They Do Not Expect Trouble.

Bricklayers, Stonemasons and Bosses Hope to Settle Differences.

There are many rumors afloat regarding trouble among bricklayers and stonemasons, as soon as the spring building operations begin, but they are only rumors. Mr. Joseph Hawthorne, secretary of the Bricklayers' Union, said no trouble was anticipated. The union was sufficiently strong to cope with anything which might come up. A special meeting, he said, was held on Saturday night to consider a special case—that of a city contractor who had employed two non-union stonemasons. The union bricklayers refused to lay brick on the foundation, and although it was completed last week no more work had been done. Mr. Hawthorne thought everything would be amicably settled without friction. He hoped soon to see the Normal School in course of erection, as this would be a boon to the trade. There is not likely to be any difficulty over wages. The scale of 33½ cents per hour, or $3 per day, will remain in force. Another meeting will be held on Monday night.

Brief and Decisive Opinions About Diamond Dyes.

Mrs. J. H. Coulter, Neepawa, Man., says: "I always have much pleasure in using Diamond Dyes; I think they are grand agents for making old things look like new."

Mary A. Raycraft, Leeds, P. Q., gives her experience in seven words: "I am delighted with your Diamond Dyes."

Mrs. Chas. Hutchings, Jones Falls, Ont., writes:

"Have used several packages of your Diamond Dyes, and find them better than any other make; they never fade or crock, and are entirely satisfactory."

Mrs. John Merritt, Sandy Cove, N. S., says:

"Have used Diamond Dyes for over seven years, and have found them great successes."

Mrs. David Grant, Mountain Station, Ont., says:

"Diamond Dyes far surpass all other dyes that I have tried."

Two mail bags stolen at the Columbia and Western Railway depot, Rossland, B. C., some weeks ago, have been found a distance from the depot hidden under some logs. They had not been opened, and the letters were in good condition. A registered letter addressed to A. White and containing $140 was in one of the bags.

Eczema Easily Cured.

Merrill's System Tonic has cured more cases of blood and skin diseases, such as Eczema, Scrofula, Pimples and Syphilitic Sores, than all other remedies combined. Besides being a most powerful blood purifier it is an excellent tonic, and cures by assisting nature to throw off the disease. A 50-cent bottle lasts three weeks. Sold at W. T. Strong's pharmacy. Explanatory pamphlet free.

Congree Hall Hotel, Douglas, Ont., was destroyed by fire Sunday night. The building was valued at $2,000; partly insured.

Piles! Piles! Itching Piles.

Symptoms: Moisture, intense itching and stinging, mostly at night; worse by scratching. If allowed to continue, tumors form, which often bleed and ulcerate, becoming very sore. Swayne's Ointment stops the itching and bleeding, heals ulceration, and in most cases removes the tumors. All druggists, or by mail, 50 cents. Dr. Swayne & Son, Philadelphia. Lyman Sons & Co., Montreal, wholesale agents. Avoid substitutes.

The choir also rendered a number of choice choruses. Maple syrup, buns and coffee were served at the conclusion of the programme.

—Furniture manufacturers throughout the province are much exercised over the decided shortage of raw material, especially elm lumber, which has risen one-third in price during the past month. This is owing to United States firms having bought so largely recently that they have practically cleaned out the market. This state of affairs led to a special meeting of the Canadian Furniture Manufacturers' Association in Toronto on Monday, when the price of all lines was advanced 10 per cent.

DEATH OF MRS. (REV.) TANCOCK.

The following from the Brantford Expositor will interest the friends of Rev. J. A. Tancock, a well-known London boy: "Countless Brantford friends will be sincerely sorry to hear of the death of Mrs. Tancock, wife of Rev. J. A. Tancock, formerly assistant minister at Grace Church. The deceased, who was only 25 years old, died in the Maternity Hospital, at Ottawa, on Good Friday, the infant child surviving. She was married to Mr. Tancock a short while ago in England, and stayed in Brantford after their return to Canada, endearing herself to all with whom she came in contact. The reverend gentleman will have the deep sympathy of many citizens in connection with his great sorrow."

DEATH OF A. AIKMAN.

Alexander Aikman, a highly esteemed citizen, died yesterday at the residence of his daughter, Mrs. Wm. R. Howell, in his 77th year. Mr. Aikman had been confined to his bed for the past six weeks, and had been ailing for about two years and a half, yet he was always patient and uncomplaining. He was born in the county of Wentworth in 1824, and his parents were both of U. E. Loyalist stock. When quite a young man he married the daughter of Mr. William Moore, of Halton county, and spent the major part of his life in that county. He was a Conservative, and had represented that county as deputy reeve and councilor for a number of years. Seventeen or eighteen years ago Mr. Aikman came to London, and was engaged as agent for the North American Life Insurance Company. He also served as financial secretary for Court Dufferin, I. O. F. Mrs. Aikman died about a year before her husband, and but two daughters survive — Mrs. A. McMichael, of St. James street, and Mrs. W. R. Howell, with whom Mr. and Mrs. Aikman lived. Mr. Aikman had been a staunch Methodist for nearly half a century, and was identified with the First Methodist Church, being a member of Mr. A. B. Powell's class. Interment will take place tomorrow afternoon at 3:30 at Mount Pleasant cemetery.

Election Decisions.

Judgment in South Perth and West Elgin Cases.

Moscrip (Liberal) and McDermid (Conservative) Declared Elected.

The Liberal Majority Therefore Remains at Eight.

Special to The Advertiser.

Toronto, April 12.—Judgment in the two election appeals, reserved by Judge Maclennan, was given this forenoon. In the South Perth case, the decision is given for Mr. Moscrip, who is declared elected by a majority of 4. In West Elgin, McDiarmid (Conservative) is awarded the seat with a majority of 1 over Mr. McNish.

[These results are different from what had been contemplated. It was believed that in West Elgin Mr. McNish would hold the seat, or at least retain it by the casting vote of the returning officer. His defeat, though likely only to remain till the case reaches an election court, is to be regretted. Mr. McNish proved one of the best informed of the representatives in the last Assembly, and it would be a loss to the Legislature were he to be kept out of it by a "fake." In South Perth, the triumph of Mr. Moscrip must be gratifying to that gentleman's many friends. But for the fact that a Patron candidate also ran Mr. Moscrip's majority over his Conservative opponent would have been such as to leave no question as to his majority. The result of these appeals leaves the strength of the two parties as it was: Liberals, 51; Conservatives, 43—Liberal majority, 8. And it will grow.]

Training for The Kirmess.

Prof. Speedie Starts Operations —Jottings Around the City Hall.

About 200 ladies, gentlemen and children met Prof. Speedie, the Kirmess director, in the city hall yesterday afternoon. Prof. Speedie at once picked out volunteers for the following dances: The Greek Scarf, Portuguese Tambourine, Scottish Baby, Flower Gavotte, Garland, Maypole, Flower, Gypsy and Russian Sleigh Bell. Classes for the British Flag Drill were also chosen, and the young ladies who will personify the Gypsy Queen, Kirmess Queen and Goddess of Liberty were singled out. Prof. Speedie could place nearly 200 more volunteers, as he has yet to form several groups, including Ireland, in the Irish jig; Holland, in the Dutch wooden shoe reel; the Greek dance for Greek ladies, and England, in the fishers' hornpipe. The gentlemen for the cake walk are asked to come out on Wednesday evening at 8 o'clock. All young ladies willing to participate in the British Flag Drill are also asked to meet the professor at 3 o'clock Thursday afternoon. He will be at the city hall every afternoon and evening until the Kirmess is ready, but no one needs to drill more than three times a week, and then only for an hour and a half. Mr. Speedie came to London direct from East Liverpool, Ohio, where a Kirmess closed Saturday night. He is much pleased with the prospects here. The city hall has been granted for rehearsals, and all participating are permitted to watch the drills of other classes.

Getting Tecumseh Park in Shape—Improvements on the Grounds.

Men are at work getting the baseball grounds in shape for the season, which opens soon.

Several improvements will be made. The pitcher's box will be raised to a level with the home plate, the twirlers last year having complained of it. The diamond will remain a grass one, but it will be "skinned" around the home plate and in the catcher's territory. The ground is being rolled as flat as a pancake for the fielders.

None of the London players are expected before April 20, as their railway tickets will not be sent until then.

Price, 50 cents for three weeks' treatment. Get a free pamphlet at W. T. Strong's drug store.

They feel as though there was nothing to live for. There, however, is a cure — one box of Parmelee's Vegetable Pills will do wonders in restoring health and strength. Mandrake and Dandelion are two of the articles entering into the composition of Parmelee's Pills.
