ARE THE PRIZES THE COURIER IS NOW GIVING AWAY WORTH AN EFFORT ON YOUR PART

(Continued from page one.)

one may surprise you the other way. Try him.

If you are a hard fighter. If you make your struggle for the big prize warm and interesting, people will want to help you. They will feel that it is their campaign as well as yours The normal man likes a good fight and you can make him feel that he is an active, important, perhaps determining factor in a real man-sized prize for the winner.

If you are a leader, a thinker, an organizer, a worker, you can clip out the nomination coupon in this paper, send it in, get busy and come out on top.

Now Time to Get in and Win Prize

The contest is yet young, many are just beginning to realize what it means to procure a handsome touring car for a few week's work. This offer really marks the start of the campaign proper and gives an excellent chance to make a good getaway. No one has as yet accomplished very much in the way of vote getting, but soon all your rivals will get busy and you can't afford to loaf. Make a strong start now and see to it that no one gains an advantage over you.

The working days of this contest are more than dancing away and if you have neglected to call on any one you had better make a point to see them at once, or some other candidate will secure their subscription. Right now is the time to realize on some of your promises and get them all into votes. If you can't land them all to-day, get right out to-morrow and keep at it until you have seen every possible subscriber. Don't have anything else on your mind, but this great contest.

Go to Your Friends and Ask Them to Help.

Remember that you have just as many friends and just as good a chance to succeed if you get at it in the right manner. You can't fail to win if you try. Instead of asking your friends for a favor you are doing them a favor when you get them to take The Courier. Go to the business men, professional men, mechanics and men in all walks of life. They are not going to try to get along without the paper that prints all the news. Tackle everyone you meet and see what a big vote you can roll up.

There are many important things about this campaign that the management would like to talk about, but the opportunity period of the present is so overwhelmingly overshadowing, it is blotting out every other consideration temporarily. There is really nothing else as important right now as a proper consideration of this grand opportunity. If you improve it you have cause for rejoicing, and if it is permitted to get by you, you will probably regret it when the final count is made. Never again will it be as easy to get votes, and this chance to make good should not be overlooked by any candidate.

For the benefit of the candidates the contest department of The Daily Courier will be open until 8 o'clock as this department closes for the day at this hour. Bear in mind that the contest manager will be in his office until 8 o'clock each evening.
