A BRIDE'S CONFESSION

"Yes, dear, I am married now, and George and I are keeping house in the loveliest flat on 6th St. Well, yes, we did get married somewhat suddenly. My health, you know, had for some time been very delicate, and Dr. Heavyfee told mamma that he feared I would follow poor, dear sister Belle, who died three years ago from a wasting disease. Dear George was almost crazy when mamma told him what the doctor said, and I nearly cried my eyes out. But one day I overheard that 'hateful Nelly Parker' say to her mother, 'I think that George Blauvelt is a fool to be so easily fooled by a hacking cough, and when the girl he's engaged to dies, and they say she is dying of a galloping consumption, I'm going to step in to her shoes and become Mrs. George Blauvelt; now just you wait and see.' This spring I noticed George seemed to be almost resigned to the idea that we should never be married, and he thought that that deceitful hussy might get him after all nearly drove me crazy. One day I read the testimony of Lawyers Hove and Hammer as to the wonderfully invigorating effect of DR. CAMPBELL'S ARSENIC WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just sailed for Europe on business for his firm. On Sept. 18 he returned. I was, from the use of the Wafers, by that time again a well woman, and so enraptured was he with my healthy and robust appearance that he insisted we get married the very next day. I could not say him nay, and, as you will see by my card, I am now Mrs. George Blauvelt. Do call soon and let me introduce George to you; I am sure you will like him, he is so handsome, and as good as he is handsome. Hey! Presumptuous! I forget."

THE DEY OF ALGIERS!

The SHAH OF PERSIA and the SULTANS of TURKEY and MOROCCO now FATTEN and BEAUTIFY their harems exclusively on DR. CAMPBELL'S ARSENIC COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night.

"The Shah found his harem in a state of disorder on his return to Persia."—N. Y. World, Oct. 12, 1889. Reason: Their supply of CAMPBELL'S WAFERS was exhausted!

ILLUSTRATIVE of the desirability of a certain amount of Plumpness, rumour has it that the above distinguished Oriental Potentates make it a practice to WEIGH their wives regularly once a month, precedence in rank and imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.

Coughs, Colds, Croup.

Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that **it is warranted to break up the most distressing cough in a few hours' time,** if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the Lungs ALLEN'S LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and $1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.

Allen's Lung Balsam

Household Hints.

RYE GEMS.—Three cupsful of rye meal, two cupsful of flour, two and one-quarter cupsful of sweet milk, one large tablespoonful of sugar one teaspoonful of salt, one egg, one teaspoonful of cream of tartar and one half teaspoonful of soda. Have your gem pans very hot and well greased, and bake twenty minutes.

TO STONE RAISINS easily, pour boiling water over them and drain immediately.

For Dyspepsia

USE HORSFORD'S ACID PHOSPHATE

DR. J. J. MCWILLIAMS, Denison, Ia., says: "I have used it largely in nervousness and Dyspepsia, and I consider that it stands unrivalled as a remedy in cases of this kind. I have also used it in cases of sleeplessness, with very gratifying results."

BEEF PIE.—Line a dish with a rich crust. Put in a layer of cold beef cut up fine, then one of onions, one of potatoes, then another layer of meat. Season with pepper and salt. Dredge with a little flour. Put on water enough to make a gravy, then a top crust. Bake one hour.

UNSIGHTLY PIMPLES, TAN, Blotches, and all itching humors of the skin are removed by using Dr. Low's Sulphur Soap.

SOUR MILK BISCUITS.—One quart of flour, two cupsful of sour milk, two level teaspoonsful of soda and two large tablespoonsful of lard. Mix with the hand as bread dough, only not so stiff. Roll out about an inch thick, cut and bake in a moderate oven.

DELICATE AND FRUIT CAKE.—Cream three-quarters cup butter, with two cups sugar, one cup milk, two and one-half cups flour, three teaspoonsful Cleveland's Superior Baking Powder, the whites of five eggs. Flavour with lemon juice. Take of this mixture four large tablespoonsful and add spices to suit, with one cup seeded raisins and one half cup sliced citron. Bake two layers of white part and one of dark in square tins and put together with boiled icing.

BREAKFAST CAKES.—One and a half cups of Indian meal, one and a half cups of flower, half a cup of sugar, butter, a teaspoonful of soda, milk, one egg; stir cream of tartar in the flour and dissolve the soda in a little cold water; mix all this quite soft with milk; bake in shallow pans. To be eaten hot with butter.

SPONGE PUDDING.—One egg, one cupful of sugar, a small piece of butter, one-half cupful of water or sweet milk, two teaspoonsful of baking powder, and flour enough to make a good batter. Bake in a long tin pan in a quick oven.

DR. LOW'S WORM SYRUP has removed tape worms from 15 to 30 feet long. It also destroys all other kinds of worms.

CHOCOLATE CAKE.—Simple—One cup sugar, one half-cup butter, one cup sweet milk, two and one-half cups flour, two teaspoons baking powder, the yelks of five eggs and the whites of two. Bake in jelly pans. For icing, spread between the layers whites of three eggs, thicken with powdered sugar and one cake of grated sweet chocolate.

FRIED BOILED EGGS.—Slice hard-boiled eggs, dip in breadcrumbs and raw egg, and fry in butter; serve hot. This is a good plan of serving eggs that have been left at breakfast.

DR. WISTAR'S BALSAM OF WILD CHERRY is "a combination and form indeed" for healing and curing diseases of the throat, lungs and chest. It cures a cough by loosening and cleansing the lungs, and allaying irritation; thus removing the cause, instead of drying up the cough and leaving the disease behind.

RYE MUFFINS.—One cup sifted rye meal, one cup white flower, one-fourth sugar, one-half teaspoon salt, two teaspoons baking powder, one egg, one cup milk. Mix the dry ingredients thoroughly; beat the egg, add the milk, and stir quickly into the dry mixture. Bake in hot gem pans twenty-five minutes.
