There was nothing much to the baseball game yesterday afternoon at Tecumseh Park, save a person known as Dummy Conley, heaver for Chawser Elliott's Saints, who was chiefly responsible for a trimming handed to Keenan's Kids, the score being 4 to 2. There were about 300 fans present who are now thoroughly convinced that Mr. Conley can do more with his digits than talk to his lady love, or call for hash. It was a right smart engagement at that, and while the home folks did not win, the game was a good one.

It Was All Conley.

As mentioned in the opening stanza, there was little to the combat but Mr. Conley. He was turned loose on a cold and cruel world by Mr. Rube Deneau, manager of the Flying Dutchmen, as without the necessary qualifications of a real prize trundler, Mr. Chawser Elliott, philanthropist, saw the youth struggling with grim fortune, with nothing but a lusty pair of fists with which to talk, work and feed, and he took him in. It is thought that tears of gratitude trickled down Conley's cheeks as he expressed his thanks for this kind treatment, with his handmade vocabulary. It is presumed that he gave several high signs and an exclamation of gladness when he told, with his fists, what he would do to show his great love for his protector.

A Great Practice.

And it happened that the Tecumsehs were the parties on whom he was to practice. He did it. In fact, what he did was a-plenty. For six innings eighteen men marched to the plate, and walked back to the dug-out without showing anything that had the remotest relation to a base knock. The Dummy had the home brews roped, tied, and branded, and they were as docile a bunch of demon athletes as ever spiked a friend.

Without a Mark.

As a matter of fact, had his support not tried to hand the game to the Tecumsehs in that fateful seventh, Dummy would have gone along without a mark against him. However, Mr. Conley was there, with a wide curve, some speed and some wise pitching, and deserved a shutout. Three stingy little hits were all that Londons accumulated.

For fear some of the folks might ask how in the world London garnered two runs, it should be chronicled for them. Pancratz, first man up, in the seventh, rolled one to Lane on third, who tried to hurt the bulb over the fence. Chawser stopped it, but Pan was safe. Andrews flew out to right. Conley lost control for a moment, and dented Nichols' frame. Brant came to bat with a dinky Texas Leaguer, landing the cushions. Hynes lifted a high fly to left, and Mr. Kopp jauntingly dropped it. Pan scored, but Brant was caught at second. Nichols and Hynes worked the double steal, the former scoring. Keenan was safe on Lane's bad toss, but went out stealing.

St. Thomas Leads.

St. Thomas took the lead in the second inning. With two gone Elliott truck out, but Reske allowed the ball to trickle through him, from which he was rescued by a double-deck wallop by Kopp.

Gauer brought another home in the fifth, when he hit, stole, and went to third on Reske's bad toss to second, coming all the way in on a double steal with Speer.

They continued to add runs, one in the fifth, and anotner in the sixth, Elliott's three-ply smash counting one run, and Speer's two-station drive being directly responsible for the other.

The Tecumsehs played real good ball. Nichols at second had a field day accepting nine chances, many of them difficult, without a skip. Brant fielded sensationally at times. Reske did some pretty pegging to second, also some not quite so pretty. Silcox pitched well, but with such hitting behind him could not hope to win.

The Saints showed plenty of pepper and showed real class. Daum at second was excellent, while Kopp in left and Graney in centre, made some fine catches. Speer caught a swell game.

KOLSETH SLAMMED BY KANE'S KREW

Eight Runs in One Inning Off Knotty Lee's One Best Bet Gives Brantford Easy Game.

[Special to The Advertiser.]

Brantford, June 7.—Brantford defeated Knotty Lee's Hamilton Kolts here yesterday by 9 to 4, scoring eight runs in the second inning off the big twirler, Kolseth. In this round Kolseth showed a most charitable disposition, issuing four passes, mixed up with an error and two doubles by Barry and Arnold, which cleared the bases.

When the smoke cleared away Kolseth was led into the barn by the genial Knotty, and told he would have to pitch better ball to hold his job. Kolseth is supposed to be Hamilton's star mounder, but the onslaught that Kane's men made on him yesterday took away a lot of the halo which has of late weeks enveloped the big chief. When Kolseth left off Wendel, a pitcher from Utica, went in and pitched nice ball.

Hamilton did not stop with a total of eight runs against them, however. In the third inning the Kolts got after Arnold, one of Brantford's new pitchers from Baltimore, and scored three. When Arnold went bad in the fourth, Kane yanked him out, and Connolly retired the side, although three men were on, with no one out, when he went in.

After that the visitors never got a man to third off Connolly's pitching, and Brantford added one more in the sixth.

There was an attendance of 600 on hand today, a big crowd for a Tuesday in Brantford.

GUELPH'S RECRUIT PITCHER FAILS

Try Out a Toronto City League Youngster, But He Is Pounded By Deneau's Flying Dutchmen.

Guelph, June 6. — Before a large crowd of enthusiastic baseball fans, the Maple Leafs went down to defeat here this afternoon before the fast Berlin team by the score of 6 to 0. Chaput was the stumbling block in the way of the Leafs. He pitched a swell game of ball, allowing only three scattered hits during the game, and was well supported by the balance of the team. Auld, of the Toronto Senior City League, essayed to pitch for the Leafs. He lasted just three innings, during which time he was pounded for five hits, and these, coupled with some costly errors, netted five runs. Mason was sent to the slab in the fourth and succeeded in holding the hard-hitting Dutchmen down to one hit for the balance of the game. From the third inning to the end the fans were treated to a fine sample of baseball. There was no umpire on the job today, and Dan O'Connor, the local player of the old days, officiated, giving complete satisfaction to both teams. Owing to the local grounds having been secured by the Lacrosse Club for Saturday afternoon, the game with Brantford has been transferred to London, the former team having the same difficulty to contend with as Guelph. CLEVELAND NAPS DUE FOR SHAKE-UP

President Somers Will Neither Affirm Nor Deny Reports.

Cleveland, Ohio, June 6.—Reports that the Cleveland Baseball Club is due for a complete reorganization, were circulated last night here and in other American League cities.

President C. W. Somers left last night for a scouting trip through the west and southwest, announcing that he was after some new players.

He neither denied or affirmed the rumors of a shake-up.

WILL FIGHT IN SAPULPA.

Sapulpa, Okla., June 6.—The Fourth of July battle between Carl Morris, the "Oklahoma hope," and Jim Flynn, who knocked out Al Kaufman, in all likelihood will be fought here instead of in Tulsa, considerable opposition having arisen to pulling off the fight in Tulsa. The fight should give perhaps the best line yet obtainable on the work of Morris, for Flynn is a hard man, and a clean-cut victory over him would stamp Morris as one of the most promising of the white heavyweights.

Chicago 5, Brooklyn 3.

Chicago, June 6.—Chicago today took the lead in the pennant race in the National League by defeating Brooklyn, 5 to 3, while New York suffered defeated at Pittsburg, and President Lynch reduced the number of games lost by Chicago to sixteen. A game played some time ago between Pittsburg and Chicago, and won by Pittsburg, 1 to 0, was thrown out because of poor umpiring, and a new game ordered played. This, with today's game places Chicago one-half game ahead of New York in the pennant race. Today's game was won by opportune hitting and the generosity of Pitcher Bell, of Brooklyn.

LYNCH RULES CUBS LEAD IN NATIONAL

League Executive Yesterday Decided That Cubs-Pirate Game Must Be Replayed as Umpires Ruled Wrongly.

A FAMOUS DECISION

Lynch Explains the Play, and Gives Reason Why He Ruled as He Did in This Matter.

New York, June 6.—President Thos. J. Lynch of the National League today threw out the Chicago-Pittsburg game of the morning of May 30, which Chicago had protested, and ordered the game played over. The decision, with the result of today's games, put Chicago at the head of the league.

"This game," says President Lynch in his decision allowing Chicago's protest, "was won by the Pittsburg club, 1 to 0, and protested by the Chicago club on the grounds first that the field umpire called the wrong player out and that, second, as a result of said decision a second runner was wrongly declared out by the umpire-in-chief.

"In the eighth inning, Shean, of Chicago, was on first base with one out. Archer hit a fly ball to the infield, which was dropped by Wagner, and the ball was thrown to second for a force out. With both Shean and Archer holding first base Field Umpire Doyle called Archer out, claiming that Wagner had intentionally dropped the ball.

Decision Changed.

"After Doyle had told Archer he was out and had ordered him to leave the base, Manager Clarke, of Pittsburg, appealed to Umpire-in-Chief Klem that Doyle's decision was wrong, that Shean should have been declared out instead of Archer. The appeal was allowed and Shean was declared out. Archer in the meantime having left first base as directed, was touched with the ball and also declared out by Umpire Klem.

"A careful investigation shows that the field umpire erred in calling Archer out instead of Shean and that Umpire-in-Chief Klem likewise erred in allowing the second putout. The only decision Umpire Klem should have made under the rule on Manager Clarke's appeal was to reverse Doyle's decision and call Shean out and send Archer back to first.

Both Umpires Erred.

"The evidence clearly shows that both umpires erred and that by reason thereof an injustice was done the Chicago club. The protest is allowed and the game as played is stricken from the records and ordered to be replayed.

Further official notice from National League headquarters corrected the standings of the clubs. The notice reads:

"The morning game of May 30, having been thrown out on protest, the Pittsburg club should have one less victory and the Chicago club one less defeat. The correct official standing up to and including the games of Monday, June 5, therefore is as follows:

	Won.	Lost.	Pct.
New York	27	16	.628
Chicago	26	16	.619
Philadelphia	27	17	.614
Pittsburg	24	19	.558

Cincinnati	21	23	.477

Rochester 11, Buffalo 3.

Buffalo, June 6. — Manser did not pitch anything extra today, but whatever he had was good enough to beat Buffalo hands down. Manager Stallings tried a trio of his twirlers, going from bad to worse. It was a very uninteresting game and was drawn out for nearly two hours and a half. The weather was threatening and the crowd was small. Score:

Local Team Home Every Day This Week But Friday—Kane and Duffy Pay Fines Imposed Saturday.

The Tecumsehs will play here on Wednesday, Thursday and Saturday. Hamilton will be their guests at this afternoon's and tomorrow's games, while Guelph will be here on Saturday. There should be some ball in this series, as all three teams are going great guns.

All the teams are strengthening for the summer. Chaucer Elliott, of the St. Thomas team, has released Pitcher Height, Second Baseman Fleisch, Catcher Winspeer and Pitcher Hydon. He has lines out for a few more good players, and will keep his team well up in the race.

The fines imposed by Umpire Brichter on Saturday, following the riot started by Manager Kane and Second Baseman Duffy, of Brantford, were collected yesterday at Brantford. Before the game started Umpire Cook received instructions to get the money, and he did so. Brichter has been let out.

Umpire Charlie Smith, of St. Thomas, umpired his last game yesterday. He has decided to devote his time to his business in the Railroad City, and as a
