Estabrooks and McDonald were arranging to shoot at a mark. McDonald had cleaned the revolver, which contained three cartridges. He was looking intently at the revolver and thought Estabrooks had gone to put up the mark, instead of that, however, Estabrooks was only a few feet off. In some way McDonald's finger came in contact with the trigger of the revolver, which was discharged, the bullet entering the abdomen of Estabrooks.

EVERY ONE SEEMS TO BE TAKING "FRUIT-A-TIVES"

Demand Always Increasing—Because "Fruit-a-tives" Cures.

The real value of any article may be judged by the demand for it. Steadily increasing sales are the surest indication of intrinsic merit. This applies to a medicine as well as to a breakfast food.

First introduced to the public in Ottawa, the fame of "Fruit-a-tives" quickly spread until today these fruit juice tablets are known and used in every section of the Dominion.

The only reason for this extraordinary demand is that "Fruit-a-tives" is the only medicine in the world made of fruit, and is the only remedy that will positively cure Constipation, Biliousness, Indigestion, Dyspepsia, Backache, Headache, Neuralgia, Rheumatism, Bladder and Kidney Troubles. One has only to read the testimonials given to "Fruit-a-tives" by some of the best known and most highly esteemed people of Canada, to appreciate the wonderful amount of good that this grand fruit medicine has done and is doing for the sick and suffering.

BETTER THAN SPANKING

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W. 70, Windsor, Ont., will send free to any mother her successful home treatment with full instructions. Send no money but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

Patriotism

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger but not dyspepsia. The confirmed dyspeptic "is fit for treason, stratagems and spoils." The man who goes to the front for his country with a weak stomach will be a weak soldier and a fault finder.

A sound stomach makes for good citizenship as well as for health and happiness.

Diseases of the stomach and other organs of digestion and nutrition are promptly and permanently cured by the use of

Dr. PIERCE'S GOLDEN MEDICAL DISCOVERY. It builds up the body with sound flesh and solid muscle.
