## DENEAU'S BIG LEAGUERS TANNED THE HIDE MAKERS

### Hyman Team Was Handed a 15 to 8 Beating in Exhibition Game at Tecumseh Park Yesterday Afternoon—Two Bad Innings Were Responsible For Defeat.

[BY JINX.]

The C. S. Hyman team got a good "tanning" at the local ball lot yesterday when it bumped into Mr. Deneau and his collection of highbrows. The score was 15 to 8, but owing to the fact that it rained runs at frequent intervals, an authentic version of the score was almost an impossibility. The official scorer was not in mid-eason form. It was his first game, and he did not even have a workout before hand. When it poured runs he got a charley horse in his lead pencil, and was unable to go the full route. However, 15 to 8 is near enough. It was a nice game. That is, if you get real reckless and sling your words around regardless like. Somebody might want to argue the point with you, but considering that it was the first attempt this season for both teams, it was fairly passable.

**HYMANS MADE GOOD SHOWING.**

The Canadian Leaguers had it on the W. O. B. A. lads by a margin that is appropriately indicated by the score. At that, but for a couple of bad innings, the Hyman team would have been in the running all the way, and the fact that the tanners got eight runs and as many hits as their opponents speaks well for the class of ball they put up. The whole trouble seemed to be a desire on the part of the players to go to pieces when the Canadian Leaguers were chasing round the bases. If that first inning could have been navigated safely it is doubtful if the Deneau tribe would have won by such a score, and the contest would have been more evenly balanced.

**A Perth Pill-Pusher.**

Wilson, a youngster from Perth, started the game for the Hyman team, and during the four innings he lasted was touched up for seven hits and fourteen runs. In the first inning the London team made six runs on two hits, an error and three walks, a wild pitch and a couple of passed balls being sandwiched in. In the second inning another run resulted without a hit, a base on balls, a passed ball, and an infield out, being responsible.

In the fourth inning the Canadian Leaguers made seven runs on five hits, two of which were two-baggers, an error, a base on balls, a pass to Kuhn, who got the ball in the ribs. After that, Manager Parker, of the Hyman team, sent in Jack Gillis, who was lately released by Berlin, and he held the Tecumsehs to three hits and one run, although Mr. Deneau's aggregation let up a little after putting the game on ice in the fourth. Gillis pitched good ball, however, and he will likely be used against the Deneau tribe today.

**Deneau Used Three Twirlers.**

Manager Deneau started three pitchers, Higgins, Fitzpatrick and Nicholls. Higgins pitched the fire three innings and allowed one hit, while he had four strike-outs to his credit. Fitzpatrick was touched up for five hits and five runs, and Nicholls was landed on for four hits and three runs. None of the pitchers tried to put very much on the ball, merely contenting themselves with getting it over with a little speed on it. Fitzpatrick tried a slow drop, that worked nicely, and had the Hyman batters completely faded, but he did not attempt it very often.

Del Chaput umpired the game and his decisions nearly caused a riot on several occasions. However, he was able to escape with his life, but late reports say that he is not on speaking terms with his team-mates.

The box score gives the details:

## HAL CHASE MAY GO TO RED SOX

### Manager Stahl Is at Present Trying to Arrange a Trade With New York Club for Great First Baseman.

[Canadian Press.]

New York, April 29.—Manager Stahl, of the Boston American League team, said today he was trying to arrange a trade that would bring Hal Chase, the famous first baseman of the New York Americans, to Boston. Robert McRoy, treasurer of the Boston club, left town for Boston simultaneously with Stahl's admission that he was after Chase. Stahl was in conference with President McAleer, of the Boston club, Sunday, and it is assumed that McRoy will see McAleer today regarding a possible deal for Chase. It is reported that President Farrell, of the New Yorks, would be given a choice of anyone of the Boston catchers; also that he might receive outfielder Henriksen and infielders Janvrin and Ball. Officers of the New York club refused to discuss the matter.

## CUBS BEAT PIRATES AND LEAD LEAGUE

### Game Was Farcical Exhibition, Both Teams Playing Loose Ball.

### HENDRIX WAS VERY WILD

Unable To Locate the Plate in the Eighth Inning and Cubs Score Five Runs.

Chicago, April 28. — Chicago moved into first place in the National League today by defeating Pittsburg 8 to 5 in the final game of the series, while New York was prevented from playing by wet grounds. The game was more or less a farcical exhibition, with each team contributing towards this end.

Pitcher Hendrix could not find the plate in the locals' half of the eighth, and after walking two men was forced to retire in favor of Adams who was also wild. Pitcher Toney, in three times at bat, made two singles and a triple. Zimmerman, the regular third baseman for Chicago, injured his leg in yesterday's game against Pittsburg, in sliding to a base, and was unable to play. It may be several days before he will be able to take up his regular position. The score:

## BIRDS AND BISONS PLAYED TIE GAME

### Only Game in International Ended at End of Tenth.

### BUFFALO STARTED WELL

But Early Lead Was Soon Overcome By Baltimore, Who Tied It in the Eighth.

Baltimore Md., April 28.—The Birds and Bisons played a ten-inning tie todays. The game was marked by the weird exhibition of all the pitchers. Eleven bases on balls were given, and three batters were hit. The Bisons had the game well in hand with a lead of seven runs, but the Orioles came up from behind and tied up the score. Manager Clymer may protest the game claiming that Frill should have been allowed to score in the tenth on a passed ball which, he claims, hit the grandstand. The score:

## Harriers' Club To Be Organized By City Athletes

A meeting for the purpose of forming a harriers' club will be held at the Y. M. C. A. tomorrow evening at 8 o'clock. Several local athletes have been interested in the movement for some time, and it is believed that a good club can be formed. There are several good runners in the city, and the club would be the means of developing them for distance events. All those interested are asked to turn out at the meeting.

## ABBY JOHNSON VANISHES AS HIS MEN WAIT FOR TRAIN

### Team Was Supposed to Have Gone to Guelph, But Manager Fails to Put in an Appearance and Players Are Stranded in Brantford.

Abby Johnson, commander-in-chief of the famous handpicked Johnson's All-Stars, recently travelling under the name of the St. Catharines professional team, has, it is alleged, flown the coop. For the past three or four days Johnson and his team have been battling with the Brantford Red Sox in the latter city, and providing a pretty fair bunch of baseball. They were due to play at Guelph yesterday, and when Abby's team arrived at the station to proceed to the Royal City, Abby was among those not present. He did not put in an appearance at train time, and his players, not having the necessary, forthwith trooped back to the hotel to wait for him to show up. He did not put in an appearance, and has not been seen since.

**Crowd Gathered at Guelph.**

In the meantime a crowd had gathered at Guelph to witness the game, and there was much disappointment when the visitors failed to show up. The St. Catharines team is still in Brantford, and it is doubtful, unless Mr. Johnson comes to their rescue, if they will fill any of the engagements Abby had booked for them.

The team was to have played here Thursday, Friday and Saturday, but from present indications, it looks as if Mr. Deneau will have to make other arrangements. The Windsor Border League team, or one of the Detroit semi-pro. teams may likely be brought here to fill the bill.

**Knotty Lee's Team Weak.**

Manager Knotty Lee, of the Hamilton team, has left for Scranton, where he expects to land a number of players. Lee's team has been the object of much knocking by the Hamilton fans this spring, and when the Niagara University nine, under Manager Albert Barrett, who piloted the London team part of last season, walloped the Colts by the score of 9 to 1 Saturday, Lee decided it was time to strengthen up. Some of the fans who were present at the game, kept up a continuous tirade of abuse at the efforts of Lee's men, and Knotty became so disgusted himself that he left for Scranton. He intends to sign up several new men, mostly infielders. His infield is very weak this season, and he also needs a couple of good pitchers.

**Ort is Laid Up.**

Manager Ort, of the St. Thomas team, has been confined to his bed for the past five days with rheumatism. He expects to be out as soon as the weather gets warmer, however, and will have his team in great shape for the opening game here. He has a number of good players, and work-outs are being held every day.

Marlin Kopp, the Saints' great little left fielder, is also out of the game. He has a badly swollen hand as a result of a collision with Killingsworth in practice the other day.

## Broughdale Young Men Organize Athletic Club

An enthusiastic meeting of the young men of Broughdale and neighborhood was held last evening in St. Luke's Church basement to organize for summer sports. Mr. F. C. Ryall occupied the chair.

On motion it was resolved to form a club, to be called, "The St. Luke's Athletic Club."

The officers elected were: Manager, Mr. Clarence Ward; captain, Mr. George Lance; secretary, Mr. Clifford Blackall; treasurer, Mr. Nicholas Worrell.

The club proposes to arrange for baseball, football, and other seasonable sports.

Archdeacon Richardson presented a silver cup to be competed for by members of the club.

A convenient ground will be selected, and a strong organization will insure a successful season.

## OTTAWA CLUB RELEASES SEVERAL OUTFIELDERS

### Shaughnessy's Team Is Now Complete and He Thinks He Has a Strong Bunch For This Coming Season—Sailor Burke Will Not Agree to Terms.

Ottawa, April 28.—Word was received from Fort Wayne tonight that the Ottawa baseball team, which has been training there, is practically complete. Frank Shaughnessy says his infield and his outfield will be very strong, fortified by much harder hitters than were on his pay-roll last season. He is still dubious about his pitchers. Outfielders O'Hara, Henderson, Hoffman and Drury have been released. Also Pitchers McCarthy, Leavitt, Carpenter and Bernlohr. Infielders Williams and Arnfield will be turned loose and Catcher Lage may also go.

**Mike Callahan Has To Go Some.**

Mike Callahan has a fight on to cinch his position in the outfield, but will likely do so. Shaughnessy's team will start off with only two or three of last year's regulars. It will be: Catchers Rowe and Lake; Pitchers Renfer, Multin, Ostermeyer and Lill; first base, Dolan; second base, Harris; shortstop, Strawbridge; third base, Robertson; centre field, Shaughnessy; right field, Leggatt; left field, Callahan or Hoffman.

**No Agreement With Burke.**

"Sailor" Burke visited the Fort Wayne camp Saturday, but Shaughnessy refused to meet his demands, and he returned to Toledo. Premier Borden has been invited to pitch the first ball in the opening game at Lansdowne Park, May 15.
