THE WEATHER

Toronto, Ont., April 25.—The area of low pressure has moved northward into Quebec, while the high has moved southward over the western portion of the Great Lakes. The weather in the west has become much warmer while in Ontario it has been unseasonably cold.

Forecasts — Maritime — Fresh southwest and west winds; mostly fair and cool.

WHY RUN-DOWN PALE EXHAUSTED WOMEN SHOULD TAKE IRON

"There can be no beautiful, healthy, rosy-cheeked, steady nerved women without iron. When the iron goes from the blood of women, the roses go from their cheeks—their charm and interest in life departs. I always insist that my patients take organic iron—Nuxated Iron—(not metallic iron which often corrodes the stomach and does more harm than good). Nuxated Iron is easily assimilated, does not blacken nor injure the teeth nor upset the stomach. It will increase the strength and endurance of weak, nervous, irritable, careworn, haggard women in two weeks' time in many cases. I have used it in my own practice with most surprising results."—Ferdinand King, M.D., well known New York Physician and medical author. (Satisfaction guaranteed or money refunded—On sale at all good druggists.)

Last Troopship Here Yesterday

Corsican Brought 1,349 Passengers—Only 342 Were Returning Fighting Men—Some Women Passengers Were Discontented.

Disagreeable weather and consequently disgruntled passengers marked the sailing of the last troopship to enter the port this year, the R. M. S. Corsican, which arrived at Sand Point yesterday morning slightly before nine o'clock.

The voyage across took ten days and several of those were stormy. Added to the straitened quarters of the third-class accommodations was the fact that this voyage was featured by an unusually large number of women and children, there being 246 kiddies under fourteen and many infants. It was stated that the women folk were so indignant that a mass meeting was held in the steerage Wednesday night, protesting against the food and accommodations.

On the other hand military authorities state that the ones who did the most "kicking" were those who stated they were willing to sleep even on the decks if they could get an early passage home. As soon as they got on board the vessel, however, they began "grousing" and discontent spread.

There were 1,349 passengers on board but of this number only 342 were returning fighting men. Outside of a few officers, civilians and an American party of 38 all the others were dependents, most of them travelling in the third class accommodations.

Among the interesting persons on board were Walter S. Lund, of the Toronto Evening Telegram, who is returning with his family after getting a first hand impression of conditions in England and France. Colonel L. W. Marsh, Belleville, was elected president of the Canadian representatives at the Lyons Exposition, Senator H. Bostock and wife are returning to Kamloops, B. C., after visiting the grave of their son, Lieut. Bostock of the 4th C. M. R., who was killed in action July 6, 1916.

Among the men for this district were Privates M. E. Ross, St. Stephen, and C. Kingston, Millerton, both members of the 26th Battalion.

Miss Snow, daughter of Lieut.-Col. A. B. Snow, Vancouver, who was O. C. of the military party, was painfully injured in a fall from the cabin staircase, resulting in a bad break in her left leg.

There were five stretcher cases removed to the St. James' Street Hospital, all wives of soldiers.

New Brunswick dependents arriving were:

Mary Arnold and child, Marysville.
Ethel Clayton and four children, Prince William.
Agnes Dargavel and infant, Harcourt.
Ruth Garvey and child, Chipman.
Annie Gardine, Fredericton.
Ethel Kingston, Millerton.
Winnifred Lilley and infant, 67 High street.
Sarah Murray, Stackney.
Florence Noble and infant, Traceyville.
Annie Regan and child, McAdam.
Margaret Ross and two children, Campbellton.
Elizabeth Weeks and child, Sussex Corner.
Thomas Copeland, St. John.
Jack VanZant, St. John.

Other New Brunswick passengers on board were:

Sgt. Fred Clayden, Fredericton.
Sgt. Charles Morgan, St. John.
Pte. Thomas Gartley, Queens Co.
Pte. Chris. Kingston, Newcastle.
Spr. Harry Likely, St. John.
Pte. Francis W. Murray, St. John.
Pte. Vernon Noble, St. John.
Pte. Sandell Pike, St. John.
Pte. Edward F. Reagon, St. John.
Pte. Melvin E. Ross, St. Stephen.
Pte. Burber J. Walker, Sussex Corner.
Miss N. Beaufort, St. John.
M. De Moor, St. John.
Sign. Lt. A. C. V. Gross, St. John.
Miss Inch, Fredericton.
Capt. H. D. B. and Mrs. Jack, St. John.
Miss Macfarlane, Fredericton.
R. Wren, St. Andrews.
Mrs. F. J. Wren and four children, St. Andrews.

Notwithstanding the unpleasant weather a large crowd was on hand to greet the returning Canadians. The Depot Battalion Band enlivened proceedings with patriotic airs and the citizens' reception committee was there with apples, candy, smokes and other comforts which were distributed among the boys before they landed.

The first train, through to the coast, got away at one o'clock, the second, for Toronto, at 2.30, and was followed at hour intervals by the trains for Vancouver and Montreal and intermediate points. J. Davis was the Red Triangle representative on the Toronto train, Frank Robertson on the Vancouver train and J. J. Ervine on the Montreal train.

Freckles and Blotches Are Easily Peeled Off

If you are bothered with any cutaneous blemish, it's a poor plan to use paint, powder or anything else to cover it up. Too often this only emphasizes the defect. Besides, it's much easier to remove the disfigurement with ordinary mercolized wax. Applied nightly, the wax will gradually remove freckles, pimples, moth patches, liver spots sallowness, red blotches or any surface eruption. The affected cuticle is actually absorbed a little each day, until the clear, soft, youthful and beautiful skin beneath is brought wholly to view.

Ask the druggist for one ounce of mercolized wax and use this like you use cold cream. Remove in the morning with soap and water. Many who have tried this simple, harmless treatment report astonishing results.

POLICE COURT CASES HEARD

Returned Soldier Charged His Wife With Assault—Firebug to be Examined—Man Fined $200 for Having Liquor.

Mary Erickson — formerly Mary Stratton, appeared in the police court yesterday morning charged with an assault on her husband. The husband of the accused gave evidence telling of finding his wife under the influence of liquor on arrival home after fifteen months' service overseas. She persisted in drinking and often went out and purchased it, which led to arguments and finally an assault on her part. The accused was remanded.

John Gray appeared charged with setting fires and was remanded until a physician is engaged to ascertain his mental status.

Edward O'Brien appeared for using obscene language and was fined $16 or an optional four months in jail with hard labor.

John Griffin appeared for having liquor in his possession unlawfully, and was fined $200, or six months in jail.

Arthur Tumith, on a charge of having liquor in his possession contrary to the liquor statutes, was remanded for further evidence.

William Jackson who was arrested on the charge of assaulting his wife, appeared for final hearing. A fine of twenty dollars was struck, but allowed to stand. Clyde Lasky, a boarder at the home of the accused, gave evidence, stating that Jackson had at one time expressed the wish that he had a revolver to make a clean-up.

At the afternoon session of the court Matthew Ramsey appeared for judgment on the charge of having supplied liquor to Howard Robinson. The magistrate dismissed the case as he believed the evidence not sufficient for a conviction. William M. Ryan appeared for Ramsey.

Clement Creary, Joseph O'Leary, and Robert McEaherean appeared for further hearing on the charge of breaking and entering the store of B. Titus, Main street, last Good Friday. Mr. Titus was recalled and identified some buttons found on O'Leary as being similar to those which had fallen off his coat and had been left in the cash register along with some money. At the time of the arrest some money, old coins and several buttons were found on O'Leary, the buttons and coins answering in similarity to those owned by Mr. Titus, and which were taken from the cash till. After the evidence the three were remanded.

Almost a Miracle But Very Simple

Was the Cure of John New by Dodd's Kidney Pills.

His Troubles All Came from Sick Kidneys and He Treated Them with the Old Reliable Canadian Remedy, Dodd's Kidney Pills.

Hillside, Battleford, Sask., April 25, (Special)—With a speed that was almost miraculous, Mr. John New, a well known farmer here, has been cured of the kidney trouble from which he suffered for several years.

"Dodd's Kidney Pills cured me," he says. "I wish to give them all the thanks."

Speaking further of his troubles and their sudden cure, Mr. New says: "I think I inherited my kidney disease from my parents, and I suffered off and on for several years. I had stiffness in the joints, cramps in the muscles, backache, and neuralgia.

"I perspired freely on the slightest exertion and my perspiration had an unpleasant odor. I was irritable, often dizzy and was depressed and low spirited. My skin was dry and had a harsh feeling and I was often nervous.

"I took just one box of Dodd's Kidney Pills. They cured me."

If your troubles come from the kidneys you will have some of the symptoms that Dodd's Kidney Pills cured in Mr. New's case. Ask your neighbors about Dodd's Kidney Pills.

APPOINTED TO THE MONTREAL BRANCH

E. Roy Fenwick Has Been Appointed Manager of the Dunlop Tire and Rubber Co., Montreal Branch—Has Been Popular St. John Manager.

E. Roy Fenwick, manager of the New Brunswick branch of the Dunlop Tire and Rubber Co., is being congratulated on his appointment to the managership of the Montreal branch, the largest office of the company in Canada, and, while many friends throughout this province will regret that his promotion means his transfer from St. John, they will be pleased with the success which has come to him in his work. Mr. Fenwick is a native of Kings county, and has been with the Dunlop Company for the past twelve years, of which the first four years were spent on the road and the remaining time as manager in St. John. During this period he has seen what was a comparatively small business become an important branch of the company's work, much of this success being due to his personal effort. The transfer to Montreal is an appreciation of his ability as displayed here, for the position to which he now goes is the most important of its kind in the gift of the company. Mr. Fenwick will leave for Montreal in a couple of weeks, but Mrs. Fenwick will remain in St. John until the autumn.

RETURNED MEN PARADE TOMORROW

Not only all veterans of the Great War, but also all who saw service during the South African campaign are requested to take part in tomorrow's church parade in celebration of the great Canadian victory of Ypres.

The men will meet in uniform where possible, at the Court House, King street east, and the procession will start at 10.20 sharp, daylight time. The Protestants will go to St. John's (Stone) Church, where Rev. Chaplain Kuhring will preach, and the Catholics to the Cathedral. Capt. G. Earle Logan will have charge of the former party and Major Cuthbert Morgan will be in charge of the Cathedral party. Two bands will be in attendance.

It is expected that Brig.-Gen. MacDonnell and staff will attend.

Citizens who wish to provide automobiles to convey the wounded men are requested to notify Major Morgan.
