THIS ORIGINAL DOCUMENT IS IN VERY POOR CONDITION

We learn that the draft of a new Militia Bill, prepared by the Adjutant General, has been for some time past in possession of some of the officers throughout the country, to obtain their opinions as to its merits. The draft is understood to be as yet a very crude affair, but contains provisions which, if adopted as law, will materially alter the position of the volunteers throughout the Dominion.

THE RUSSELL WATCH!

A FEW REASONS THAT MAKE IT SUPERIOR TO ALL COMERS.

1st—It proves itself a reliable time-keeper beyond all question.

2nd—The RUSSELL WATCH being made on correct and scientific principles, it must follow as a natural consequence that it will keep time.

3rd—Each part of which the RUSSELL WATCH is composed is a reflex of the perfect machine by which, under skilful direction, it is produced.

4th—Truth is the essential of each part.

5th—Uniformity and conformity must therefore characterize the several parts in fulfilling the purpose for which they are made and brought together.

6th—Reproduction, as regards watch work, is simply an application of the principle that "things which are equal to the same things are equal to one another," and if there is any merit, the RUSSELL WATCH possesses that merit to a demonstration.

7th—The greatest variety of price, quality and size, that confidence and perfection will admit, afforded by the RUSSELL WATCH.

8th—The RUSSELL WATCH stands pre-eminently above all competitors for public favor and patronage.

9th—Proofs of the foregoing—the universal testimony of all Watchmakers who have sold, and the positive statements of the thousands in Europe, the United States and Canada, who have worn the RUSSELL WATCH.

TESTIMONIAL.

To Robert Cuthbert, Watchmaker, Wyndham Street, Guelph.

If Society was as perfect in its organization, and was as obedient to the dictates of truth, as the RUSSELL WATCH I bought from you is in indicating time, evil would be swallowed up in good, and happiness would become monotonous.

G. RENNIE, Guelph.

IMPORTANT!

ROBERT CUTHBERT,
