LAST WEEK BRINGS MORE TO ARMORIES

Applications for Medical Examination Were Brisker Yesterday.

ONLY FIVE DAYS MORE

General Logie Inspects Regiment and Congratulates it on Showing.

One more day's returns will bring the total of men in Toronto military district who have registered under the Military Service Act up to the forty thousand mark. By last night the total had reached 38,699. This was made up of 35,392 who claimed exemption and 3307 who reported as ready for military service. There are only five more days for men to answer the call. The registration in Toronto itself was brisker yesterday than on any preceding day. For a great part of the time the applicants were lined up two deep at the Adelaide street postoffice.

In Toronto military district 7215 men were examined by the army doctors during the week just ended. About half of these were examined in this city. The 7215 men were graded as follows: A. 3420; B, 780; C, 1210; D, 225; E, 1580.

Headed by brass and bugle bands, the 109th Regiment paraded last night to the University avenue armories for inspection by Major-General Logie and Col. H. C. Bickford, G.S.O. The 109th had about 450 members on parade. Lt.-Col. W. S. Dinnick was in command. Following the inspection, General Logie addressed the regiment, complimenting upon the work it had accomplished during the past summer and fall. He referred to the fact that he had recommended the giving of grants by the government to the militia regiments, and also in addition a bonus to each regiment which had kept up musketry work during the summer, the latter to be based on the proportion of men attending the parades.

Claims for Exemptions.

It is estimated by Lt.-Col. R. H. Greer, chief military representativefor exemption tribunals in Toronto district, that ten per cent. of the men subject to the Military Service Act, graded as "A" have applied for exemption. This shows that the majority of the exemption claims are being filed by men not eligible for the first draft. The total number examined so far in Toronto military district is given as 45,121. Of these, 21,210 were found physically fit for service in the front line trenches.

Seven hundred and seventy-seven Toronto men appeared before the armories doctors yesterday for military medical examination. Sixty-eight were sworn in for immediate service, 22 being for the C.E.F. and 46 for the Royal Flying Corps.

Eugene Ysaye will give a violin recital for the overseas troops at the Y.M.C.A. building, Exhibition Camp, tomorrow afternoon at 5 o'clock. All ranks have been invited to attend.

The promotion is announced of Capt. (temporary major) W. G. Thompson, commander C.A.D.C., Toronto district, to temporary rank of lieutenant-colonel in the Canadian militia.

Major P. G. Davies, formerly 75th Battalion, is appointed a company commander in the First Depot Battalion, 2nd Central Ontario Regiment, with rank of major.

EXEMPTION GROUNDS FULLY EXPLAINED

Civil Representatives Given Instructions by Provincial Registrar Glyn Osler Yesterday at City Hall.

In addressing a special meeting of the civil representatives of exemption tribunals for Toronto, at the city hall, Provincial Registrar Glyn Osler explained their work under the Military Service Act.

"Conscientious objectors," who cannot prove that they are members of a sect having conscientious scruples against war, will have their claim rejected. As to what grounds were sufficient for exemption, Mr. Osler cited the case of a claimant whose brother has been killed in action as being a fit subject for temporary exemption.

In answer to a question as to whether each tribunal would be public, he said he believed they should, but that, he thought, was the business of each individual tribunal. Tribunals could also use their own discretion as to whether they gave their decision on each case in public or private.

The registrar warned the representatives to be sure and obtain each man's record of exemption to prevent him from applying elsewhere, or to trace and punish him if he should make such application. The first question asked when a man appears before a tribunal will be: "Have you previously applied for exemption?"

BIRD-LOVERS MEET

Members Compare Notes of Summer's Observations and Elect Three to Honorary Membership.

A general meeting of the Canadian Society for the Protection of Birds was held in the bright new headquarters of the association in the MacLean building, University avenue, last night, when extremely interesting reports of the summer observations were contributed by Dr. Clarke, the president; Mr. Payne, Mr. G. A. Corsan, Mrs. Kurata and others. The first honorary members of the society were elected, the choice of the members being two of the Ontario cabinet ministers, namely, the Hon. F. G. Macdiarmid, minister of public works, Hon. Dr. R. A. Pyne, minister of education, both of whom have taken a deep interest in the work of the association and contributed generously to advancing its interests. An excellent program is planned for the coming year, and the well-loved Jack Miner, whose farm in Kingsville, Ont., has been established by the government as the first bird sanctuary in Canada, will be heard here again.

FORMER MEMBER FOR GREY COUNTY DEAD

M. K. Richardson Was Father-in-law Of Attorney-General Hon. I. B. Lucas.

Matthew K. Richardson, aged 78, passed away last night at his residence at Flesherton, after an illness of several months. He was born in Cumberland, England, and came to Canada many years ago, settling in Grey County, where he entered business as a merchant. He always took an interest in politics and in the year 1900 was elected to the house of commons for the riding of South Grey. He declined nomination at the next general election because of ill-health.

He is survived by four daughters: Miss Maud, at home; Mrs. I. B. Lucas, Markdale; Mrs. A. E. Webster, Toronto, Mrs. Frank Tate, Palmerston; and two sons, Dr. E. K. Richardson, Toronto; and George Richardson, who went overseas with the 147th Battalion.

CHILD BITTEN BY DOG.

Nellie Little Attacked While Playing in Back Yard.

Nellie Little, aged 8, 64 Pickering avenue, was severely bitten by a bulldog owned by Mrs. Kelly, 229½ East Gerrard street, about 4 o'clock yesterday afternoon, the child being so badly injured that her removal to the Sick Children's Hospital was necessary.

The child was playing in Mrs. Kelly's backyard with another little girl, when the dog jumped on her and bit her. The dog was finally dragged off by the neighbors. The animal is a valuable one, and is being held by the police. When asked as to the little girl's condition last night, the hospital authorities were unable to give any definite answer, as the child was at that time under treatment. It is thought, however, that no trouble of a serious nature will develop.

McBrien, David Spence, Dr. R. B. Orr, and C. Rumley.

Too Nervous To Sleep

Nerves Wrecked by Accident—Was Afraid to Go in a Crowd or to Stay Alone—Tells of His Cure.

London, Nov. 5.—Much sympathy was felt in this city for Mr. Dorsey, who met with a distressing accident when his foot was smashed in an elevator.

The shock to the nervous system was so great that Mr. Dorsey was in a pitiable condition for a long time. He was like a child in that he required his mother's care nearly all the time. He feared a crowd, could not stay alone and could not sleep because of the weakened and excited condition of his nerves.

Detroit doctors did what they could for him, but he could not get back his strength and vigor, until he fortunately heard of Dr. Chase's Nerve Food.

It is no mere accident that Dr. Chase's Nerve Food proves to be exactly what is needed in so many cases of exhausted nerves. It is composed of the ingredients which nature requires to form new blood and create new nerve force. For this reason it cannot fail, and for this reason it succeeds when ordinary medicines fail.

Mr. Laurence E. Dorsey, 39 Stanley street, London, Ont., writes: "About three years ago I got my foot smashed in an elevator in Detroit, which completely wrecked my nerves. I doctored with the doctors there, but they did not seem to be able to help me. My nerves were in such a state that I could not go down town alone, or go any place where there was a crowd. Sometimes my mother would have to sit and watch over me at night, and sometimes I could not get any sleep at all. But one day last winter I commenced using Dr. Chase's Nerve Food, and before I had completely used the first box I could see a difference in my condition. I continued using these pills for some time. The result was splendid. I feel so much better, can sleep well at night, can go out on the street and attend gatherings like the rest of people. I am so pleased to be able to tell you what Dr. Chase's Nerve Food has done for me, and to recommend it to other people."

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for $2.75, at all dealers, or Edmanson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

HEAR FROM PASTOR.

Rev. J. D. Morrow Writes to Congregation From France.

The congregation at Dale Presbyterian Church on Sunday had the pleasure of hearing a letter from a former pastor, Rev. J. D. Morrow, read. It was from a French hospital. He states that he is doing work there writing for the men to their loved ones when they are unable to do it for themselves. He wrote very feelingly of Bobbie McAllister, who he said was closer to him than any other boy in his congregation, and said how he would miss him. He had visited his grandmother in Ireland. He expressed kind feelings for Mr. and Mrs. McAllister.

Success Depends Upon Your Co-operation

THE only way Canada can raise the money she needs to maintain her fighting forces, and to establish the credits required by Great Britain, in order that she may buy in Canada, is to borrow from the Canadian people.

That's why Canada expects everybody to buy Victory Bonds to the utmost limit of their ability.

Do your part loyally—and what an easy part it is compared with what our fighting men are doing in countless deeds of valour, in feats of endurance that thrill the world, in acts of self-sacrifice that will form an imperishable record in the annals of our country.

The soldiers are fighting for you—you must back them up with your money. Upon your enthusiastic co-operation depends the success of Canada's Victory Loan.

Your money fights when you buy Canada's Victory Bonds to be offered November 12

MORE SELF-DENIAL AND SACRIFICE IS NEEDED

Sir Thomas White Explains Financial Situation to Manufacturers.

In an earnest plea before about 150 members of the Canadian Manufacturers' Association in the board of trade rooms yesterday afternoon Sir Thomas White, minister of finance, told of the reversal of the financial situation brought about by over three years of war.

Before the war the pound sterling was king, but now, owing to the vast drains on the resources of Great Britain, thru loans to her allies with which to carry on the war, her credit was now so strained that, on this side of the Atlantic at least, the dollar had replaced the pound.

It rested with the people of Canada, he said, to save thru self-sacrifice and self-denial, to rehabilitate Britain's credit.

"If we cannot save the money with which to secure credit for Britain then we will be unable to sell our surplus to Britain," he said.

Sir Thomas stated that in view of the war financing of the American Government in its Liberty Loan issues, it is his desire that the Canadian Victory Loan, 1917, should not be promoted in the United States. No commissions will be given, consequently, for obtaining American subscriptions.
