport at heart. The presence of the Worcester team, champions of the New England League, on the local diamond on Friday and Saturday will recall to St. John fans the old days when the Roses and Alberts battled with some of the fastest teams of the New England States. It should go a long way towards reviving interest in the game in St. John.

The past two years has seen a wonderful revival in nearly every branch of sport in the city. Baseball, football, basketball and hockey being all well patronized. This is a very healthful sign, and a source of satisfaction to all lovers of amateur sports in St. John.

It is hoped that a match can be arranged for Saturday afternoon between either the Algonquins and Carleton, or the St. Josephs. Each team has some very fast men on its line-up, and some very interesting gridiron battles are looked for when they meet.

WANDERERS OF HALIFAX MAY PLAY HERE

A special effort will be made to secure a full practice of the Algonquin team on the Shamrock grounds this evening between 6 and 7 o'clock. Every night this week a number of the faithful have been booting the pigskin and doing some spectacular half and scrimmage work, but at least twice as many are needed to make the practices of any benefit and it would do the hearts of the well-wishers of the team good to have twenty or thirty men on the grounds tonight in uniform. Following a meeting of the club, communication wiht outside teams will be established with a view of making dates in advance for the games. It is likely that the Halifax Wanderers will be seen here this season, for the first time in recent years.

Marine Notes.

Some disgust has been expressed in Halifax at the announcement that the Munson Line is about to run a steamship line from St. John, N. B., to Cuba. There is considerable trade between Nova Scotia now carried on between the Pickford and Black Line, which has been running there for years. Practically all the potatoes used in Cuba until recently had been exported from Nova Scotia, and New Brunswick shippers have, it is said, coveted the trade for some time. Whether the competition can induce the Cubans to eat more potatoes is a problem.
