Good Fitting Up-to-Date Styles That Meet Every Requirement of Men and Women, Boys and Girls

Rubber-time is here! Wet snow, rain, slush and mud will do their utmost to ruin good shoes, give you uncomfortable wet feet and produce results as dangerous as they are unpleasant. No need to worry if you are safely protected by "Simpson" rubbers. The many styles here illustrated provide rubbers for every member of the family, in qualities that are unsurpassed and in designs both attractive and perfect fitting. Choose at once while style and size range are at their best.
