FINE DISPLAY AT LOCH LOMOND FAIR

Exhibits of Produce and Domestic Manufactures, Best in Years--A Large Attendance--The Prize Winners.

Brilliant weather attended the twenty-seventh annual fair of the Simonds and Loch Lomond agricultural society, which took place Tuesday at Loch Lomond. There was an unusually large attendance which, together with the excellent display of produce and domestic manufactures, contributed in making the exhibition one of the most successful held in the county.

Rarely has a better display of produce been shown than that exhibited by the farmers of Simonds, and the mats, mittens, quilts and other handiwork of their wives and daughters came in for warm commendation. MACRAE'S BREAK AT LOCH LOMOND

Opposition Candidate Ignores Request of Agricultural Association

Dr. A. W. MacRae, the Conservative candidate in St. John city and county, took it upon himself to ignore the requests of the Simonds and Loch Lomond Agricultural Society Tuesday and forced a campaign speech upon the gathering assembled for the purposes of the annual agricultural fair.

The net result, in the opinion of those who attended the fair, was that MacRae would have been more diplomatic to have gracefully acceded to the wishes of the society and that, in fact, he had overshot the mark and was "votes out" by his two hours' speech.

Some days ago, when it became known that he planned on speaking at the fair, newspapers published the expression of the society's wishes that they be allowed to conduct their fair without any political speech making. In addition both parties in the contest were informed by telephone that this was the association's desire. Moreover a resolution was passed by the society, upon whose executive both Liberals and Conservatives sit, expressly and formally setting forth this wish.

The Liberals respected the request. Dr. MacRae, on the contrary ignored it. He secured a wagon for a rostrum and spoke for more than two hours. The Liberals present, who were greatly in the majority, were disgusted and did not bother listening to the speaker who had for his audience a few Conservatives and even they gave him no great encouragement in the form of applause. The general opinion Tuesday was that Mar. McRae would have done better had he not forced himself in where he was not wanted.

The resolution of the society was as follows:

"At a meeting of the Simonds and Loch Lomond Agricultural Society, held Oct. 6, 1908, it was unanimously resolved that this society requests the leaders on both sides of politics to refrain from speaking on politics in a public manner, as they, the members of the above society, would rather have the day observed in a purely agricultural spirit.

(Signed),

"W. T. BOYLE, President.

"ALEX. F. JOHNSTON, Secretary."

ONLY WILLING TO BET ON MAJORITY

Conservatives in Carleton County Will Make No Wagers on Carvell's Defeat.

Hartland, N. B., Oct. 6.—Politics and potatoes form the leading topics for discussion these days. The political atmosphere is hazy, but right in this vicinity no one seems to question Mr. Carvell's return. The only wagers that have been laid are on the probable majority; and, by the way, that is the only way the Conservatives can be induced to bet.

THIN BLOOD MADE STRONG

Tiredness and Weakness Overcome--A Joyous Letter

"I admit because I neglected early treatment I am entirely to blame for the condition of weakness that for nearly two years made my life a real misery," writes Mrs. Hazen, of Beauport. "At first I felt sort of flat in the morning and could do no more than pick at my breakfast. Later I remember my sleep was disturbed, that dreamy, restless sleep from which you finally awaken, feeling as if you could never get up. Then I became thin, lost my color, got nervous and fearful about nothing, and kept thinking about myself all the time, and was irritable, cross and easily made cry. What would have become of me if I had not taken Ferrozone I can't imagine. Ferrozone put new life into me from the start. It strengthened my nerves and brought back my color, and in a little while, less than three months, no healthier and brighter woman could be found anywhere. I highly praise Ferrozone and advise sick people to take advantage of its health-conferring properties."

Ferrozone quickens the powers of both body and mind, simply because it forms lots of blood that's full of life and vitality. Ferrozone creates appetite, gives strength, vim and endurance, it's good for old people, good for everybody that needs better health. Thousands of men, women and children use Ferrozone every day and all say it's the best nourishing, strengthening tonic made; try Ferrozone yourself. 50c per box or six boxes for $2.50. COMMITTEE MUST BRING IN REPORT

County Council Refers Back Secretary's Application for Increase

At the meeting of the county council Tuesday afternoon, warden Dean in the chair, the question of an increase to county secretary Vincent's salary was referred back to the finance committee for a report. It was decided to pay the government $2,500 on the provincial hospital account for pauper lunatics and that the matter in the meantime to be reconsidered by the finance committee and reported on. Nov. 6th was appointed as the day on which the ratepayers of the parish of Lancaster will vote on the question of lighting the fire district. Those present besides the warden were: Councillors Fox, Hooley and Long, of Lancaster, Donovan, Shillington and Adams, of Simonds; Cochran, Black and Connely, of St. Martins; and J. K. Corscadden, of Musquash; and Councillors Kelley, Baxter, Lewis, Sproul, Pickett, Christie, Willet, McGoldrick, Holder, Rowan, Scully, McGowan, and Hamm and County Secretary Vincent. Thos. F. Coughlan was in attendance.

The county secretary announced that, owing to the death of Marshal Coughlan, some one would have to be appointed to the care of the dead house. It was decided to appoint Thos. F. Coughlan.

Councillor Baxter, in commenting on the report of the finance committee, said he had been entirely ignored in the settlement with the provincial government.

The secretary replied that what he had done was by the authorization of the finance committee. He had saved the municipality $3,000, and probably $1,000 a year for years to come.

The charge made by the government for pauper lunatics is $1.25 each per week.

It was moved by Councillor Baxter that $2,500 be paid the government on account of the hospital account and that the matter be referred back to the finance committee for a full and detailed report.

The motion was carried.

Refering to the recommendation that Secretary Vincent's salary be increased $500, Councillor Baxter said that in other counties they managed with a secretary treasurer, and he was surprised that the matter should come up now. He moved that the recommendation be referred back to the committee.

Councillor Pickett seconded the motion.

Councillor McGoldrick moved that the section be adopted. He contended that the county secretary ought to be paid a fair salary.

Councillor Connely seconded Councillor McGoldrick's motion.

Councillor Cochrane followed, endorsing the increase.

Councillor Baxter pointed out that the county secretary received $300 as liquor license inspector as well as $1,300 as secretary. He contended that it was simply an attempt to take the money out of the pockets of the people of the country.

Councillor Donovan thought that the secretary ought to get a raise in salary.

Councillor Black said that the present salary of the secretary was a miserable pittance.

Councillor Bullock thought there would be no harm in referring it back to the committee.

Councillor Baxter said he was quite willing to allow Councillor McGoldrick's motion to stand as the original motion, while his could be put as an amendment. If the matter did not go back to the finance committee he declared he would no longer act as its chairman.

When the question was put, Councillor Baxter's amendment was declared carried.

The following accounts were ordered paid:

D. E. Berryman, M. D., coroner, holding inquest and views, six months	$ 119.79
Gilbert G. Murdoch, making survey and plans Isolation Hospital lands	91.00
Charles Bailey, goods supplied gaol prisoners	5.40

R. G. Dun, Commercial Record	10.00

New Brunswick Telephone Company, telephones, registry office and gaol	15.00
J. Vernor McLellan, writing up indexes	525.00
County secretary:

Care treasurer's office 5.00	
Stamps 5.00	
Drawing and executing 6 deeds re sale Isolation Hospital lands, $5.60 each 33.60	48.85

Councillor Fox then moved that Nov. 6 be the day on which the people of Lancaster will vote on the question of lighting the fire district.

This was seconded by Councillor Long and carried.

Councillor Baxter moved that the finance and accounts committee be empowered to make arrangements with J. V. McLellan to complete the indexing of the books in the registry office which are not already done. This was carried and the council adjourned.

SHOT FIVE BEARS, TWO MOOSE AND TWO CARIBOU

Newcastle, Oct. 7.—Horatio J. Ward and Marshall Adams, of New York, came out of the woods the other day with five bears, and a moose and caribou each. They were delighted with sport on the Miramichi.

Henry A. Dudell, New York, H. S. Vanderbeck, of New York; Mr. and Mrs. Stahlnecke, of Pittsburg; Charles H. Platt and W. E. Chadwick, of New York, are hunting in this section.

Mrs. Stanley Lindon, of Nordin, died this morning of consumption. She was married only last January. She was the daughter of Duncan Stewart, of Nordin. Besides her father she leaves two brothers, William and James, and two sisters.

Last night, Mrs. G. H. Hillier, a Socialist leader of Liverpool (Eng.), and one of the militant suffragettes who, attempting to storm the House of Commons last June, were arrested and sent to Holloway jail for a fortnight, spoke in the Baptist church, Rev. H. A. Brown in the chair. She was well received. A resolution, moved by H. N. Stuart and seconded by H. Wyse, was carried, conveying to the British advocates of equal suffrage the sympathy of the meeting and the hope that their cause would soon triumph.

An excellent musical programme was carried out.

THE DOCTORS SAID "THERE MUST BE AN OPERATION"

"Fruit-a-tives" Saved Mrs. McCready Untold Suffering and Almost Certain Death.

"Publish this for humanity's sake," writes Mr. C. McCreacy, of Putnam, Ont., in his letter to the Owners of "Fruit-a-tives." Physicians said that only an operation could save his wife's life. But again "Fruit-a-tives" proved its wonderful powers. The doctors were wrong—Mrs. McCready is today well and strong—and "Fruit-a-tives" have made friends of every one for miles around Putnam.

"Dear Sirs,—My wife suffered for over a year from Indigestion and Bowel trouble. Several doctors treated her for this trouble and advised her that only an operation would save her life. As they stated it was a cure for that was causing the trouble. The operation was to cost $200 and, while she was debating in her own mind about being operated on, she was advised to try "Fruit-a-tives," which I procured for her from our local merchant. From the first box she improved, and after having taken four boxes she is completely cured and is now as well as ever.

I decided then that "Fruit-a-tives" was the most wonderful remedy in the world and it certainly saved my wife's life. She still takes one tablet every night, we also give them to the children with excellent results, and they have to thank "Fruit-a-tives" for the fact that their mother is now with them, they fully expected she would be in her grave. Publish this for humanity's sake."

(Sgd.) C. McCREADY.

For Indigestion, Dyspepsia, Constipation and Biliousness—for all troubles due to defective action of Bowels, Kidneys and Skin, "Fruit-a-tives" is a certain cure. These tablets are made of fruit juices and tonics, are pleasant to take and quick to act. Trial size, 25c.—regular size, 50c. a box or 6 for $2.50.

At all dealers or sent on receipt of price by Fruit-a-tives, Limited, Ottawa.

ENGLISH BARONET HERE FOR A MOOSE

Sir R. W. Brooke Goes Into Woods in the Bartibogue District

Chatham, N. B., Oct. 6.—Among the many sportsmen who arrived last week to shoot in the Miramichi woods was Sir R. W. Brooke, an English baronet, who left on Saturday for the Bartibogue district in search of a moose. The titled visitor is a distinguished hunter, as he has shot lions in Africa and tigers in India. On these trips he represented the natural history branch of the British Museum but on the present trip he is hunting for the mere pleasure of it.

He says he was told that the Miramichi district in New Brunswick was the only place where he could be sure of getting what he went after and that he will stay in the woods until he gets a moose of suitable proportions.

Both mills of the Miramichi Lumber Company were closed down on Saturday. Owing to the high wind the tug Rex had to abandon a tow of logs up river on Friday and there was no lumber for the old mill. The tide was so far out that the logs could not be got up to the Morrison mill.

The meeting of the exhibition directors on Friday evening was called at too early a stage for the business to be settled and it was arranged to hold another meeting on Wednesday, October 14. The surplus will be larger than was thought at first.

W. C. Whittaker, of St. John, was in town on Monday.

The preliminary trial of Paul Gallant, the Summerside sailor, charged with breaking and entering Myer Moss' jewelry store on September 26, was finished on Saturday and the prisoner sent up for trial.

ANNAPOLIS VALLEY APPLES BRINGING MORE

Price Advancing--Big Horticultural Exhibition--Fall from Apple Tree Proves Fatal.

Torbrook, N.S., Oct. 6.—The apple crop in the Annapolis Valley is an average one. Prices, which were very low at the first of the season, are now advancing. Ribstons, Kings and Blenheims, are selling for $2 a barrel to local buyers. The fruit is very smooth, free from scab and of fine quality.

The horticultural exhibition of Nova Scotia will open in Kentville tomorrow. There are more than 5,000 entries. It will be the greatest show of fine fruit ever held in Canada.

Henry G. Hartmann, of Columbia University, New York, has been appointed instructor in philosophy at Acadia College to serve until a permanent appointment is made.

A brass band is being organized in Middleton. C. E. Balcom, of Margaretville, is director.

The Somerset and Victoria hotels, of Windsor, were each fined $100 and costs on Thursday for violation of the Scott Act.

The farmers in the valley are putting printer's ink around the trunks of their fruit trees to keep away bugs and worms which injure the foliage. Farmers evidently know a good thing when they see it. Lethargic merchants should take the hint.

At Lawrencetown on Friday, J. W. Whitman died. A few days ago he fell from an apple tree, sustaining injuries which caused his death.

J. S. Foster left yesterday for Wolfville to continue his studies in the sophomore year at Acadia

Hopewell Hill News.

Hopewell Hill, Oct. 6.—The funeral of the four months' old son of Mr. and Mrs Eben Steeves, whose death occurred on Sunday, took place today. The interment was made in Baltimore, Albert County.
