STOCK MARKETS OF A WEEK

Variations in Prices of Securities in Seven Days.

Wall-Street Issues Have Been Very Strong With the Close of the Week, and Canadian Issues Have Also Firmed Up—Statements Showing Prices Saturday and a Week Ago.

Saturday Evening, March 25.

For the major portion of the past week the tendency of the Canadian stock markets has been decidedly downwards. Marked recessions took place in many leading issues, with the result that values were in many cases put back to where they stood at the early part of the recent bull movement. The reaction was due to the threatened stringency in the money markets and the consequent liquidation on the part of weak holders. Yesterday (Friday), however, the reaction seemed to get to the end of its tether, and at the afternoon board a general firmness was noticeable about the majority of stocks on the list. There was an improved tendency also at to-day's short session, and the hopeful ones look for a continued improvement in the market during the coming week. And should the threatened stringency in the money markets relax and the crop reports during the next few weeks be favorable to large yields, April may see a good deal higher prices in the standard stocks.

A cable from London to Messrs. A. E. Ames & Co. gives the following quotations: G.T.R. fours, 88; G.T.R. firsts, 80¾; G.T.R. seconds, 58⅝.

C.P.R. earnings for third week in March decreased $14,000, and Grand Trunk earnings increased $25,528, as compared with the corresponding week of 1898.

The capital of the new Payne Mining Company will be $3,000,000, in $1 shares. Of this amount, 2,500,000 shares will be issued to present shareholders, giving them 2½ shares for each share now held, and the balance of 500,000 shares will go into the company's treasury.

The latest returns in the Twin City Rapid Transit Company's earnings are most encouraging. Following is a synopsis of gross and net earnings from Jan. 1 to March 1, 1899, compared with the same period last year:

	1899	1898	Increase
Total earnings	$367,838.13	$317,075.09	$50,753.04
Working exp'ns	183,648.82	165,495.65	18,152.73
Net earnings	184,189.31	151,579.44	32,610.47
Fixed charges	133,974.61	129,831.57	4,143.04
Surplus	50,214.70	21,747.87	28,467.23

On Wall-Street.

The past three days have developed strength in Wall-street issues and the list closes the week with a marked upward improvement for to-day's short session. The advance has been in the face of much uncertainty in the money market, due to the flotation of big industrial propositions which have absorbed considerable capital. As the list has, in many spots during the past few weeks, suffered a considerable set back, many believe that the time is come for another bull movement, and that the turn of the past three days constitutes the inauguration of such a spring period of advances on Wall-street. Should the reports that will come in from the agricultural districts during the next few weeks show a good condition of late growing crops and should the hesitancy in the money market disappear, this bull movement will likely materialize. The New York weekly bank statement issued at noon to-day showed: Surplus, reserve, increased $516,750; loans, increased $5,530,000; specie, increased $203,200; legal tenders, increased $129,000; deposits, increased $3,390,000; circulation, decreased $66,100; the banks now hold $18,557,425 in excess of legal requirements.

Texas Pacific earnings the third week in March increased $11,000 over the same week last year; Missouri Pacific increased $23,000, Ontario & Western increased $16,109. T.C.I. net earnings for February decreased $11,606, as compared with February, 1898.

Notes by Cable.

Consols were off 1-16 in London to-day.

In London to-day, American rails advanced ¼ to 1¼, the extreme gain being in L. & N. and other very strong issues being St. Paul and N.Y.C.

In Paris, 3 per cent. rentes were at 102f 30c.

All Went to the Boat Race.

New York, March 25.—The Commercial Advertiser's financial cable from London says: The markets here were idle to-day. Interest was centred on the universities' boat race, which was extensively bulletined in the Houses. Americans were firm, closing at the best. Louisville & Nashville was prominent. Gold in the open market was taken from the Continent at 77s 9¾d.

Cotton Markets.

Liverpool, March 25.—(1 p.m.)—Cotton—Spot moderate demand, prices firm; American middling, 3 11-32d. Sales 8000 bales, of which 2000 were for speculation and export, and included 7600 American. Receipts none; futures opened steady, with a moderate demand and closed quiet but steady at the advance.

New York, March 25.—Cotton—Spot closed quiet; middling uplands, 5 1-16c; middling Gulf, 6 9-16c; sales, 300 bales. Futures closed very steady: March, 5.91c; April, 5.92c; May, 5.96c; June, 5.99c; July, 6.03c; August, 6.03c; Sept., 5.97c; Oct., 6c; Nov., 6c; Dec., 6.03c; Jan., 6.05c; Feb., 6.07c.

MAY WHEAT RAN UP OVER 72c.

Continued from Page 10.

time recording a gain of nearly 2c over last night. The shorts were badly punished to-day, and simply fell over one another in their endeavors to cover their lines. Damage reports regarding the growing crop were very numerous. The continent were reported free buyers at the seaboard, and this will have a tendency to further stiffen the English market for present supplies are light, and prospective supplies will not be available for a long period. Farmers in the Northwest have sent buying orders to-day in wheat for future delivery, and say the spring seeding is going to be so late they are going to sow barley on the ground instead of wheat. Minneapolis reported over 90,000 barrels of flour sold yesterday. Clearances of wheat and flour over half a million. St. Louis was a heavy buyer to-day. Receipts were small to-day, only 28 cars being estimated for Monday. There was a reaction of over a cent toward the close on realizing sales, but the market finished up well in hand at 70⅝c to 70¾c.

Corn—Ruled fairly active to half a cent higher, the advance being well held. Commission houses and outsiders were free buyers throughout the session. The selling was insignificant and scattered in character. Country offerings continue very light. Clearances fair. The cash demand was excellent to-day. Cables were ¼d higher. The close looks healthy to us to-night.

Provisions—In provisions we likewise had a nice market at improved prices. The buying led by packers and commission people was of a good description. The trade was very fair in volume. Cash demand good and clearances are reported heavy. We look to see provisions sell considerably higher now that they have jumped out of the rut.

Murray's New Catalogue.

The W. A. Murray & Co. (limited) have just issued their semi-annual catalogue for spring and summer. Typographically it is neat, even artistic.

It contains 236 pages of reading matter, interspersed with clean cuts of hats and garments, presenting to the reader a birds-eye view of the things to be seen in the store.

Full instructions to guide one in ordering by mail are made a special feature of the catalogue.

On the back is a picture of the store, indicating the premises from 10 to 16 Colborne-street. The convincing statement is made, "Our mail order service reaches every city, town and village from Halifax to Vancouver."

The serviceable catalogue can be had on application free.

Catto's New Catalog.

Messrs. John Catto & Son beg to announce that their new opening and summer catalog is now ready for distribution and will be sent free to any address. The booklet fully describes goods and gives prices. Besides being tastefully gotten up, it contains information that will be of invaluable assistance to the prospective buyer. The mail order department is given considerable space, and it is as easy to buy at Catto's while 100 miles away, as right in the city. Typographically the cat alog is a gem.

At the meeting of the Toronto Conservative Club in the Arcade to-night papers will be read by C. A. S. Boddy and A. H. McConnell.

DOCTOR HOWARD,
Manager Orien's Mfg. Co.,
Carleton Place, Ont.

DEAR SIR,—I have been a great sufferer from Piles. The last attack was the most severe I have experienced. For ten days I could neither sit nor stand, and walking was out of the question, so great was my suffering. I could find no relief anywhere until your Pile Ointment was recommended to me. I got a box. I was relieved by the first application. In two days I was able to resume work and felt perfectly cured within a week. I volunteer this testimonial. I desire that people who suffer as I have done may know where to get such prompt relief as I found in the use of Orien's Pile Ointment. [Signed] ANDREW JENKINS,

A CRACK SHOT DEAD.

Staff-Sergeant Rolston of the Haldimand Battalion is Gone.

Hagersville, March 25.—Riflemen throughout the Dominion will greatly regret to learn of the death of Staff Sergeant Rolston of the 37th Battalion, Haldimand Rifles, which took place last Thursday at Clanbrassil. He was one of the best shots in the Dominion. He won a place six times upon the Wimbledon and Bisley teams, and earned much distinction in those competitions. The funeral this afternoon was with military honors, and was largely attended by all ranks of the battalion, including Lieut.-Col. Nelles of Toronto and Major Thompson of Cayuga. Sergt. Rolston will be much missed at the ranges, where he was so long a prominent figure.

MR. KIPLING FAINTED.

Author Took a Bad Turn on Thursday—He is Still in Bed.

New York, March 26.—Rudyard Kipling, whose health had been improving steadily, had a temporary set-back on last Thursday night, when he had a fainting spell. Mr. Doubleday admitted yesterday that Mr. Kipling had been made somewhat weaker by the fainting, but said he had recovered in the night and was all right again.

Mr. Doubleday did not go into details about the fainting, but it is understood that Mr. Kipling had exerted himself a little too much in talking. He is still in bed.

Positive Proof!

JAPANESE CATARRH CURE CURES!

The following testimonial is only one of the hundreds daily received by the Proprietors of Japanese Catarrh Cure. Coming from British Columbia where, owing to extreme dampness of the climate, catarrh is more prevalent and more difficult to cure than in other parts, Mr. James Farr of the well-known firm of J. & E. A. Farr, Chilliwack, B. C., writes: "I have been very badly troubled with catarrh for years, and tried all the advertised remedies and many doctors, but in every case the catarrh came. One year ago I purchased six boxes of Japanese Catarrh Cure, and since finishing the treatment with this remedy, have not felt the least sign of catarrh. My nephew, Wm. Bentley, was also so bad with catarrh that it was unpleasant to go near him. He has also been cured by Japanese Catarrh Cure. We keep it for sale in our store, and know of many others similarly afflicted who have been cured." Japanese Catarrh Cure is guaranteed to cure any case of catarrh. Sold by all druggists, 50 cents. A free sample will be sent to any person suffering from this disease. Enclose 5 cent stamp. Address the Griffiths & Macpherson Co., Toronto. 15
