TURKISH JUSTICE.—A writer in a French journal tells a rather hard story of Mehemet Ali, in illustration of his nice sense of justice. Making a tour of his provinces, in great state and with a cavalry guard, he was stopped by an old woman, who threw herself at his feet.

'Your highness,' said she, 'one of your soldiers has bought some milk of me for six paras, and won't pay me.'

'Why don't you pay her?' demanded Mehemet Ali of the soldier.

'Master,' said he, 'this woman lies; she has sold me no milk, and I owe her nothing.'

'You swear by Allah that you speak the truth?' said the Pacha then to the woman.

'Yes, I swear it.'

'And you as well?' said he to the soldier.

'Yes, I swear it.'

'Very well,' said the Pacha. Then turning to his guard, he added, with perfect composure, 'Take this man and open his stomach.'

The Pacha's order was obeyed, and the milk was found. The soldier had just drank it.

'The woman is right,' said Mehemet Ali, remounting his horse; 'let her have the six paras that are due her.' And he continued his journey.

STIRRING PREACHING.—Robin McLuckie of Cardross once gave his opinion of a sermon, delivered by the late Dr. Campbell when in Kippen: 'Wasna yon a targin' sermon? Did he no' lay the laws to our backs, as weel as tak' us through the heckles? Ye wad just hae thocht that he was haudin' a lowin' candle owre your heart, and litten ye see what he didna think was there; and then he shook out a' the links and seams o' the pock-neuk.'

The saints of Deseret make children's balls their favored winter sport. Several families—two or three hundred—of the 'Hope of Israel' danced on a late occasion.

BRYAN'S WAFERS, (The great public remedy.) have now been in use over twenty years, hence it cannot be said that they are on trial. They have been thoroughly tried, and pronounced (on the authority of those whose lives and health they have preserved) to be a cure, harmless and eminently sanitary preparation, and if taken in season will invariably cure colds, coughs, sore throat, and all Bronchial affections. One fair trial will convince the most skeptical. Sold by all medicine dealers, at 25cts. per box.

HAVE YOU TRIED IT? If not, don't delay another moment, but get a bottle of the 'Canadian Pain Destroyer.' It is far ahead of any other medicine, and was never known to fail. All aches and pains are immediately and permanently removed by it, and the price places it within the reach of all. Sold by all Medicine Dealers.

THE TRUE

THEORY OF PURGATION

APPLIED TO THE

LIVER, KIDNEYS, SKIN, STOMACH & BOWELS.

DR. RADWAY'S

PERFECT

PURGATIVE PILLS.

MATERIA MEDICA contains in its repertoire many purgative and cathartic agents that, for ordinary purposes, open the bowels, and through what is called a "peristaltic" movement, purge from the alimentary canal the fæces *and this is all.* Such agents for the purpose of cure, or removal of any settled disease, are utterly useless.

DR. RADWAY has completed one of the most essential discoveries in medical chemistry—in the combination of vegetable substances, for the purposes of a PURGATIVE, APERIENT, COUNTER-IRRITANT ALTERATIVE PILL, that can be taken or administered with the absolute certainty of securing.

THOROUGH EXPULSION OF ALL DECAYED AND DECOMPOSING elements in the human body and also safe to take in the most malignant of eruptive Fevers; in cases where the mucous membranes of the internal viscera are suffering from Ulceration, Inflamation or from

Gastric, Bilary, Pancreatic, Complaints.

MEDICAL DISCOVERIES.

Hundreds of medicines are put up under different names, all made alike, in imitation of some successful originator. There are, however, but very few of these medicines that are entitled to any distinctive or exclusive properties. All these common pills are made generally alike, with some active drastic drug for a base.

RADWAY'S PILLS possess properties that the Materia Medica has failed to discover in either the vegetable or mineral kingdom. Calomel and the many preparations of mercury, for centuries supplies an *alterative*, (and the most popular, for it is administered in 920 cases out of 1000) and Aloes, Gamboge, Scammony, Antimony, Podyphyllum and kindred drug supplies the Cathartic, not only for the medical practitioner, but for all sorts of the advertised Pills,

DR. RADWAY'S PILLS.

In RADWAY'S PILLS [which are the only *perfect Purgative Pills*] you secure a Pill superior in all its properties to the most choice remedial agents known to Medical Science. They either in every respect to all other pills in general use, and the only Vegetable Medicine that supplies a substitute for

Calomel or Mercury.

In RADWAY'S PILLS you have one medicine that will secure quicker, more thorough and better results than will be given in from three or more different prescriptions of the medical practitioner.—As a proof of this: You are seized with a Bilious attack! Doctor prescribes Blue Pills or Calomel! next some drastic aloetic pill or powders to work off the effects of the blue pill. This prostrates you; and a tonic is next given, or a gentle aperient, whereas ONE DOSE OF RADWAY'S PILLS *will do all the work that the three* or more prescriptions are given for, without running any risk from mercurializing or salivating the system.

Why is Purgation Necessary?

There are two principles which exist in every living human body; one is the product of decay of decomposition, (those humours or elements that are rejected by the absorbents and lacteals as *refuse*,) the other is that of nutrition. It becomes necessary for the life of the body that the decayed and excrementitious elements be *dismissed* and the nutritious adopted. For the removal of the first the human body is supplied with lungs, kidneys, liver skin, bowels, &c., but when, from any cause, the functions of these organs are suspended, then it is essential to resort to art or science in supplying assistance, and of all medicines ever given to the human race for this purpose, there is none in the arcana of MATERIA MEDICA or CHEMISTRY that secures these important results so *thoroughly*, HAPPILY, and with such COMFORT as

RADWAY'S PILLS.

In RADWAY'S PILLS, *the true principle of purgation* is secured—not alone to the effect of dismissing the fæces and excrements from the bowels, but those humors that are checked or stopped in their passage through the *Skin, Kidneys, Lungs*, and all excreting and secreting functions, for if these excrementious secretions belonging to the skin, liver, lungs, are interrupted in their escape, they become products of decay and decomposition, and must be purged from the living body, through their proper channels; hence the purgative qualities of RADWAY'S PILLS extend to the secretions of the SKIN, KIDNEYS, LIVER, &c., whereas, not one of the advertised Pills claim to act beyond the bowels.

Straining Hurtful.

There are many conditions of the system *where straining when at stool* is hurtful, especially persons suffering from weakness or diseases of the KIDNEYS, BLADDER, WORM PILES, URINARY DIFFICULTIES, and INVOLUNTARY PARTING DISCHARGES or the GENITALS.

LADIES

Afflicted with weakness or falling of the womb, LEUCORRHŒA, and all cases where the whites discharges, should, if they find any trouble in the discharge of the duty, take RADWAY'S PILLS, in sufficient quantity (two or three nights and through the day if circumstances require it) to open the system. RADWAY'S PILLS will assist the SARSAPARILLIAN RESOLVENT in strengthening the secreting functions of the excreting organs, that are too weak to hold their Constituent secretion, as in cases of involuntary emissions of semen, or from *blood* that should be secreted in diabetes, in Dysentery, in constant and painful discharges of water in drops, also in

PILES.

One violent and severe strain when at stool *will capture and destroy* the healing process of a month's medication. Persons of sedentary habits suffering from these ailments should never take the common *drastic purgative pills*, made of the common aloes disguised under a coat of sugar, that scour and produce *temporary relief yet not thorough* discharges, such pills as these *are all true hurtful*, and will especially in all cases where there is weakness in the secreting glands, destroy the required structure, and in all cases of fever, of an eruptive character, as any doctor will tell you, prove very dangerous.

In any condition of weakness RADWAY'S PILLS are the only purgative pills that are safe to take. This is shown clear to the understanding of all, from the peculiar combination of the ingredients of their composition and the medicinal properties secured. One or two of RADWAY'S PILLS as ordinary assistants when the bowels are costive will remove all dead and decomposing elements, and restore regularity to the functions of the LIVER, SKIN, KIDNEYS, BOWELS.

HOW TO TAKE

RADWAY'S PILLS.

RADWAY'S PILLS are so nicely balanced in their chemical equivalents, that any person can obtain such effects that are essential to the condition of their system to promote health.

1. If a brisk or thorough purge (by the word *thorough* we mean to convey that their purgative qualities be applied to the delayed or checked excrements of the skin, liver, kidneys, as well as the *retained* fæces in the bowels) is required, *four to six will free* the *system* from the presence of all matter ready to be purged out of the body.

2. If a mild and gentle aperient and laxative action is required, two to three will produce this result.

3. If merely a dinner appetizer, and to promote healthy digestion, *one pill* two or three hours before dinner.

Their daily Use.

In doses of one or two pills, by all persons of a full habit of body, subject to giddiness, rush of blood to the head, palpitation of the heart, and all those subject to fits, will not only keep the blood from becoming congested or clogged up in the blood vessels, but will equalize its circulation, and prevent sudden attacks of appoplexy, disease of the heart, congestion. Persons who will take one of these pills every day will not suffer from Headaches, Dizziness, Hysterics, Fainting Spells, Pains around the heart, and a hundred other disagreeable symptoms.

DYSPEPSIA.

One of RADWAY'S PILLS two or three hours before dinner, taken daily, will keep the system free from DYSPEPSIA, INDIGESTION, CONSTIPATION, COSTIVENESS, &c.

Bear in Mind.

RADWAY'S PILLS are the only purgative that will secure an alterative, diuretic, sudorific, aperient and tonic influence.

They are the only vegetable substitutes for Calomel or Mercury.

They promote the secretion of bile and withdraw it from circulation.
