## TRUSTEES NAME NEW SCHOOL

### IT WILL BE CALLED AFTER CHAIRMAN JAY

### Male Teachers Selected—Tenders Accepted for Building.

The school board held a short meeting on Friday in the school board office at the city hall. There was present Trustees Mrs. Jenkins, Christie, McIntosh, Staneland, Chairman Jay and Superintendent Paul. The business before the board was short and soon disposed of.

The naming of the new Chambers Street school was one of the important items. Trustee Staneland suggested that the new school should be called the George Jay school in honor of their chairman who had rendered such valuable services during the number of years he has been on the board.

The rest of the board were unanimous in this being the name.

Mr. Jay replied in a few words thanking the board for their kindness.

A letter was received from Sergt.-Major Mulcahy, drill master of the High School cadet corps, asking for an increase in his salary. The board, however, could not see its way clear at present to make the increase.

A number of applications were received for the positions as teachers on the city school staff which were advertised for some time ago. After a vote Messrs. Robeson, Campbell and McLean were selected to fill the positions. These gentlemen were all recommended very highly.

Mr. Keith, architect for city schools, was present. He announced that the contractors who had been selected for the new Moss street school were for brickwork and masonry, Dinsdale & Malcolm; carpenter work, Sheppard & Jones; roofing, Pacific Sheet Metal Works; plastering, E. Sherritt; plumbing, Menzies & Co.; painting, Frank Mellor, and wiring, Hawkins & Hayward. The amount of these tenders totalled $34,334.50. This figure does not include the heating of the school.

A number of applications were also received for superintendent of work for this building. These were laid over until the next meeting as there is no hurry for some time yet.

The meeting then adjourned.

## LOU NORDYKE LEAVES VANCOUVER BEAVERS

### Dickson Will Now Have Sole Charge of Baseball Team.

Spokane, Wash., Aug. 7.—Lou Nordyke, manager of the Vancouver Beavers, who led the team to the championship of the Northwestern League in 1908, will be a member of the Spokane Indians after Sunday. He will go to the coast with the Indians Sunday night, and will wear a Spokane uniform in the game at Seattle Monday.

"Buck" Connors, the premier slugger of the league, who has been holding a bench job for the local team for the last few weeks, while Fred Weed has been playing first base in a sensational manner, will join the Vancouver team and leave with them Sunday night for the coast.

This trade was completed yesterday, and the releases and contracts placed in the hands of the respective managers. Dickson will take sole charge of the Vancouver club from now on.

## ENTHUSIASTIC OVER OUTLOOK IN WEST

### Sir Charles Rivers Wilson Leaves Chicago for Pacific Coast.

Chicago, Aug. 7.—Sir Charles Rivers Wilson, president of the Grand Trunk railway, left here to-day for a tour of the Pacific northwest.

"I am more convinced than ever," said Sir Charles to-day, "that the Grand Trunk Pacific road is going to be a great success. The development of the Canadian northwest is progressing rapidly, for like the Pacific northwest, it is a country of marvellous resources. That portion of the Grand Trunk Pacific between Edmonton and Port William will be completed by September 1st, and we expect to ride over it on our return journey."

## JACK JOHNSON IS AGAIN IN TROUBLE

### Will Be Tried at Woodstock on Charge of Reckless Automobiling.

London, Ont., Aug. 6.—Jack Johnson, the black pugilist, was placed in jail here to-day awaiting removal to Woodstock, Ont., where he must face the charge of reckless automobiling. The negro was arrested this morning on the request of the Woodstock police, who allege that he smashed an automobile in a collision at that place.

Johnson was furious at being arrested. He has been causing considerable trouble by his driving, but this is the most serious of many charges against him in this connection. He paid several fines for exceeding the speed limit in the States.

The ladies' guild picnic of the Metropolitan Methodist church at Gorge park was well attended Friday, and an enjoyable time was spent.

## THREE MEN SHOT BY AN OLD SOLDIER

### One Victim Dies Instantly and Others Are Not Expected to Recover.

Dayton, O., Aug. 7.—Edward Leonard, a civil war veteran, shot and instantly killed Capt. Oscar Eastmond, at his desk in the barracks of the soldiers home here, to-day.

Leaving his victim, he ran up the stairs to a bedroom on the second floor where Sergeant Arnold was playing solitaire, and shot him. Rushing to the story above Leonard met Corporal Warren Wright in the hallway, and shot him down.

Still flourishing the gun, the murderer then turned and started to retrace his steps, when he was caught and is now under heavy guard.

When Leonard left the dead body of his first victim, the aged inmates of the home, attracted by the report of the revolver, crowded toward the office of Eastmond. Leonard rushed at them and threatened to kill the first one who stood in his path. Then he drove the old soldiers before him and created a panic among them. When caught Leonard seemed to be insane with rage. He offered no explanations and the cause of the man's murderous actions remains a mystery.

It is reported, however, that Leonard was reprimanded by one of the officers and this made him furious. Another report is to the effect that Eastmond and Leonard held an old grudge between them, dating back to the time when they were living in New York, and that Leonard killed Eastmond to settle the score. That Eastmond was the man who Leonard wanted to kill is indicated by the manner in which the veteran approached his victim. He drew his gun and then while Eastmond was reading a paper, crept up behind the captain and shot him through the back of his head.

Leonard is 65 years old and has been in the soldiers' home for some time.

Both Arnold and Wright are seriously wounded and thought to be dying.

## ARMY OFFICER IS ACCUSED OF MURDER

### Charge Reported to Have Resulted From Inquiry Into Lieut. Sutton's Death.

Annapolis, Md., Aug. 7.—It is understood here to-day that a direct charge of murder has been placed against one of the officers engaged in the brawl which resulted in the death of Lieut. James N. Sutton. Up to the present all the officers who were with him at the time have been on the defensive in the investigation into his death, without any specific charge against them.

When court convened this morning a secret session was ordered immediately in order that the letters written by Mrs. Sutton, mother of the dead lieutenant, to the authorities at Annapolis, soon after the death of her son, might be read.

In one of these letters it is understood that Mrs. Sutton makes grave charges against one of the officers, naming him and giving specific allegations.

It was thought yesterday that the incidents of the day might cause strained relations between Mrs. Parker, sister of Lieut. Sutton, and Major Leonard, but they chatted pleasantly at the hotel last night, and there was no sign of ill-feeling when the case was opened this morning.

## ANXIOUS TO SECURE LAND ON RESERVATIONS

### Nearly Three Thousand Registrations Filed in Montana and Washington.

Spokane, Wash., Aug. 6.—More land-seekers are registered to-day for the opening of the Flathead, Washington and Idaho lands by the government than ever before recorded in the history of land openings in the United States. The Flathead Indian lands in Montana, the Spokane and Coeur d'Alene lands have been long sought as prizes of the white man, and every effort has been made in the last generation to have them thrown open. That they are eagerly sought is shown by the fact that a total of 274,529 registrations are in.

The official figures up to midnight last night were: Total from Coeur d'Alene to date 104,416; total from Flathead reserve 73,292; total from Spokane 96,823. It is believed that fully 20,000 more applications are in the mails today, and that the total registration will reach 290,000 or more.

Platforms from which the drawings will be made have been erected, and are now ready. Fifty steel cans which contain the applications are guarded by a picked force of deputies and United States marshals.

On Monday Miss Helen Hamilton, niece of Mayor Hamilton, of Coeur d'Alene, will pick the winning list of 1,500 numbers, and on Tuesday will pick a substitute list of 3,000. This latter list will be used to draw from in case any in the first 1,500 do not file upon their land.

On Thursday, Friday and Saturday the drawing on the Flathead reservation will be continued at Coeur d'Alene and on Monday, August 16th, the Spokane reservation lands will be drawn for at Couer d'Alene.

—The annual outing of the Bartenders' League will be held on Sunday, August 22nd, at Colwood. A good programme of sports has been prepared and a good time is promised all those who attend. No pains are being spared in trying to make this event a success.

## KELOWNA WINS WITH KEOGH UP

### CAPT. BURNETT BEATEN EASILY BY MILL SONG

### Flavigny Disqualified and Loses Thrid Place to H. Rogers.

(From Saturday's Daily.)

The break down of Capt. Burnett after the race, the second defeat of Phillistina by Milpitas, Kelowna's repeator in 7 furlongs, and the disqualification of Flavigny in the one and a quarter miles, were the principal events of yesterday's card at the Willows, which was run before the largest Friday attendance of the meeting.

Kelowna repeated his previous running this week and beat the field easily over six furlongs. With Keogh up the horse was made a favorite.

The one and a quarter miles was responsible for the second disqualification of the meeting. Flavigny, which ran third, was disqualified for interfering with Harry Rogers coming down the home stretch. He kept bothering Ogle's horse until fifty yards from home and was brought before the stewards present, who gave third money to Harry Rogers. The race went to Footloose, with Rama second. Archibald's mount ran into the lead too soon and had not the pace left to beat Footloose.

Details of yesterday's races are:

## MUST GO SLOW ABOVE POINT ELLICE

### Speed of Launches Now Limited to Six Miles an Hour.

An order in council has been passed by the Dominion government regulating the speed of launches plying in Victoria arm above Point Ellice bridge. Representations have been made to the government at different times in regard to the matter. Some launch owners have been very reckless in those waters to the great danger of other craft. The order which has just been passed will give very general satisfaction, as the waters above the bridge are not suitable to fast traffic. So many canoes use the waters, and so many accidents have occurred by these frail craft being overturned from the wash of large launches that the present action has become necessary. The next step will be to see that the order is strictly enforced.

—The choir of the Metropolitan Methodist church held a picnic at White Lady beach on Friday which was a very successful affair. Launches left the causeway at 10 a.m. and took out a good number of the members of the choir and friends. Others followed in the afternoon and evening. About 70 were in attendance. An interesting feature of the day's enjoyment was a visit to Todd's cannery during the afternoon. Boating, games, etc., contributed much to the success of the picnic. Photographic groups were taken by Miss Foxall during the evening. The launch ride home was a fitting conclusion to a very delightful day's outing, which will be long remembered by the choir.

## THE STRIKE IN SWEDEN.

Stockholm, Aug. 7.—The grave-diggers have returned to work and there appears to be dissension in the ranks of the other strikers to-day. The owners of some of the largest plants in Stockholm, whose establishments were closed by the general strike proclaimed last week, announce that their employees will return to work on Monday.
